PART 2 Life assured details

At least one life assured must be aged 89 or less.

As the bond is a life assurance contract you have to name somebody whose life the contract depends on. You can name up to six people as a life assured. These people are called 'lives assured'. The bond pays out if the life assured dies before the applicants named in Part 1 decide to cash it in. Naming more than one person can be useful if you want the bond to remain invested to benefit others in the long term, as it doesn't pay out until the last person named dies.

Complete ONE section only.
