Useful information

Things to do before you travel

Foreign and Commonwealth Office (FCO)

The Foreign and Commonwealth Office provides a wealth of information relating to travel advice on their website, including information and views to help people form their own judgements about travelling to a particular country. Visit their website at: www.fco.gov.uk or call 0845 850 2829.

Health

- Make sure any vaccinations recommended for the area you are travelling to are up to date. Vaccine advice by country can be found on www.fitfortravel.nhs.uk.
- Visit your health care adviser to find out about any other suggested medical advice. Be aware of possible health risks during your trip. The National Travel Health Network and Centre www.nathnac.org also has some useful health protection information.
- If you are on medication, pack enough supplies in your hand luggage making sure all medication is in its original packaging and you have any prescription documents with you. It is worth checking with the nearest embassy of the country you are going to that your medication will be legal in that country and find out whether you will need to take a doctor's letter with you.
- Check for any security restrictions at your departure airport. For information visit the Department for Transport website at: www.dft.gov.uk.
- Ensure you have a valid passport and that the contact details at the back are up to date.
- Make sure you are aware of the immigration and customs controls of the country you are travelling to, including any necessary visas.
- Let someone, who will be in the UK while you are away, know where you are going, your itinerary and details of how they may be able to contact you.
- Take two copies of your passport, visas etc. Take one with you (kept separate from your actual passport) and leave one copy with a family member or friend. It is sensible to ensure your passport is valid for at least 6 months after your planned return date. It is also recommended that you leave a copy of this travel insurance policy with someone in the UK.

- If you are planning to drive whilst abroad, ensure you check the driving laws and licence requirements of the country you are visiting.
- Get a good guide book and find out about the country you are visiting. Knowing a little about local laws, customs and culture can be invaluable, as can knowing the meaning of a few key words or phrases of the local language.
- Take enough money for your trip as well as some back up funds such as a credit card or travellers' cheques. Take the numbers of any helplines that you would need to call in the event of loss or theft of these items and record any reference numbers that you may need to provide.
- Avoid taking jewellery or valuables away with you.

Air passenger rights

European Union regulations have strengthened passengers' rights. You are entitled to claim compensation from your airline in the following circumstances:

- Denied boarding and cancelled flights
If you check in on time but are denied boarding because there are too many passengers for the seats available, or if your flight is cancelled, the airline operating the flight must offer you financial compensation.
- Long delays
If your flight is delayed by more than 5 hours, the airline must offer to refund your ticket should you choose not to travel.
- Baggage
If your checked-in baggage is damaged, lost or delayed by an EU airline, you can claim for compensation. For damage to checked-in baggage you must claim in writing to the airline within 7 days of its return, and for delayed baggage within 21 days of its return.

For more information visit
www.europa.eu.int/comm/transport/air/rights/index_en.htm.

Important information about your policy

How your policy works

Your document of insurance and policy **schedule** is a contract between **you** and **us**. **We** will pay for any claim **you** make that is covered by this policy and happens during the **period of insurance**. Unless specifically mentioned, the benefits and exclusions within each section apply to each **person insured**. **Your** policy does not cover all possible events and expenses.

Telling us about relevant facts

At the time of buying or renewing **your** policy or when booking a trip (whichever is later), **you** must tell **us** about any relevant facts that might affect **your** cover. Examples of relevant facts are a reason why a trip could be cancelled, or a medical condition which has been diagnosed or which has deteriorated since being declared to **us**. For more information see the Health Declaration on pages 18 and 19. If **you** do not tell **us** about relevant facts, this could invalidate **your** insurance.

Cancellation rights

When **you** receive **your** Policy, **you** have 14 days in which to consider the cover provided. If the cover does not meet **your** requirements, **you** may cancel **your** insurance by returning **your** documents within 14 days of receiving them.

We will then refund any money **you** have paid if **you** have not made a claim during that time.

You can write to Nationwide Travel Insurance, County Gates, Bournemouth BH1 2NF. Telephone 0845 640 5930; for textphone please dial 18001 first. If during this 14 day period **you** have travelled, made a claim, or intend to make a claim then **we** are entitled to recover all costs that **you** have used for those services. Refunds will be made within 30 days of receipt of **your** request to cancel.

Policy excess

Under some sections of **your** policy, **you** will have to pay an **excess**. This means that **you** will be responsible for paying the first part of the claim for each **person insured**, for each section, for each claim incident. The amount **you** have to pay is the **excess**.

What happens if we are unable to meet our liabilities?

If **we** are unable to meet **our** liabilities to **our** policyholders, **you** may be able to claim compensation from the Financial Services Compensation Scheme (FSCS).

The level of compensation differs depending on the type of cover:

- Compulsory insurance, (e.g. third party motor), is covered for 100% of the claim.
- Non compulsory insurance, (e.g. home insurance), is covered for 100% of the first £2,000 and 90% for the remainder of the claim.

Further information can be obtained from: Financial Services Compensation Scheme, 7th Floor, Lloyds Chambers, Portsoken Street, London, E1 8BN. Telephone 020 7892 7300 or e-mail enquiries@fscs.org.uk.

Foreign and Commonwealth Office advice against “all travel”

The policy does not cover travel to areas where the Foreign and Commonwealth Office has advised against “all travel”. If **you** are not sure whether there is a travel warning for **your** destination, please check with the Foreign and Commonwealth Office at www.fco.gov.uk or call 0845 850 2829.

Governing law

Unless agreed otherwise, English law will apply and all communications and documentation in relation to this policy will be in English.

Transfer of rights

You cannot transfer **your** rights under this policy. A person, partnership (whether limited or not) or company who is not named on the policy **schedule** for this policy has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

Renewal of your insurance cover

If **you** have annual multi-trip cover, **we** will send **you** a renewal notice prior to the expiry of the **period of insurance** as shown on **your** policy **schedule**.

The terms of **your** cover and the premium rates may be varied by **us** at the renewal date. **We** will give you at least 21 days written notice before the renewal date should this happen.

At renewal **you** must tell **us** about any relevant facts and check that **you** still comply with the Health Declaration (see pages 18 and 19). If **you** do not tell **us** about relevant facts, or do not comply with the Health Declaration, this may invalidate **your** insurance.

Health declaration and health exclusions

These apply to the following sections: Cancellation or curtailment charges, and Emergency medical and associated expenses, and Personal accident.

It is very important that you read and understand the following and if necessary declare any pre-existing medical conditions to us.

1. **You** will not be covered for any claim arising from a pre-existing medical condition, or for any claim directly or indirectly related to a pre-existing medical condition, unless the condition(s) has (have) been declared to and accepted by **us**. If **we** are not able to cover **your** pre-existing medical condition(s) this will be shown under the endorsement sections on **your** Travel Insurance Schedule (the endorsement sections are to be found at the bottom of the **Schedule**).

A pre-existing medical condition is:

- Any heart condition, breathing condition (including asthma), circulatory condition (including strokes or high blood pressure), gastrointestinal (digestive tract) conditions, bone or joint conditions, or any type of cancer;

or

- A medical condition or ailment that an **insured person** is suffering from or has suffered from in the last 12 months.

This includes, but is not restricted to, a condition for which:

- investigation/tests/advice is ongoing or has been received
- treatment is or has been given
- surgery is needed or has been given
- prescribed medication has been advised.

The policyholder should call **us** on 0845 640 5930, for textphone please dial 18001 first, if:

- **you** need to declare a medical condition for an **insured person**
- an **insured person** develops a medical condition after **your** policy was issued
- an **insured person's** existing declared condition deteriorates after **your** policy was issued
- **you** are unsure whether a medical condition needs to be declared or not.

We will be able to advise whether cover can be provided for **your** medical condition. **We** may ask **you** to pay an extra premium or **we** may exclude cover for pre-existing medical conditions.

If **we** cannot provide cover because a medical condition has deteriorated or been diagnosed since the policy was issued, **you** can either:

- Make a cancellation claim if **you** have booked and paid for a **journey** that **you** have not yet made; or
- Cancel **your** policy and **we** will send you an appropriate refund, as long as **you** have not travelled or made a claim.

If **you** apply for cover for any pre-existing medical condition, **you** must declare all **your** pre-existing conditions. However, **you** do not need to declare minor ailments such as hay fever, tonsillitis, ear infections, colds, flu, skin irritations, chiropody, and dental treatment if:

- No prescription was given or only short term antibiotics, non-prescription pain killers, creams or ointments, and
- If the ailment was in the last 3 months, **you** have been advised by **your doctor** that it is safe to travel.

2. **You** will not be covered for any claim arising from a medical condition of someone **you** were going to stay with, a **travelling companion**, a **relative** or a **business associate** if **you** are aware of the medical condition at the time **your** policy was issued.

4. **You** will not be covered if **you** know **you** will need medical treatment during **your journey** or **you** are travelling specifically to get medical treatment.
