Republic of Ireland only

2 Motorway SOS boxes

- If you break down on a motorway, try to use one of the emergency phones which you will find every mile on the hard shoulder.
- Please do not use these number(s) for any calls that are not about a breakdown. Do not contact our agent or any other agent directly. To help improve customer service all calls are monitored and recorded.

3 Things you need to quote

- The registration number, make, model and colour of your vehicle.
- Exact details of where you are, the phone number you're calling from and the problem with your vehicle.
- If you have personal cover, and you are asking for help for a vehicle that is not your nominated vehicle, you must give your name as shown on your policy document, along with your home address, and tell us the make, model and registration number of the vehicle you are travelling in when you call.

4 When our agent arrives

- Our agent will do everything they can to get you on your way. But please remember they are only authorised to provide the service you have paid for and agreed with our control centre.
- They will ask you to pay for any parts. We will not be responsible for the cost of any services you arrange without authorisation from our control centre.
- When our agent has dealt with your breakdown, they may ask you to sign an advice note. They will return this to us to help us monitor our response rates and audit procedures.

5 Safety first

- If you're involved in a breakdown or an accident, always call us as soon as you can. If you have a disability or special needs or feel you are a vulnerable person or in a vulnerable location, please let our control centre know when you report the breakdown/accident.
- If you breakdown on a motorway, use one of the emergency phones located every mile along the hard shoulder. This will help us know exactly where you are.
- Pull onto the hard shoulder as far to the left as you can and switch on your hazard lights. Get out of your vehicle on the passenger side and wait well away from the carriageway, but not in front of your vehicle.
- If you feel at risk, return to your vehicle and wait in the passenger side with the doors locked. For your safety, once you feel the danger has passed, leave the vehicle and wait well away from the carriageway, again not in front of your vehicle.
- NEVER put your life at risk by trying to cross the carriageway.

Section A – Introduction to Road Rescue Policies

- This policy is for residents of the United Kingdom, the Channel Islands and the Isle of Man and entitles you, the policyholder, to our vehicle breakdown and recovery services within the United Kingdom, the Channel Islands, the Isle of Man and the Republic of Ireland. We have set out the different standards of service which we provide in sections C to H of this policy. The type of service which you will receive will depend on the amount of premium which you pay us. For instance, if you have paid the correct premium for UK & European Assist, we will extend the cover on your permanent named vehicle to the European countries as specified within the geographical limits of Section G.
- We will protect you against the cost of services within the policy period, shown on your Schedule of Car Insurance for which you pay a premium. Unless you give us a future start date your cover begins from midnight on the day of purchase.

- The policy only covers one permanently named vehicle unless you have paid an extra premium for Personal cover.
- If you have elected to pay by one of the continuous payment methods, the policy is renewable annually on the commencement date notified to you in the original cover, unless you notify us prior to the renewal date that you wish to either alter the level of cover, or do not wish to renew.
- We reserve the right not to invite renewal of your policy.

Section B – Vehicles

- Vehicles and any caravan or trailer that is attached to your vehicle must be registered as owned by you, or a member of your household, and be kept at your home address as shown on our records (see Section H if you have paid an extra premium for Personal cover).
- We will not provide services for vehicles if they are not registered with us. You must tell us immediately if you change your vehicle (see Section H if you have paid an extra premium for Personal cover).
- Vehicles must be in a roadworthy condition and should be serviced and maintained in line with manufacturer guidelines and meet all legal regulations, including, if appropriate, having an MOT certificate. It is your responsibility to ensure that all vehicles are kept in this condition throughout the period of cover and we may ask for proof in the event of a dispute. The service does not cover vehicles which, in the opinion of the agent attending the vehicle, were not roadworthy or were broken down before your policy began.
- Vehicles should not be more than 5.5 metres in length, 2.3 metres wide, 3 metres in height, or a weight when fully loaded of 3.5 tonnes. We will only cover vehicles over these limits if we have specifically agreed this with you, before your cover began. If appropriate you must always carry a legal and serviceable spare wheel or a manufacturer supplied or approved emergency tyre inflation kit or equipment and keys for any tyre security devices.
- Motorcycles – we will offer help at the roadside, but if this fails, we will take you, your motorcycle and any pillion passengers to an acceptable destination dependent on your cover entitlement.
- Caravans and trailers – your cover includes any caravan or trailer that is attached to your vehicle (this does not include help at the address that we have on our records or within a quarter of a mile of that address or the location at which your caravan is normally stored). Caravans and trailers should not be more than 8 metres in length (including A-frame) and fitted with a standard 50 millimetre ball coupling. All caravans and trailers must meet the requirements of the Road Vehicles (Construction and Use) Regulations 1986. We will only cover vehicles over these limits if we have specifically agreed this with you, before your cover began. If appropriate you must always carry a legal and serviceable spare wheel or a manufacturer supplied or approved emergency tyre inflation kit or equipment and keys for any tyre security devices.

- Motorhomes – must not be more than 8 metres in length or a weight when fully loaded not exceeding 7.5 tonnes and must be a recognised make and model which has been coach-built for that precise purpose. We will only cover vehicles over these limits if we have specifically agreed this with you, before your cover began. If appropriate you must always carry a legal and serviceable spare wheel or a manufacturer supplied or approved emergency tyre inflation kit or equipment and keys for any tyre security devices.

Section C – Roadside Assist

If your vehicle cannot be driven because of a breakdown which occurred at least a quarter of a mile from your home address we will;

- Try to repair the fault at the roadside so that you can continue your journey safely and legally but where this is not possible we will take the vehicle to a suitable place of repair or to a destination of your choice within 10 miles of the breakdown.
- Transport you and up to 7 passengers that are in the vehicle at the time of the breakdown to a suitable place of repair or to a destination of your choice within 10 miles of the breakdown.
- Relay telephone messages to your family members, friends or business associates to advise of unforeseen travel delays.
- Pay the cost of providing these services, including call out and labour for a reasonable period when assisting at the roadside.

Exceptions to Section C

- Breakdowns occurring within a quarter of a mile of your home address.
- All other labour charges and the cost of replacement parts and/or other materials are your responsibility.
- The cost of supplying a spare wheel and tyre if a serviceable one cannot be provided by you.
- The cost of, if needed, a locksmith, body glass or tyre specialist.
- Anything specified within the Service Limitations and Exclusions section of this policy (See Section J).

Important Information about Roadside Assist

- Where it is not safe or practical to repair a fault at the roadside (for example on a motorway), we will take your vehicle to a safe place or to the agent's premises to carry out repairs.
- If there is no suitable repairer within 10 miles of the breakdown an additional mileage charge may be made.

- Roadside Assist is only effective the day after you purchased this cover for the first time.
- Recovery cannot be used as a way of avoiding repair costs.
- This service cannot be used if the vehicle has already broken down or was not in a roadworthy condition when cover was taken out.

Section D – Roadside & Home Assist

- Use the cover provided under Section C (Roadside Assist).

Exceptions to Section D

- Any exceptions specified in Section C (Roadside Assist) other than where breakdown occurs within a quarter of a mile of the home address.

- We will only provide help at your home address if the vehicle fails to start.

- Allow you to use the cover as specified under Section C (Roadside Assist).
- Transport the vehicle, contents, driver and up to 7 passengers to your choice of destination if, in our opinion, the fault or damage cannot be repaired at the scene of the breakdown or locally by the end of the working day. We will not pay for any other recoveries.
- Pay the labour costs and reasonable incidental expenses following agreement between you and us if a major fault can be repaired locally. This will be instead of having to transport you and your vehicle a long distance to carry out repairs or having to take you to your home address.

- Try to make your vehicle safe to drive following accidental damage, theft, attempted theft or vandalism. You will be responsible for the full cost of any repair, and for collecting the vehicle. If repairs cannot be carried out at the roadside, we will take the vehicle to your chosen destination.
- Supply a Relief Driver if the only driver of the vehicle cannot continue a journey because of illness or injury and where other drivers are not sufficiently experienced or confident in using the vehicle.

Exceptions to Section E

- Any exceptions specified in Section C (Roadside Assist).
- Anything specified within the Service Limitations and Exclusions section of this policy (See Section J).

- Use the cover provided under Sections C, D and E;
- Choose one of the following benefits if, in our opinion, repairs to the vehicle cannot be completed on the same day as the breakdown;

 - c) Pay up to £60 per person for overnight bed and breakfast accommodation up to a maximum of £500 at a hotel near the repair garage, and up to £40 for reasonable public transport costs to get the driver to the garage the following day. You must send us your claim within 28 days for us to pay you these costs, along with the relevant receipts.

- Claim for the cost for one single standard class rail ticket for you or any authorised driver to collect the vehicle following repair.

- Hire cars may not be taken out of the country without the permission of the hire car company.
- Our breakdown and recovery services do not extend to hire cars provided under Section F (UK Recovery & Home Assist).

Section G – UK & European Assist

In addition to all the services, benefits, terms and conditions given under Sections C – F of this policy, those detailed in sections G1 – G9 will also apply as well as Section I (General Conditions of Service) & Section J (Service Limitations and Exclusions).

This cover only applies to permanent named vehicles and is not valid for claims under the Personal cover option (See Section H).

You may have to pay for some services such as hotel accommodation and claim it back from us when you get back to the UK. The exchange rate will be based on that current at the time the claim is processed.

We will aim to provide the most suitable and cost effective solution to your problem and our decision will be final. As well as the general terms and conditions of this policy, we will provide the following services if you travel to a country listed under the geographical limits below:

Geographical limits: Albania, Andorra, Austria, Belarus, Belgium, Bosnia Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Gibraltar, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Former Yugoslav Republic of Macedonia, Malta, Moldova, Monaco, Montenegro, the Netherlands, Norway, Poland, Portugal, Romania, Russia (West of the Urals), San Marino, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Tunisia, Turkey in Europe, Ukraine.

Section G1 – Cover Before You Travel

If your vehicle cannot be driven because of a breakdown, accident, theft or attempted theft during the 7 days immediately preceding a pre-booked trip departure date and repairs cannot be completed before you leave we will:

- Arrange and pay a maximum of up to £800 for you to hire a replacement car, subject to availability, with you being responsible for all fuel, oil and insurance costs; or
- Subject to all legal and statutory regulations allow a temporary change for the vehicle that is on cover to allow you to continue with your journey; or

Important Information about Roadside Assistance and Local Recovery in Europe

- In some countries if you break down on a motorway or other major route, your call may be answered by the police and they may arrange for a recovery without our authorisation. If this is the case, you may be asked to pay for the service and you should keep the receipt and claim it back from us when you get back to the UK.

Section G4 – Providing Spare Parts

If replacement parts are not available locally to carry out a permanent repair, we will try and get them elsewhere. Section G6 – Relief Driver

If the only available driver of your vehicle cannot continue a journey because of illness or injury, or where other drivers are not sufficiently experienced or confident in using the vehicle, we will:

- Provide a qualified driver to drive your vehicle and up to 7 passengers back to your home address in the UK; or
- Pay any extra costs to transport your vehicle, up to 7 passengers and luggage back to the UK as long as these costs are not higher than the market value of your vehicle; or
- Pay the reasonable costs for someone you choose to travel to where the insured vehicle is kept to drive it back to your home address in the UK.

Section G7 – Repatriating Your Vehicle

If your vehicle cannot be driven because of a breakdown, accident, theft or attempted theft during your trip or your vehicle could not be repaired in time for your return journey to the UK, we will:

- Pay any extra costs of transporting you, up to 7 passengers and luggage back to the UK; and
- Pay the cost of transporting your vehicle to your home address in the UK as long as these costs are not higher than the market value of the insured vehicle; or
- Pay the reasonable costs for someone you choose to travel to the place where your vehicle is kept to drive it back to your home address in the UK.

If you have to return to the UK before your vehicle, we will:

- Subject to all legal and statutory regulations agree a temporary vehicle swap until your vehicle is returned to the UK.

Exceptions to Section G8

- You must meet the terms and conditions of the hirer which include having a valid driving licence, a minimum age for drivers of 23 and being in possession of a valid credit card.

Exceptions to Section G1 – G8

We will not pay for any of the following:

- Any bail or customs duty you must pay;
- Any costs which you would have had to pay anyway if the incident had not happened;

- Loss or damage to any unaccompanied baggage or personal belongings we are transporting;
- Any fines awarded against you;
- Your vehicle to be sent home if the costs of repatriation will exceed its UK market value.

Section H – Personal Cover

If you have paid an additional premium for Personal Cover it increases the services to which you are entitled to any privately owned vehicle you or your domestic partner drive or travel in, within the UK, and to any privately owned caravan or trailer attached to the vehicle. The vehicle must meet the vehicle dimensions described in Section B (Vehicles) and which we do not exclude under Section J (Service Limitations and Exclusions).

Exceptions to Section H

- We will not pay for the cost of parts, materials or supplies used to repair the vehicle you were driving or travelling in at the time of the breakdown.
- Repairs cannot be undertaken unless you have the authority of the owner of the car to authorise any repairs.

Section I – General Conditions of Service

1. You must make all requests for the breakdown service to our control centre immediately. We will not accept responsibility for any service or help that we have not arranged.
2. You or your representative must stay with the vehicle to make sure that the agent has access to the vehicle. Your representative must have your permission to authorise any necessary repair or other work, which will be at your expense and if appropriate, have your permission to drive the vehicle.
3. We will try to repair your vehicle, or take it to a suitable destination, linked to your cover entitlement. We do not cover normal vehicle maintenance and will charge you for any services that are not covered by the policy you have purchased including all its terms and conditions.
4. All our agents are required by law to adhere to regulations on driver's hours. If a recovery is needed this may result in the agent taking regular breaks or

the need to operate a staged recovery where further agents are used to share the recovery.

5. In the event of a recovery our agent will unload the vehicle in a safe and appropriate place close to your chosen destination. For example, our agent will not unload a vehicle on a private driveway if there is insufficient space, a risk of ground compression or obstacles which could make this difficult.
6. You must tell us if you are covered for services by any other insurance policy or can claim against another person. We may ask you to include our invoice in your claim against the other person or against your other policy to recover or reduce our costs.
7. It is your responsibility to make sure that any temporary repair that our agents carry out is followed immediately by any necessary permanent repair. We may ask for proof of repair in the event of a dispute.
8. In the event that your payment defaults, we will terminate cover forthwith and seek to recover all costs incurred in providing services to you. We reserve the right to refuse service in the event of payment default.
9. If we believe you have used the service excessively or unreasonably, for example, by not having permanent repairs done following a temporary repair carried out by an agent, or due to lack of routine maintenance, we may cancel your policy by sending 7 days' notice by recorded delivery to your last known address.
10. In the event that we have provided services which are not covered by this policy, for example we have attended a vehicle at your home address and the level of cover you chose did not include Home Assist or we have provided spare parts to effect a repair for which settlement has not been made to the agent or supplier as specified in clause J3, we will send you an invoice for the amount due which should be paid within 30 days.
11. If you have given us false information on your application for cover, or given us incorrect information when you asked for help, for example the vehicle does not meet all legal requirements or was broken down before cover was accepted you will have to pay all costs which we have had to pay as a result of your false or incorrect information. In such circumstances we reserve the right to terminate forthwith with no refund.
12. In the event of a road traffic accident we may ask you to contact your motor insurance company in the first instance to arrange recovery to ensure you receive your full entitlements. If assistance is not available for whatever reason, we will provide the services as shown under your cover entitlement.
13. We may only recover a vehicle from the scene of an accident if we have permission from the emergency services involved.
14. If there are any differences between the terms in this policy document and any terms our agents agreed over the phone or in person, these written policy conditions will apply.

Section J – Service Limitations and Exclusions

We will not be responsible for providing the following:

1. The cost of any service outside the period of cover, or where we have not received the correct premium.
2. Services on the road within a quarter of a mile of your home address that we have on record, unless you have paid for Roadside & Home Assist, UK Recovery & Home Assist or UK & European Assist cover.
3. The cost of all parts or supplies used or provided to you or for your vehicle. These will include:
 - The cost of supplying and fitting windscreens;
 - Labour costs in removing and disposal of contaminated or incorrectly mixed fuel; and
 - Storage charges unless we have specifically covered them under your chosen level of cover.

You must pay all these costs to the agent or supplier.

4. Any charges incurred because your vehicle is not carrying a legal and serviceable spare wheel or a manufacturer supplied or approved emergency tyre inflation kit or equipment or keys for any tyre security devices (this does not apply to motorcycles).
5. Any fines, penalties, tolls or unclamping charges you have to pay.
6. Accommodation or other expenses (for example, rail or taxi charges) that you or your passengers have to pay, unless we have specifically covered them under your chosen level of cover.
7. Any costs involved in moving your vehicle into a position where we can try to repair it or transport it. For example all charges for retrieving your vehicle from a ditch or field are your responsibility.
8. The full costs of our agent's time if, having called us, you employ another agent before our agent arrives to repair or recover your vehicle. However, if you phone us for help but you manage to get your vehicle going again, we may agree not to charge you for our agent's time if you contact our control centre immediately.
9. Breakdown services for vehicles involved in sporting events, including racing, pacemaking, speed testing, rallies, trials and all other track-based activities and those involved in leisure off road events unless we have specifically agreed this with you.
10. We will not be responsible for any loss of business, loss of profit, loss of revenue, loss of contract, loss of goods or any direct or indirect losses incurred as a result of the services provided to You under this policy or the delay or alleged delay in providing such services.

11. Major repairs, servicing, stripping down vehicles or reassembly (including repairing faulty brakes, steering, suspension or DIY work).
12. Recovering a caravan or trailer if it is occupied by people or livestock, and transporting animals and pets in a recovery vehicle (with the exception of Assistance Dogs). In these cases, the agent's decision is final.
13. Any costs you have to pay if, following an accident, the police have temporarily removed the vehicle to a safe place or local garage. After you have paid any costs and filled in the necessary paperwork, we will recover your vehicle subject to the conditions under clause 11.2.
14. Recovery if it would be dangerous or illegal for our agent to load or transport your vehicle. In these cases, the agent's decision is final.
15. We cannot provide help on commercial garage premises which are not our agent's premises.
16. Services in the case of:
 - war or military operations;
 - acts of terrorism;
 - events beyond our control;
 - civil disorder;
 - a national emergency;
