The Financial Services Authority is the independent financial services regulator. It requires us, Legal & General, to give you this important information to help you to decide whether our Term Assurance Plan is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

Its aims

The plan aims to allow you to choose:

- the amount of cover;
- the period of cover; and
- the type of cover.

Your plan includes:

Life cover – pays out a lump sum if you die or are diagnosed with a terminal illness.

If your cover is for mortgage protection and you choose decreasing cover, your cover reduces approximately in line with the outstanding amount on a repayment mortgage.

Your commitment

You must:

- Provide us with all the relevant information we ask for when you take out the plan. If you don't, your plan may not pay out, and we might have to cancel your policy. Please don't assume that we'll write to your doctor, it's your responsibility to fill in the application form accurately.
- Truthfully provide all the information we ask for when you or your representatives make a claim. If you don't, your plan may not pay out and we might have to cancel your policy.
- Pay your premium monthly by direct debit monthly or annually during the **term** of the plan.
- Tell us if any of the following change between completing your application and when your plan starts:
 - Medical disclosures
 - Family history
 - Occupation
 - Travel or residence (except holidays)
 - Pastimes
 - Alcohol consumption
 - Start smoking
 - Use of recreational drugs, for example cocaine or heroin.

Please note that these examples are not intended to be a complete list.

If you don't tell us about changes to any of the above, it could mean your plan won't pay out and we may have to cancel your policy.

We're here to help

If you've any queries, would like more information, or you would like this document in Braille, large print or audiotape, please contact the Legal & General helpdesk on 0370 010 4080.

We may record and monitor calls. Call charges will vary.

Risks

The plan carries the following risks:

- If you stop paying your premiums your cover will end 30 days after the first missed premium.
- If you don't truthfully provide all the information we request on your application or when you or your representative make a claim, we won't pay out under the plan.
- There are some circumstances when your plan won't pay out. These are described under 'When won't the plan pay out?' on page 5.
- The plan has no **cash in value** at any time.
- Your policy's conditions or benefits may be subject to **exclusions** after we **underwrite** your application. In that case, we'll include those exclusions in your policy document.
- We won't pay out a claim from a cause that we exclude in your policy document.
- The present tax treatment may change.

For mortgage protection cover

- You should check that the plan **term** is long enough to cover the duration of your mortgage term, otherwise you won't be fully protected.
- If you've chosen decreasing cover there are some circumstances when the lump sum we pay might not be enough to pay off your mortgage in full. For example, if your mortgage interest rate averages over 10% during the plan's **term**.

What are Legal & General's Term Assurance Plans?

Our Term Assurance Plans are long term insurance policies which you can tailor to meet your needs. You can choose:

- **The type of cover you need** – your plan includes:
 - **Life cover** – pays out a lump sum if you die. You can choose either level or decreasing cover.

Terminal illness cover – life cover automatically includes terminal illness cover. This means we'll pay the lump sum if you are diagnosed as being terminally ill and are eligible to claim, with a life expectancy of less than 12 months. Once we've accepted a claim for terminal illness cover your plan will end. This cover doesn't apply during the plan's last 18 months and isn't available on plans with a **term** of less than two years.

- **The level of cover you need** – this is the lump sum that we pay out for a valid claim.
- **How long the cover lasts** – the table below gives details of the minimum and maximum **term**, as well as maximum ages. After we've paid the lump sum, your policy ends and you pay no more premiums.

Term Assurance Plan products	Minimum term	Maximum term	Your plan must end before age
Level Term Assurance Plan	1 year*	40 years	80
Mortgage Term Assurance Plan	1 year*	40 years	80
Mortgage Decreasing Term Assurance Plan	5 years	40 years	80

*If a one year **term** is chosen then terminal illness cover doesn't apply.

How much does the plan cost?

Your premium depends on several factors:

- Your personal circumstances, for example, your age, health, sex, occupation and whether or not you smoke.
- The amount and type of cover you choose.
- How long you want your cover to last.

You pay your premium by direct debit monthly or annually to maintain your cover. If you stop paying your premiums, your cover will end 30 days after your first missed premium. The plan has no **cash in value** at any time.

How much does the plan pay out?

Your plan pays out a lump sum. You decide how much this is when you take the plan out.

The plan pays out the main benefit once and then all cover ends. We produce a **personal illustration** to show you your period of cover, the type and amount of cover you've chosen and your premium.

What if I already have life cover?

Make sure you obtain financial advice before cancelling any existing policies. Call into your local Nationwide branch where one of our advisers can help you decide what best suits your needs.

Who can the plan cover?

You can apply for the plan to cover:

- you alone; or
- you and another person.

If the plan covers two people it will only pay out once. This would be when the first of these two people dies or has a valid terminal illness claim.

When won't the plan pay out?

For all types of cover if:

- The policy has stopped because you haven't paid your premiums.
- You don't disclose all the relevant information that we ask for when you take out your plan. Please don't assume that we'll write to your doctor, it's your responsibility to complete the application form accurately. If you don't disclose all relevant information it may mean we cancel your cover.
- A claim is made and the person or people making the claim don't truthfully provide all the information we ask for. If this happens we may not pay your claim and we could cancel your policy.
- The cause of the claim is specifically excluded by any terms we apply to your plan when we accept your application. These will be shown in your policy document.
- You don't tell us if any of the following change between completing your application and when your plan starts:
 - Medical disclosures
 - Family history
 - Occupation
 - Travel or residence (except holidays)
 - Pastimes
 - Alcohol consumption
 - You start smoking
 - Use of recreational drugs, like cocaine or heroin.

Please note that these examples are not intended to be a complete list.

If you don't tell us about any change before your plan starts your cover could be cancelled.

- The insured person commits suicide in the first year of the policy.

Further details of what is covered and any standard [exclusions](#) and restrictions are given in the policy provisions section of the policy document. This is made up of the policy schedule and the OLA (Ordinary Life Assurance) wrap.

What other benefits are available?

The following benefits are available with your plan. We'll show full details of any extra benefits in your policy document. Your [personal illustration](#) shows any benefits included in your plan and their cost. For full details, ask in your local Nationwide branch.

Option to increase the amount of cover you have later on during the plan (guaranteed insurability option)

You can increase the amount of cover later on without further medical evidence up to certain limits. This is your guaranteed insurability option.

You can do this if:

- you get married or enter into a registered civil partnership;
- you become a parent; or
- you increase your mortgage because you're moving home or undertaking major home improvements.

For your policy to include the guaranteed insurability option, the policy must be accepted on [standard terms and normal rates](#) before your 45th birthday. You must choose to use this option before your 50th birthday (older life for joint life policies).

If you do choose this option we won't ask any more medical questions, and the rates at the time of the increase will apply. We set out the limits which apply in your policy document. Your Nationwide adviser can give you more details.

Accidental death benefit

Accidental death benefit provides you with life cover while we're processing your application. We provide this cover free of charge and without the need for any underwriting. It'll cover you if you die following an accident. The amount of cover will be the amount of life cover you have applied for or £300,000, whichever is the lowest. The cover will start when we receive a completed application form. It will last for 90 days or until we accept, postpone or decline your application or you notify us that you don't wish to proceed with your application, whichever occurs first. Terms and conditions apply.

Free cover between exchange and completion for mortgage protection

We offer free life cover between exchange of contracts and completion of your property purchase. The amount of free life cover will be your proposed sum assured, the amount of your loan, or £300,000, whichever is the lowest.

In Scotland, we provide the free cover from when you complete missives for your chosen property until the date of entry.

We cover you for 90 days from when you exchange contracts (or, in Scotland, complete missives). To be eligible for this cover, the following conditions must apply:

- you're under 55 when you take out the mortgage (for joint life policies this will apply to the older life);
- you have been accepted on [standard terms](#);
- the exchange of contracts has taken place;
- no other policies covering the same mortgage can be in force or applied for; and
- your duty of disclosure continues until completion (or date of entry in Scotland).

SmoothMove - for mortgage protection

To provide SmoothMove, we've teamed up with Inter Partner Assistance, one of the largest international emergency assistance organisations. If you're taking out cover to protect a new mortgage and are moving house, your cover will include SmoothMove, a 24 hour rescue service. Included at no extra cost SmoothMove helps with unexpected hitches on moving day. SmoothMove also covers you for up to three months for domestic emergency repairs and legal advice after you've moved in.

Inter Partner Assistance provides SmoothMove. For full details of SmoothMove, please see the key features and policy terms and conditions of SmoothMove, which is available from your local Nationwide branch.

Your **personal illustration** shows whether any of these benefits have been included in your plan.

When will my cover start?

You can choose the date when your plan starts. If you're moving house or taking out a larger mortgage, your mortgage cover usually begins on the same day as your new mortgage.

Will my payments ever change?

We guarantee your premium. This means that your monthly payment will stay the same throughout your plan's **term**.

Your premium will change however if you increase the amount of cover by exercising your guaranteed insurability option.

What happens if I move house?

Your plan can move too, and you can increase your cover for a larger mortgage, within certain limits.

What happens if I move abroad?

We can usually only offer cover to applicants who live in England, Scotland, Wales or Northern Ireland when the policy starts, provided they have no plans to move outside these areas.

If you take out a life policy with us and then move abroad later on during the **term** of your plan, your cover will continue as long as you carry on paying your premiums.

What are the charges?

The premium payments shown in your illustration include all the costs of administration, underwriting, claims, commission and selling.
