You should also show this booklet to any other person covered by this insurance.

## Our commitment to you

We'll always:

- give you clear and accurate information
- be fair and reasonable
- act promptly

## Your responsibility to give us correct information

Please make sure all the information you give us is correct and complete. It's important because if you don't we may cancel your insurance from its start date and/or not pay your claim. If you're not sure whether you need to tell us about something please ask.

# Your rights to cancel your insurance

## Up to 14 days after you receive your documents

At the start of your insurance policy, when you receive your documents, you have 14 days to check you're happy with the insurance cover you've bought. If the cover doesn't meet your needs, you can cancel your insurance by telling us.

For car insurance we'll refund any money you've paid, less a charge for the cover you've had and a cancellation charge for setting up the policy. Please refer to 'Charges that apply' on your insurance schedule for more details. If you cancel before your cover starts we'll refund all the premium you've paid.

For travel insurance, we'll refund all the money you've paid as long as you haven't claimed and you also haven't travelled.

We'll refund you within 30 days of you telling us that you'd like to cancel.

## More than 14 days after you receive your documents

For car insurance, after the initial 14 day period, if you've not made a claim, we'll refund any money you've paid, less a charge for the cover you've had and a cancellation charge. If you have made a claim you won't be able to get a refund. If the amount due to us when you cancel your policy is more than the amount you've previously paid, you must pay us the difference. This includes paying the remaining premium due for the policy if you are paying by monthly instalments and have made a claim.

For travel insurance we won't give any refunds after the initial 14 day period, even if you have not travelled or made a claim.

## Cancellation at renewal

We'll send you a renewal invitation 3 weeks before your renewal date. This will show your renewal premium and any changes to your cover. If you've not chosen our continuous payment option, you must contact us before your renewal date to maintain cover.

If you've chosen our continuous payment option, we'll automatically renew your policy before it expires. If you don't want to renew, simply contact us when you receive the renewal invitation.

If you renew, whether or not under the continuous payment option, but then decide to cancel, provided you tell us before your renewal date, we'll refund what you've paid in full. If you cancel after your renewal date has passed you will be charged in line with the cancellation rules detailed above depending upon whether it has been more than 14 days since your policy has been renewed.

## **How we use your personal information**

### **Data Protection Act 1998 and Insurance Administration**

This information explains how we may use your details and tells you about the systems we use that allow us to detect and prevent fraudulent applications and claims. The savings that we make help us to keep premiums down.

How we may use your personal data is controlled by the requirements of the Data Protection Act 1998. Nationwide Building Society and Liverpool Victoria Insurance Company Limited are registered for the purpose of processing personal data.

## **Use of your information by Liverpool Victoria Insurance Company Ltd**

Information provided to us may be held on computer, paper file or other format, whether or not you purchase a policy. We'll hold this information for a reasonable time to ensure we have a clear and complete history of insurance enquiries, applications, policy records and transactions.

We and our agents (eg service providers that we have agreements with both within and outside the European Economic Area) may use this information (some of which may be sensitive data) to process and administer your insurance. It may also be used or disclosed to regulators to monitor and enforce our compliance with any regulation. Occasionally, your personal information may be disclosed to selected third parties who are helping us improve our service.

If you give us your credit card, debit card or bank details we may use it to automatically renew your insurance. We'll only do this where you say we can.

If your details have been obtained through one of our affinity associations we may pass some of your information, including policy details and ongoing information, to that affinity organisation for membership, business analysis and other relevant purposes.

If you move to a new insurer we may confirm certain details about your insurance to them. We'll only do this if we're sure it's a genuine request.

If we receive a request for policy information by an individual other than the policy holder we'll check that the policy holder has given permission to do this.

We won't use sensitive personal data for marketing purposes.

### **Credit Search**

We use information obtained from a number of sources including credit reference agencies. This helps us to confirm your identity, allows us to give you a quote and decide which payment options we can offer you, for example, paying monthly.

You'll see a record of this search if you request a Credit Report. No other organisation who may conduct credit searches will be able to see it.

The search won't affect your credit record or credit rating in any way.

## Motor Insurance Database

We'll add details about your insurance policy to the Motor Insurance Database ('MID') which is managed by the Motor Insurers' Bureau ('MIB'). The MID and the data stored on it may be used by the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- electronic licensing
- continuous insurance enforcement
- law enforcement (prevention, detection, apprehension and/or prosecution of offenders)
- the provision of government services and/or other services aimed at reducing uninsured driving.

If you're involved in a road traffic accident (either in the UK or abroad), insurers and/ or the MIB may search the MID to obtain relevant information.

Other persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including foreign citizens) may also obtain relevant information held on the MID.

It's vital that the MID holds your correct registration number. If not you risk the Police seizing your vehicle. You can check that your correct registration number is shown on the MID at [www.askmid.com](http://www.askmid.com)

## Previous claims and incidents

You must tell us about any claim or incident (such as fire, water damage, theft or an accident) whether or not you claimed for them. When you tell us about a claim or incident we'll pass information about it to various databases. We may search these databases:

- when you apply for insurance
- if you have a claim
- at renewal

We'll do this to validate your claims history or that of any other person or property likely to be involved in the insurance or claim.

## Fraud prevention and detection

- If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies.
- Law enforcement agencies may access and use this information.
- We and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
  - checking details on applications for credit and credit related or other facilities
  - managing credit and credit related accounts or facilities
  - recovering debt
  - checking details on proposals and claims for all types of insurance
  - checking details of job applicants and employees
- Please contact us at GFC, LV=, County Gates, Bournemouth, BH1 2NF if you want to receive details of the relevant fraud prevention agencies.
- We and other organisations may access and use from other countries the information recorded by fraud prevention agencies.

### Some of the registers we make use of are:

- The Claims and Underwriting Exchange (CUE). This is run by Insurance Database Services Ltd. The CUE database is used by most UK insurers and holds details of most motor and household insurance claims.
- Insurance Hunter. This is a central insurance anti fraud system to which other insurers also have access. This database is designed to combat activities such as identity theft and money laundering.
- The Motor Insurance Anti-Fraud and Theft Register. This central database contains details of stolen and written off vehicles.

To protect your interests, we will check any information provided against these registers for completeness and accuracy. If we find that false or inaccurate information has been given to us, or we suspect fraud we'll take action, which could result in prosecution.
