1. Important Information

You can only access benefits whilst you are able to meet one of the requirements of Schedule of Insured Persons on page 8.

It is recommended that you read this booklet before travelling. Whilst the whole policy is important, you should pay particular attention to all definitions, exclusions, conditions and claims conditions.

You should carry this booklet with you whenever you are travelling.

If you have a pre-existing medical condition, please call us on **0800 051 0154** as we may not be able to cover you. More details are on page 10.

Please note that if a member of your immediate family, travelling companion or business associate (whether they are travelling or not) has been a hospital inpatient in the 12 months prior to you booking the journey or been put on a waiting list for hospital treatment, then this policy will not cover you for subsequent cancellation of the journey.

Providing accurate information

You must take care to provide us with accurate information which is correct to the best of your knowledge. Please check all the policy details carefully, these set out the information you have given us. If you think there is a mistake or you need to make changes, you should notify us immediately. Failure to provide correct information or inform us of any changes could adversely affect your policy, including invalidating your policy and causing claims to be rejected or not fully paid.

Insurer

FlexPlus Worldwide Family Travel insurance policies are underwritten by U K Insurance Limited who is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority, registration number 202810. The Financial Conduct Authority website, which includes a register of all regulated firms can be visited at www.fca.org.uk, or the Financial Conduct Authority can be contacted on **0800 111 6768**. The Prudential Regulation Authority website can be visited at www.bankofengland.co.uk/pru, or the Prudential Regulation Authority can be contacted on **0207 601 4878**.

How to make a claim

If you are in the UK and wish to notify us of a claim please telephone the claims department on **0800 051 0164** 8am–6pm Monday–Friday.

If you are abroad and require emergency assistance please contact our assistance service on **+44 141 349 0288**, lines are open 24 hours a day 365 days a year.

Duplicate Insurance

In the event that you have more than one policy in force, you should be aware that at the time of any incident which is covered by both policies, the costs may be shared proportionally between the two insurance companies based on the cost of the claim and the sums insured of each policy. When recording a claim with either provider, you should therefore provide details of your second policy. The insurers will then arrange a contribution between themselves. However, this will not affect the claim.

To upgrade your FlexPlus Account Travel Cover

We offer optional 'Top-up' insurance cover options for an additional premium:

- a) Age extension: If you are not within the age limits as outlined on page 8 we will be able to provide cover for an additional premium of £50 (inclusive of Insurance Premium Tax, where applicable & subject to medical screening). Premiums are correct at time of going to print but maybe subject to change.
- b) Extended journey cover: If you are planning a long holiday or extended journey past 31 days we can extend your cover up to 180 days. (Extended journey cover is not available for winter sports).
- c) Excess waiver: With an excess waiver upgrade you will not have to pay the standard policy excess in event of a claim.
- d) Hazardous activities cover: Upgrade your cover as outlined on page 11.
- e) If you are planning a trip and the value of that trip exceeds the maximum amount under the Cancellation section of this policy, you can extend the amount of cancellation cover available for that single trip.
- f) Guest cover: if you want to add cover for anyone other than the account holder, their partner or any dependent child.

Please contact the Nationwide FlexPlus Account Travel Insurance helpline on **08000 51 0154** 8am–9pm Monday– Friday, 9am–5pm Saturday and 10am–5pm Sunday.

NOTE: If you call us to upgrade your cover, we won't issue documents containing the names of the insured as defined on page 8, unless a medical condition is disclosed to us, then as required by the Disability Discrimination Act we will write to the person with that condition.

Any upgrades purchased are only valid whilst you remain eligible for FlexPlus travel insurance.

If you switch from or close your FlexPlus account any upgrades previously purchased through U K Insurance Limited will be cancelled and no refund will be provided unless the upgrade was purchased within 14 days of cancellation and a claim has not been made.

Making a Complaint

If you need to complain:

For issues relating to the purchase or administration of your insurance (including any upgrades and endorsements) or a claim you have made:

- Please call us on **0800 051 0154**.
- If you wish to write, then please address your letter to Nationwide FlexPlus Account Travel Insurance Customer Relations, Churchill Court, Westmorland Road, Bromley, Kent, BR1 1DP.

You can refer complaints about claims under Section M to arbitration instead (where an independent person, known as an arbitrator, makes a decision to settle the dispute). The Arbitrator will be a solicitor or barrister or other suitably qualified person that you and we agree on. If we cannot agree then we will ask the Chartered Institute of Arbitrators to decide. The Arbitrator's decision will be final and whoever does not win will have to pay all costs and expenses.

If you are not satisfied with the way we have dealt with your complaint you may refer it to the Financial Ombudsman Service. You can also refer your complaint to them first without giving us the opportunity to resolve it, but if you do this, they will only consider your complaint with our consent. The Financial Ombudsman Service provides a free, independent, complaint resolution service. Details about their service and how to refer a complaint to them can be found on their website www.financial-ombudsman.org.uk

If you purchased your account online, you may also have the option to refer your complaint to the Financial Ombudsman Service using the Online Dispute Resolution platform. The platform has been established by the European Commission to provide an online tool for consumers to resolve disputes about goods and services purchased online. The platform can be found at <http://ec.europa.eu/consumers/odr/>

Their address is: Financial Ombudsman Service, Exchange Tower, London, E14 9SR. Phone: **0800 023 4567** or **0300 123 9123**. The FOS will contact us for you. The FOS will tell you its decision direct. Being referred to the FOS will not affect your legal rights.

If you are a business and for any reason your complaint falls outside of the jurisdiction of the FOS then we will still respond to your complaint but if we cannot sort out the differences between us you will not be able to refer the matter to FOS. However, this will not affect your legal rights.

Reciprocal Health Agreements

Full details are available from www.dh.gov.uk/travellers

European Union

If your trip includes visits to any country in the European Union, Iceland, Lichtenstein, Norway or Switzerland, we strongly recommend that, if you are eligible, you obtain a European Health Insurance Card (EHIC) and take it with you whenever you travel. EHIC enables you to benefit from the reciprocal health agreements that are in place with these countries, and which also apply to certain other countries and territories. If you use your EHIC to reduce the costs of medical treatment you receive, we will waive the excess on any additional claim under section E. Medical and emergency costs whilst you are on your journey. EHIC is free and valid for five years; application can be made online at www.ehic.org.uk or by calling **0300 330 1350** and a separate card is required for every person travelling.

Australia

If your trip includes visits to Australia you must enrol at a local Medicare office, but you can do this after you have had treatment for the first time. In-patient and out-patient treatment is then available free of charge.

General provisions

The policy is evidence of the contract between you and us. The policy and any endorsement are to be read as one document and any word or expression used with a specific meaning in any of them has the same meaning wherever it appears. The conditions that appear in the policy or in any endorsement are part of the contract and must be complied with. Failure to comply may mean that claims will not be paid. From time to time it may be necessary to alter your FlexPlus Current Account Travel Insurance policy other than when you have requested a change in cover. When this situation arises you will be advised accordingly. Any such alteration will only apply to journeys booked by you from the time of receipt of that advice or some other future specified date. Please note that upon surrender, termination or cancellation of your Nationwide FlexPlus Current Account, the benefits under this travel policy will no longer be available to you.

Extension to the period of the journey

If during your journey you are delayed through no fault of your own, and your journey is not completed before the expiry of the period of the journey, then the insurance will be extended without additional premium for as long as it is reasonably necessary for the completion of the journey.

Your policy only covers you for journeys of up to 31 days in length. For an additional premium you can extend this limit up to 180 days. This must be done before your departure from the UK.

Please call us on **0800 051 0154** in order to pay the additional premium and have cover confirmed in writing under this section.

Sharing of claims and underwriting information

U K Insurance Limited exchange information with other Insurers through various databases to help check the information provided and also to prevent fraudulent claims. In the event of a claim, the information you supply on a claim form and other information relating to a claim, will be put on record and made available to other Insurers.

Which Law Applies?

Under European Law, you and U K Insurance Limited may choose which law will apply to this contract. English Law will apply unless both parties agree otherwise.

The language used in this and all other documents relating to this product is English and our communications with you will be in English.

4. Medical Statements

Call us on **0800 051 0154** to talk about your medical circumstances..

At the time of opening the account or before you book a journey:

You can call us at any time to tell us about a medical condition. We will tell you if we can cover that condition for free, if you need to pay us an extra premium or if we cannot cover the condition and we will write to you to confirm what we tell you over the phone.

At the time of booking a journey or purchasing an upgrade:

From the time that you book a journey or purchase an upgrade, the cancellation element of this insurance contract becomes active. If, at the time of booking a journey, you:

- 1) Are receiving in-patient treatment or are waiting to receive treatment;
- 2) Have been prescribed medication in the last 12 months, whether taking it or not;
- 3) Have been diagnosed or treated with a heart or cancer related condition in the past 12 months;
- 4) Are travelling to obtain medical treatment;
- 5) Are travelling against medical advice;
- 6) Have been given a terminal prognosis;
- 7) Are aware of a reason why you may not be able to go on the journey or continue with it.

You will not be automatically covered for any claims relating directly to that medical condition and you should call us as soon as possible so we can talk to you about your condition(s) and work out whether or not we are able to cover them for free, for an additional premium or if we can't cover your conditions.

After you book a journey but before you leave:

If, after booking a journey, but before you leave to go on that journey you are diagnosed with:

- a heart condition, a circulatory condition (problems with blood flow, including high blood pressure) or a breathing condition (including asthma);
- any type of cancer;
- any joint and bone condition;
- any gastrointestinal (stomach) condition; or
- diabetes

you must call us. You will be covered should you want to make a claim under the policy for the cancellation of that journey.

If you decide that you still want to go on the journey, then you must call us, as this policy will not automatically cover claims that may arise directly from your newly diagnosed condition(s) whilst you are away.

When you call us, we will talk to you about your condition(s) and work out whether or not we are able to cover them for free, for an additional premium or if we can't cover your conditions.

If we are unable to cover your condition and you still want to go on your journey, then we will not pay claims that are directly related to the excluded medical condition; however, all other cover applies as per the terms and conditions.

After you have called us

Where we cover or decline to cover medical conditions, we will usually apply those terms for a 12 month period and at the end of this period we will send you a letter asking you to call in again, we will talk to you about your condition(s) and assess your condition(s) annually. If you do not contact us in response to such a letter any cover provided for that condition will end.

Our medical risk assessment system is updated frequently and we reserve the right to amend our medical risk assessment outcomes, so you may find that one year we might be unable to cover your condition(s) but at a later date we might be able to or that the additional premium charged may change.
