## Our credit cards

If you're aged 25 or over, earn more than £25,000 a year and have an excellent credit history, our **Gold card** may be right for you:

- 0% for 15 months on balance transfers\*
- 0% for 3 months on all purchases\*
- typical **16.9% APR** (variable).

If our Gold card isn't right for you, then we may offer you our **Classic card**:

- 0% for 15 months on balance transfers\*
- 0% for 3 months on all purchases\*
- with a higher APR.

\*Introductory rates apply from the date the account is opened.

Balance transfers at 0% must be made within 3 months from account opening and are subject to a fee of 3% (minimum £5.00).

### Our cards provide:

- **commission-free purchases abroad** - this could save you money as we won't charge you commission on any purchases you make abroad (see summary box, 'Charges').
- **a positive order of payments** - unlike most other credit card providers, we pay off your debt being charged at the highest interest rate, before that charged at a lower interest rate - which could save you money.
