### Section C – UK Recovery & Home Assist

- We will only provide help at your home address if your vehicle is incapable of operation due to a breakdown
- For help provided at your home address, our breakdown professional will try to repair the fault. If they can't do this, they will take the vehicle immediately to a local place of repair. If you do not accept immediate recovery, you will have to pay for any further help for the same fault
- UK Recovery & Home Assist is effective immediately upon opening your Nationwide FlexPlus current account
- Recovery cannot be used as a way of avoiding repair costs
- This service cannot be used if the vehicle has already broken down or was not in a roadworthy condition when you took cover out with your Nationwide FlexPlus current account
- We will only pay for costs associated with the breakdown of vehicles not registered to the account holder(s) if the account holder(s) is with the vehicle when the breakdown occurs and when the breakdown professional arrives to access the vehicle
- Where it is not safe to repair a fault at the roadside (for example on a motorway), we will take your vehicle to a safe location to carry out repairs
- All costs relating to parts and labour remain your responsibility unless covered or agreed by us
- We cannot guarantee that a replacement vehicle will be available
- We will not pay for any extra charges relating to specific needs of a replacement vehicle such as tow bars or roof racks; these requirements are subject to availability
- You must meet the terms and conditions of the hire company
- Hire vehicles may not be taken out of the country without the permission of the hire company
- Our breakdown and recovery assistance does not extend to hire vehicles provided under this cover.

## What is covered

If your vehicle cannot be driven because of a breakdown, we will:

- Transport your vehicle, you and up to 7 passengers that are in the vehicle at the time of the breakdown to a local place of repair if repairs cannot be completed at your home address or at the roadside
- If you have lost or broken your vehicle keys, and a spare set is known to be at a nearby location, we may choose at our discretion to arrange transportation for you to collect the spare set instead of allocating a breakdown professional to attend the vehicle. At all times, we will choose how best to help you
- If the fault or damage cannot be repaired at the local repairers by the end of the working day on which the breakdown occurred, and the breakdown occurred more than a ¼ of a mile from your home address, we will transport your vehicle, you and up to 7 passengers to a destination of your choice in the UK (we will not pay for any other recoveries)
- If the breakdown has occurred more than a ¼ of a mile from your home address, we may pay a contribution towards labour costs following agreement between you and us if a fault can be repaired locally. This will be instead of having to transport you, your vehicle and passengers to a destination of your choice in the UK
- Supply a relief driver if the only able and legal driver of the vehicle cannot continue a journey because of illness or injury. Documentary proof of the illness or injury must be supplied to us if you are not to be charged for this service
- Relay telephone messages to your family members, friends or business associates to advise of unforeseen travel delays

- The cost of supplying a spare wheel and tyre if a serviceable one cannot be provided by you
- The cost of a locksmith, vehicle glass or tyre specialist
- Vehicle hire in the event of the vehicle requiring routine servicing or other repair work to correct non-immobilising faults or undergoing repair of cosmetic damage

## Section E – General conditions of service

1. You must make all requests for our breakdown and recovery assistance immediately. We will not accept responsibility for any service or help that we have not arranged.
2. Unless the vehicle broken down is registered to the account holder(s), the account holder(s) must be with the vehicle when the breakdown professional arrives to access the vehicle. If the vehicle broken down is registered to the account holder(s), they or their representative must stay with the vehicle to make sure that the breakdown professional has access to the vehicle. In such cases, the account holder(s) representative must have their permission to authorise any necessary repair or other work, which will be at the account holder(s) expense and have their permission to drive the vehicle.
3. We will try to repair your vehicle, or take it to your chosen destination, linked to your cover entitlement. We do not cover normal vehicle maintenance (including the replacement of tyres which have been allowed to run flat or are below the legal tread limit) and will charge you for any services that are not covered by the policy.

4. We reserve the right to recover your vehicle in accordance with regulations as they relate to our breakdown professionals working hours. This may result in the breakdown professional taking regular breaks or the need to operate a staged recovery where further breakdown professionals are used to share the recovery.
5. In the event of a recovery our breakdown professional will unload the vehicle in a safe and appropriate place close to your chosen destination. For example, our breakdown professional will not unload a vehicle on a private driveway if there is insufficient space, a risk of ground compression or obstacles which could make this difficult.
6. In the event of a road traffic accident you must contact your motor insurance company in the first instance to arrange recovery to ensure you receive your full entitlements. If assistance is not available for whatever reason, we will provide the services as shown under your cover entitlement.
7. You must tell us if you are covered for services by any other insurance policy or can claim against another person. If you are covered by another insurance policy we will ask you to include our invoice in your claim against the other person or against your other policy to recover or reduce our costs.
8. It is your responsibility to make sure that any temporary repair that our breakdown professionals carry out is followed immediately by any necessary permanent repair. We will ask for proof of repair in the event of a dispute.
9. We reserve the right not to provide assistance and to cancel your policy if you:
  - Fail to repair the vehicle following a call out for the same problem
  - Knowingly use the vehicle when a fault has been identified
  - Fail to service and maintain the vehicle in line with manufacturer guidelines
  - Fail to obtain a valid MOT certificate if required by law
  - Fail to tax the vehicle if required by law
  - Fail to maintain the vehicle in a roadworthy condition
  - Use or attempt to use the service where the vehicle is not registered to the Nationwide FlexPlus current account holder(s)

We will ask you to provide documentary evidence such as an MOT, repair or service invoice or vehicle registration document (V5) in the event that you fail to comply with the above conditions. Failure to supply documentary evidence may result in your policy being cancelled.

10. In the event that we have provided services which are not covered by this policy, for example we have provided spare parts for a repair and settlement has not been made to the breakdown professional or supplier as specified in clause **F2**, we will charge you at the time of your call or we will send you an invoice for the amount due which should be paid within 30 days.
11. If you have given us false information on your application for cover, or given us incorrect information when you asked for help, for example the vehicle does not meet all legal requirements or was broken down before your cover started; you will have to pay all costs which we have had to pay as a result of your false or incorrect information. In such circumstances we reserve the right to terminate your cover immediately with no refund.
12. We may only recover a vehicle from the scene of an accident if we have permission from the emergency services involved.
13. If there are any differences between the terms in this policy document and any terms our breakdown professionals agreed over the phone or in person, these written terms will apply.
14. We will not provide assistance if you or any passenger behave in a threatening or abusive manner to us or our breakdown professionals.
15. Any diagnosis by our breakdown professional is only provisional; you may require a follow up diagnosis by your own repairer, at your own cost, to determine the exact nature of the breakdown and what work or parts are required for repairs to be completed.

## Section F – Service limitations and exclusions

We will not be responsible for providing the following:

1. The cost of any service outside the period of cover or where the Nationwide FlexPlus current account has been closed.
2. The cost of all parts or supplies used or provided to you or for your vehicle. These will include:
  - The cost of supplying and fitting windscreens;
  - Labour costs in removing and disposal of contaminated or incorrectly mixed fuel; and
  - Storage charges unless we have specifically covered them under your level of cover.

### **You must pay all these costs to the breakdown professional or supplier.**

3. Any charges incurred because your vehicle is not carrying a legal and serviceable spare wheel or a manufacturer supplied or approved emergency tyre inflation kit or equipment or keys for any tyre security devices.
4. Any fines, penalties, tolls or unclamping charges you have to pay. We will pay any tolls if your vehicle is being recovered at the time by one of our breakdown professionals.
5. Accommodation or other expenses (for example, rail or taxi charges) that you or your passengers have to pay, unless we have specifically covered them under your chosen level of cover.
6. Any costs where specialist equipment is needed to move your vehicle into a position where we can try to repair or transport it. For example all charges for retrieving your vehicle from a ditch or field are your responsibility. Any vehicle or equipment other than a standard recovery vehicle would be considered specialist.
7. The full costs of our breakdown professional's time if, having called us, you employ another breakdown professional before our breakdown professional arrives to repair or recover your vehicle. However, if you phone us for help but you manage to get your vehicle going again, we may agree not to charge you for our breakdown professional's time if you contact us immediately.
8. Breakdown and recovery assistance for vehicles involved in sporting events, including racing, pacemaking, speed testing, rallies, trials and all other track based activities or practising for any such events, and those involved in leisure off road events.
9. Breakdown and recovery assistance for vehicles involved in hire and/or reward uses (such as a taxi).
10. We will not be responsible for any loss of business, loss of profit, loss of revenue, loss of contract, loss of goods or any direct or indirect losses incurred as a result of the services provided to you under this policy or the delay or alleged delay in providing such services.
11. Major repairs, servicing, stripping down vehicles or reassembly (including repairing faulty brakes, steering, suspension or DIY work).
12. Recovering a caravan or trailer if it is occupied by people or livestock, and transporting animals and pets in a recovery vehicle (with the exception of Assistance Dogs). In these cases, the breakdown professional's decision is final.
13. Any costs you have to pay if, following an accident, the police have temporarily removed the vehicle to a safe location or local place of repair. After you have paid any costs and filled in the necessary paperwork, we will recover your vehicle subject to the conditions under clause **E6**.
14. Recovery if it would be dangerous or illegal for our breakdown professional to load or transport your vehicle. In these cases, our breakdown professional's decision is final.
15. We cannot provide help on garage premises which are not our breakdown professional's premises.

16. Services in the case of:

- war or military operations;
- acts of terrorism;
- events beyond our control;
- civil disorder;
- a national emergency;
- anything which the Government or highway authority does or fails to do;
- legal restrictions;
- industrial disputes;
- fire;
- lightning;
- explosion;
- flood (except where the breakdown has occurred due to water damage while the vehicle was in motion/use);
- nuclear explosions or a release of ionising radiation;
- subsidence; or
- severe weather conditions

17. Any claims arising from speeding, alcohol or drug related incidents.

18. More than one recovery per breakdown unless we agree otherwise.

19. Where you agree for repairs to be conducted by the breakdown professional at their premises; we are not responsible for the quality of repairs they undertake. The agreement to conduct repairs is solely between you and the breakdown professional.

20. We (and any of our directors, employees or other representatives) will not be legally responsible for any losses, costs or damages which you suffer as a result of our failure to provide the services listed in **Sections C & D**.

21. Any costs other than a tow to the nearest garage or service station if the breakdown is as a result of running out of fuel.

22. Any costs incurred as a result of not carrying a serviceable spare tyre and wheel or approved emergency tyre inflation kit and equipment (if supplied by the manufacturer) for your vehicle, caravan or trailer unless it has not been built by the manufacturer to support the carriage of a serviceable spare tyre. This applies equally to full size or space saver alternatives.

23. Breakdown and recovery assistance for vehicles using trade plates.

24. Any costs where the account holder(s) are not with the vehicle when the breakdown professional arrives at the vehicle, unless the vehicle is registered in the account holder(s) name.

25. Breakdown and recovery assistance for vehicles not registered in the UK.

Despite these service limitations and exclusions, we do not intend anything in this policy to limit any legal rights you may have as a consumer against us or our employees or breakdown professionals as a consequence of death or personal injury resulting from our negligence or that of our employees or breakdown professionals.
