Booking a trip?

The following list details some of the things **you** should consider when booking a trip and travelling - this list is not exhaustive. Remember, **you** should read the full policy terms and conditions to understand what is covered and to ensure **you** have the right level of cover for **your** needs.

- **Is your travel agent ABTA or ATOL protected?**

If **you** book through a travel agent or broker, make sure they are ATOL or ABTA protected. This will ensure that **you** are covered if they go out of business, as this policy doesn't provide cover for travel agent or broker failures. However **you** may be covered if an **end supplier** fails, such as an airline or hotel. More details can be found in Section 8 - End supplier Failure Cover

- **Could you benefit from a reciprocal health agreement on your journey?**

When **you** travel **abroad** **you** may be eligible to benefit from a reciprocal health agreement. More details can be found on page 15. If **you** have used an European Health Insurance Card (EHIC) or Medicare **we** will waive the **excess** applicable to Section F – Medical and emergency costs whilst you are on your journey

- **Are you or your partner aged 70 or over?**

If yes, then remember to buy the required age extension upgrade before **you** book a trip. Details on how to do this are on page 6. **You** will not be covered by the policy if **you** have not purchased this upgrade

- **Do you or anyone to be covered by this policy have a medical condition that you need to cover whilst on a trip?**

Make sure that **you** contact **us** before **you** book as this insurance automatically excludes cover for **pre-existing medical conditions**. Details on how to do this and what **we** mean by a **pre-existing medical condition** are on page 17. An additional premium may be payable or **we** may not be able to cover **your pre-existing medical condition(s)**

- **Is your trip for more than 31 days?**

This policy covers **you** for up to a maximum of 31 days. If **your** trip is longer that's no problem, **you** can contact **us** to purchase a trip extension upgrade. This must be done before **your** departure from the **UK**. Further details on how to do this can be found on page 6

- **Are you taking valuable items on holiday?**

Remember to keep **your valuables** on **your** person or locked securely in **your** accommodation at all times. Details of the items covered and maximum claim limits can be found on page 36

- **Need to make a claim?**

Make sure **you** keep the following numbers handy:

- Non – emergency Claims: **0800 051 0154**
- 24 Hour emergency assistance:
 - Outside the **UK**: **+44 141 349 0288**
 - Within the **UK**: **0141 349 0288**

Remember there is an **excess** of £50 per person on most sections of the policy. Full details can be found in each section.

1. Important Information

It is recommended that **you** read this booklet before travelling and carry it with **you** when on a **journey**. Whilst the whole policy is important, **you** should pay particular attention to all definitions, exclusions and conditions.

This insurance is only available to **you** when **you** meet one of the requirements of the Schedule of Insured Persons on page 15.

This insurance provides cover for **journeys** of up to 31 days, if **you** are travelling on a **journey** for longer than this please call **us** on **0800 051 0154**.

This policy does not automatically provide cover for **pre-existing medical conditions**. If **you** want to see if cover is available, please call **us** on **0800 051 0154**. More details are on page 17.

Please note that if a travelling companion, or (whether they are travelling with **you** or not) either a member of **your immediate family** or business partner, has been a hospital inpatient in the 12 months prior to **you** booking the **journey** or been put on a waiting list for hospital treatment, then this policy will not cover **you** for subsequent cancellation of the **journey** if **you** are unable to go because of this.

Providing accurate information

You must take care to provide **us** with accurate information which is correct and complete to the best of **your** knowledge. Please check all the policy details carefully, as these set out the information **you** have given **us**. If **you** think there is a mistake or **you** need to make changes, **you** must notify **us** immediately. Failure to provide correct and complete information or inform **us** of any changes could adversely affect **your** policy, potentially invalidating **your** policy and causing claims to be rejected or not fully paid. Please note that **you** are responsible for the information provided about others covered by the insurance being correct and complete.

How to make a claim

If **you** are in the **UK** and wish to notify **us** of a claim, please telephone the claims department on **0800 051 0154** 8am–6pm Monday–Friday.

If **you** are **abroad** and require emergency assistance please contact **our** assistance service on **+44 141 349 0288**, which is open 24 hours a day 365 days a year.

Duplicate Insurance

If **you** have more than one policy in force, **you** should be aware that at the time of any incident which is covered by both policies, the costs may be shared proportionally between the two insurance companies based on the cost of the claim and the sums insured of each policy.

When recording a claim with either provider, **you** must therefore provide details of **your** second policy. The insurers will then arrange a contribution between themselves. However, this will not affect the claim.

To upgrade your FlexPlus Current Account Travel Cover

We offer a range of ‘Top-up’ insurance covers each for an additional premium:

- Age extension: If **you** are not within the age limits as outlined on page 15 **we** will be able to provide cover for an additional premium of £65 (inclusive of Insurance Premium Tax, where applicable & subject to medical screening). Premiums are correct at time of going to print but maybe subject to change.
- Extended **journey** cover: If **you** are planning a long holiday or extended **journey** for longer than 31 days **we** can extend **your** cover up to 180 days in total. (Extended **journey** cover is not available for winter sports).
- Excess** waiver: With an **excess** waiver upgrade **you** will not have to pay the standard policy **excess** in the event of a claim.
- Hazardous activities** cover: Upgrade **your** cover as outlined on page 19.
- Cancellation extension: If **you** are planning a **journey** and the value of that **journey** exceeds £5,000 for each **insured person**, **you** can extend the amount of cancellation cover available for that single **journey**.

- Guest** cover: If **you** want to add cover for anyone other than the **account holder**, their **partner** or any **dependent children**. **Guests** must always travel with the **account holder(s)**.

To purchase any of the above top up insurance covers please contact **us** on **0800 051 0154** 8am–9pm Monday– Friday, 9am–5pm Saturday and 10am–5pm Sunday. NOTE: **We** don’t automatically issue a document confirming the names of all **insured persons**, but **we** can do so on request. If **you** declare a medical condition for any **insured person**, **we** will write to the person with that condition. If **you** have purchased any of the above upgrades and the personal details of **you** or **your guests** change, for example, change of name or change of address, **you** must inform U K Insurance Limited by calling **0800 051 0154**.

Any upgrades purchased are only valid whilst **you** remain eligible for FlexPlus Travel Insurance, and are subject to all the same terms and conditions as the standard policy.

If **you** switch from or close **your** FlexPlus current account, any upgrades previously purchased through U K Insurance Limited will be cancelled and no refund will be provided unless the upgrade was purchased in the 14 days leading up to the cancellation and a claim has not been made.

Canceling your Insurance

This policy comes as an integral part of services that come with **your** Nationwide FlexPlus current account. No separate fee is payable for or attributable to this policy. This policy will not be available to **you** if **you** no longer hold a FlexPlus current account with Nationwide. This means that:

- If **you** want to, **you** can cancel **your** insurance cover at any time. However, it is a term of **your** FlexPlus current account that if **you** cancel any of the benefits or services of **your** FlexPlus current account, **you** must close **your** account with Nationwide or switch to another current account with them.
- No refund will be due upon cancellation of this policy.
- If **you** want to cancel, **you** should do so by closing **your** FlexPlus current account, at which point the benefits and services of this policy will no longer be available. Please call Nationwide on **0800 11 88 55** for information on how **you** can close **your** FlexPlus current account.

It is a term of **your** FlexPlus current account that Nationwide has the right to cancel this policy for a reason that is set out within their terms and conditions (which will include if **you** fail to pay the monthly FlexPlus current account fee). If they do that, they will tell **us** and **we** will then withdraw **your** cover. The notice period **you** are given for this will be as set out in **your** FlexPlus current account terms.

We may also cancel this policy immediately in the following circumstances:

- if **you** fail to comply with the terms and conditions of this policy. **We** will take into account the severity and circumstances of the breach and **we** will act reasonably in response to it;
- if required to do so to comply with any law or guidance or regulatory requirement;
- if fraudulent activity is reasonably suspected on the account.

If **your** policy is cancelled as explained above, this will have the effect of closing **your** FlexPlus current account.

Changes to your policy and withdrawal of cover

Nationwide has the right to withdraw or alter the benefits and services **you** receive under this policy for reasons set out in **your** FlexPlus current account terms. This enables them to alter, for example the extent of the cover **you** receive under this policy. If they do that, they will give **you** notice and **we** will vary these terms in accordance with those changes. The notice of a change will be as set out in **your** FlexPlus current account terms.

We can also withdraw cover or make changes to the terms of this policy and Nationwide will give notice of the change to **you**. **We** may make changes for the following reasons:

- to respond to any changes in law, regulations, industry guidance or codes of practice or to a decision by a regulator, **court** or ombudsman;
- to respond to changes in **our** costs, including administrative costs and the costs involved in providing these services or benefits;

- to respond to changes in technology;
- to reflect any changes in ownership or re-organisation due to a merger or acquisition;
- to maintain **our** financial strength to ensure **we** are in a position to cover claims made by all **our** policyholders.

As this insurance policy has no fixed end date, **we** may also need to withdraw the cover or make changes for other reasons that **we** cannot anticipate.

When and how you will be told about a change or withdrawal of cover

Changes **we** or Nationwide make to this policy will normally be notified to **you** by Nationwide.

If **we** need to make any change to **your** policy, and it is not to **your** disadvantage, **we** may do so immediately. For these types of changes, Nationwide will tell **you** about the change in one of the following ways:

- displaying information in a Nationwide branch;
- displaying information on the Nationwide website;
- advertising in the press;
- sending **you** a secure message or notice via the Internet Bank or Banking app (if **you** are a registered user); or
- including a message with **your** online or paper statement.

If the change is to **your** disadvantage or if **we** withdraw **your** cover, Nationwide will tell **you** personally:

- by writing to **you** (email, letter or text);
- including a message with **your** online or paper statement; or
- sending **you** a secure message or notice via the Internet Bank or Banking app (if **you** are a registered user)

and **you** will be given at least 30 days' notice of the change. If **we** withdraw **your** cover under this paragraph **you** will be given 60 days' notice.

If you have already booked a journey

If a change is made to **your** cover and **you** have already booked **your journey** when **you** are notified of the change, the change will not take effect in relation to that **journey**. The change will take effect in relation to any other **journeys** booked by **you** after the date **you** are told about the change, as set out in this section.

Please note that if **we** or Nationwide withdraw the benefit of the cover entirely, the withdrawal will take effect on expiry of the notice period, regardless of whether **you** have already booked **your journey**.

What you can do if we make a change

If **you're** not happy with a change Nationwide tell **you** about in advance and **you** decide **you** want to cancel **your** insurance cover, **you** will need to close **your** Nationwide FlexPlus current account. If **you** tell Nationwide **you** are closing **your** FlexPlus current account for that reason, **you** can withdraw all **your** money and close or switch the account without charge, provided **you** tell Nationwide within 60 days of the date **you** are told about the change. If **you** close **your** account, any money that **you** owe (including the payment of interest) will continue to apply until **you** have repaid all of the money.

Making a Complaint

If **you** need to complain:

For issues relating to the purchase or administration of **your** FlexPlus current account Travel Insurance (including any upgrades and endorsements) or a claim **you** have made:

- Please call **us** on **0800 051 0154**.
- If **you** wish to write, then please address **your** letter to Nationwide FlexPlus Travel Insurance Customer Relations, P O Box 1150, Churchill Court, Bromley BR1 9WA.

If **you** are not satisfied with the way **we** have dealt with **your** complaint **you** may refer it to the Financial Ombudsman Service (FOS). **You** can also refer **your** complaint to them first without giving **us** the opportunity to resolve it, but if **you** do this, they will only consider **your** complaint with **our** consent. The FOS provides a free, independent, complaint resolution service. Details about their service and how to refer a complaint to them can be found on their website financial-ombudsman.org.uk

Their address is: Financial Ombudsman Service, Exchange Tower, London, E14 9SR. Phone: **0800 023 4567** or **0300 123 9123**.

The FOS will contact **us** for **you**. The FOS will tell **you** its decision direct. Being referred to the FOS will not affect **your** legal rights.

If **you** are a business and for any reason **your** complaint falls outside of the jurisdiction of the FOS, then **we** will still respond to **your** complaint but if **we** cannot sort out the differences between **us**, **you** will not be able to refer the matter to FOS. However, this will not affect **your** legal rights.

You can refer complaints about claims under Section 7K – Legal costs to arbitration instead (where an independent person, known as an arbitrator, makes a decision to settle the dispute). The Arbitrator will be a **solicitor** or barrister or other suitably qualified person that **you** and **we** agree on. If **we** cannot agree then **we** will ask the Chartered Institute of Arbitrators to decide. The Arbitrator's decision will be final and whoever does not win will have to pay all costs and expenses.

You can refer any complaints about Section 8 – End supplier Failure Cover as set out on page 46, Complaints Procedure.

European Online Dispute Resolution Platform

If **you**, an individual, purchased **your** policy online mainly for **your** own private use there is now an Online Dispute Resolution (ODR) platform created by the EU Commission, which can help with resolving disputes. **You** can enter any complaint, other than for trade, about **your** policy onto the ODR. This will forward **your** complaint to the correct Alternative Dispute Resolution scheme. For insurance complaints in the **UK** this is the Financial Ombudsman Service. Their contact details are above, if **you** prefer to contact them directly. For more information about ODR please visit ec.europa.eu/odr

Schedule of insured persons

This policy wording confirms who is eligible for Nationwide FlexPlus current account Travel Insurance:

- 1) Eligible Nationwide FlexPlus current **account holders**;
- 2) The Nationwide FlexPlus current **account holder's partner**;
- 3) The Nationwide FlexPlus current **account holder's dependent children**.

If **you** have taken the **guest** upgrade cover option, cover applies to:

- 4) The Nationwide FlexPlus current **account holder's** named **guest(s)**.

This insurance allows all Nationwide FlexPlus current **account holders**, their **partners** and **dependent children** to travel independently of each other throughout the year. Any named **guest** must travel with the FlexPlus current **account holder** or their **partner** to be covered by the policy.

Cover is only available to permanent residents of the **UK**.

There is an upper age limit of 69. If any **insured person** is aged 70 or older, **you** must buy an age extension, which **you** need to renew each year in order for **us** to cover **you**. **You** only need one age extension per account. If **you** do not buy an age extension all cover will cease from the date **you** turn 70.

Every person aged 70 or over must be medically screened each year and **you** may need to pay a further additional premium to cover any medical conditions.

All customers

No matter when **you** opened **your** FlexPlus current account, it is recommended that **you** check page 17 to ensure **you** understand cover around medical conditions. If **you** are unsure about cover **you** should call **0800 051 0154** in order for anyone intended to be covered by the policy to be medically screened.

Full details are available from nhs.uk/nhsengland/Healthcareabroad

If **your journey** includes visits to any country in the European Union, Iceland, Liechtenstein, Norway or Switzerland, **we** strongly recommend that, if **you** are eligible, **you** obtain a European Health Insurance Card (EHIC) and take it with **you** whenever **you** travel. EHIC enables **you** to benefit from the reciprocal health agreements that are in place with these countries, and which also apply to certain other countries and territories. If **you** use **your** EHIC to reduce the costs of medical treatment **you** receive, **we** will waive the **excess** on any additional claim under Section 7F - Medical and emergency costs whilst you are on your journey. EHIC is free and valid for five years; application can be made online at ehic.org.uk or by calling **0300 330 1350** and a separate card is required for every person travelling.

Australia

If **your journey** includes a visit to Australia **you** must enrol at a local Medicare office, but **you** can do this after **you** have had treatment for the first time. In-patient and out-patient treatment is then available free of charge.

General provisions

The policy is evidence of the contract between **you** and **us**. The policy and any endorsement are to be read as one document and any word or expression used with a specific meaning in any of them has the same meaning wherever it appears. The conditions that appear in the policy or in any endorsement are part of the contract and must be complied with. Failure to comply may mean that claims will not be paid.

Extension to the period of the journey

If during **your journey you** are delayed through no fault of **your** own, then the insurance will be extended without additional premium for as long as it is reasonably necessary for the completion of the **journey**.

Your policy only covers **you** for **journeys** of up to 31 days in length. For an additional premium **you** can extend this limit up to 180 days. This must be done before **your** departure from the **UK**.

Extended **journey** cover is not available for winter sports.

Please call **us** on **0800 051 0154** in order to pay the additional premium and have cover confirmed in writing.

Sharing of claims and underwriting information

U K Insurance Limited exchange information with other insurers through various databases to help check the information provided and also to prevent fraudulent claims. In the event of a claim, the information **you** supply on a claim form and other information relating to a claim, will be put on record and made available to other Insurers.

Which Law Applies?

Under European law, **you** and **we** may choose which law will apply to this contract. Unless both parties agree otherwise English law will apply, but this choice of law does not restrict **your** rights under mandatory provisions of the law of the country where **you** permanently live. **We** have supplied this Agreement and other information to **you** in English and **we** will continue to communicate with **you** in English.

5. Medical Statements

Call **us** on **0800 051 0154** to talk about **your** medical circumstances.

You will not be automatically covered for any claims **directly related** to a **pre-existing medical condition**. **You** should call **us** as soon as possible so **we** can talk to **you** about **your** condition(s) and work out whether **we** can cover them for free, for an additional premium or if **we** can't cover **your** conditions. **We** will write to **you** to confirm what **we** tell **you** over the phone.

At the time of opening the account or before you book a journey (whichever is later):

You must tell **us** about each **pre-existing medical condition** for any **insured person**. If **you** do not tell **us you** may not be covered. This is any medical condition for which **you** answer 'yes' to one or more of the five questions below:

- 1) Are **you** under investigation, awaiting diagnosis, receiving in-patient treatment or are waiting to receive treatment;
- 2) Have **you** been prescribed medication (including repeat prescriptions) in the last 12 months, whether taking it or not for anything other than a Cold, the Flu, hormone replacement therapy or contraception;
- 3) Have **you** been diagnosed or treated with a heart or cancer related condition in the past 12 months;
- 4) Are **you** aware of any medical reason which makes it likely that **you** may not be able to go on the **journey** or continue with it;
- 5) Have **you** been given a terminal prognosis.

At the time of booking a journey or purchasing an upgrade:

From the time that **you** book a **journey** or purchase an upgrade, the cancellation element of this insurance contract becomes active. **You** will not be covered if **you** cancel a **journey** for a reason which is **directly related** to a **pre-existing medical condition** unless **you** have told **us** about it and **we** have agreed to cover it.

After you book a journey but before you leave:

If, after booking a **journey**, but before **you** leave to go on that **journey you** are diagnosed with:

- a heart condition, a circulatory condition (problems with blood flow, including high blood pressure) or a breathing condition (including asthma);
- any type of cancer;
- any joint or bone condition;
- any gastrointestinal (stomach) condition; or
- diabetes

you must call **us**. **You** will be covered should **you** want to make a claim under the policy for the cancellation of that **journey**.

If **you** decide that **you** still want to go on the **journey**, then **you** must call **us**, as this policy will not automatically cover claims that may arise directly from **your** newly diagnosed condition(s) whilst **you** are away.

When **you** call **us**, **we** will talk to **you** about **your** condition(s) and work out whether **we** can cover them for free, for an additional premium or if **we** can't cover **your** conditions.

If **we** are unable to cover **your** condition and **you** still want to go on **your journey**, then **we** will not pay claims that are **directly related** to the excluded medical condition; however, all other cover applies as per the terms and conditions.

At any time:

There is no cover:

- where **you** are travelling to obtain medical advice
- if **you** are travelling without having received medical advice where it would have been reasonable for **you** to have consulted **your medical practitioner**.

After you have called us

Where **we** cover or decline to cover medical conditions, **we** will usually apply those terms for a 12-month period and at the end of this period **we** will send **you** a letter asking **you** to call in again. **We** will talk to **you** about **your** condition(s) and assess **your** condition(s) annually. If **you** do not contact **us** in response to such a letter any cover provided for that condition will end.

Our medical risk assessment system is updated frequently and **we** reserve the right to amend **our** medical risk assessment outcomes, so **you** may find that one year **we** might be unable to cover **your** condition(s) but at a later date **we** might be able to or that the additional premium charged may change.

You must tell your solicitor to do the following:

- Get **our** written permission before instructing a barrister or an expert witness.
- Tell **us** immediately if it is no longer more likely than not that **you** will be successful with **your** claim.

We can do the following:

- Contact the **solicitor** at any time, and he or she must co-operate fully with **us** at all times.
- Decide to settle **your** claim by paying **you** the compensation **you** are likely to be awarded by a **court** instead of starting or continuing **your** claim or legal proceedings.
- Refuse to pay further **legal costs** if **you** do not accept an offer or payment into **court** to settle a claim which **we** or **your solicitor** considers should be accepted.
- Refuse to pay further **legal costs** if it is no longer more likely than not that **you** will be successful with **your** claim.
- Refuse to pay further **legal costs** if **we** or the **solicitor** consider that those costs would be disproportionate to the value of **your** claim.

Assessing legal costs:

We have the right to have **legal costs**

- certified by the appropriate professional body
- audited by a costs' draftsman **we** choose
- assessed by the **court**.

Disputes

You may refer any disagreement between **you** and **us** to the Financial Ombudsman Service, which is a service offered to **you** free of charge. (See page 8 for details of **our** complaints procedure.)

You also have the right to refer any disagreement between **you** and **us** about this section of cover to arbitration (where an independent person, known as an arbitrator, makes a decision to settle the dispute). The arbitrator will be a **solicitor**, barrister or other suitably qualified person that **you** and **we** agree on.

If **we** cannot agree, the arbitrator will be chosen by the president of the Law Society (or other similar organisation) for that part of the territorial limits whose law governs this section of the policy. **We** and **you** must keep to the arbitrator's decision. Whoever loses the arbitration will pay for all the costs and expenses of the arbitration.

11. **Manual work or hazardous activities** of any kind unless declared to **us** and accepted by **us** in writing.
12. Any liability arising from any goods, service, advice or arrangements supplied by an agent acting on behalf of **our** assistance services.
13. Travel to areas where, at the time of booking the **journey** or thereafter, but before **you** travel, the Foreign & Commonwealth Office has advised against travel to.
14. An event **you** were aware of prior to opening the account, becoming eligible for cover or purchasing a relevant upgrade as described on page 6 of this policy.

10. General Conditions

These General Conditions apply to the whole policy.

1. **You** must tell **us** about any claim as soon as reasonably possible. Any increase in costs caused by **your** delay in telling **us** will not be covered by this policy. **You** must also inform **us** if **you** are aware of any **court** order to do or stop doing something, order to attend **court** or impending prosecution. Every communication relating to a claim must be sent to **us** without delay.
2. **You** must take all reasonable steps to prevent any loss, damage or accident. If **you** do not **we** may not pay **your** claim.
3. **You** or any person acting for **you** must not negotiate, admit or repudiate any claim without **our** written consent.
4. The expense of supplying all certificates, information and evidence which **we** may require will be borne by the **insured person** or their legal representative. When a claim for **bodily injury** or illness occurs, **we** may request and pay for, any **insured person** to be medically examined on behalf of **us**. **We** may also request and will pay for a post mortem examination if any **insured person** dies.
5. If at the time of any incident which results in any other insurance covering the same costs, loss, damage or liability or any part of such **we** will pay **our** share in proportion to the sum insured of the claim except under Section 7G - Hospital Benefit and Section 7H - Personal Accident and where **we** will pay the full claim subject to the policy limits.
6. **We** are entitled to take over and conduct in **your** name defence or settlement of any legal action. **We** may also take proceedings at **our** own expense and for **our** own benefits, but in **your** name to recover any payment **we** have made under the policy to anyone else.
7. In the event of a change of Insurer, the sums insured stated in these terms and conditions will be the maximum payable to each **insured person**.
8. From time to time it might be necessary to alter **your** policy. When this situation arises **you** will be advised accordingly. Any such alteration will only apply to **journeys** booked by **you** from the time of receipt of that advice.
9. **You** must be honest and truthful in **your** dealings with **us** at all times. If **you**, any person insured under this policy or anyone acting on **your** behalf attempts to deceive **us** or knowingly makes a false claim, **we** have the right to cancel **your** policy, refuse claims and retain any premium paid. **We** may recover from **you** any costs **we** have incurred, including the costs of investigating the claim. **We** will not pay a claim which is in any way fraudulent, false or exaggerated. **We** will also not deal with any claims following discovery of this behaviour regardless of when the claims occurred. In addition, **we** have the right to cancel any other products **you** hold with **us** and share details of this behaviour with other organisations to prevent further fraud. **We** may also involve the relevant authorities who are empowered to bring criminal proceedings.
10. **We** may at any time pay to **you our** full liability under this policy after which no further payments will be made in any respect. **We** do not have to accept any items that are recovered or damaged beyond repair.

You must tell **us** immediately if the state of health of any **insured person** changes; please refer to the Medical Statements on page 17.

Failure to provide correct and complete information or inform **us** of any changes could adversely affect **your** policy, potentially invalidating **your** policy and causing claims to be rejected or not fully paid. Please note that **you** are responsible for the information provided about others covered by the insurance being correct and complete.

12. **You** must contact **us** immediately if, after **you** have booked **your journey**, **you** are diagnosed with:

- any type of cancer;
- any joint or bone condition;
- any gastrointestinal (stomach) condition; or
- diabetes.

We will then decide if **we** can provide **you** with cover on **your** existing terms. **We** may ask **you** to pay an extra premium, add special conditions to the policy or exclude cover for that medical condition.

If **we** cannot provide cover for the medical condition diagnosed after **you** paid for the **journey**, or if **you** do not want to pay the extra premium, **you** can call **us** on **0800 051 0154** and make a cancellation claim if **you** have booked and paid for a **journey** that **you** have not yet made.

11. Use of your information by U K Insurance Limited

Privacy Notice

This privacy notice tells you what we do with information we collect about you. It's relevant to anyone who uses our services, including policyholders, prospective policyholders, website users and beneficiaries under our policies, such as named drivers. We refer to all these individuals as “customers” or “you” in this notice.

Q1 Who “we” are

We are U K Insurance Limited (“we”, “us” or “our”). We underwrite this Nationwide insurance policy.

Q2 What information do we collect about you?

Information collected from you & cookies policy

Where we have collected information directly from you it will usually be obvious what this is, as you will have given it to us. This might not be the case where we have used cookies to collect information from your computer or portable electronic devices. Please see our cookies policy for more information.

Information collected from others

We can collect information about you from others. This includes information from:

- **Nationwide Building Society**, who we partner with to provide your insurance policy.
- **Joint policyholders or policy beneficiaries**. Where you are named on a joint policy or a beneficiary of that policy we may collect information about you from any named policyholder. We will ask them to confirm that they have your permission to give us this information about you.
- **Fraud prevention, law enforcement or government agencies and other data sources used to prevent or detect fraud or provide details to us about criminal convictions or offences**.
- **HM Treasury and other authorities in relation to regulatory issues** e.g. where someone is subject to a financial sanction they will appear on HM Treasury's asset freezing list.
- **Credit reference agencies** e.g. credit searches that are made when we produce a quotation for a new policy or at renewal. (Note that the results of these searches are automatically deleted after 12 months and do not affect your ability to obtain credit.) Please also see section 4 below.
- **External sources** such as **no claims discount databases**, the electoral role and insurance comparison websites to help us decide what the risk is in selling the policy **and from companies that hold information about insurance renewal dates, marital status, household residents, vehicle details, employment status and household income** to help us work out which information we should provide to you about our other products and services.

Sensitive personal information

We collect information that is sensitive, such as information about children, health or geo-location (which may be sensitive personal information because, for example, it can pinpoint your location at a hospital), and information related to unspent past criminal convictions or offences. We also collect your sensitive personal information for specific types of policy or applications, for example when offering you a travel policy or a driving application e.g. Telematics. We obtain this from your mobile devices for driving applications and the following people:

- The main policyholder will provide most of the information we collect about health (including confirming whether hospital treatment is being sought) and unspent criminal convictions or offences, including on behalf of others named on the insurance policy e.g. medical screening to support a travel policy;
- Fraud prevention or law enforcement agencies may provide details to us about criminal convictions or offences;
- Witnesses to an accident may provide medical information to us if there is an investigation of a claim;

- We may use information about a child, for example, where the child is a beneficiary under a policy or if involved in an accident.

We collect and use this information as part of your insurance quotation or contract with us, or where it is necessary for a legal obligation, or as part of the establishment or defence of a legal claim.

Q3 What do we do with information we collect about you and why may we do this?

We use your personal information in order to meet our obligations in our contract of insurance with you. We and other companies within our group of companies use your personal information in the following ways:

A. Provide insurance services

When you request us to provide you with a quote for one of our insurance policies or you purchase an insurance policy from us, we use information about you:

- To decide what the risk might be in selling you the policy, to quote for, and provide you with, a premium for that policy and any special terms that may apply to that policy (noting that we may use automated decision making to make this assessment - see section 9 below);
- To administer your policy and monitor the payment of instalments if you pay your premium in this way;
- To contact you about the policy (e.g. for billing or renewal purposes); and
- To provide the agreed service if you make a claim (e.g. sending someone to assist you in a roadside breakdown situation or to provide you with medical assistance if you are injured or unwell when overseas).

We cannot provide the services unless we use the information about you in this way.

B. Do what we are required to do by law

As part of our duty as an insurer providing insurance services, sometimes we are required by law to use information about you:

- To help make sure our customers are being treated fairly (e.g. to assist our regulators where we have a legal duty to do so);
- To deal with complaints;
- To help prevent and detect crime (including, for example, the prevention or detection of fraud); and
- To comply with a legal or regulatory obligation.

We can use your personal information in this way because we are required to do so by law.

C. Prevent fraud occurring

Fraud has an impact on all customers as it increases costs for everyone. We use your personal information to check for signs that customers might be dishonest (e.g. if someone has behaved dishonestly in the past it may increase the risk they will do so in future).

We may use your personal information in this way because it is in our interests to detect fraud and in all our customers' interests to ensure that they are not prejudiced due to increased premiums as a result of a few customers acting dishonestly.

D. Recover debt

If you owe us money we will use your personal information to help us recover it.

We can use your personal information in this way because it is a necessary part of the contract of insurance. We need to ensure that premiums are paid so that the majority of our customers do not suffer (e.g. through increased premiums) due to the actions of a small minority of customers.

E. Where your or another person's life may be at risk

We will use your personal information to assist where your or another person's life or health is in danger and obtaining your permission is not possible (e.g. arranging emergency medical treatment in a remote location).

F. To administer and improve our services

To administer our services we will share information with others (including to people or organisations that may be based overseas):

- In order to enable us to process your claim or administer your insurance policy more cost effectively;
- To help develop our products, services and systems to deliver you a better sales and claims experience in the future; and
- To understand how our prospective customers make decisions about which insurance policy is the optimal policy.

We may also process your personal data to better understand you as a customer, including to determine how best to retain your custom, and to ask you to provide feedback on the service we provide to you.

We can use your personal information in this way because it is in our legitimate interests to provide the services in the most efficient way. We will always ensure that we keep the amount of your personal information that we collect and the extent of any processing to the absolute minimum to achieve this efficiency.

Q4 Who do we share your personal information with and why do we do it?

We may share your personal information with third parties and other companies within our group of companies for the purposes mentioned in section 3 above. A list of our group companies can be found at www.u-k-insurance.co.uk/group-companies.html. Alternatively, you can contact the Data Protection Officer for a list of them. Please see section 10. You should make sure everything you tell us is correct because your records may be checked in the following circumstances:

- When you apply for insurance, financial services, or work;
- By police and other law enforcement agencies.

In particular we share information with:

- **Nationwide Building Society**, we will provide them with information about your insurance policy, premium and claims history.
- **Fraud prevention agencies that provide databases and services**, such as CIFAS, National Hunter, SIRA and ENI, to prevent or detect fraud.
 - Fraud prevention agencies will process this personal information in order to assist our prevention of fraud and money laundering, and to verify your identity and may also process your personal information in order to prevent fraud and money laundering by other people.
 - Fraud prevention agencies will hold your personal information for up to 1 year, or up to 6 years if you're considered to pose a fraud or money laundering risk.
 - If we or a fraud prevention agency determine that you pose a fraud or money laundering risk, we may refuse to provide the services and / or financing you have requested.

A record of this risk will be retained by the fraud prevention agencies, and may result in others refusing to provide services or financing to you. If you have any questions about this, please contact the appropriate fraud prevention agency.

- **Law enforcement or government agencies** we and fraud prevention agencies may permit law enforcement or government agencies to access and use your personal information, if they request it.
- **Credit reference agencies** help us decide whether to offer you credit if you choose to pay your premium by instalments. We share this information when you first take a policy with us and at each renewal. We may exchange your personal information with credit reference agencies to reflect your credit application (as payment by instalments means that there will be a credit agreement between us). We will let you know before we do this. This will be visible to other credit providers. Failure by you or anyone who pays for your policy to keep up the monthly payments due under your credit agreement will be reflected in your credit score, not theirs. The identities of the credit reference agencies and the ways in which they use and share personal information are explained in more detail at experian.co.uk/crain/. Alternatively, you can call us and we will send you a copy.

- **Your spouse or partner** who calls us on your behalf, provided they are named on the policy. Please tell us who they are when you take out your policy. If you would like someone else to deal with your policy on your behalf on a regular basis please let us know. In some exceptional cases, we may also deal with other people who call on your behalf, but only with your permission. If at any time you would prefer us to deal only with you, please let us know.
- **Other insurance companies** to help settle any insurance claim or to verify that the information you have provided is correct (e.g we will check the amount of No Claims Discount you have told us with your previous insurer).
- **Insurance industry bodies** such as The Motor Insurance Database to meet our obligations under the Road Traffic Act.
- **Insurance industry databases**, such as the Claims and Underwriting Exchange where you make a claim so that insurers can check that your claims history is correct, the Insurance Fraud Register and, for commercial policies, the Employers' Liability Tracing Office.
- **Government bodies**, such as the Driver and Vehicle Licensing Agency.

Q5 Will we send your personal information overseas?

We may send your personal information overseas to any part of the world. The protections given to your personal information in other parts of the world will often not be as strong as in the UK. Where possible, we will put in place agreements with the people we send your personal information to, to require them to treat your personal information with the same protections that we apply ourselves. Our agreements may include standard terms provided by the EU called EU Model Clauses or may require the other party to be signed up to government standards that are recognised as providing the right level of protection such as "privacy shield" in the USA. But it is possible that regardless of what is set out in the agreement this would not stop a government in any part of the world from accessing your personal information, as they can often have power to overrule any agreements we make.

In some cases we might need to share information to carry out the services we have promised to carry out, for example if you require urgent assistance abroad. In such an urgent situation we may not always have the time to put in place the type of agreement we would normally want to.

Q6 How long may we keep your personal information for?

We are only allowed to keep your personal information if we need it for one of the reasons we describe in section 3 above.

As a general rule, we will keep it for 6 years from the end of your relationship with us, as it is likely that we will need the information for regulatory reasons or to defend a claim. For example, should you wish to bring some form of legal action relating to your relationship with us, this would generally need to be done within 6 years from the end of that relationship. However there may be exceptions where we need to keep your personal information for longer, such as where a claim has involved a minor.

We will also retain data in an anonymous form for statistical and analytical purposes, for example, to assess risk of flood damage occurring.

Q7 When can you ask us to stop using your information?

If we rely on your consent to collect and process your personal information, you can ask us to stop using your personal information at any time by withdrawing that consent and we will stop using your personal information for those purposes. We may rely on your consent to tell you about products or services which may be of interest to you or to use computers to make decisions about you to improve our services or develop our products (see section 9).

At any time, you can tell us to stop using your personal information to tell you about products or services that may be of interest to you or allowing computers to make decisions about you in order to improve our services or develop our products (see section 9). To find out how to do this, see section 10.

Q8 What happens if you don't give us some of your personal information?

Where you do not provide the personal information we need in order to provide the service you are asking for or to fulfil a legal requirement, we will not be able to provide the service that you are asking us to give you.

We will tell you about why we need the information when we ask for it.

Q9 When do we use computers to make decisions about you?

We will collect information about you and put this into our computer systems. The computer systems will make certain automated decisions about you which will be based on comparing you with other people. This will have an impact in terms of the level of premium or product that we offer to you or the products or services that we decide to tell you about. We may also use automated decision making to conduct an identity verification check.

For example, if you are under 25 years of age, the computer system may determine that you are more likely to have a car accident. This is because the computer system has been told that more people aged under 25 have car accidents. Another example is that, if you are under 25, the computer system may determine that you are going to be interested in a travel policy which covers high risk activity, such as skiing. Therefore, we would proactively seek to tell you about such policies as we would consider them to be of interest to you.

This is important because:

- In providing insurance services it helps us decide what price you should pay for your policy and understand any risks associated with that policy;
- In identity verification it helps us to check that you are who you say you are and to prevent others from imitating you;
- In selling you other products it helps us decide which other products might be useful to you.

We also use computer systems to carry out modelling. Sometimes using your personal information and sometimes using data in anonymised form. We conduct this modelling for a variety of reasons, for example, for risk assessment purposes to make decisions about you, such as your likelihood to claim. However, we may also use your personal information in that modelling to make decisions about how we improve and develop our products and services, or our pricing and underwriting, or to better understand how our prospective customers make decisions about which policy is the optimal policy (i.e. we are not making decisions directly about you).

Q10 How to contact us about this privacy notice

Our Data Protection Officer is in charge of answering questions about this privacy notice or your requests to exercise your rights which are set out below. The Data Protection Office may be contacted at U K Insurance Limited, Churchill Court, Westmoreland Road, Bromley, BR1 1DP.

You may contact us at the address above for one or more of the following reasons:

- To ask us to fix information about you that is wrong or incomplete, or to delete personal information about you (the so-called “Right to be Forgotten”).
- To tell us you no longer agree to, that you object to, or that you wish to restrict us using information about you and ask us to stop.
- A right of access, namely to ask us to provide you with a copy of all of the personal information that we have about you. To receive this information please write to the Data Rights Team, U K Insurance Limited, Churchill Court, Westmoreland Road, Bromley, BR1 1DP.
- A “data portability” right, namely to obtain and reuse the information that you have provided to us for your own purposes across different services. You may ask for this information to be provided directly to you or directly to another organisation. We will provide the information in a machine readable format so that another organisation’s software can understand that information.
- To ask us not to use information about you in a way that allows our computer systems to make decisions about you (as explained in section 9).

Sometimes we will not be able to stop using your personal information when you ask us to (e.g. where we need to use it because the law requires us to do so or we need to retain the information for regulatory purposes).

In other cases, if we stop using your personal information, we will not be able to provide services to you, such as administering your insurance policy or servicing your claim.

We will tell you if we are unable to comply with your request, or how your request might impact you, when you contact us.

Complaints

If you have any concerns about the way in which we are using your personal information, please contact our Data Protection Officer in the first instance and we will endeavour to resolve your concern. 3. If the law requires or allows us to, we’ll also share information as necessary with other organisations. This includes credit reference agencies, fraud prevention agencies and other government bodies, regulators and law enforcement agencies.
4. When we share your information with credit reference agencies they’ll use this to check your credit rating, along with the other details you’ve given us. These checks are part of most account application processes – however, they will leave a record on your credit file that other lenders can see. This might affect your ability to get credit elsewhere for a short while.
5. When we share your information with fraud prevention agencies they will use the data to prevent fraud and money laundering and verify your identity. If we believe someone poses a fraud or money laundering risk, we may refuse to provide the product they have asked for and we may also stop providing services they already have. The fraud prevention agencies will keep a record of any fraud or money laundering risk and this could mean that other organisations may refuse to provide services, financing or employment.
6. When we transfer information to third parties and organisations, whether inside or outside the UK, we’ll make sure we only give them information that’s necessary and that your data will stay secure.
7. We only use your information if we have a legal basis to do so, for example, if you have given us consent or if we need to use the information to meet our obligations to you in our terms and conditions. We may also use your information if necessary to comply with the law or to carry out our legitimate business interests.
