

FlexPlus Worldwide Family Travel Insurance Policy

This policy is automatically provided as a benefit of you being a Nationwide FlexPlus current account holder.

These are the terms and conditions which apply to your worldwide travel insurance. Please take time to read this information about the cover that is provided to you and anyone else covered by this policy. The contract of insurance consists of the following elements:

- This policy booklet
- Any endorsements to your policy (as provided to you on any upgrade schedule)

The provision of insurance is conditional upon all insured persons complying with these terms and conditions. It is the account holder's responsibility to ensure that all insured persons are aware of and comply with the policy conditions, otherwise we may refuse your claim or reduce your cover in the event of a claim.

If you have other insurance policies which provide the same cover, you should consider whether you are paying for duplicate cover.

2. Making a claim

What you need to do

If you have a medical emergency contact the 24 hour medical assistance number on 0044 1603 605 159 from abroad, or 01603 605 159 from the UK

In life threatening situations seek medical attention immediately, don't delay getting help but do call our 24-hour medical assistance helpline as soon as you can. Our team will coordinate your treatment which may include moving you to another hospital or arranging to bring you home early. If necessary, we can arrange for a telephone consultation with our UK GPs.

In non-life threatening situations contact our 24-hour medical assistance helpline before making any arrangements for:

- Admission to hospital.
- Treatment, tests or investigations as an outpatient.
- Repeat consultations with a doctor.
- Travel or accommodation if you are unable to return home on your original planned return date

For a minor illness or injury treated with medication from a pharmacy or one-off treatment at a clinic, keep any receipts for costs incurred and contact us when you get home. If you need assistance, contact the 24-hour medical assistance number at any time.

See section 1. 'How to get help' for more information on how to contact us`
You can also make a travel claim at nationwidetravel.myclaimshub.co.uk

Unrecoverable costs

Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or costs related to your trip which any insured person has paid (or legally has to pay), we will consider claims for your costs which are unrecoverable from your travel and/or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL (or similar organisations).

For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund from them for some or all of the cost of your trip.

If you cannot recover all your costs and your circumstances are covered by the terms of your policy, we will consider costs which you have been unable to recover.

Information to support your claim

When you make a claim, we may ask you for:

- Proof of booking and any costs paid.
- Details of any refund you have been able to obtain.
- Evidence that you are not able to recover your costs elsewhere.

Please check these terms and conditions carefully to ensure you:

- Understand what is and is not covered.
- Contact the relevant helpline as soon as you can for assistance.
- Keep any documentation that we require. You will need to provide this in order for us to validate and settle your claim - we may refuse to pay your costs where you cannot provide this.

Our medical assistance claims lines are open 24 hours a day, and for claims which are not an emergency you can also make a claim online. See section 1. ‘How to get help’ for full information.

Limits and excesses

All limits in this policy are per person (apart from Personal liability, which is per incident, per policy). You will need to pay the first £50 of any claim, per insured person, per incident, per trip (unless stated otherwise). This means that if the total value of your claim is less than £50, we will not make any payment to you.

If any one incident results in you claiming under more than one section of the policy you will only pay one excess, and where two or more people claim for the same incident, the most you will pay is twice the excess.

Claims conditions

Your duties

You must:

- Contact us as soon as is reasonably possible and provide all the information, documents, evidence and help we need to settle your claim or pursue a recovery.
- Tell us if you are aware of any writ, summons or prosecution.
- Send us every communication relating to a claim as soon as possible.

You or any person acting for you, must not negotiate, admit or reject any claim without our permission in writing.

Our rights

If we want to, we can take over and conduct in the name of the person claiming under the policy, the defence or settlement of any claim or issue proceedings for our own benefit to recover any payment we have made under this policy. We shall have full discretion in the conduct of any proceedings or the settlement of any claim.

Claims

You or your legal representative must pay for any certificates, information or other evidence we may need, for example death or medical certificates, police reports or purchase receipts. These costs will not be covered by the policy.

We may also ask you for evidence that your main home is in the UK.

If your claim is for personal belongings (or winter sports equipment) it may affect your claim if you cannot prove the value of, and that you were responsible for the lost, stolen, or damaged items. For example, a receipt or credit card or bank statement showing evidence of the purchase, proof of withdrawal or a currency exchange receipt. If you're claiming for damage, we may ask you to send us the broken item.

If we make a payment before cover is confirmed and our claims investigation reveals that no cover exists, you must pay us back any amount which we've paid, which you are not covered for.

If you make a medical claim, you may be asked to provide consent for us to access your medical records in accordance with the Access to Medical Records Act 1988 or Access to Personal Files and Medical Reports (Northern Ireland) Order 1991. Depending on the circumstances, you may also be asked for consent to access other medical or healthcare records. We'll use this information to deal with your claim, including assessing whether cover applies and assisting the treating doctor in providing you with the most appropriate treatment. Without this information, we may not be able to deal with your claim.

We will assess whether any proposed treatment is an emergency or whether it can wait until you have returned home. If appropriate, we will arrange for your return to the UK.

In the event of a claim for injury or illness, we may request and pay for you to be medically examined on our behalf. We may request and pay for a post-mortem in the event of a claim for death.

3. Things you need to know about this travel insurance

Eligibility

Who is covered

This policy provides cover for the following 'insured person(s)':

- 'You' – the Nationwide FlexPlus current account holder,
- 'your partner' who lives at home with you,
- 'your children' - you and/or your partner's dependent children aged under 23 when the trip starts (including stepchildren and foster children).

To be covered all insured persons must be residents of the UK:

- have their main home address in the UK,
- be living in the UK for more than 6 months a year,
- be registered with a UK doctor.

If an account holder is no longer a UK resident or changes their address to a non UK one, there will be no cover for that account holder, their partner or dependent children under this policy.

If the account holder becomes a UK resident again, travel cover under this policy will resume.

The account holder should check what cover is in place and any upgrades may need to be repurchased.

Cover will be in place whilst you are an account holder and will end when one of the 'automatic termination of cover' events shown in section '7. General conditions' occurs.

Meeting your needs

This policy has been designed to meet the needs of people who wish to protect against costs that could arise in the course of their travels. It covers such things as cancellation, coming home early, emergency medical treatment, personal liability, legal expenses and the theft of your money.

Trip limits and restrictions

Trip duration limit

We will provide the insured persons with the cover set out in these terms and conditions for trips up to a maximum of 31 days duration. We will not cover any incident which occurs after 31 days unless a longer trip upgrade has been purchased.

Trips you're covered for

By 'trip' we mean a journey that begins and ends in England, Scotland, Wales, Northern Ireland, the Channel Islands or Isle of Man ('UK'), where the journey starts after the account was opened and the return journey has been booked before leaving the UK, for any combination of the following:

- Holidays, for example winter sports holidays, cruises and travel for other personal reasons unrelated to an insured person's employment.
- Business travel outside the UK in connection with an insured person's job to carry out non-manual work such as administrative tasks, meetings and conferences.
- Voluntary, charity or conservation work or fundraising for a registered charity or conservation organisation.

Cover automatically applies for each trip booked. You only need to contact us if you need cover for pre-existing medical conditions, if a trip is booked to last longer than 31 days, your trip costs more than £5,000 per person or you are going on a cruise and you wish to increase some of the standard limits.

- If a trip or part of a trip is arranged for any reason other than those listed, alternative travel insurance should be sought as we will not pay any claim in these circumstances. If a trip is in connection with an insured person's job, they should check if the employer has travel insurance that would provide cover.

UK trips

If the trip is solely within the UK, cover will only apply where the insured person is away from home for at least 2 consecutive nights. They must also have either pre-booked holiday accommodation in a commercially run premises or prepaid bookings on public transport including flights and ferries.

We will not cover

- Any trip that started before the account was opened.
- Any trip where part, or all of the trip has been arranged:
 - In connection with an insured person's job where the trip involves manual or physical work of any kind, working with children, providing healthcare, policing, security or military service or an insured person's role as a politician, religious leader, professional entertainer or sports person.
 - To carry out charity or conservation work where this involves working in a healthcare environment or working at heights of more than 3 metres.
 - To seek medical treatment or advice for any illness or injury, or any elective procedures including cosmetic surgery, dental work, non-surgical procedure or fertility treatment.
 - To give birth or to collect newly adopted or surrogate children.

Known events

This policy covers insured persons for unexpected and unforeseen events and circumstances, for example, having an accident while on holiday and needing urgent medical treatment.

We will not cover

There is no cover in relation to any event, incident or circumstances if, at the time you opened your account or a trip was booked (whichever is later), any insured person knew, or could reasonably be expected to have known that:

- The event or incident had already occurred or was going to occur; or
- The circumstances existed or were going to exist, and the event, circumstance or incident could reasonably be expected to affect the insured person's travel plans.

For example:

- You would reasonably be expected to know of any event, incident or circumstances (like an air traffic control strike) that had been widely reported in the media in the UK at the time you opened your account or a trip was booked (whichever is later).
- There is no cover for cancellation of your trip if your travel plans were disrupted because flights were cancelled or any government or authority closed their borders, and these cancellations or restrictions were in place or had been announced at the time you opened your account or a trip was booked (whichever is later).

Please refer to section '6. General exclusions'.

Travel advice of the Foreign, Commonwealth & Development Office (FCDO)

FCDO - travel advice by country

Any travel restrictions or advisory notices for countries planned to visit may impact cover provided by this policy.

We will provide cover should a trip be booked and then the insured person needs to cancel the trip or come home early as a result of the FCDO unexpectedly advising against all travel or all but essential travel to the destination, or where British nationals are advised to return home.

Before booking a trip and again before travelling, check the FCDO website [gov.uk/foreign-travel-advice](https://www.gov.uk/foreign-travel-advice). It is packed with essential travel advice and tips, plus up to date information about different countries.

We will not cover

- Any claim that happens as a result of an insured person:
 - travelling against the advice of the FCDO,
 - not complying with advice or measures which have been put in place by a government in the UK or overseas, for example quarantine rules or curfews,
 - not having the correct travel documents or not meeting the entry requirements to a country they are travelling to or through (for example visas or vaccination records).

Reciprocal healthcare agreements

The UK has reciprocal healthcare agreements with a number of countries and territories worldwide. As a UK resident, these agreements mean that you may be entitled to urgent medical treatment at a reduced cost, or in some cases for free. We strongly recommend checking if the country being travelled to has a reciprocal healthcare agreement in place and what the requirements are before leaving the UK, more information can be found online at [nhs.uk](https://www.nhs.uk) and search for healthcare abroad.

Period of insurance

Each trip taken whilst the cover is in force will be treated as a separate period of insurance, individually subject to all policy terms, conditions, limitations and exclusions. Cover for each separate trip applies as follows

- Cancellation cover begins from the date you open the account or the date of booking each separate trip (whichever is later) and ends when the insured person leaves home to start the trip.
- Cover under all other sections begins when the insured person leaves home to start the trip and ends upon returning home providing that the trip does not exceed the trip limit of 31 days, unless you've purchased the longer trip upgrade.

There is no cover for any incident that occurs after the trip duration has been reached.

Extension of cover

If the insured person cannot get back to the UK before the trip limit ends, this insurance will remain in force:

- For up to 14 days if any vehicle the insured person is travelling in breaks down or their pre-booked transport is cancelled or delayed.
- For as long as deemed medically necessary by us for the insured person to remain abroad (having consulted with their treating doctor), providing there is a valid claim for emergency medical treatment under this policy.
- For as long as necessary in the event the insured person is quarantined.

Upgrading your cover

We understand that your needs may change, and there may be times where you may need to increase some of the limits or extend your cover.

To find out more or to get a quote, you can go on-line at nationwidetravel.online.aviva.co.uk or call the customer services upgrade number shown in '1. How to get help'. If we offer an upgrade, there may be an additional premium which you will need to pay.

To ensure you are fully covered, you should consider buying your upgrade at the point of booking the trip.

Pre-existing conditions upgrade

This upgrade is designed to cover the costs of cancellation, emergency medical treatment abroad and getting home if any insured person becomes suddenly and unexpectedly ill or injured due to a pre-existing illness, injury or disease.

For more information about pre-existing medical conditions and the pre-existing conditions upgrade please refer to Section 4. Your health.

Longer trip upgrade

If anyone insured by this policy is planning a trip which will last longer than 31 days, this upgrade will provide cover for the entire duration of the trip up to a maximum of 120 days.

A return trip must have been booked before you can buy this upgrade.

The upgrade is not available for Winter Sports holidays.

This upgrade covers one single trip, you will need to buy one for each trip that exceeds 31 days.

There is no cover for any incident that happens during a trip if it occurs after 31 days, unless you have purchased an upgrade in which case there is no cover once the selected upgrade duration expires.

Cancelling or coming home early upgrade

The most we will cover for trip costs under 'A. Cancelling or coming home early' and the 'Travel Disruption' section in 'C. Unexpected costs' is £5,000 per person. If you or anyone covered by this policy are planning a trip and want to increase this limit you can upgrade to a maximum of £7,500 or £10,000 per person.

This upgrade covers one single trip, you will need to buy this for each trip you need an increased limit for.

If you have to cancel your trip you will only be covered for up to £5,000 per insured person unless you have purchased this upgrade.

Extended cruise upgrade

If you have booked a cruise, this policy covers you as standard, including claims for cancellation and medical emergency. This upgrade provides additional cover for:

- additional travel and accommodation costs to get you to the next port if you miss the departure of your vessel due to emergency medical treatment or an excursion delay,
- cancellation by the cruise operator of a scheduled port stop,
- higher benefit limits for your belongings, confinement to accommodation and emergency travel document expenses.

This upgrade covers one single cruise, you will need to buy this for each cruise you need additional cover for.

Information and changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions asked when you open this account or purchase an upgrade.

When we are notified of a change, we will let you know if it affects your policy, for example whether we are able to accept the change and if so, whether the change will result in revised terms or an additional premium. If the information provided by you is not complete and accurate, depending upon the information that you have given us, we may:

- Amend the underwriting decision(s) for declared pre-existing medical condition(s), which may result in accepted conditions being excluded or an additional premium.
- Apply an additional premium for an upgrade.
- Refuse to pay all or part of any claim.
- Cancel this policy.

You need to tell Nationwide:

- If you move address - if this means that you are no longer a UK resident or your main address is no longer in the UK, then you will no longer be eligible for the Travel Insurance. Please refer to the 'Eligibility' section for more information
- If you change your name (this affects our ability to maintain and service your policy).

If you are in any doubt, please contact Nationwide.

4. Your Health

Please read this section carefully.

This travel insurance is designed to cover the costs of cancellation, emergency medical treatment abroad and getting home, if any insured person becomes suddenly and unexpectedly ill or injured due to a new illness, injury or disease.

Medical conditions that an insured person already has or had, are not all covered automatically as a pre-existing conditions upgrade may be needed. Please see below to find exactly which pre-existing medical conditions you need to tell us about, and when you need to tell us about them.

Pre-existing medical conditions you need to tell us about

You need to let us know about every diagnosed illness, injury or disease where in the 12 months before opening your account or booking a trip (whichever is later) any of the following points apply.

An insured person has:

- been prescribed medication, including newly prescribed or repeat medication. This includes medication designed to control symptoms of a medical condition,
- had any medical treatment, investigations or tests, or is waiting for any of these,
- been referred to, is under the care of, or has had an appointment with a specialist or consultant,
- been admitted to hospital or had surgery.

If an insured person has any diagnosed medical conditions that don't meet the above criteria you don't need to tell us about them, and they are covered without the need for a pre-existing conditions upgrade.

When you need to tell us about them

To make sure you are covered for cancellation before your trip, as well as for cover during your trip, you need to tell us:

1. When you open your FlexPlus account
2. Before booking a trip.

If you already have a trip booked - tell us as soon as you can to see if we can provide cover.

It is very important to make sure you are covered for your pre-existing medical conditions. If you are not and a trip had to be cancelled because of one of these conditions, we would not pay the cancellation costs for any insured person. The cost of emergency treatment abroad and getting back home can be extremely expensive and could have serious financial implications for you if you were to travel without the right cover and have to pay the costs yourself.

You can let us know securely online about any medical conditions that you, your partner or your children have. Go to nationwidetravel.online.aviva.co.uk to register and log on to MyAccount.

Undiagnosed health problems

If you are under investigation, for example waiting for tests or results, or a referral appointment for any undiagnosed health problems or symptoms, you should consider waiting until you have a diagnosis before booking a trip as undiagnosed health problems are not covered.

What is not covered

We will not cover any claim for any insured person arising directly or indirectly from:

- Any undiagnosed health problem or symptom for which a diagnosis has been sought but not yet received, that the insured person was aware of:
 - before opening an account,
 - before booking a trip. (If the symptoms began after you have taken out a pre-existing conditions upgrade, cover will be in place until the upgrade expires),
 - before adding a pre-existing conditions upgrade.
- Any pre-existing medical conditions unless a valid upgrade is in place and all conditions were declared to us when the upgrade was added to your policy, or when you added another person to it.
- Prescribed medication not being taken as directed.
- Travelling against the advice of a doctor or without medical advice when it was reasonable to have consulted a doctor.
- Booking a trip or travelling to seek any kind of medical advice, treatment or investigation, or any complications arising, or conditions found as a result of that advice, treatment or investigation.
- Any insured person booking a trip or travelling when they have received a terminal prognosis.

Pre-existing conditions upgrade

This upgrade is designed to cover the costs of cancellation, emergency medical treatment abroad and getting home, if any insured person becomes suddenly and unexpectedly ill or injured, because of a pre-existing illness, injury or disease.

How it works

- If anyone insured under your policy has any pre-existing medical conditions that meet the criteria above, you can go on-line at **nationwidetravel.online.aviva.co.uk** or give us a call on **0800 0512 532** to get a quote for an upgrade. It is essential that all of these conditions are declared as an incomplete upgrade may result in a claim not being paid.
- You will be asked some questions about each condition. Once the information has been assessed, a decision will be made for each person on whether we can provide cover or not.
- If we can provide cover, we will let you know whether or not there will be an additional cost. You can then choose if you want to add the upgrade to your policy.

- The upgrade will last for 12 months, and the expiry date will be shown on the upgrade schedule that you'll get.
- During the 12 months you do not need to tell us about changes to the health of the insured people named on the schedule, as we will provide cover for changes in the conditions you have already told us about, or any new symptoms or diagnoses, until the upgrade expiry date.
- We will contact you in writing at least 21 days before the end date on your upgrade schedule. To continue cover (including for any trips you've already booked), you will need to complete a new medical assessment. This is because we know your health changes over time, keeping your details updated annually means we can provide you with an accurate quote for the cover you need.

Adding another person to your pre-existing conditions upgrade

If you already have an upgrade in place and there is a change in another insured person's health that means they need cover, we will add their details to the same upgrade. This means the end date on your upgrade schedule won't change.

If cover can be offered for the additional person and you choose to add the upgrade, the amount you pay will be based on the number of days left until the current upgrade expires.

Important information about the upgrade

1. The upgrade is only valid if your account is open and you remain eligible for the travel insurance.
2. The pre-existing conditions upgrade is an annual contract and begins on the start date shown on the upgrade schedule, which will be provided to you when you take out or make changes to your cover. Cover will continue for a period of 12 months from the start date unless it is cancelled by you or us before then. See section '7. General conditions' for full details about cancellation.
3. If an insured person is on a trip when your upgrade with Aviva expires the cover will cease when the trip ends.
4. If you had an upgrade with Aviva and booked a trip before the expiry date to travel after this date, and we are unable to continue to cover your medical conditions or symptoms, you can make a cancellation claim for any unrecoverable costs you paid before your upgrade expired.
5. Our medical condition assessment system is updated on a regular basis. This might mean that when you complete a new medical assessment, the cover we offer and the premium we charge for your pre-existing medical conditions may change even if your health has not changed.

A - Cancelling or coming home early

What we will cover

We will pay the costs shown in this section if an insured person unavoidably has to cancel their trip or come home early because:

- They, a person they're going to stay with, a close relative or a business colleague who must be at work in order for them to go on their trip becomes ill, is injured, dies or is quarantined. You will also be covered if the insured person's travelling companion has to cancel the trip or come home early because of one of these events.
- They or their travelling companion are:
 - called as a witness or for jury service or to attend a tribunal in a court of law,
 - formally notified of redundancy,
 - needed at home following a burglary or severe damage to their home,
 - unable to reach or use their pre-arranged accommodation due to a natural disaster, severe weather, fire, explosion or an outbreak of food poisoning,
 - denied boarding because there are too many passengers, and no alternative is available for more than 12 hours from the scheduled departure time,

- a member of HM Armed Forces, the Emergency Services, a government department or the NHS and leave is cancelled due to an unexpected posting or an emergency in the UK,
- pregnant and are advised by a doctor not to travel as a direct result, or the transport operator confirms they would be travelling outside the conditions of carriage. The pregnancy must have been confirmed after you opened your Nationwide FlexPlus current account, or booked your trip, whichever is later.
- The insured person or their travelling companion's:
 - travel or accommodation provider becomes insolvent,
 - passport or visa is stolen in the 7 days before travelling,
 - pre-booked travel arrangements on their outward journey from the UK are cancelled or delayed for more than 12 hours or diverted after departure, and the travel provider has been unable to provide suitable alternative arrangements.
- In the 31 days before the departure date, or while the insured person is away on their trip:
 - they or their travelling companion is the victim of a violent crime that has been dealt with by the police,
 - the FCDO issues an advisory notice advising British nationals against all (or all but essential) travel to the insured person's destination, or to leave the area in which they are staying,
 - a government closes the border or introduces a local lockdown which prevents the insured person from travelling or continuing their trip,
 - a terrorist attack or natural disaster happens within a 50-mile radius of the insured person's pre-arranged accommodation, and they do not wish to travel or they wish to return home early.

We will pay the following:

- Unrecoverable costs that each insured person has paid or legally has to pay for their own unused personal travel and accommodation, as well as their own personal unused pre-paid costs associated with the trip (for example, pre-paid excursions, green fees or kennel or cattery fees).
- Additional travel and accommodation costs to allow the insured person to return home early if they cannot use their return ticket.

The most we will pay for cancelling or coming home early is £5,000 per person (unless you have a valid cancellation upgrade).

We will only pay for costs that you have paid for people who are insured under this policy. If you are travelling with friends or family who are not covered by this policy, they should purchase their own travel insurance to ensure that they are covered should the trip have to be cancelled. The only exception to this is where an insured person pays for accommodation which is a fixed cost, regardless of how many people are staying, for example a single villa or apartment, where we may be able to cover the accommodation costs that have been paid.

We will consider claims for costs which are unrecoverable from the insured person's travel and/or accommodation provider or agent, their debit/credit card company, PayPal, ABTA, ATOL or similar organisations.

We will not cover

- Anything excluded under section '4. Your health'.

7. General conditions

Your cancellation rights

This travel insurance is included as a benefit of your Nationwide FlexPlus current account. This means you do not pay a separate premium and would not receive a refund if you chose to cancel the policy.

If you want to cancel your policy, you need to close your Nationwide FlexPlus current account or switch to another Nationwide current account. For information on how to close or switch your current account please call Nationwide on **0800 11 88 55**.

If you close your account, all cover ends on the date your account is closed and any upgrades you have purchased will also be cancelled from this date.

Upgrades

You have a statutory right to cancel within 14 days from the day of purchase of the upgrade, or the day on which you receive your documents, whichever is later. If you wish to cancel, you will be entitled to a full refund of the premium paid provided no one insured by this policy has travelled, and there has been no claim or incident likely to give rise to a claim. If you do not exercise your right to cancel, it will continue in force and you will need to pay any premium due.

For cancellations outside this 14-day period no refund of premium will be made.

Our cancellation rights

Nationwide may cancel the Travel Insurance and/or any additional upgrades immediately on our behalf by sending at least 14 days' written notice to your last known postal and/or email address setting out the reason for cancellation. Valid reasons include but are not limited to the following:

- Where we reasonably suspect fraud.
- Where you fail to co-operate with us or provide us with information or documentation we reasonably require, and this affects our ability to process a claim or defend our interests.
- Where you have not taken reasonable care to provide complete and accurate answers to the questions we ask. See section '4. Your health', and 'information and changes you need to tell us about' in section '3. Things you need to know about this insurance'.
- Where Nationwide decide to offer this policy through an alternative provider.
- You harass our staff or representatives, or behave in an abusive, hostile or threatening manner.
- If you do not pay the required fee or premium for your FlexPlus account and/or any upgrade.

This travel insurance is included as a benefit of your Nationwide FlexPlus current account. This means you do not pay a separate premium and would not receive a refund for the insurance if we chose to cancel the policy.

Automatic termination of cover

The policy will remain in force until the first of the following automatic termination events occur.

The account holder

- closes the account.
- Nationwide closes the account under one of the reasons set out in the Nationwide FlexPlus Current Account terms and conditions.

As your circumstances may change over time, it is important that you review the terms and conditions of your worldwide travel insurance regularly to check you remain eligible and that the cover remains adequate for your needs.

If an insured person is on a trip at the time an automatic termination event occurs, all cover will cease when the trip ends.

When we can make changes to your cover

We can, at any time and after taking a fair and reasonable view, but no more than once in a 6-month period, make changes to your Travel Insurance terms and conditions, to reflect changes in our expectations of the future likely cost of providing cover. Policy cover may increase or decrease, but the changes will not be made for the sake of recouping past losses. When doing so we will only consider one or more of the following:

- Our experience and expectations of the cost of providing this product and/or other Aviva products of a similar nature.
- Information reasonably available to us on the actual and expected claims experience of insurers of similar products.
- Widely available economic information such as inflation rates and exchange rates.

Additionally, we can, at any time and after taking a fair and reasonable view, make changes to your Travel Insurance terms and conditions:

- To reflect changes (affecting us or your policy) in the law or regulation or the interpretation of law or regulation, or changes in taxation.
- To reflect decisions or recommendations of an ombudsman, regulator or similar person, or any code of practice, with which we intend to comply.
- In order to make your policy clearer and fairer to you or to rectify any mistakes that may be discovered in due course.

Changes may also be made for any of the reasons set out in the Nationwide FlexPlus Current Account terms and conditions.

Changes (together with the reasons for such changes) will be notified to you in writing, (or as set out in the Nationwide FlexPlus Current Account terms and conditions), at least 30 days in advance.

Claims Fraud

If your claim is in any way dishonest or exaggerated, we will not pay any benefit under this policy, and we may cancel your policy and backdate the cancellation to the date of the fraudulent claim.

We may also take legal action against you to include recovery of any sums paid to you in respect of the fraudulent claim.

Contribution to claim

If, at the time of an incident which results in a claim under this policy, there is any other insurance or other source covering the same loss, damage, expense or liability, we are entitled to approach that insurer and/or other source for a contribution towards the claim and will only pay our share.

Your duty to prevent injury, loss, theft or damage

You and all other insured persons must take all reasonable precautions to protect yourselves, your property and the property of others.

Transfer of rights

You cannot transfer your rights under this policy. A person, partnership (whether limited or not) or company who is not insured under this policy has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

Payments made under compulsory insurance regulations and rights of recovery

If the law of a country in which this policy operates requires us to settle a claim which, if this law had not existed, we would not be obliged to pay, we shall be entitled to recover such payments from the relevant person insured or the person who incurred the liability.

Choice of Law

The law of England and Wales will apply to this contract, unless

- You and we agree otherwise; or
- At the date of the contract you are a resident of Scotland, Northern Ireland, the Channel Islands or the Isle of Man, in which case (in the absence of agreement to the contrary) the law of that country will apply.

Use of Language

Unless otherwise agreed, the contractual terms and conditions and other information relating to this contract will be in English.

Multiple accounts

Where an insured person holds more than one Nationwide FlexPlus account, only one travel insurance policy will apply. As such we will only pay out once per insured person for the same event.
