- 8.3 The trust mentioned in subclause 8.2(b) above may be performed by the Trustee by repaying to the Society or, as the case may be, the liquidator or other insolvency official of the Society the amount so to be distributed on terms that the Society or (as applicable) the liquidator or other insolvency official shall distribute the same accordingly, and in that event the receipt by the Society or, as the case may be, the liquidator or other insolvency official of the moneys so paid by the Trustee to it shall be a good discharge to the Trustee for the performance by the Trustee of the trust mentioned in subclause 8.2(b) above and the Trustee shall not be bound to supervise or be in any way responsible for such distribution.
- 8.4 Any payment paid to the Trustee in respect of claims in respect of Subordinated Notes shall (subject as provided in subclause 8.2) be paid to Noteholders holding Subordinated Notes or, as the case may be, the relative Couponholders *pari passu* and rateably in accordance with the provisions of Clause 9.
- 8.5 The Trustee shall be entitled and is hereby authorised by the Society to call for (and shall be entitled to accept as conclusive evidence thereof without further inquiry and without liability to any person) a certificate from the liquidator or other insolvency official of the Society as to:
 - (a) the amount of any Priority Claims and as to whether they shall or shall not have been fully satisfied or otherwise fully provided for; and
 - (b) the creditors in respect of Priority Claims and their respective entitlements.
- 8.6 If the Trustee or any Noteholder holding Subordinated Notes or, as the case may be, the relative Couponholder receives any payment in respect of any such Subordinated Notes and/or the relative Coupons and the Trustee has not, prior to receiving such payment, been provided with a report in compliance with subclause 8.5 above, such payment shall, to the extent of any Shortfall, be deemed null and void and such payment or, as the case may be, such part thereof shall be held by the Trustee or any such Noteholder or Couponholder, as the case may be, upon trust to be applied in accordance with subclause 8.2 above. Each Noteholder of any such Subordinated Notes, or, as the case may be,

the relative Couponholder by the acceptance thereof, agrees to and shall be bound by the provisions of this subclause.

- 8.7 Subject to applicable law, no holder of a Subordinated Note or any relative Coupon may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Society arising under or in connection with the Subordinated Notes or any relative Coupons, and each Noteholder and Couponholder shall, by virtue of being the holder of any such Subordinated Note or Coupon (as the case may be), be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the provision of the foregoing sentence, if any of the said rights and claims of any Noteholder or Couponholder of a Subordinated Note or relative Coupon against the Society is discharged by set-off, such Noteholder or Couponholder will immediately pay an amount equal to the amount of such discharge to the Society or, in the event of winding up or dissolution of the Society, the liquidator or other insolvency official of the Society and accordingly such discharge will be deemed not to have taken place.

9. APPLICATION OF MONEYS RECEIVED BY THE TRUSTEE

- 9.1 All moneys received by the Trustee in respect of the amounts payable under the Notes of any Series, the Coupons appertaining to the Notes of any Series or these presents will, regardless of any appropriation of all or part of them by the Society, be held by the Trustee upon trust to apply them (subject, in all cases, to subclause 9.3 below and, (i) in the case of the Senior Non-Preferred Notes, to the provisions of Clause 7 and (ii) in the case of Subordinated Notes, to the provisions of Clause 8):

- (a) first, in payment or satisfaction of the costs, charges, expenses and liabilities incurred by the Trustee in or about the preparation and execution of the trusts of these presents (including remuneration of the Trustee);
- (b) secondly, in or towards payment *pari passu* and rateably of all arrears of interest (if any) remaining unpaid in respect of the Notes of the relevant Series and all principal moneys due in respect of such Notes PROVIDED THAT where Notes of more than one Series have become so due and repayable, such moneys shall be applied as between the amounts outstanding in respect of the different Series *pari passu* and rateably (except where such moneys are paid in respect of a specific Series or several specific Series, in which event such moneys shall be applied solely to the amounts outstanding in respect of that Series or those Series respectively); and
- (c) in payment of the balance (if any) to the Society for itself.

- 9.2 Without prejudice to the provisions of this Clause 9, if the Trustee shall hold any moneys which represent principal or interest in respect of Notes or Coupons which have become void under Condition 12 the Trustee shall (subject to no sums being then owing to the Trustee or to Noteholders holding Notes of any other Series or to the relative Couponholders and to payment of (or provision for the payment or satisfaction of) the said costs, charges, expenses and liabilities, including the remuneration of the Trustee) pay the same forthwith to the Society.

9.3 Deposits

No provision of these presents shall (a) confer on the Trustee any right to exercise any investment discretion in relation to the assets subject to the trust constituted by these presents and, to the extent permitted by law, Section 3 of the Trustee Act 2000 shall not apply to the duties of the Trustee in relation to the trusts constituted by these presents and (b) require the Trustee to do anything which may cause the Trustee to be considered a sponsor of a covered fund under Section 619 of the Dodd-

Frank Wall Street Reform and Consumer Protection Act and any regulations promulgated thereunder.

The Trustee may deposit moneys in respect of the Notes in its name in an account at such bank or other financial institution as the Trustee may, in its absolute discretion, think fit. If that bank or financial institution is the Trustee or a subsidiary, holding or associated company of the Trustee, the Trustee need only account for an amount of interest equal to the amount of interest which would, at then current rates, be payable by it on such a deposit to an independent customer.

The parties acknowledge and agree that in the event that any deposits in respect of the Notes are held by a bank or a financial institution in the name of the Trustee and the interest rate in respect of certain currencies is a negative value such that the application thereof would result in amounts being debited from funds held by such bank or financial institution (“negative interest”), the Trustee shall not be liable to make up any shortfall or be liable for any loss.

9.4 Apportionment

If more than one Series of the Notes has become immediately due and repayable, the Trustee shall apportion between the relevant Noteholders the payment of the costs, charges, expenses and liabilities referred to above out of moneys received and held upon trust by the Trustee as aforesaid, in such manner and in such amounts as it shall, in its absolute discretion, consider appropriate.

10. SUBSTITUTION

10.1 Substitution in connection with a Permitted Reorganisation

- (a) In the event of a Permitted Reorganisation (unless such substitution is effected automatically by operation of law), the Trustee shall, without the previous consent or sanction of the Noteholders (or, as the case may be, the holders of Notes of any one or more Series), or the Couponholders, at the request and expense of the Society, agree with the Society to the substitution in place of the Society (or of any previous substitute under this subclause 10.1 or subclause 10.2) as the principal debtor under these presents in respect of the Notes or, as the case may be, the Notes of any one or more Series and in respect of the relevant Notes and Coupons themselves of a Successor Entity PROVIDED THAT (i) a trust deed shall be executed or some other form of undertaking given by the Successor Entity to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of these presents and the relevant Notes and Coupons, with any consequential amendments which the Trustee may deem appropriate, as fully as if the Successor Entity had been named in these presents and on the relevant Notes and Coupons as the principal debtor in place of the Society; (ii) prior to the entry into such trust deed(s) supplemental to the Trust Deed, the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories of the Society stating that (A) the substitution of the Successor Entity in place of the Society (or of any previous substitute under this subclause 10.1) as principal debtor under these presents in respect of the Notes or, as the case may be, the Notes of any one or more Series and in respect of the relevant Notes and Coupons themselves is being made pursuant to a Permitted Reorganisation and specifying details of such Permitted Reorganisation and (B) the Successor Entity has obtained all necessary governmental and regulatory approvals and consents necessary for its assumption of the obligations and liability as principal debtor under these presents in respect of the relevant Notes and Coupons and in respect of such Notes and Coupons themselves in place of the Society and that such approvals and consents are at the time of substitution in full force and effect (and the Trustee shall be entitled to accept and rely on such certificate without liability to any person and without any further inquiry as sufficient evidence thereof, in which event it shall be conclusive and binding on the Trustee and all Noteholders and Couponholders or, as the case may be, the relevant

Noteholders and Couponholders); and (iii) the Trustee shall not be obliged to enter into such trust deed(s) supplemental to the Trust Deed if such substitution pursuant to a Permitted Reorganisation would, in the Trustee's opinion, impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities in any material respect or reduce or amend the protective provisions afforded to the Trustee in these presents or the Conditions (including, for the avoidance of doubt any supplemental trust deed) in any material respect.

- (b) The Society hereby covenants with the Trustee that it will not transfer its business to a successor in accordance with Section 97 of the Building Societies Act or pursuant to an order made under section 3 of the Building Societies Act 2007 unless either (i) the Trustee is satisfied that the successor will be or (as the case may be) remain an authorised person under the FSMA (or any statutory modification or re-enactment thereof) or (ii) such transfer is approved by an Extraordinary Resolution of the holders of the Notes of the relevant Series.

10.2 Substitution other than in connection with a Permitted Reorganisation

- (a) In circumstances other than a Permitted Reorganisation, the Trustee may, without the previous consent or sanction of the Noteholders (or, as the case may be, the holders of Notes of any one or more Series), or the Couponholders, agree with the Society to the substitution in place of the Society (or of any previous substitute under subclause 10.1 or this subclause 10.2) as the principal debtor under these presents in respect of the Notes or, as the case may be, the Notes of any one or more Series and in respect of the relevant Notes and Coupons themselves of either:

- (i) any Subsidiary of the Society or of any Successor in Business of the Society; or
- (ii) any Successor in Business of the Society,

each of which is hereinafter called the **Substituted Entity**,

PROVIDED THAT:

- (A) where the Substituted Entity is a Subsidiary of the Society or of any Successor in Business of the Society the following conditions shall apply:
 - I. a trust deed shall be executed or some other form of undertaking given by the Substituted Entity to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of these presents and the relevant Notes and Coupons, with any consequential amendments which the Trustee may deem appropriate, as fully as if the Substituted Entity had been named in these presents and on the relevant Notes and Coupons as the principal debtor in place of the Society;
 - II. the Trustee shall require to be satisfied that (a) the Substituted Entity has obtained all necessary governmental and regulatory approvals and consents for its assumption of the obligations and liability as principal debtor under these presents in respect of the relevant Notes and Coupons and in respect of such Notes and Coupons themselves in place of the Society, (b) the Society or, as the case may be, the Successor in Business of the Society has obtained all necessary governmental and regulatory approvals and consents necessary for the guarantee referred to in paragraph (A)III below, and (c) such approvals and consents are at the time of substitution in full force and effect;

- III. an unconditional and irrevocable guarantee of the Society or, as the case may be, any Successor in Business of the Society, in form and substance satisfactory to the Trustee, of the payment of all moneys payable by the Substituted Entity under these presents in respect of the relevant Notes and Coupons and in respect of such Notes and Coupons themselves shall have been given;
 - IV. the Society, any Successor in Business of the Society and the Substituted Entity shall comply with such other requirements as the Trustee may reasonably direct in the interests of the Noteholders (or, as the case may be, the holders of the Notes of the relevant Series);
 - V. two authorised signatories shall certify to the Trustee that the Substituted Entity is solvent at the time at which the said substitution is proposed to be effected. The Trustee shall not be bound to have regard to the Substituted Entity's financial condition, profits or prospects or to compare the same with those of the Society; and
 - VI. without prejudice to the rights of reliance of the Trustee under this paragraph (A)VI of this subclause 10.2(a), the Trustee is satisfied that the said substitution is not materially prejudicial to the interests of the Noteholders (or, as the case may be, the holders of the Notes of the relevant Series),
- (B) where the Substituted Entity is a Successor in Business of the Society the following conditions shall apply:
- I. *mutatis mutandis* those set out in paragraphs (A)I, IV, V and VI of this subclause 10.2(a); and
 - II. the Trustee shall require to be satisfied that the Substituted Entity has obtained all necessary governmental and regulatory approvals and consents necessary for its assumption of the obligations and liability as principal debtor under these presents in respect of the relevant Notes and Coupons and in respect of such Notes and Coupons themselves in place of the Society and that such approvals and consents are at the time of substitution in full force and effect.

10.3 **Substitution in relation to Subordinated Notes and Senior Non-Preferred Notes**

This subclause 10.3 applies only if this Note is a Subordinated Note or a Senior Non-Preferred Note, and reference herein to Notes shall be construed accordingly.

The Society hereby covenants with the Trustee that if it transfers its business to a company (the **Transferee Company**) within the meaning of the Companies Act 2006 as amended (or any successor thereto or re-enactment thereof) or to a body corporate which is incorporated in another European Economic Area state other than the United Kingdom pursuant to Section 97 of the Building Societies Act or pursuant to an order made under section 3 of the Building Societies Act 2007 then, upon such transfer becoming effective:

- (a) it will either deliver evidence reasonably satisfactory to the Trustee that the Transferee Company is an authorised person for the purposes of the FSMA or an EEA firm qualifying for authorisation under Schedule 3 to the FSMA or, if such evidence is not so delivered,

procure that such transfer is approved by an Extraordinary Resolution of the holders of the Noteholders; and

- (b) it will, and will procure that the Transferee Company will, if so required by the Trustee, execute one or more deeds supplemental to this Trust Deed which has the effect of ensuring to the reasonable satisfaction of the Trustee that:
- (i) the Transferee Company is bound by the terms of these presents and the Conditions of the Notes as fully as if all and any references therein to the Society were references to the Transferee Company; and
 - (ii) the rights of the holders of the Notes and the relative Coupons:
 - (A) are subordinated and postponed (or otherwise rank junior) to the claims of the persons who are holders of share investments (other than deferred share investments) which are qualifying shares (as defined in Section 100(3) of the Building Societies Act) in the Society in respect of claims arising by virtue of Section 100(2)(a) of the Building Societies Act and which are represented by those qualifying shares and to the claims of other unsecured and unsubordinated creditors of the Transferee Company (save that the rights of the holders of Senior Non-Preferred Notes may rank *pari passu* with any Secondary Non-Preferential Debts in respect of the Transferee Company or any other claims which rank, or are expressed to rank, *pari passu* therewith);
 - (B) (if such Notes are Subordinated Notes) are subordinated and postponed to the claims in respect of the Senior Non-Preferred Notes; and
 - (C) will be such that they rank in priority to the holders of the issued share capital of the Transferee Company,

and containing such other provisions as the Trustee (having regard in particular to the foregoing) may reasonably require; provided that no variation or supplement to the terms of these presents or of the Conditions of the Subordinated Notes shall be made in any such supplemental deed which would or might cause:

- (1) any qualifying own funds or capital resources of the Society for the purposes of the Regulatory Capital Requirements prevailing at that time to be excluded from such own funds or capital resources; or
- (2) any liabilities of the Society which, for the purposes of the Loss Absorption Regulations prevailing at that time, qualify towards the Society's minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments to be excluded from such minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments.

10.4 Effect of substitution

Any transfer or substitution pursuant to this Clause 10 shall be binding on the Society, the Trustee, the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified to the Noteholders as soon as practicable thereafter.

11. EVENTS OF DEFAULT AND INDEMNIFICATION OF THE TRUSTEE

11.1 The Trustee shall not be bound to take any steps to enforce the obligations of the Society under these presents, the Notes or Coupons unless (a) it shall have been requested to do so in writing by the holders of not less than one-quarter in nominal amount of the Notes then outstanding or have been so directed by an Extraordinary Resolution and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction against all liabilities, proceedings, claims and demands to which it may be or become liable and all costs, charges and expenses which may be incurred by it in connection therewith (including the cost of using its managements time and/or other internal resources calculated using its normal hourly rates in force from time to time).

11.2 Evidence of default

Should the Trustee (or any Noteholder or Couponholder where entitled under these presents so to do) take any legal proceedings against the Society:

- (a) proof therein that, as regards any specified Note, default has been made by the Society in paying any principal and/or (where the same is not paid against presentation of a Coupon) interest due to the relative Noteholder shall (unless the contrary be proved) be prima facie evidence that like default has been made as regards all other Notes of the relevant Series in respect of which a corresponding payment is then due; and
- (b) proof therein that, as regards any specified Coupon, default has been made by the Society in paying any interest due to the relative Couponholder shall (unless contrary be proved) be prima facie evidence that like default has been made as regards all other Coupons appertaining to the Notes of the relevant Series in respect of which a corresponding payment is then due.

12. PAYMENT TO NOTEHOLDERS AND COUPONHOLDERS

Any payment to be made in respect of the Notes or the Coupons by the Society or the Trustee may be made in the manner provided in the Conditions, and any payment so made shall be a good discharge to the Society or, as the case may be, the Trustee. Any payment in full of interest made in respect of a Coupon in the manner aforesaid shall extinguish any claim of a Noteholder which may arise directly or indirectly in respect of such interest.

13. PRODUCTION OF NOTES AND COUPONS

Upon any payment under any of the provisions of subclause 2.2 or Clause 9 in respect of any Definitive Note or Coupon (other than payment in full against surrender of a Definitive Note or Coupon), the Definitive Note or Coupon in respect of which such payment is made shall, if the Trustee so requires, be produced to the Trustee or the Paying Agent by or through whom such payment is made and (except in the case of a NGN) the Trustee shall, in the case of part payment, enface or cause such Paying Agent to enface thereon a memorandum of the amount and date of payment on such Definitive Note or Coupon or, in the case of payment in full, shall cancel or procure the same to be cancelled and shall certify or procure the certification of such cancellation.

14. COVENANTS BY, AND REPRESENTATIONS AND WARRANTIES OF, THE SOCIETY

14.1 The Society hereby covenants with the Trustee that, so long as any of the Notes remains outstanding, it shall:

- (a) at all times maintain an Agent and Paying Agents with specified offices in accordance with the Conditions and maintain at all times any other agents required by the Conditions;

- (b) at all times keep proper books of account, permit to the extent permitted by applicable law the Trustee and any persons appointed by the Trustee to whom the Society shall have no reasonable objection free access to such books of account at all reasonable times during normal working hours and procure that all Subsidiaries of the Society permit to the extent permitted by applicable law the Trustee and any persons appointed by the Trustee to whom the Society shall have no reasonable objection free access to the books of account of the Subsidiaries of the Society at all reasonable times;
- (c) give notice in writing to the Trustee of the occurrence of any Event of Default or Potential Event of Default immediately upon becoming aware thereof and without waiting for the Trustee to take any further action;
- (d) so far as permitted by applicable law, at all times give to the Trustee such other information as it shall reasonably require for the purpose of the discharge of the duties and discretions vested in it under these presents or by operation of law;
- (e) send to the Trustee four copies of every balance sheet, revenue and appropriation account, source and application of funds statement (if any), annual business statement, report or other notice, statement or circular issued generally to the members, stockholders or creditors generally of the Society in their respective capacities as such at, or as soon as practicable after, the time of the issue thereof;
- (f) so far as permitted by applicable law, at all times execute all such further documents and do all such further acts and things as may in the opinion of the Trustee be necessary at any time or times to give effect to the terms and conditions of these presents;
- (g) in order to enable the Trustee to ascertain the amount of Notes of each Series for the time being outstanding (other than for the purpose of ascertaining the amount of Notes of each Series for the time being outstanding for the purpose of the Programme Limit), deliver to the Trustee as soon as practicable after being so requested in writing by the Trustee a certificate in writing signed by (i) two Directors, (ii) one Director and the Secretary or an Authorised Signatory of the Society or (iii) any two Authorised Signatories of the Society setting out the total numbers and aggregate nominal amount of Notes of each Series which up to and including the date of such certificate have been purchased by or for the account of the Society or any of its Subsidiaries, the aggregate nominal amount of Notes of each Series which are held beneficially at such date by the Society or any of its Subsidiaries and the aggregate nominal amount of Notes of each Series purchased which have been cancelled;
- (h) send, or procure to be sent, to the Trustee for the Trustee's prior approval the form of every notice to be given to the Noteholders of each Series and, following the publication thereof, four copies of each such notice (such notice to be in a form agreed by the Trustee);
- (i) in the event of the unconditional payment to the Agent or the Trustee of any sum due in respect of any of the Notes of any Series or any of them or any of the Coupons being made after the due date for payment thereof, immediately give notice to the Noteholders of the relevant Series thereof that such payment has been made;
- (j) during such time as the Notes of any Series are listed on the Stock Exchange, at all times use all reasonable endeavours to maintain the listing of such Notes on the Stock Exchange or, if it is unable to do so having used all such reasonable endeavours or if the maintenance of such listing is agreed by the Trustee to be unduly onerous, use all reasonable endeavours to obtain and maintain the quotation or listing of such Notes on such other stock exchange, listing authority and/or quotation system as it may (with the prior written approval of the Trustee) decide and procure that there will at all times be furnished to any stock exchange,

listing authority and/or quotation system on which the Notes of any Series are for the time being quoted or listed on the application of the Society such information as such stock exchange, listing authority and/or quotation system may require in accordance with its normal requirements or in accordance with any arrangements for the time being made with any such stock exchange, listing authority and/or quotation system;

- (k) observe and comply with its obligations, and use all reasonable endeavours to procure that the Paying Agents observe and comply with all their obligations, under the Agency Agreement and notify the Trustee immediately it becomes aware of any material breach or failure of any Paying Agent in relation to the Notes of any Series or the relevant Coupons;
- (l) oblige the Agent to notify the Trustee forthwith in the event that it does not, on or before the due date for payment of the Notes of any Series or the relevant Coupons or all or any of them, receive unconditionally the full amount in the relevant currency of the moneys payable thereon on such due date;
- (m) give or procure that there be given to the relevant Noteholders not less than 30 days' prior notice of any appointment or removal of the Agent or any Paying Agent (other than the appointment of those listed in the Conditions) and not less than 14 days' prior notice of any change of the Agent's or any Paying Agent's specified office from that shown at the foot of the Conditions or that last notified to relevant Noteholders pursuant thereto (after having, in any such case other than a change of specified office within the same city, obtained the prior written approval of the Trustee thereto);
- (n) send to the Trustee, at the time of sending its annual audited balance sheet and profit and loss account and in any event not later than 14 days after the adoption and publication thereof and also within 14 days after any request by the Trustee, a certificate of the Society signed by two Authorised Signatories of the Society to the effect that, having made all reasonable enquiries, to the best of the knowledge, information and belief of the Society there did not exist, as at a date not more than five days prior to the date of the certificate nor had there existed at any time prior thereto since the date hereof or the date of the last such certificate (if any), any Event of Default or any Potential Event of Default or, if such an Event of Default or Potential Event of Default did then exist, specifying the same;
- (o) give prior notice to the Trustee of any proposed redemption pursuant to Condition 5.2, 5.3, 5.4 or 5.5 and, if it shall have given notice to the relevant Noteholders in accordance with the Conditions of its intention, duly proceed to redeem any relevant Notes accordingly;
- (p) give to the Trustee at the same time as sending to it the certificate referred to in paragraph (n) above and in any event not later than 180 days after the last day of each financial period of the Society, a certificate by two Authorised Signatories listing those Subsidiaries of the Society which as at such last day were Principal Subsidiaries of the Society for the purposes of Condition 10;
- (q) give to the Trustee, as soon as reasonably practicable after any transfer is made to any Subsidiary of the Society which thereby becomes a Principal Subsidiary, a certificate by two Authorised Signatories to such effect;
- (r) forthwith give the Trustee notice in writing of the coming into existence of any Security which would require any security to be given for the Notes pursuant to Condition 3;
- (s) use all reasonable endeavours to procure that Euroclear and/or Clearstream, Luxembourg (as the case may be) issue(s) any record, certificate or other document requested by the Trustee under Clause 21(v) or otherwise as soon as practicable after such request; and

- (t) provide the Trustee with information that it is reasonably able to provide about the source and character for US federal tax purposes of any payment to be made by it pursuant to these presents so as to enable the Trustee to determine whether and in what amount the Trustee is obliged to make any withholding or deduction pursuant to the Code or otherwise imposed pursuant to FATCA Withholding.

14.2 The Society represents and warrants to the Trustee that:

- (a) the issue of the Notes and the borrowing thereby is within the power of the Society and its Directors and the proceeds of the Notes will be used for the general purposes of the Society;
- (b) the Society is authorised to borrow money under the Building Societies Act; and
- (c) the issue and borrowing will not cause any limit placed on the powers of the Society and its Directors, including but not confined to any limit imposed under Section 7 of the Building Societies Act, to be exceeded.

15. REMUNERATION OF THE TRUSTEE

15.1 The Society shall (subject as hereinafter provided) pay to the Trustee in every year until the trusts hereof shall be finally wound up remuneration for its services as trustee at such rate as shall from time to time be agreed between the Society and the Trustee. Upon the issue of Notes of any Series the rate of remuneration in force immediately prior thereto shall be increased by such amount as shall be agreed between the Society and the Trustee, such increased remuneration to be calculated from such date as shall be agreed as aforesaid. The rate of remuneration in force from time to time may upon the final redemption of the whole of the Notes of any Series be reduced by such amount as shall be agreed between the Society and the Trustee, such reduced remuneration to be calculated from such date as shall be agreed as aforesaid. The said remuneration shall be deemed to accrue from day to day and shall be paid annually in arrear on such date in each year as may from time to time be agreed between the parties hereto. In the event that the Trustee gives notice that the Notes of any Series have become due and repayable by reason of an Event of Default, the Society agrees with the Trustee that it shall be entitled to be paid additional remuneration, which may be calculated at its normal hourly rates in force from time to time. In any other case or if the Trustee finds it expedient or necessary or being requested by the Issuer to undertake any duties which the Trustee and the Society agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under these presents, the Society shall pay such additional remuneration as shall be agreed between the Trustee and the Society and may be calculated using the Trustee's hourly rates currently in force from time to time. In the event of the Trustee and the Society failing to agree upon whether such duties are of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under these presents, or failing to agree upon such additional remuneration or upon any increase or reduction in remuneration, any such matter shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Trustee and approved by the Society or, failing such approval, nominated by the President for the time being of The Law Society (the expenses involved in such nomination and the fees of such investment bank or other person being payable by the Society) and the decision of any such investment bank shall be final and binding on the Society and the Trustee.

15.2 The Trustee shall not be entitled to remuneration in relation to the Notes of any particular Series in respect of any period after the date on which, all the Notes of the relevant Series outstanding having become due for redemption, the redemption moneys (including accrued interest thereon) have been paid to the Trustee or the Agent or otherwise duly provided for to the satisfaction of the Trustee unless, upon due presentation of any relevant Note or Coupon, payment of the moneys due in respect thereof is improperly withheld or refused, in which event remuneration shall commence again to accrue.

- 15.3 In addition to remuneration hereunder, the Society shall, on written request, pay all other costs, charges and expenses (including legal and travelling expenses) or liabilities which the Trustee may reasonably and properly incur in relation to the negotiation, preparation and execution of these presents and the exercise of the powers and the execution of the trusts vested in it by or pursuant to these presents.
- 15.4 The Society shall indemnify the Trustee in respect of all proceedings, claims and demands and all costs, charges, expenses, and liabilities to which it (or any person appointed by it or to whom any trust, power, authority or discretion may be delegated by it in the execution or purported execution of the trusts, powers, authorities or discretions vested in it by these presents) may be or become liable or which may reasonably and properly be incurred by it (or any such person as aforesaid) in respect of any matter or thing done or omitted in anywise relating to these presents.
- 15.5 All sums payable by the Society under subclause 15.3 or 15.4 of this Clause 15 shall be payable on demand and (a) in the case of payments actually made by the Trustee prior to the demand, shall carry interest at the rate of the Trustee's cost of funding (as specified by the Trustee on making such demand) from the date of the same being demanded to the date of actual payment and (b) in all other cases, shall carry interest at such rate from the date 15 days after the date of the same being demanded or (where the demand specifies that payment by the Trustee will be made on an earlier date) from such earlier date (not being earlier than the date of such demand) to the date of actual payment. Any amounts payable pursuant to subclause 15.1 of this Clause 15 shall carry interest at the aforesaid rate from the due date thereof to the date of actual payment.
- 15.6 The Society shall in addition pay to the Trustee (if so required) an amount equal to the amount of any value added tax or similar tax charged or chargeable in respect of its remuneration hereunder.
- 15.7 Unless otherwise specifically stated in any discharge of these presents, the provisions of this Clause 15 shall continue in full force and effect notwithstanding such discharge.
- 15.8 The Trustee shall be entitled in its absolute discretion to determine in respect of which Series of the Notes any costs, charges, expenses or liabilities incurred under these presents have been incurred or to allocate any such costs, charges, expenses or liabilities between the Notes of any Series.
- 15.9 All payments to be made by the Society to the Trustee under these presents shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within any relevant jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Society shall pay such additional amount as will, after such deduction or withholding has been made, leave the Trustee with the full amount which would have been received by it had no such withholding or deduction been required.

16. MODIFICATION

The Trustee may from time to time and at any time without any consent or sanction of the Noteholders or the Couponholders (or, as the case may be, the holders of the Notes or Coupons of any one or more Series) concur with the Society in making any modification (a) to these presents or the Conditions (other than the proviso to paragraph 6 of Schedule 3 or any provision of these presents or the Conditions referred to in that proviso) which in the opinion of the Trustee is not materially prejudicial to the interests of the Noteholders (or as the case may be, the holders of Notes of the relevant Series or (b) to these presents or the Conditions to correct a manifest error or which is of a formal, minor or technical nature. In addition, the Trustee shall be obliged to concur with the Society in effecting any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.4 without the consent of the Noteholders or Couponholders. 22. TRUSTEE ENTITLED TO ASSUME DUE PERFORMANCE

Except as herein otherwise expressly provided, the Trustee shall be and is hereby authorised to assume without enquiry, in the absence of knowledge or express notice to the contrary, that the Society is duly performing and observing all the covenants and provisions contained in these presents relating to the Society and on its part to be performed and observed and that no event has happened which with the lapse of time and/or upon the giving of notice and/or the issuing of a certificate would cause the Notes of any Series to become repayable or capable of being declared repayable.

23. WAIVER

The Trustee may, without the consent of the Noteholders or the Couponholders and without prejudice to its right in respect of any further or other breach, from time to time and at any time, but only if and in so far as in its opinion the interests of Noteholders (or, as the case may be, the holders of the Notes of the relevant Series) will not be materially prejudiced thereby, authorise or waive, on such terms and subject to such conditions (if any) as to it shall seem fit, any proposed breach or breach of any of the covenants or provisions contained in these presents, the Notes or the Coupons (or, as the case may be, in the Notes or Coupons of any Series) or determine that any breach, condition, event or act which constitutes (or which, with the lapse of time and/or the giving of notice and/or the issuing of a certificate, would constitute), but for such determination, an Event of Default shall not be treated as such for the purposes of these presents PROVIDED ALWAYS THAT the Trustee shall not exercise any powers conferred upon it by this Clause 23 in respect of the Notes of any Series in contravention of any express direction given by the holders of one-quarter in nominal amount of the Notes of the relevant Series then outstanding or by an Extraordinary Resolution of such Noteholders (but so that no such direction shall affect any authorisation, waiver or determination previously given or made).

24. POWER TO DELEGATE

The Trustee may, in the execution and exercise of all or any of the trusts, powers, authorities and discretions vested in it by these presents, act by responsible officers or a responsible officer for the time being of the Trustee, and the Trustee may also whenever it thinks it expedient in the interests of the Noteholders or of the holders of Notes of any one or more Series, whether by power of attorney or otherwise, delegate to any person or persons all or any of the trusts, powers, authorities and discretions vested in it by these presents and any such delegation may be made upon such terms and conditions and subject to such regulations (including power to sub-delegate) as the Trustee may think fit in the interests of the Noteholders or of the holders of Notes of the relevant Series and provided that if the Trustee shall have exercised reasonable care in the selection of such delegate, it shall not be bound to supervise the proceedings and shall not in any way or to any extent be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of such delegate or sub-delegate. The Trustee shall give prompt notice to the Society of the appointment (and termination thereof) of any delegate as

aforesaid and shall procure that any delegate shall also give prompt notice to the Society of any sub-delegate.

25. COMPETENCE OF A MAJORITY OF TRUSTEES

26. APPOINTMENT OF TRUSTEES

26.1 The power of appointing new trustees shall be vested in the Society but a trustee so appointed must in the first place be approved by an Extraordinary Resolution. A trust corporation may be appointed sole trustee hereof but subject thereto there shall be at least two trustees hereof one at least of which shall be a trust corporation. Any appointment of a new trustee or new trustees hereof shall as soon as practicable thereafter be notified by the Society to the Agent and to the Noteholders. The Noteholders shall have the power, exercisable by Extraordinary Resolution, to remove any trustee or trustees for the time being hereof. The removal of any trustee shall not become effective unless there remains a trustee hereof (being a trust corporation) in office after such removal.

26.2 Notwithstanding the provisions of subclause 26.1 of this Clause 26, the Trustee may (as attorney for the Society) upon giving prior notice to but without the consent of the Society or the Noteholders or Couponholders appoint any person established or resident in any jurisdiction (whether a trust corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Trustee either in respect of all of the Notes or in respect of Notes of any one or more Series (a) if the Trustee considers such appointment to be in the interests of the Noteholders (or, as the case may be, of the holders of the Notes of the relevant Series), (b) for the purposes of conforming to any legal requirement, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed or (c) where permitted under these presents so to do for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of these presents against the Society. The Society hereby irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of these presents) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by these presents) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such remuneration as the Trustee may pay to any such person, together with any attributable costs, charges and expenses incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of these presents be treated as costs, charges and expenses incurred by the Trustee.

27. RETIREMENT OF TRUSTEES

Any trustee for the time being of these presents may retire at any time upon giving not less than three months' notice in writing to the Society without assigning any reason therefor and without being responsible for any costs occasioned by such retirement. The retirement of any Trustee shall not become effective unless there remains a trustee hereof (being a trust corporation) in office after such retirement. The Society covenants that, in the event of a Trustee (being a sole trustee or the only trust corporation) giving notice under this Clause 27, it shall use all reasonable endeavours to procure a new trustee (being a trust corporation) to be appointed promptly.

28. POWERS OF THE TRUSTEE ARE ADDITIONAL

The powers conferred by these presents upon the Trustee shall be in addition to any powers which may from time to time be vested in it by general law or as the holder of any of the Notes.

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Trustee in relation to the trusts constituted by these presents. Where there are any inconsistencies between the Trustee Acts and the provisions of these presents, the provisions of these presents shall, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of these presents shall constitute a restriction or exclusion for the purposes of that Act.

SCHEDULE 1

TERMS AND CONDITIONS OF THE NOTES

The following (save for paragraphs in italics, which are descriptive only and do not form part of the Terms and Conditions) are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note and each definitive Note, in the latter case only if permitted by the relevant stock exchange, relevant authority or quotation system (if any) and agreed by the Issuer and the relevant Dealer(s) at the time of issue. If not so permitted (where applicable) and agreed, each definitive Note will have endorsed upon or attached thereto such Terms and Conditions. The applicable Final Terms in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of Final Terms" above for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series of notes (the notes of such Series being hereinafter called the **Notes**, which expression shall mean (a) in relation to Notes represented by a global note (a **Global Note**), units equal to each Specified Denomination in the Specified Currency, (b) definitive Notes issued in exchange for a Global Note, and (c) any Global Note) constituted by a Trust Deed dated 17 April 1991 (such Trust Deed as modified and/or supplemented and/or restated from time to time, the **Trust Deed**) made between Nationwide Building Society (the **Issuer**) and The Law Debenture Trust Corporation p.l.c. (the **Trustee**, which expression shall include any successor as trustee).

The Notes are issued with the benefit of an Amended and Restated Agency Agreement dated 1 November 2019 (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**) made between the Issuer, Citibank, N.A., London Branch, as issuing agent, principal paying agent and agent bank (the **Agent**, which expression shall include any successor as agent), the other paying agents named therein (together with the Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents) and the Trustee.

Interest bearing definitive Notes have interest coupons (**Coupons**) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference in these Terms and Conditions to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms endorsed upon or attached to this Note which supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions for the purposes of this Note.

References herein to **applicable Final Terms** are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

The Trustee acts for the benefit of the holders of the Notes (the **Noteholders**, which expression shall, in relation to any Notes represented by a Global Note, be construed as provided below) and the holders of the Coupons (the **Couponholders**, which expression shall, unless the context otherwise requires, include the holders of the Talons), all in accordance with the provisions of the Trust Deed.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system) and Series means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a

single series, and (b) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the registered office for the time being of the Trustee, being at 1 November 2019 at Fifth Floor, 100 Wood Street, London EC2V 7EX and at the specified office of each of the Agent and the other Paying Agents. If the Notes are to be admitted to trading on the regulated market of the London Stock Exchange the applicable Final Terms will be published on the website of the London Stock Exchange through a regulatory information service. If this Note is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Regulation, the applicable Final Terms will only be obtainable from the principal office of the Issuer and of the Agent by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer and the relevant Paying Agent as to its holding of such Notes and identity.

The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Trust Deed, the Agency Agreement and the applicable Final Terms which are binding on them. Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the Trust Deed, the Trust Deed will prevail and, in the event of inconsistency between the Agency Agreement or the Trust Deed and the applicable Final Terms, the applicable Final Terms will prevail.

1. Form, Denomination and Transfer

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the currency (the **Specified Currency**, which term will, unless the context otherwise requires, include any successor to such currency under applicable law) and the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note is a Fixed Rate Note, a Reset Note, a Floating Rate Note or a Zero Coupon Note or any appropriate combination thereof, depending upon the Interest Basis shown in the applicable Final Terms.

This Note is also a Senior Preferred Note, a Deposit Note, a Senior Non-Preferred Note or a Subordinated Note, as indicated in the applicable Final Terms.

If this Note is a definitive Note, it is issued with Coupons and, if applicable, Talons attached, unless it is a Zero Coupon Note in which case references to interest and Coupons in these Terms and Conditions are not applicable.

Subject to the provisions relating to Global Notes set out below, title to the Notes and the Coupons will pass by delivery. Except as ordered by a court of competent jurisdiction or as required by law, the Issuer, the Trustee, the Agent and any other Paying Agent shall (subject as set out below) be entitled to deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not such Note or Coupon shall be overdue and notwithstanding any notice to the contrary or any notation of ownership or writing thereon or notice of any previous loss or theft thereof) for the purpose of making payment thereon and for all other purposes. 2. Status, Ranking and Subordination

2.1 Status of Senior Preferred Notes and Deposit Notes

The Senior Preferred Notes and the Deposit Notes and any relative Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Issuer and rank (subject to the provisions of Condition 3) *pari passu* and without any preference among themselves, junior to obligations required to be preferred by law (which includes certain member share accounts which are given preferential status by law) and at least equally with all other Ordinary Non-Preferential Debts of the Issuer.

Accordingly, subject to the Insolvency Act (and any other Ranking Legislation), for so long as they are not secured pursuant to the provisions of Condition 3, the Senior Preferred Notes, the Deposit Notes and any relative Coupons form part of the class of Ordinary Non-Preferential Debts of the Issuer under the Insolvency Act (and any other Ranking Legislation).

2.2 Status and Ranking of Senior Non-Preferred Notes

The Senior Non-Preferred Notes and any relative Coupons are direct and unsecured obligations of the Issuer and, subject to the Insolvency Act (and any other Ranking Legislation), constitute Secondary Non-Preferential Debts under the Insolvency Act (and any other Ranking Legislation), ranking *pari passu* and without any preference among themselves.

Accordingly, subject to the Insolvency Act (and any other Ranking Legislation), claims in respect of principal, interest and any other amount (including, without limitation, any damages awarded for breach of the Issuer's obligations) in respect of the Senior Non-Preferred Notes and any relative Coupons will, in the event of the winding up or dissolution of the Issuer (subject as otherwise provided in an Excluded Dissolution), rank as provided for Secondary Non-Preferential Debts in the Insolvency Act (and any other Ranking Legislation), and therefore:

- (i) junior in right of payment to all Senior Claims;
- (ii) *pari passu* with all other Senior Non-Preferred Claims; and
- (iii) in priority to all Subordinated Claims.

(b) *Waiver of Set-off*

Subject to applicable law, no holder of a Senior Non-Preferred Note or any relative Coupon may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under or in connection with the Senior Non-Preferred Notes or any relative Coupons, and each Noteholder and Couponholder shall, by virtue of being the holder of any such Senior Non-Preferred Note or relative Coupon (as the case may be), be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the provision of the foregoing sentence, if any of the said rights and claims of any Noteholder or Couponholder of a Senior Non-Preferred Note or relative Coupon against the Issuer is discharged by set-off, such Noteholder or Couponholder will immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of winding up or dissolution of the Issuer, the liquidator or other insolvency official of the Issuer, and accordingly such discharge will be deemed not to have taken place.

2.3 Status and Subordination of Subordinated Notes

(a) *Status and Subordination*

The Subordinated Notes and any relative Coupons are direct and unsecured obligations of the Issuer, subordinated as described below, and rank *pari passu* and without any preference among themselves.

Accordingly, subject to the Insolvency Act (and any other Ranking Legislation), the Subordinated Notes form part of the class of Tertiary Non-Preferential Debts under the Insolvency Act (and any other Ranking Legislation), and claims in respect of principal, interest and any other amount (including, without limitation, any damages awarded for breach of the Issuer’s obligations) in respect of the Subordinated Notes and any relative Coupons will, in the event of the winding up or dissolution of the Issuer (subject as otherwise provided in an Excluded Dissolution):

- (i) be subordinated in right of payment in the manner provided in the Insolvency Act (and any other Ranking Legislation) and the Trust Deed to (x) all Senior Claims, (y) all Senior Non-Preferred Claims and (z) any Subordinated Claims (if any) which rank, or are expressed to rank, in priority to claims in respect of the Subordinated Notes;
- (ii) rank at least *pari passu* with claims in respect of obligations of the Issuer which constitute, or would but for any applicable limitation on the amount of such capital constitute, Tier 2 Capital; and
- (iii) rank in priority to claims in respect of obligations of the Issuer which constitute, or would but for any applicable limitation on the amount of such capital constitute, Additional Tier 1 Capital (including, without limitation, the Issuer’s permanent interest bearing shares) or CET1 Capital (including the Issuer’s core capital deferred shares) and in priority to any other claims ranking, or expressed to rank, junior to claims in respect of the Subordinated Notes.

(b) *Waiver of Set-off*

Subject to applicable law, no holder of a Subordinated Note or any relative Coupon may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under or in connection with the Subordinated Notes or any relative Coupons, and each Noteholder and Couponholder shall, by virtue of being the holder of any such Subordinated Note or Coupon (as the case may be), be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the provision of the foregoing sentence, if any of the said rights and claims of any Noteholder or Couponholder of a Subordinated Note or relative Coupon against the Issuer is discharged by set-off, such Noteholder or Couponholder will immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of winding up or dissolution

4. Interest

4.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Fixed Rate(s) of Interest payable in arrear on the Fixed Interest Date(s) in each year and on the Maturity Date if that does not fall on a Fixed Interest Date. The first payment of interest will be made on the Fixed Interest Date next following the Interest Commencement Date and, if the first anniversary of the Interest Commencement Date is not a Fixed Interest Date, will amount to the Initial Broken Amount. If the Maturity Date is not a Fixed Interest Date, interest from (and including) the preceding Fixed Interest Date (or the Interest

Commencement Date, as the case may be) to (but excluding) the Maturity Date will amount to the Final Broken Amount.

If “*Business Day Convention—Adjusted*” is specified in the applicable Final Terms, (a) any Fixed Interest Date otherwise falling on a day which is not a Business Day (as defined in Condition 4.2 below) will be postponed or brought forward (as applicable) in accordance with the Business Day Convention (as described in Condition 4.2(a)) set out in the applicable Final Terms which, for the avoidance of doubt, shall not be the Floating Rate Convention and (b) the amount of interest payable on a Fixed Interest Date will be the amount accrued during the Fixed Interest Period ending immediately prior to such Fixed Interest Date, and the provisions of Condition 4.2(d) (excluding the determination of the Rate of Interest) and Condition 4.2(f) (excluding the notification of the Rate of Interest) shall apply, *mutatis mutandis*, as though references therein (and, if applicable, in the description of the relevant Business Day Convention (as set out in Condition 4.2(a)) to (A) “Floating Rate Notes” were to “Fixed Rate Notes”; (B) “Interest Amounts” were to amounts of interest payable in respect of Fixed Rate Notes; (C) “Interest Payment Date” were to “Fixed Interest Date”; and (D) “Interest Period” were to “Fixed Interest Period”.

If “*Business Day Convention—Non-Adjusted*” is specified in the applicable Final Terms, any Fixed Interest Date otherwise falling on a day which is not a Business Day will be postponed or brought forward (as applicable) in accordance with the Business Day Convention set out in the applicable Final Terms (as described below) which, for the avoidance of doubt, shall not be the Floating Rate Convention but there will be no corresponding adjustment of the amount of interest payable on such Fixed Interest Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note; or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In this Condition, **Fixed Interest Period** means the period from (and including) a Fixed Interest Date (or the Interest Commencement Date) to (but excluding) the next (or first) Fixed Interest Date.

4.2 Interest on Floating Rate Notes

(a) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date at the rate equal to the Rate of Interest payable in arrear on either:

- (i) the Interest Payment Date(s) in each year (the period from (and including) the Interest Commencement Date to (but excluding) the first Interest Payment Date and each successive period from (and including) an Interest Payment Date to (but excluding) the next Interest Payment Date, each an **Interest Period**); or

- (ii) if no express Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an Interest Payment Date) which falls the number of months or other period specified as the Interest Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

If any Interest Payment Date which is specified in the applicable Final Terms to be subject to adjustment in accordance with a business day convention would otherwise fall on a day which is not a Business Day, then, if the business day convention specified is:

- (A) in any case where Interest Periods are specified in accordance with Condition 4.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (I) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (II) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the number of months or other period specified as the Interest Period in the applicable Final Terms after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, **Business Day** means:

- I. a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and each Additional Business Centre (other than TARGET2 System) specified in the applicable Final Terms;
- II. if TARGET2 System is specified as an Additional Business Centre in the applicable Final Terms, a day on which the TARGET2 System is open; and
- III. either (a) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) or (b) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

In these Terms and Conditions:

euro means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended; and

TARGET2 System means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System.

(b) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(i) **ISDA Determination for Floating Rate Notes**

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any).

For the purposes of this Condition 4.2(b)(i), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Final Terms under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions (as amended and updated as at the Issue Date of the first Tranche of the Notes and as published by the International Swaps and Derivatives Association, Inc. (the **ISDA Definitions**) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is the period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purpose of this Condition 4.2(b)(i), (I) **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions and (II) the definition of **Banking Day** in the ISDA Definitions shall be amended to insert after the words “are open for” in the second line the word “general”.

(ii) **Screen Rate Determination for Floating Rate Notes not referencing Compounded Daily SONIA**

(A) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, and unless the Reference Rate in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms as being “Compounded Daily SONIA”, the Rate of Interest for each Interest Period will, subject to Condition 4.4 and as provided below, be either:

- I. the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- II. the arithmetic mean (rounded upwards if necessary to the nearest 0.0001 per cent.) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) at the Specified Time in the Relevant Financial Centre on the Interest Determination Date in question plus or minus the Margin (if any), all as determined by the Agent or other party responsible for the calculation of the Rate of Interest as specified in the applicable Final Terms (and references in this Condition 4.2(b)(ii) to “Agent” shall be construed accordingly). If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (B) If the Relevant Screen Page is not available or if sub-paragraph (A)(I) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (A)(II) above applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, the Agent shall, if applicable, request each of the Reference Banks to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate as at approximately 11.00 a.m. (London time, if the Reference Rate is LIBOR, or Brussels time, if the Reference Rate is EURIBOR) or (if otherwise specified) the Specified Time in the Relevant Financial Centre (each as indicated in the applicable Final Terms) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded as provided above) of such offered quotations (excluding, if four or more of the Reference Banks provide the Agent with such quotations and the offered quotations of all such Reference Banks are not the same, the highest and lowest quotations and, if the highest quotation and/or the lowest quotation applies in respect of more than one such Reference Bank, excluding such highest and/or lowest quotation in respect of one such Reference Bank) plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent.
- (C) If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with such an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being either:
- (i) the arithmetic mean (rounded as provided above) of the rates, as communicated to (and at the request of) the Agent by the Reference Banks or any two or more of them, which such banks were offered, at approximately 11.00 a.m. (London time, if the Reference Rate is LIBOR, or Brussels time, if the Reference Rate is EURIBOR) or (if otherwise specified) the Specified Time in the Relevant Financial Centre (each as indicated in the applicable Final Terms) on the relevant Interest Determination Date (or if such date is not a Business Day, on the immediately preceding Business Day), deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or otherwise the inter-bank market of the Relevant Financial Centre for the relevant Reference Rate, in each case plus or minus (as indicated in the applicable Final Terms) the Margin (if any); or
 - (ii) in the event that the Agent can determine no such arithmetic mean, the lowest lending rate for lending amounts in the Specified Currency for a period equal to that which would have been used for the Reference Rate at which at approximately 11.00 a.m. (London time, if the Reference Rate is LIBOR, or Brussels time, if the Reference Rate is EURIBOR) or (if otherwise specified) the Specified Time in the Relevant Financial Centre (each as indicated in the applicable Final Terms) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or otherwise the inter-bank market of the Relevant Financial Centre, in each case plus or minus (as indicated in the applicable Final Terms) the Margin (if any),

provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest shall be:

- I. that determined as at the last preceding Interest Determination Date on which the Rate of Interest was so determined (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as the case may be) relating to the relevant Interest Period in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to that last preceding Interest Period) or;
- II. if there is no such preceding Interest Determination Date, the initial Rate of Interest or, in the case of Notes with an Interest Basis that converts from a Fixed Rate to a Floating Rate, the Fixed Rate of Interest applicable to such Notes immediately prior to conversion of the Interest Basis.

Reference Banks means, in the context of Condition 4.2(b)(ii)(A)(I), those banks whose offered rates were used to determine the offered quotation referred to in such Condition when such offered quotation last appeared on the Relevant Screen Page and, in the context of Condition 4.2(b)(ii)(A)(II), those banks whose offered quotations last appeared on the Relevant Screen Page when no fewer than three such offered quotations appeared.

(iii) **Screen Rate Determination for Floating Rate Notes referencing Compounded Daily SONIA**

- (A) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms as being “Compounded Daily SONIA”, the Rate of Interest for an Interest Accrual Period will, subject as provided below, be Compounded Daily SONIA with respect to such Interest Accrual Period plus or minus (as indicated in the applicable Final Terms) the applicable Margin.

Compounded Daily SONIA means, with respect to an Interest Accrual Period, the rate of return of a daily compound interest investment during the Observation Period corresponding to such Interest Accrual Period (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) as calculated by the Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) as at the relevant Interest Determination Date in accordance with the following formula (and the resulting percentage will be rounded if necessary to the nearest fifth decimal place, with 0.000005 being rounded upwards):

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{SONIA_{i-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

d is the number of calendar days in the relevant Interest Accrual Period;

d₀ is the number of London Banking Days in the relevant Interest Accrual Period;

i is a series of whole numbers from one to d₀, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Accrual Period;

London Banking Day or LBD means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

n_i , for any London Banking Day “ i ”, means the number of calendar days from (and including) such London Banking Day “ i ” up to (but excluding) the following London Banking Day;

Observation Period means the period from (and including) the date falling “ p ” London Banking Days prior to the first day of the relevant Interest Accrual Period to (but excluding) the date falling “ p ” London Banking Days prior to (A) (in the case of an Interest Period) the Interest Payment Date for such Interest Period or (B) (in the case of any other Interest Accrual Period) the date on which the relevant payment of interest falls due;

p is the number of London Banking Days by which an Observation Period precedes the corresponding Interest Accrual Period, being the number of London Banking Days specified as the “SONIA Lag Period (p)” in the applicable Final Terms (or, if no such number is so specified, five London Banking Days);

the **SONIA reference rate**, in respect of any London Banking Day (**LBD_x**), is a reference rate equal to the daily Sterling Overnight Index Average (**SONIA**) rate for such LBD_x as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors) on the London Banking Day immediately following LBD_x; and

SONIA _{$i-p$ LBD} means the SONIA reference rate for the London Banking Day (being a London Banking Day falling in the relevant Observation Period) falling “ p ” London Banking Days prior to the relevant London Banking Day “ i ”.

- (B) If, in respect of any London Banking Day in the relevant Observation Period, the applicable SONIA reference rate is not made available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, then (unless the Agent (or other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) has been notified of any Successor Rate or Alternative Rate (and in either case, the related Adjustment Spread and Benchmark Amendments (if any)) pursuant to Condition 4.4, if applicable) the SONIA reference rate in respect of such London Banking Day shall be:
- I. (i) the Bank of England’s Bank Rate (the **Bank Rate**) prevailing at 5.00 p.m. (or, if earlier, close of business) on such London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five London Banking Days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads); or
 - II. if the Bank Rate under (I)(i) above is not available at the relevant time, either (A) the SONIA reference rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Banking Day on which the SONIA reference rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) or (B) if this is more recent, the latest rate determined under (1) above.

- (C) In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, the Rate of Interest shall be:
- (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as the case may be) relating to the relevant Interest Accrual Period, in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest (as applicable) relating to that last preceding Interest Accrual Period); or
 - (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first scheduled Interest Period had the Notes been in issue for a period equal in duration to the first scheduled Interest Period but ending on (and excluding) the Interest Commencement Date (applying the Margin and, if applicable, any Maximum Rate of Interest and/or Minimum Rate of Interest, applicable to the first scheduled Interest Period).
- (D) As used herein, an **Interest Accrual Period** means (i) each Interest Period and (ii) any other period (if any) in respect of which interest is to be calculated, being the period from (and including) the first day of such period to (but excluding) the day on which the relevant payment of interest falls due (which, if the relevant Series of Notes becomes due and payable in accordance with Condition 10 or Condition 11 (as applicable), shall be the date on which such Notes become due and payable).
- (E) If the relevant Series of Notes becomes due and payable in accordance with Condition 10 or Condition 11 (as applicable), the final Rate of Interest shall be calculated for the Interest Accrual Period to (but excluding) the date on which the Notes become so due and payable, and such Rate of Interest shall continue to apply to the Notes for so long as interest continues to accrue thereon as provided in Condition 4.5 and the Trust Deed.

(c) **Minimum and/or Maximum Rate of Interest**

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period and if, but for this Condition 4.2(c), the Rate of Interest determined for such Interest Period would be less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be equal to such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period and if, but for this Condition 4.2(c), the Rate of Interest for such Interest Period would be greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be equal to such Maximum Rate of Interest.

(d) **Determination of Rate of Interest and calculation of Interest Amount**

The Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period (or other Interest Accrual Period).

The Agent (or such other party as aforesaid) will calculate the amount of interest (each an **Interest Amount**) for the relevant Interest Period (or other Interest Accrual Period). Each Interest Amount shall be calculated by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or

(B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the Day Count Fraction specified in the applicable Final Terms. The resultant figure will be rounded as follows (or otherwise in accordance with applicable market convention):

- (i) all United States Dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up);
- (ii) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen; and
- (iii) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Floating Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(e) **Linear Interpolation**

Where Linear Interpolation is specified as “Applicable” in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as “Applicable” in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as “Applicable” in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Agent (or such other party as aforesaid) shall determine such rate at such time and by reference to such sources as it determines appropriate.

Designated Maturity means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(f) **Notification of Rate of Interest and Interest Amounts**

(A) Except where the Reference Rate in respect of the relevant Series of Notes is specified in the applicable Final Terms as being “Compounded Daily SONIA”, the Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Trustee and to any listing authority, stock exchange and/or quotation system to which the Floating Rate Notes have then been admitted to listing, trading and/or quotation and to be published in accordance with Condition 18 as soon as possible after their determination but in no event later than the fourth Business Day (as defined in Condition 4.2(a) above) thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment or alternative arrangements will promptly be notified to each listing authority, stock exchange and/or quotation system to which the Floating Rate Notes have then been admitted to listing, trading and/or quotation and to the Noteholders in accordance with Condition 18.

- (B) Where the Reference Rate in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms as being “Compounded Daily SONIA”, the Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) will cause the Rate of Interest and each Interest Amount for each Interest Accrual Period and the relevant Interest Payment Date to be notified to the Trustee and to any listing authority, stock exchange and/or quotation system to which the Floating Rate Notes have then been admitted to listing, trading and/or quotation and to be published in accordance with Condition 18 as soon as possible after their determination but in no event later than the second London Banking Day thereafter. Each Rate of Interest, Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the relevant Interest Accrual Period. Any such amendment or alternative arrangements will promptly be notified to each listing authority, stock exchange and/or quotation system to which the Floating Rate Notes have then been admitted to listing, trading and/or quotation and to the Noteholders in accordance with Condition 18.

(g) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.2, whether by the Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms, as applicable) or the Calculation Agent or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent, the Trustee, the other Paying Agents and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent (or such other party as aforesaid), the Calculation Agent or the Trustee in connection with the exercise or non-exercise by them of their powers, duties and discretions pursuant to such provisions.

(d) **Determination or Calculation by an agent appointed by the Trustee**

If for any reason the Calculation Agent defaults in its obligation to determine the Rate of Interest or calculate any Interest Amount in accordance with Condition 4.3(a), the Trustee may (subject to it being indemnified and/or secured and/or prefunded to its satisfaction) appoint an agent to do so and such determination shall be deemed to have been made by the Calculation Agent. In doing so, such agent shall apply the foregoing provisions of this Condition 4.3 with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances. Without prejudice to the provisions of Condition 4.3(e) below, the Trustee shall have no liability to any person in connection with any determination or calculation made by any agent so appointed pursuant to this Condition.

(e) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.3 by the Calculation Agent or any agent appointed by the Trustee shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Trustee, the Calculation Agent, the other Paying Agents and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Calculation Agent or the Trustee or any agent appointed by the Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

4.4 Benchmark Discontinuation

This Condition 4.4 applies only if “*Benchmark Replacement*” is specified to be “Applicable” in the applicable Final Terms.

If a Benchmark Event occurs in relation to an Original Reference Rate at any time when any rate of interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions shall apply.

(a) **Independent Adviser**

The Issuer shall use reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.4(b)) and, in either case, the applicable Adjustment Spread (in accordance with Condition 4.4(c)) and any Benchmark Amendments (in accordance with Condition 4.4(d)).

If, notwithstanding the Issuer's reasonable endeavours, the Issuer is unable to appoint and consult with an Independent Adviser in accordance with the foregoing paragraph, the Issuer shall nevertheless be entitled, acting in good faith and in a commercially reasonable manner, to make any and all determinations expressed to be made by the Issuer pursuant to this Condition 4.4, notwithstanding that such determinations are not made following consultation with an Independent Adviser. If, however, the Issuer is unable to determine a Successor Rate or an Alternative Rate and (in either case) the applicable Adjustment Spread and any Benchmark Amendments in accordance with this Condition 4.4, the provisions of Condition 4.4(h) below shall apply.

An Independent Adviser appointed pursuant to this Condition 4.4 shall act in good faith. In the absence of bad faith or fraud, neither the Issuer nor any Independent Adviser shall have any liability whatsoever to the Trustee, the Paying Agents, the Agent, Calculation Agent, any other party responsible for determining the Rate of Interest specified in the applicable Final Terms, or the Noteholders or Couponholders for any determination made by the Issuer or the Independent Adviser or (in the case of the Independent Adviser) for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4.4.

(b) Successor Rate or Alternative Rate

If the Issuer, following consultation with such Independent Adviser (if appointed), determines in good faith that:

- (i) there is a Successor Rate, then such Successor Rate shall (as adjusted by the applicable Adjustment Spread determined as provided in Condition 4.4(c)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.4); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (as adjusted by the applicable Adjustment Spread determined as provided in Condition 4.4(c)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4.4).

(c) Adjustment Spread

If a Successor Rate or Alternative Rate is determined in accordance with the foregoing provisions, the Issuer, following consultation with the Independent Adviser (if appointed), will determine in good faith the Adjustment Spread to be applied to such Successor Rate or Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(d) Benchmark Amendments

If any Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread is determined in accordance with this Condition 4.4 and the Issuer, following consultation with the Independent Adviser (if appointed), determines in good faith (A) that amendments to the Terms and Conditions of the Notes and/or the Trust Deed (including, without limitation, amendments to the

definitions of Day Count Fraction, Business Days, Reset Determination Date, or Relevant Screen Page) are necessary to ensure the proper operation (having regard to prevailing market practice, if any) of such Successor Rate, Alternative Rate and (in either case) the applicable Adjustment Spread (such amendments, the **Benchmark Amendments**) and (B) the terms of the Benchmark Amendments, then (subject to Condition 4.4(g) below) the Issuer shall, subject to giving notice thereof in accordance with Condition 4.4(e), without any requirement for the consent or approval of Noteholders or Couponholders, vary the Terms and Conditions of the Notes and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee of a certificate signed by two authorised signatories of the Issuer pursuant to Condition 4.4(e), the Trustee shall (at the Issuer's expense), without any requirement for the consent or approval of the Noteholders or Couponholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend rights and/or the protective provisions afforded to the Trustee in the Terms and Conditions of the Notes or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

In connection with any such variation in accordance with this Condition 4.4, the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(e) **Notices, etc.**

The Issuer shall notify the Trustee, the party responsible for determining the Rate of Interest (being the Agent, the Calculation Agent or such other party specified in the applicable Final Terms, as applicable), the Paying Agents and, in accordance with Condition 18, the Noteholders, promptly of any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4.4. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories:

- (i) confirming (x) that a Benchmark Event has occurred, (y) the Successor Rate or, as the case may be, the Alternative Rate and (z) the applicable Adjustment Spread and the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4.4;
- (ii) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread; and
- (iii) certifying that (i) the Issuer has duly consulted with an Independent Adviser with respect to each of the matters above or, if that is not the case, (ii) explaining, in reasonable detail, why the Issuer has not done so.

The Trustee shall be entitled to rely on such certificate (without inquiry and without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and (in either case) the Adjustment Spread and the Benchmark Amendments (if any) and without

prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the party responsible for determining the Rate of Interest (being the Agent, the Calculation Agent, or such other party specified in the applicable Final Terms, as applicable), the Paying Agents and the Noteholders and Couponholders.

(f) Survival of Original Reference Rate

Without prejudice to the Issuer's obligations under the provisions of this Condition 4.4, the Original Reference Rate and the fallback provisions provided for in Conditions 4.2 and 4.3, as applicable, will continue to apply unless and until the party responsible for determining the Rate of Interest (being the Agent, the Calculation Agent or such other party specified in the applicable Final Terms, as applicable) has been notified of the Successor Rate or the Alternative Rate (as the case may be), and (in either case) the Adjustment Spread and Benchmark Amendments (if any).

(g) Regulatory Capital / Eligible Liabilities

Notwithstanding any other provision of this Condition 4.4, no Successor Rate, Alternative Rate or Adjustment Spread will be adopted, nor will any Benchmark Amendments be effected, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected either (i) to prejudice the qualification of the relevant Series of Notes as Tier 2 Capital and/or as eligible liabilities or loss absorbing capacity instruments for the purposes of any Loss Absorption Regulations or (ii) (in the case of Senior Non-Preferred Notes only) to result in the relevant Supervisory Authority treating the Interest Payment Date or the Reset Date, as the case may be, as the effective maturity date of the Notes, rather than the relevant maturity date.

(h) Fallbacks

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest on the immediately following Interest Determination Date or Reset Determination Date (as applicable), no Successor Rate or Alternative Rate (as applicable) is determined pursuant to this provision or (as the case may be) a Successor Rate or Alternative Rate (as applicable) is determined, but no Adjustment Spread is determined pursuant to this provision, the original benchmark or screen rate (as applicable) will continue to apply for the purposes of determining such Rate of Interest on such Interest Determination Date or Reset Determination Date (as the case may be), with the effect that the fallback provisions provided in Condition 4.2(b) and Condition 4.3(b), as applicable, will continue to apply to such determination.

In such circumstances, the Issuer will be entitled (but not obliged), at any time thereafter, to elect to re-apply the provisions of this Condition 4.4, *mutatis mutandis*, on one or more occasions until a Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and any Benchmark Amendments have been determined and notified in accordance with this Condition 4.4 (and, until such determination and notification (if any), the fallback provisions provided in Condition 4.2(b) and Condition 4.3(b), as applicable, will continue to apply).

The Issuer's intention is that, in circumstances where the Issuer has been unable to determine a Successor Rate or Alternative Rate (as applicable) and (in either case) the Adjustment Spread pursuant this Condition 4.4, it will elect to re-apply such provisions if and when, in its sole determination, there have been such subsequent developments (whether in applicable law, market practice or otherwise) as would enable the Issuer successfully to apply such provisions and determine a Successor Rate or Alternative Rate (as applicable) and (in either case) the applicable Adjustment Spread and the applicable Benchmark Amendments (if any).

(i) Preparation in anticipation of a Benchmark Event

If the Issuer anticipates that a Benchmark Event will or may occur, nothing in these Conditions shall prevent the Issuer (in its sole discretion) from taking, prior to the occurrence of such Benchmark Event, such actions as it considers expedient in order to prepare for applying the provisions of this Condition 4.4 (including, without limitation, appointing and consulting with an Independent Adviser, and seeking to identify any Successor Rate, Alternative Rate, Adjustment Spread and/or Benchmark Amendments), provided that no Successor Rate, Alternative Rate, Adjustment Spread and/or Benchmark Amendments will take effect until the relevant Benchmark Event has occurred.

(j) **Definitions**

In this Condition 4.4:

5. Redemption, Purchase, Substitution and Variation

5.1 Final redemption

Unless previously redeemed or purchased and cancelled as provided below, each Note will be redeemed at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

5.2 Redemption for taxation reasons

If the Issuer at any time satisfies the Trustee immediately prior to the giving of the notice referred to below that:

- (a) (if this Note is a Senior Preferred Note or a Deposit Note) on the date of the next payment due in respect of the Notes, the Issuer would be required (i) to pay additional amounts as provided under Condition 9 or (ii) to account to any taxing authority in the United Kingdom for any amount (other than any tax withheld or deducted from interest payable on the Notes) calculated by reference to any amount payable in respect of the Notes; or
- (b) (if this Note is a Subordinated Note or a Senior Non-Preferred Note) a Tax Event has occurred,

and, in any such case, the Issuer cannot avoid the foregoing by taking reasonable measures available to it, then the Issuer may in its sole discretion (subject, if this Note is a Subordinated Note, to compliance with Condition 5.11 or, if this Note is a Senior Non-Preferred Note, to compliance with Condition 5.12), having given not less than 15 nor more than 30 days' notice to the Trustee, the ^{Agent} and, in accordance with Condition 18, the Noteholders (which notice shall be irrevocable), redeem at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) all, but not some only, of the Notes at their

Early Redemption Amount referred to in Condition 5.8 below, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption. Upon the expiry of such notice, the Issuer shall be bound to redeem the Notes accordingly.

Prior to the publication of any notice of early redemption pursuant to this Condition 5.2, the Issuer shall deliver to the Trustee a certificate signed by any two authorised signatories of the Issuer stating that the relevant requirement or circumstance giving rise to the right to redeem has been satisfied. The Trustee shall be entitled, without liability to any person, to accept and rely on such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant requirement or circumstance, in which event it shall be conclusive and binding on the Trustee and the Noteholders and Couponholders.

A **Tax Event** will be deemed to have occurred if, as a result of a Tax Law Change:

- (i) in making any payments on the Subordinated Notes or the Senior Non-Preferred Notes, the Issuer has paid or will or would on the next payment date be required to pay additional amounts as provided under Condition 9;
- (ii) the Issuer is no longer, or will no longer be, entitled to claim a deduction in respect of any payments in respect of the Subordinated Notes or the Senior Non-Preferred Notes in computing its taxation liabilities or the amount of such deduction is or will be reduced;
- (iii) the Subordinated Notes or the Senior Non-Preferred Notes are or will be prevented from being treated as loan relationships for United Kingdom tax purposes; or
- (iv) the Issuer is not, or will not be, able to have losses or deductions set against any profits or gains, or profits or gains offset by any losses or deductions, of companies with which it is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the date of issue of the Subordinated Notes or the Senior Non-Preferred Notes or any similar system or systems having like effect as may from time to time exist).

As used herein, **Tax Law Change** means any change in, or amendment to, the laws or regulations of the United Kingdom (including any treaty to which it is a party) or any political subdivision or any authority thereof or therein having power to tax, or any change in the official interpretation thereof by the relevant tax authority or in the application of such laws or regulations by a decision of any court or tribunal that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or any pronouncement of a tax authority in the United Kingdom, which change or amendment becomes effective or, in the case of a change in law, if such change is enacted by a UK Act of Parliament or by Statutory Instrument, on or after the Issue Date.

5.3 Redemption following a Regulatory Event

This Condition 5.3 applies in respect of Subordinated Notes only.

If a Regulatory Event has occurred, then the Issuer may in its sole discretion, subject to compliance with Condition 5.11, and having given not less than 15 nor more than 30 days' notice to the Trustee, the Agent and, in accordance with Condition 18, the Noteholders (which notice shall be irrevocable), redeem at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) all, but not some only, of the Notes at their Early Redemption Amount referred to in Condition 5.8 below, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption. Upon the expiry of such notice, the Issuer shall be bound to redeem the Notes accordingly.

Prior to the publication of any notice of early redemption pursuant to this Condition 5.3, the Issuer shall deliver to the Trustee a certificate signed by any two authorised signatories of the Issuer confirming that a Regulatory Event has occurred. The Trustee shall be entitled, without liability to any person, to accept and rely on such

certificate without any further inquiry as sufficient evidence of the satisfaction of such occurrence, in which event it shall be conclusive and binding on the Trustee and the Noteholders and Couponholders.

A **Regulatory Event** is deemed to have occurred in respect of a Series of Subordinated Notes if there is a change (which has occurred or which the relevant Supervisory Authority considers to be sufficiently certain) in the regulatory classification of such Series of Subordinated Notes which becomes effective after the Issue Date of such Series of Subordinated Notes and that results, or would be likely to result, in:

- (i) if “*Regulatory Event (Subordinated Notes only): Full Exclusion*” is specified in the applicable Final Terms, the entire principal amount of such Series of Subordinated Notes being excluded from the Tier 2 Capital of the Issuer (whether on an individual or consolidated basis); or
- (ii) if “*Regulatory Event (Subordinated Notes only): Full or Partial Exclusion*” is specified in the applicable Final Terms, the entire principal amount of such Series of Subordinated Notes or any part thereof being excluded from the Tier 2 Capital of the Issuer (whether on an individual or consolidated basis).

5.4 Redemption following a Loss Absorption Disqualification Event

This Condition 5.4 applies in respect of all Series of Senior Non-Preferred Notes except for any Series where “*Senior Non-Preferred Notes: Loss Absorption Disqualification Event Redemption*” is expressly specified to be “Not Applicable” in the applicable Final Terms.

If a Loss Absorption Disqualification Event has occurred, then the Issuer may in its sole discretion, subject to compliance with Condition 5.12, and having given not less than 15 nor more than 30 days' notice to the Trustee, the Agent and, in accordance with Condition 18, the Noteholders (which notice shall be irrevocable), redeem at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) all, but not some only, of the Notes at their Early Redemption Amount referred to in Condition 5.8 below, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption. Upon the expiry of such notice, the Issuer shall be bound to redeem the Notes accordingly.

Prior to the publication of any notice of early redemption pursuant to this Condition 5.4, the Issuer shall deliver to the Trustee a certificate signed by any two authorised signatories of the Issuer confirming that a Loss Absorption Disqualification Event has occurred. The Trustee shall be entitled, without liability to any person, to accept and rely on such certificate without any further inquiry as sufficient evidence of the satisfaction of such occurrence, in which event it shall be conclusive and binding on the Trustee and the Noteholders and Couponholders.

A **Loss Absorption Disqualification Event** shall be deemed to have occurred in respect of a Series of Senior Non-Preferred Notes if, as a result of any amendment to, or change in, any Loss Absorption Regulations, or any change in the application or official interpretation of any Loss Absorption Regulations, in any such case becoming effective after the Issue Date of such Series of Senior Non-Preferred Notes, either:

- (i) if “*Loss Absorption Disqualification Event: Full Exclusion*” is specified in the applicable Final Terms, the entire principal amount of such Series of Senior Non-Preferred Notes; or

where the exclusion of the Senior Non-Preferred Notes from the relevant minimum requirement(s) is due to the remaining maturity of such Senior Non-Preferred Notes being less than any period prescribed by any applicable eligibility criteria for such minimum requirements under the relevant Loss Absorption Regulations effective with respect to the Issuer on the Issue Date of such Series of Senior Non-Preferred Notes.

As used herein, **Loss Absorption Regulations** means, at any time, the laws, regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments of the United Kingdom (including, without limitation, any provision of the Insolvency Act or any other Ranking Legislation which relates to the requisite features of Secondary Non-Preferential Debts), any relevant Supervisory Authority and/or of the European Parliament or of the Council of the European Union then in effect in the United Kingdom and applicable to the Issuer (whether on an individual or consolidated basis) including, without limitation to the generality of the foregoing, any applicable delegated or implementing acts (such as regulatory technical standards) adopted by the European Commission and any regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments adopted by any relevant Supervisory Authority from time to time (whether such regulations, requirements, guidelines, rules, standards or policies are applied generally or specifically to the Issuer).

5.5 Redemption at the option of the Issuer

If so specified in the applicable Final Terms, the Issuer may in its sole discretion (subject, if this Note is a Subordinated Note, to compliance with Condition 5.11 or, if this Note is a Senior Non-Preferred Note, to compliance with Condition 5.12) having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Noteholders in accordance with Condition 18 (which notice shall be irrevocable), redeem all or some only (as specified in the applicable Final Terms) of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) as specified in the applicable Final Terms, together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date. Upon expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

In the event of a redemption of some only of the Notes, such redemption must be for an amount being the Minimum Redemption Amount or a Higher Redemption Amount. In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 35 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of such Redeemed Notes will be published in accordance with Condition 18 not less than the minimum period specified in the applicable Final Terms prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 5.5 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 18 at least 15 days prior to the Selection Date.

5.6 Redemption at the option of the Noteholders

This Condition 5.6 does not apply to Subordinated Notes.

If and to the extent specified in the applicable Final Terms, upon the holder of this Note giving to the Issuer, in accordance with Condition 18, not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem in whole (but not in part) such Note on the Optional Redemption Date and at the relevant Optional Redemption Amount as specified in the applicable Final Terms, together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date.

If this Note is in definitive form, to exercise the right to require redemption of this Note the holder of this Note must deliver such Note, on any Business Day (as defined in Condition 4.2(a)) falling within the notice period at the specified office of any Paying Agent, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a Put Notice) and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition.

5.7 Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 5.1, 5.2, 5.3, 5.4, 5.5 or 5.6 above or upon its becoming due and repayable as provided in Condition 10 or Condition 11 (as applicable) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 5.8 below as though the references therein to the date fixed for redemption or the date upon which such Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (b) the date on which the full amount of the moneys payable has been received by the Agent or the Trustee and notice to that effect has been given to the Noteholders either in accordance with Condition 18 or individually.

5.8 Early Redemption Amounts

For the purposes of Conditions 5.2, 5.3 and 5.4 above and Condition 10 (if this Note is a Senior Preferred Note, a Deposit Note or an Unrestricted Default Senior Non-Preferred Note) or Condition 11 (if this Note is a Subordinated Note or a Restricted Default Senior Non-Preferred Note), each Note will be redeemed at an amount (the **Early Redemption Amount**) calculated as follows:

- (a) (in the case of Notes other than Zero Coupon Notes) at the amount specified in the applicable Final Terms, or, if no such amount is so set out:
 - (i) in the case of Fixed Rate Notes or Reset Notes, at an amount determined by the Calculation Agent (in its absolute discretion) whereby such amount payable by the Issuer in respect of principal and interest (if any) accrued to (but excluding) the date of such early redemption of each Note shall, taking into account any accrued interest payable on such early redemption, have the effect of preserving for the holder of that Note the economic equivalent of the obligations of the Issuer to pay (A) the Final Redemption Amount specified in the applicable Final Terms which would, but for such early redemption, have been payable on the Maturity Date and (B) the interest (if any) in respect of that Note on such date(s) and in such amount(s) determined in accordance with Condition 4 above and specified in the applicable Final Terms which would, but for such redemption, have been payable up to (and including) the Maturity Date; or
 - (ii) in the case of Floating Rate Notes, at an amount equal to the nominal amount of each Note; or
- (b) in the case of Zero Coupon Notes, at its Early Redemption Amount, equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Notes to (but excluding)

the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable as is provided in the applicable Final Terms.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made (i) in the case of a Zero Coupon Note other than a Zero Coupon Note payable in euro, on the basis of a 360 day year consisting of 12 months of 30 days each or (ii) in the case of a Zero Coupon Note payable in euro, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (A) the number of those days falling in a leap year divided by 366 and (B) the number of those days falling in a non-leap year divided by 365).

5.9 Purchases

The Issuer or any of its Subsidiaries (as defined in the Trust Deed) may (subject, if this Note is a Subordinated Note, to compliance with Condition 5.11 and prevailing Regulatory Capital Requirements or, if this Note is a Senior Non-Preferred Note, to compliance with Condition 5.12 and prevailing Loss Absorption Regulations) at any time purchase or otherwise acquire Notes (provided that, in the case of definitive Notes, all unmatured Coupons appertaining thereto are attached thereto or surrendered therewith) in any manner and at any price. Notes purchased by the Issuer or any of its Subsidiaries may, at the option of the Issuer or such Subsidiary, be held, reissued, resold or surrendered for cancellation.

5.10 Cancellation

All Notes which are (a) redeemed in full or (b) purchased by or on behalf of the Issuer or any Subsidiary of the Issuer and surrendered for cancellation, will forthwith be cancelled (together with, in the case of definitive Notes, all unmatured Coupons attached thereto or surrendered therewith) and such Notes may not be reissued or resold.

This Condition 5.11 applies to Subordinated Notes only.

- (a) the Issuer having obtained Relevant Supervisory Consent therefor;
- (b) the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that either: (A) the Issuer has (or before or at the same time as the relevant redemption or purchase will have) replaced the Subordinated Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or (B) the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed its minimum requirements (including any buffer requirements) by a margin that the relevant Supervisory Authority considers necessary at such time; and
- (c) in the case of any redemption or purchase prior to the fifth anniversary of the Issue Date:
 - (A) in the case of redemption upon a Tax Event, the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that the change in tax treatment is material and was not reasonably foreseeable as at the Issue Date;
 - (B) in the case of redemption upon the occurrence of a Regulatory Event, the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that the relevant change in the regulatory classification of the Notes is sufficiently certain and was not reasonably foreseeable as at the Issue Date;

- (C) in the case of a purchase pursuant to Condition 5.9, the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that the Issuer has (or before or at the same time as the relevant purchase will have) replaced the Subordinated Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer, and the relevant Supervisory Authority having permitted such action on the basis of the determination that it would be beneficial from a prudential point of view and justified by exceptional circumstances; or
- (D) the Subordinated Notes being purchased for market-making purposes in accordance with the prevailing Regulatory Capital Requirements.

Notwithstanding the foregoing, if, at the time of any redemption or purchase, the prevailing Regulatory Capital Requirements permit a repayment or purchase only after compliance with one or more additional or alternative preconditions to those set out above in this Condition 5.11, the Issuer shall comply (in addition or in the alternative, as the case may be) with such additional and/or alternative precondition(s).

In these Terms and Conditions, **Relevant Supervisory Consent** means, in relation to any action, such permission or waiver of the relevant Supervisory Authority as is then required for such action under prevailing Regulatory Capital Requirements and/or Loss Absorption Regulations, as the case may be.

5.12 Preconditions to Redemption, Purchase, Substitution or Variation of Senior Non-Preferred Notes

This Condition 5.12 applies to Senior Non-Preferred Notes only.

Any redemption, purchase, substitution or variation of Senior Non-Preferred Notes in accordance with Conditions 5.2, 5.4, 5.5, 5.6, 5.9 or 5.13 is subject to:

- (a) the Issuer having obtained Relevant Supervisory Consent therefor; and
- (b) compliance with any other pre-conditions to, or requirements applicable to, such redemption, purchase, substitution or variation as may be required by the relevant Supervisory Authority or the Loss Absorption Regulations at such time (including, in the case of a redemption or purchase and to the extent then so required, the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that (A) it has (or before or at the same time as the relevant redemption or purchase will have) replaced the Senior Non-Preferred Notes with own funds or eligible liabilities instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or (B) the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed its minimum requirements for own funds and eligible liabilities by a margin that the relevant Supervisory Authority considers necessary at such time; or (C) the partial or full replacement of the Senior Non-Preferred Notes with own funds instruments is necessary to ensure compliance with the own funds requirements laid down in the prevailing Regulatory Capital Requirements for continuing authorisation).

5.13 Substitution and Variation of Senior Non-Preferred Notes

This Condition 5.13 applies to each Series of Senior Non-Preferred Notes unless “*Senior Non-Preferred Notes: Substitution and Variation*” is expressly specified to be “Not Applicable” in the applicable Final Terms.

Upon the occurrence of a Loss Absorption Disqualification Event in respect of a Series of Senior Non-Preferred Notes, the Issuer (in its sole discretion but subject to Condition 5.12), having given notice of not more than 30 days nor less than 15 days prior to the date of substitution or variation (as the case may be) to the Trustee and, in accordance with Condition 18, the Noteholders (which notice shall be irrevocable and shall specify the date fixed for substitution or variation, as applicable) may, without any requirement for the consent or approval of the Noteholders or Couponholders, either substitute all (but not some only) of the Senior Non-Preferred Notes of such Series for, or vary the terms of the Senior Non-Preferred Notes of such Series so that they remain or, as

appropriate, become, Loss Absorption Compliant Notes. Upon the expiry of the notice referred to above, the Issuer shall either substitute or, as the case may be, vary the terms of the relevant Senior Non-Preferred Notes and, subject as set out below, the Trustee shall agree to such substitution or variation.

In connection with any substitution or variation in accordance with this Condition 5.13, the Issuer shall comply with the rules of any stock exchange on which the relevant Senior Non-Preferred Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with this provision is subject to the following conditions:

- (a) the Issuer complying with Condition 5.12;
- (b) such substitution or variation not resulting in any event or circumstance which at or around that time gives the Issuer a redemption right in respect of the resulting Loss Absorption Compliant Notes; and
- (c) prior to the publication of any notice of substitution or variation, the Issuer having delivered to the Trustee a certificate signed by two authorised signatories of the Issuer stating that the Loss Absorption Disqualification Event giving rise to the right to substitute or vary the Senior Non-Preferred Notes has occurred as at the date of the certificate and that the conditions set out in (a) and (b) immediately above have been satisfied, and the Trustee shall be entitled to accept and rely on such certificate without liability to any person and without any further inquiry as sufficient evidence thereof, in which event it shall be conclusive and binding on the Trustee and all Noteholders and Couponholders.

The Trustee shall, subject to the Issuer's compliance with the foregoing conditions and the provision of the certificate signed by two authorised signatories of the Issuer as referred to in the definition of Loss Absorption Compliant Notes, and at the expense and cost of the Issuer, use reasonable endeavours to assist the Issuer in any substitution or variation of the relevant Senior Non-Preferred Notes in accordance with this provision, except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Loss Absorption Compliant Notes would, in the Trustee's opinion, impose more onerous obligations upon it or expose the Trustee to any additional duties, responsibilities or liabilities in any material respect or reduce or amend the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any material respect.

In connection with any such substitution or variation, the Trustee may rely without liability to any Noteholders or Couponholders on a report, confirmation, certificate or any advice of any accountants, financial advisers, financial institutions or any other experts, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation, certificate or advice and such report, confirmation, certificate or advice shall be binding on the Issuer, the Trustee and the Noteholders and Couponholders.

In these Terms and Conditions:

EEA regulated market means a market as defined by Article 4.1(21) of Directive 2014/65/EU of the European Parliament and of the Council on markets in financial instruments, as amended;

Loss Absorption Compliant Notes means securities that comply with the following (which compliance has been certified to the Trustee in a certificate signed by two authorised signatories of the Issuer and delivered to the Trustee prior to the relevant substitution or variation):

- (a) such securities are issued by the Issuer or any wholly-owned direct or indirect subsidiary of the Issuer with a guarantee of such obligations by the Issuer;

- (b) such securities and any relative coupons rank (or, if guaranteed by the Issuer, benefit from a guarantee that ranks) as part of the class of Secondary Non-Preferential Debts;
- (c) (subject to (b) above) such securities have terms not materially less favourable to Noteholders and Couponholders than the terms of the relevant Senior Non-Preferred Notes and relative Coupons (as reasonably determined by the Issuer in consultation with an independent adviser of recognised standing);
- (d) (without prejudice to (c) above) such securities (1) contain terms such that they comply with the then applicable Loss Absorption Regulations in order to be eligible to qualify in full towards the Issuer's minimum requirements (on an individual or consolidated basis) for own funds and eligible liabilities and/or loss absorbing capacity instruments; (2) bear the same rate of interest from time to time applying to the relevant Senior Non-Preferred Notes and preserve the same interest payment dates; (3) do not contain terms providing for deferral of payments of interest and/or principal; (4) preserve the obligations (including the obligations arising from the exercise of any right) of the Issuer as to redemption of the relevant Senior Non-Preferred Notes, including (without limitation) as to timing of, and amounts payable upon, such redemption; (5) do not contain terms providing for loss absorption through principal write-down or conversion to common equity tier 1 instruments; and (6) preserve any existing rights to any accrued and unpaid interest and any other amounts payable under the relevant Senior Non-Preferred Notes and relative Coupons which has accrued to Noteholders or Couponholders and not been paid;
- (e) such securities are listed on the same stock exchange or market as the relevant Senior Non-Preferred Notes or the London Stock Exchange or any EEA regulated market or any market in an Organisation for Economic Co-operation and Development (OECD) member state selected by the Issuer; and
- (f) where the relevant Senior Non-Preferred Notes which have been substituted or varied had a published rating solicited by the Issuer from one or more Rating Agencies immediately prior to their substitution or variation, such securities benefit from (or will, as announced, or otherwise confirmed in writing, by each such relevant Rating Agency, benefit from) an equal or higher published rating from each such Rating Agency as that which applied to the relevant Senior Non-Preferred Notes (unless any downgrade is solely attributable to the ranking of the securities under (b) above); and

Rating Agency means any of S&P Global Ratings Europe Limited, Moody's Investors Service Limited and Fitch Ratings Ltd. and each of their respective affiliates or successors.

6. Payments

6.1 Method of Payment

Subject as provided below:

- (a) payments in a currency other than euro will be made by transfer to an account in the relevant Specified Currency maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively); and
- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or by a euro cheque.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 9, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

6.2 Presentation of Notes and Coupons

Subject as provided below, payments of principal and interest (if any) in respect of definitive Notes (if issued) will be made against presentation and surrender of definitive Notes or Coupons, as the case may be, at any specified office of any Paying Agent.

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable against presentation or surrender, as the case may be, of such Global Note, at the specified office of any Paying Agent. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

The holder of the relevant Global Note (or, as provided in the Trust Deed, the Trustee) shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note (or the Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of the relevant Global Note (or the Trustee, as the case may be). No person other than the holder of the relevant Global Note (or, as provided in the Trust Deed, the Trustee) shall have any claim against the Issuer in respect of any payments due on that Global Note.

Notwithstanding the foregoing:

- (a) the Issuer reserves the right to require Couponholders who do not make a declaration (such declaration being to the satisfaction of Her Majesty's Revenue and Customs (**HMRC**)) that they are not resident in the United Kingdom to present their Coupons at a specified office of a Paying Agent situated outside the United Kingdom if the Issuer would otherwise be obliged to account to any taxing authority in the United Kingdom for any amount in respect of income tax (other than any tax withheld or deducted from interest payable on the Notes) calculated by reference to the interest represented by the relevant Coupon; and
- (b) payments of interest in U.S. Dollars will only be made at the specified office of any Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and District of Columbia and its possessions)) (i) if (A) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount of interest on the Notes in the manner provided above when due, (B) payment of the full amount of such interest at such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (C) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer and (ii) at the option of the relevant holder if such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

Fixed Rate Notes in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall include Coupons falling to be issued on exchange of matured Talons).

If a Fixed Rate Note (other than a Subordinated Note or a Senior Non-Preferred Note) is presented without all unmatured Coupons relating thereto, then:

- (a) if the aggregate amount of the missing Coupons is greater than the principal amount of such Note, such amount of such missing Coupons shall become void (in inverse order of maturity) as will result in the aggregate amount of the remainder of such missing Coupons (the Relevant Coupons) being equal to the principal amount of such Note; provided that, where this subparagraph would otherwise require a fraction of a missing Coupon to become void, such missing Coupon shall become void in its entirety; and
- (b) a sum equal to the aggregate amount of the Relevant Coupons (or, if less, the principal amount of such Note) will be deducted from the amount of principal due for payment; provided that, if the gross amount available for payment is less than the principal amount of such Note, the sum deducted will be that proportion of the aggregate amount of the Relevant Coupons (or, as the case may be, the principal amount of such Note) which the gross amount actually available for payment bears to the principal amount of such Note.

Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relevant missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 9) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 12) or, if later, five years from the date on which such Coupon would otherwise have become due.

Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the due date for redemption of any Floating Rate Note, Reset Note or Subordinated Note or Senior Non-Preferred Note which is also a Fixed Rate Note in definitive form, all unmatured Coupons and Talons (if any) relating to such Note (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

6.3 Payment Day

If any date for payment of any amount in respect of any Note or Coupon is not a Payment Day (as defined below), then the holder thereof shall not be entitled to payment of the relevant amount due until the next following Payment Day and shall not be entitled to any interest or other sum in respect of any such delay.

In this Condition, **Payment Day** means:

- (a) a day on which commercial banks settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) in the case of Notes in definitive form only, the relevant place of presentation; and
 - (ii) each Additional Financial Centre (other than TARGET2 System) specified in the applicable Final Terms;
- (b) if TARGET2 System is specified as an Additional Financial Centre in the applicable Final Terms, a day on which the TARGET2 System is open; and
- (c) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

If the due date for redemption of any interest bearing Note in definitive form is not a due date for the payment of interest relating thereto, interest accrued in respect of such interest bearing Note from (and including) the last preceding due date for the payment of interest (or from (and including) the Interest Commencement Date, as the case may be) will be paid only against surrender of such interest bearing Note.

6.4 Interpretation of Principal and Interest

Any reference in these Terms and Conditions to “principal” in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 9 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes; and
- (e) any premium and any other amounts (other than interest) which may be payable under or in respect of the Notes.

Any reference in these Terms and Conditions to “interest” in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 9 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

7. Exchange of Talons

On and after the Interest Payment Date or the Fixed Interest Date (as appropriate) on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 12.

8. Agent and Paying Agents

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms. In the event of the appointed office of any such bank being unable or unwilling to continue to act as the Agent, or failing duly to determine the Rate of Interest, if applicable, or to calculate the Interest Amounts for any Interest Period, the Issuer shall appoint the London office of such other bank as may be approved by the Trustee to act as such in its place. The Agent may not resign its duties or be removed from office without a successor having been appointed as aforesaid.

The Issuer may, with the prior approval of the Trustee, vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts provided that the Issuer will, so long as any of the Notes is outstanding, maintain:

- (a) a Paying Agent (which may be the Agent) having a specified office in a city approved by the Trustee in Europe; and
- (b) so long as any of the Notes have been admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system, a Paying Agent (which may be the Agent)

having a specified office in each location required by the rules and regulations of the relevant listing authority, stock exchange and/or quotation system.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in subparagraph (b) of the fourth paragraph of Condition 6.2.

Notice of any such variation, termination, appointment or change will be given by the Issuer to the Noteholders in accordance with Condition 18.

9. Taxation

All payments of principal and interest (if any) in respect of the Notes and Coupons by or on behalf of the Issuer shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed, or levied by or on behalf of the United Kingdom or any political subdivision thereof or by or on behalf of any authority thereof or therein having power to tax, unless the withholding or deduction for, or on account of, such taxes, duties, assessments or governmental charges is required by law. In that event, the Issuer will:

- (i) in the case of (A) all Senior Preferred Notes, (B) all Deposit Notes and (C) each Series of Senior Non-Preferred Notes unless the applicable Final Terms expressly specifies “*Senior Non-Preferred Notes: Gross-up of principal*” as “Not Applicable”, in respect of payments of interest (if any) and principal; or
- (ii) in the case of (A) all Subordinated Notes and (B) each Series of Senior Non-Preferred Notes for which the applicable Final Terms expressly specifies “*Senior Non-Preferred Notes: Gross-up of principal*” as “Not Applicable”, in respect of payments of interest (if any) only,

pay such additional amounts as may be necessary in order that the net amounts received by the Noteholders or, as the case may be, Couponholders after such withholding or deduction shall equal the respective amounts of (in the case of Notes falling within (i) above only) principal and (in the case of any Notes) interest (if any) which would have been receivable in respect of the Notes or, as the case may be, Coupons in the absence of such withholding or deduction; except that no such additional amount shall be payable in respect of any Note or Coupon:

- (a) presented for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of such Note or Coupon; or
- (b) presented for payment in the United Kingdom; or
- (c) presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 6.3); or
- (d) where the holder is able to avoid such withholding or deduction by presenting an appropriate certificate.

Notwithstanding any other provision of these Terms and Conditions, in no event will additional amounts be payable by (or on behalf of) the Issuer under this Condition 9 or otherwise in respect of any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations or agreements thereunder or any official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof or any law implementing such an intergovernmental agreement.

As used herein, the **Relevant Date** means the date on which the relevant payment in respect of the Note or Coupon first becomes due and payable but, if the full amount of the moneys payable on such date has not been

received by the Agent or the Trustee on or prior to such due date, the **Relevant Date** means the date on which such moneys shall have been so received and notice to that effect shall have been given to the Noteholders in accordance with Condition 18.

For the avoidance of doubt, if this Note is a Subordinated Note, or a Senior Non-Preferred Note for which the applicable Final Terms expressly specifies “*Senior Non-Preferred Notes: Gross-up of principal*” as “Not Applicable”, the Issuer will not pay any additional amounts under this Condition 9 in respect of principal of this Note.

10. Events of Default and enforcement relating only to Senior Preferred Notes, Deposit Notes and Unrestricted Default Senior Non-Preferred Notes

This Condition 10 applies only if this Note is:

- (i) a Senior Preferred Note or a Deposit Note; or
- (ii) a Senior Non-Preferred Note for which the applicable Final Terms expressly specifies “*Senior Non-Preferred Notes: Restricted Events of Default*” as being “Not Applicable” (an **Unrestricted Default Senior Non-Preferred Note**),

and references in this Condition 10 to Notes shall be construed accordingly.

10.1 The Trustee at its discretion may, and if so requested in writing by the holders of at least one quarter of the nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall, subject to being indemnified and/or secured and/or prefunded to its satisfaction (but, in the case of the happening of any of the events mentioned in subparagraphs (b), (c) and (d) below in relation to the Issuer or any Principal Subsidiary (as defined below) or, in the case of the happening of any of the events mentioned in subparagraphs (e) and (f) below in relation to a Principal Subsidiary, only if the Trustee shall have certified that in its opinion such event is materially prejudicial to the interests of the Noteholders) give notice to the Issuer that the Notes are, and they shall immediately become, due and repayable as set out below, if any of the following events shall occur and be continuing:

- (a) the Issuer fails to pay any principal or interest in respect of the Notes within seven days of the due date; or
- (b) the Issuer defaults in performance or observance of or compliance with any of its other undertakings set out in the Notes or the Trust Deed which default is incapable of remedy or which, if capable of remedy, is not in the opinion of the Trustee remedied within 30 days (or such longer period as the Trustee may permit) after notice requiring remedy of such default shall have been given to the Issuer by the Trustee; or
- (c)
 - (i) any other present or future indebtedness in respect of moneys borrowed or raised in an amount of £40,000,000 or more (or its equivalent in any other currency) of the Issuer or any Principal Subsidiary becomes due and payable prior to its stated maturity pursuant to a default; or
 - (ii) any such indebtedness is not paid when due or (as the case may be) within any applicable grace period therefor; or
 - (iii) the Issuer or any Principal Subsidiary fails to pay when due or (as the case may be) within any applicable grace period therefor any amount payable by it under any present or future guarantee in an amount of £40,000,000 or more (or its equivalent

in any other currency) (other than any guarantee given in the ordinary course of its business) for any indebtedness in respect of moneys borrowed or raised; or

- (iv) any mortgage, charge, pledge, lien or other encumbrance present or future securing an amount of £40,000,000 or more (or its equivalent in any other currency) and created or assumed by the Issuer or any Principal Subsidiary becomes enforceable and the holder thereof takes any steps to enforce the same; or
- (d) a distress or execution or other similar legal process in respect of a claim for £20,000,000 or more is levied or enforced or sued out upon or against any part of the property, assets or revenues of the Issuer or any Principal Subsidiary and is not discharged or stayed within 30 days of having been so levied, enforced or sued out; or
- (e) the Issuer or any Principal Subsidiary becomes insolvent or is unable to pay its debts as they mature or applies for or consents to or suffers the appointment of a liquidator or receiver or administrator or similar officer of itself or the whole or any substantial part of its undertaking, property, assets or revenues or takes any proceeding under any law for a readjustment or deferment of its obligations or any part thereof or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors or ceases or threatens to cease to carry on all or substantially all of its business except in any case:
 - (i) in connection with a Permitted Reorganisation or other substitution pursuant to Condition 14; or
 - (ii) for the purpose of a reconstruction, union, transfer, merger or amalgamation effected with the prior written consent of the Trustee or with the approval (by way of Extraordinary Resolution) of the Noteholders; or
 - (iii) (in the case of a Principal Subsidiary) where all or the major part of the business, undertaking and assets of such Principal Subsidiary is either (A) transferred to the Issuer and/or one or more Subsidiaries of the Issuer or (B) sold to one or more third party purchasers on arm's length terms; or
- (f) an order is made or an effective resolution is passed for the winding up or dissolution of the Issuer or any Principal Subsidiary or the authorisation or registration of the Issuer is or is proposed to be cancelled, suspended or revoked or anything analogous or similar to any of the foregoing occurs, except in any case:
 - (i) in connection with a Permitted Reorganisation or other substitution pursuant to Condition 14; or
 - (ii) for the purposes of a reconstruction, union, transfer, merger or amalgamation effected with the consent of the Trustee or with the approval (by way of Extraordinary Resolution) of the Noteholders; or
 - (iii) (in the case of a Principal Subsidiary) where all or the major part of the business, undertaking and assets of such Principal Subsidiary is either (A) transferred to the Issuer and/or one or more Subsidiaries of the Issuer or (B) sold to one or more third party purchasers on arm's length terms.

Principal Subsidiary means a Subsidiary of the Issuer whose total assets (attributable to the Issuer) represent 10 per cent. or more of the consolidated total assets of the Issuer and its Subsidiaries (all as more particularly described in the Trust Deed). A certificate signed by two Authorised Signatories (as defined in the Trust Deed) that in their opinion a Subsidiary of the Issuer is or is not or was or was not at

any particular time or throughout any specified period a Principal Subsidiary may be relied upon by the Trustee without further inquiry or evidence and, if so relied upon, shall, in the absence of manifest or proven error, be conclusive and binding on all parties.

- 10.2 If the Notes become due and repayable pursuant to this Condition 10, they shall be repayable at the Early Redemption Amount together (where applicable) with accrued interest as provided in the Trust Deed.
- 10.3 At any time after the Notes become due and repayable the Trustee may, at its discretion and without further notice, take such proceedings against the Issuer as it may think fit to enforce repayment of the Notes, but it shall not be bound to take any such proceedings unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Notes then outstanding and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.
- 10.4 No Noteholder or Couponholder may proceed directly against the Issuer unless the Trustee, having become bound to proceed, (i) fails to do so, or (ii) is unable for any reason to do so, and such failure or inability is continuing.
- 11. Events of Default and enforcement relating only to Subordinated Notes and Restricted Default Senior Non-Preferred Notes**

This Condition 11 applies only if this Note is:

- (i) a Subordinated Note; or
- (ii) a Senior Non-Preferred Note unless the applicable Final Terms expressly specifies “*Senior Non-Preferred Notes: Restricted Events of Default*” as being “Not Applicable” (a **Restricted Default Senior Non-Preferred Note**),

and references in this Condition 11 to Notes shall be construed accordingly.

- 11.1 *Non-payment when due:* If default is made for a period of seven days or more in the payment of any principal due on the Notes or any of them or for a period of 14 days or more in the payment of any interest due on the Notes or any of them, the Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter of the nominal amount of Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), institute proceedings for the winding up of the Issuer in England (but not elsewhere) to enforce the obligations of the Issuer in respect of the Notes and the Trust Deed in so far as it relates to the Notes, but may take no other action in respect of such default (except as provided in Condition 11.2).
- 11.2 *Winding up or dissolution:* In the event of a winding up or dissolution of the Issuer (subject as otherwise provided in an Excluded Dissolution), whether or not instituted by the Trustee pursuant to Condition 11.1, the Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter of the nominal amount of Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), give notice to the Issuer (or the relevant official presiding over such winding up or dissolution) that the Notes are, and they shall accordingly immediately become, due and repayable at their Early Redemption Amount together (if applicable) with accrued interest as provided in the Trust Deed, and shall claim and/or prove in such winding up or dissolution in respect of the Notes (such claim ranking as provided in Condition 2.2(a) or Condition 2.3(a), as applicable).

- 11.3 *Enforcement:* Without prejudice to Conditions 11.1 and 11.2, the Trustee may at its discretion and without notice institute such steps, actions or proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Trust Deed or the Notes (other than any payment obligation of the Issuer under or arising from the Notes or the Trust Deed, including, without limitation, payment of any principal or interest in respect of the Notes, including any damages awarded for breach of any obligations) and in no event shall the Issuer, by virtue of the institution of any such steps, actions or proceedings, be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it pursuant to these Terms and Conditions and the Trust Deed, nor will the Trustee accept the same, otherwise than during or after a winding up or dissolution of the Issuer.
- 11.4 *Rights of holders:* No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, (i) fails to do so, or (ii) is unable for any reason to do so, in which case any such holder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No such holder shall be entitled to institute proceedings for the winding up of the Issuer, or to prove in any winding up or dissolution of the Issuer, except that if the Trustee, having become bound to proceed against the Issuer as aforesaid, fails to do so or is unable for any reason to do so, or, being able to prove in any winding up or dissolution of the Issuer, fails to do so, then any such holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise) himself institute proceedings for the winding up in England (but not elsewhere) of the Issuer and/or prove in any winding up or dissolution of the Issuer to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do in respect of such Notes and/or Coupons held by him.
- 11.5 *Extent of remedy:* No remedy against the Issuer, other than the institution of proceedings for the winding up in England of the Issuer and/or the proving or claiming in any winding up or dissolution of the Issuer, shall be available to the Trustee, the Noteholders or the Couponholders for the recovery of amounts owing in respect of such Notes or the relative Coupons or under the Trust Deed in so far as it relates to the Notes or the relative Coupons.
- 11.6 *Rights of the Trustee:* The Trustee may at its discretion institute such proceedings as are contemplated by this Condition 11 against the Issuer to enforce the obligations of the Issuer under the Trust Deed in so far as it relates to the Notes or the relative Coupons, but it shall not be bound to institute any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution of the holders of the Notes or so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Notes then outstanding and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

12. Prescription

Claims for payment of principal in respect of the Notes shall become void upon the expiry of ten years, and claims for payment of interest (if any) in respect of the Notes shall become void upon the expiry of five years, in each case from the Relevant Date therefor, subject to the provisions of Condition 6.

13. Meetings of Noteholders, Modification and Waiver

The Trust Deed contains provisions for convening meetings of Noteholders (or, as the case may be, the holders of Notes of more than one Series) to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Terms and Conditions or the provisions of the Trust Deed.

The quorum at any such meeting to consider an Extraordinary Resolution will be one or more persons holding or representing a clear majority of the nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes for the time being outstanding so held or represented, except that at any meeting, the business of which includes the modification of certain of these Terms and Conditions or provisions of the Trust Deed, the

necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, of the nominal amount of the Notes for the time being outstanding.

The Trust Deed provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Trust Deed by a majority consisting of not less than three-fourths of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders. An Extraordinary Resolution passed at any meeting of Noteholders will be binding on all Noteholders, whether or not they are present at the meeting, and on all Couponholders.

The Trust Deed provides that the Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification (subject to certain exceptions) of, or to the waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any of the provisions of the Trust Deed which is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders or to any modification which is of a formal, minor or technical nature or which is made to correct a manifest error. In addition, the Trustee shall be obliged to concur with the Issuer in effecting any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4.4 without the consent of the Noteholders or Couponholders. Any such modification, waiver or authorisation shall be binding on the Noteholders and Couponholders and, unless otherwise agreed by the Trustee, any such modification shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 18.

In connection with the exercise by it of any of its trusts, powers or discretions (including, without limitation, any modification, waiver, authorisation or substitution), the Trustee shall have regard to the interests of the Noteholders as a class and, in particular but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers or discretions for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 9 and/or any undertaking given in addition to, or in substitution for, Condition 9 pursuant to the Trust Deed.

14. Substitution

14.1 Substitution in connection with a Permitted Reorganisation

- (a) In the event of a Permitted Reorganisation, the Successor Entity will be substituted in place of the Issuer as principal debtor under the Trust Deed, the Notes and any relative Coupons and, unless such substitution is effected automatically by operation of law, the Issuer and (subject as provided below) the Trustee shall enter into one or more trust deeds supplemental to the Trust Deed to give effect to and/or to reflect such substitution, provided that:
 - (i) prior to the entry into such trust deed(s) supplemental to the Trust Deed, the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories of the Issuer stating that (A) the substitution of the Successor Entity in place of the Issuer as principal debtor under the Trust Deed, the Notes and any relative Coupons is being made pursuant to a Permitted Reorganisation and specifying details of such Permitted Reorganisation and (B) the Successor Entity has obtained all necessary governmental and regulatory approvals and consents necessary for its assumption of the obligations and liability as principal debtor under the Trust Deed in respect of the relevant Notes and Coupons and in respect of such Notes and Coupons themselves in place of the Issuer and that such approvals and consents

are at the time of substitution in full force and effect (and the Trustee shall be entitled to accept and rely on such certificate without liability to any person and without any further inquiry as sufficient evidence thereof, in which event it shall be conclusive and binding on the Trustee and all Noteholders and Couponholders); and

- (ii) the Trustee shall not be obliged to enter into such trust deed(s) supplemental to the Trust Deed if such substitution pursuant to a Permitted Reorganisation would, in the Trustee's opinion, impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities in any material respect or reduce or amend the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any material respect.
- (b) Save as expressly provided in Condition 14.1(c) below, a Permitted Reorganisation and any substitution of the Issuer in connection therewith shall be effected without the need or requirement for any consent or approval from the Trustee, the Noteholders or the Couponholders.
- (c) The Issuer has covenanted with the Trustee in the Trust Deed that it will not transfer its business to a successor in accordance with Section 97 of the Act or pursuant to an order made under section 3 of the Building Societies (Funding) and Mutual Societies (Transfers) Act 2007, as amended (the **2007 Act**) unless either (i) the Trustee is satisfied that the successor will be or (as the case may be) remain an authorised person under the FSMA or (ii) such transfer is approved by an Extraordinary Resolution of the Noteholders.
- (d) For the purposes of these Terms and Conditions:

Permitted Reorganisation means any of:

- (i) an amalgamation of the Issuer and one or more other building societies under section 93 of the Act (or any successor provision thereto);
- (ii) a transfer by the Issuer of all or substantially all of its engagements under section 94 of the Act (or any successor provision thereto);
- (iii) a transfer by the Issuer of the whole of its business to a company under sections 97 to 102D of the Act (or any successor provisions thereto);
- (iv) a transfer by the Issuer of the whole of its business to a subsidiary of a mutual society pursuant to any order made by HM Treasury under section 3 of the 2007 Act (or any successor provisions thereto); or
- (v) an alteration in the status of the Issuer by virtue of any statute or statutory provision which alters, or permits the alteration of, the status of building societies generally or building societies which meet specified criteria to another type of body authorised under the Financial Services and Markets Act 2000 as amended, consolidated or re-enacted from time to time (the **FSMA**) or to a body which is regulated on a similar basis to an authorised person under the FSMA; and

Successor Entity means:

- (i) (in respect of an amalgamation of the Issuer and one or more other building societies under section 93 of the Act (or any successor provision thereto)), the resulting building society;
- (ii) (in respect of a transfer by the Issuer of all or substantially all of its engagements under section 94 of the Act (or any successor provision thereto), a transfer by the Issuer of the whole of its business to a company under sections 97 to 102D of the Act (or any successor provisions thereto) or a

transfer of the whole of its business to a subsidiary of a mutual society pursuant to any order made by HM Treasury under section 3 of the 2007 Act (or any successor provisions thereto)), the relevant transferee; or

- (iii) (in respect of an alteration in the status of the Issuer by virtue of any statute or statutory provision which alters, or permits the alteration of, the status of building societies generally or building societies which meet specified criteria to another type of body authorised under the FSMA or to a body which is regulated on a similar basis to an authorised person under the FSMA), the resulting authorised person under the FSMA or, as the case may be, the resulting body which is regulated on a similar basis to an authorised person under the FSMA.

14.2 Substitution other than in connection with a Permitted Reorganisation

In circumstances other than a Permitted Reorganisation, and subject as provided in the Trust Deed, the Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Noteholders, may agree, without the consent of the Noteholders or Couponholders, to the substitution of any successor in business of the Issuer or of a Subsidiary of the Issuer or any such successor in business in place of the Issuer as principal debtor under the Notes and the Trust Deed in respect of the Notes, provided (in case of the substitution of any company which is a Subsidiary of the Issuer or such successor in business) that the obligations of such Subsidiary in respect of the Notes and the Trust Deed in respect thereof shall be guaranteed by the Issuer or such successor in business in such form as the Trustee may require.

14.3 Additional provisions relating to Subordinated Notes and Senior Non-Preferred Notes

This Condition 14.3 applies only if this Note is a Subordinated Note or a Senior Non-Preferred Note, and references in this Condition 14.3 to Notes shall be construed accordingly.

The Issuer has covenanted with the Trustee in the Trust Deed that if it transfers its business to a company (the **Transferee Company**) within the meaning of the Companies Act 2006 as amended (or any successor thereto or re-enactment thereof) or to a body corporate which is incorporated in another European Economic Area (**EEA**) state other than the United Kingdom pursuant to Section 97 of the Act or pursuant to an order made under section 3 of the 2007 Act then, upon such transfer becoming effective:

- (a) it will either deliver evidence reasonably satisfactory to the Trustee that the Transferee Company is an authorised person for the purposes of the FSMA or an EEA firm qualifying for authorisation under Schedule 3 to the FSMA or, if such evidence is not so delivered, procure that such transfer is approved by an Extraordinary Resolution of the Noteholders; and
- (b) it will, and will procure that the Transferee Company will execute one or more deeds supplemental to the Trust Deed which has the effect of ensuring to the reasonable satisfaction of the Trustee that:
 - (i) the Transferee Company is bound by the terms of the Trust Deed in respect of the Notes and these Terms and Conditions as fully as if all and any references therein to the Issuer were references to the Transferee Company; and
 - (ii) the rights of the holders of the Notes and any relative Coupons:
 - (A) are subordinated and postponed (or otherwise rank junior) to the claims of the persons who are holders of share investments (other than deferred share investments) which are qualifying shares (as defined in Section 100(3) of the Act) in the Issuer in respect of claims arising by virtue of Section 100(2)(a) of the Act and which are represented by those qualifying shares and to the claims of other unsecured and unsubordinated creditors of the Transferee Company (save that the rights of the

holders of Senior Non-Preferred Notes may rank *pari passu* with any Secondary Non-Preferential Debts in respect of the Transferee Company or any other claims which rank, or are expressed to rank, *pari passu* therewith);

- (B) (if such Notes are Subordinated Notes) are subordinated and postponed to the claims in respect of the Senior Non-Preferred Notes; and
- (C) will be such that they rank in priority to the holders of the issued share capital of the Transferee Company,

and containing such other provisions as the Trustee (having regard in particular to the foregoing) may reasonably require; provided that no variation or supplement to the terms of the Trust Deed or of these Terms and Conditions shall be made in any such supplemental deed which would or might cause:

- (1) any qualifying own funds or capital resources of the Issuer for the purposes of the Regulatory Capital Requirements prevailing at that time to be excluded from such own funds or capital resources; or
- (2) any liabilities of the Issuer which, for the purposes of the Loss Absorption Regulations prevailing at that time, qualify towards the Issuer's minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments to be excluded from such minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments.

14.4 Effect of substitution

Any substitution pursuant to this Condition 14 shall be binding on the Issuer, the Trustee, the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 18.

15. Further Issues

The Issuer is at liberty from time to time without the consent of the Trustee, the Noteholders or Couponholders to create and issue further notes ranking equally in all respects (or in all respects save for the date for and the amount of the first payment of interest thereon) and so that the same shall be consolidated and form a single series with the outstanding Notes of a particular Series.

16. Replacement of Notes, Coupons and Talons

If a Note (including any Global Note), Coupon or Talon is mutilated, defaced, destroyed, stolen or lost it may be replaced at the specified office of the Agent in London, or any other place approved by the Trustee of which notice shall have been published in accordance with Condition 18, on payment of such costs as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

17. Indemnification of, and transactions by, the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility in certain circumstances including provisions relieving it from instituting proceedings to enforce repayment unless indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer or any Subsidiary of the Issuer without accounting for any profit resulting therefrom.

18. Notices

Subject to the following paragraph, all notices regarding the Notes will be valid if published in the Financial Times or any other daily newspaper in London approved by the Trustee. The Issuer shall also ensure that all notices are duly published in a manner which complies with the rules and regulations of any listing authority, stock exchange and/or quotation system on which the Notes have then been admitted to listing, trading, and/or quotation (including publication on the website of the relevant stock exchange or relevant authority if required by those rules and regulations). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication in all the required newspapers. If publication as aforesaid is not practicable, notices will be valid if given in such other manner and shall be deemed to have been given on such date as the Issuer and the Trustee may determine. Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the Noteholders in accordance with this Condition 18.

Until such time as any definitive Notes are issued, there may, so long as any Global Note is held in its entirety on behalf of Euroclear and/or Clearstream, Luxembourg and/or any other clearing system approved by the Trustee, be substituted for such publication as aforesaid the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or such other clearing system (as the case may be) for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the Noteholders on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg and/or such other clearing system, as appropriate.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any Noteholder to the Agent via Euroclear and/or Clearstream, Luxembourg and/or any other clearing system approved by the Trustee in which the relevant Notes are cleared, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg and/or such other clearing system, as the case may be, may approve for this purpose.

19. Governing Law

The Trust Deed, the Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and will be construed in accordance with, English law.

20. Contracts (Rights of Third Parties) Act 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

(Incorporated under the Building Societies Act 1986)
(the **Issuer**)

TEMPORARY GLOBAL [DEPOSIT]² NOTE

This Note is a Temporary Global [Deposit]² Note in respect of a duly authorised issue of Notes of the Issuer (the **Notes**) of the Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Notes (the **Final Terms**), a copy of which is annexed hereto [and relates to money which has been deposited with the Issuer]². References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Trust Deed (as defined below) as completed by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail. Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Note. This Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated from time to time, the **Trust Deed**) dated 17 April 1991 and made between the Issuer and The Law Debenture Trust Corporation p.l.c. as trustee for the holders of the Notes.

The Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Trust Deed, promises to pay to the bearer hereof on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Notes on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. (**Euroclear**) and Clearstream Banking, S.A. (**Clearstream, Luxembourg** and together with Euroclear, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the

² Delete in the case of all Notes other than Deposit Notes.

bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or 3 of Schedule One hereto or in Schedule Two hereto.

On any redemption of, or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems, and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make entries referred to above shall not affect such discharge.

Payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will only be made to the bearer hereof to the extent that there is presented to the Agent by Clearstream Luxembourg and/or Euroclear a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes represented by this Global Note (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Global Note will not (unless upon due presentation of this Global Note for exchange, delivery of the appropriate number of Definitive Notes (together with the Coupons appertaining thereto) or, as the case may be, issue and delivery (or, as the case may be, endorsement) of the Permanent Global Note is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment hereon due on or after the Exchange Date.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date, this Global Note may be exchanged (at the cost and expense of the Issuer) in whole or in part for, as specified in the Final Terms, either (a) Definitive Notes and (if applicable) Coupons and/or Talons in or substantially in the forms set out in Parts 3, 4 and 5 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Notes) or (b) either (if the Final Terms indicates that this Global Note is intended to be a New Global Note) interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note or (if the Final Terms indicates that this Global Note is not intended to be a New Global Note) a Permanent Global Note, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 2 to the Trust Deed (together with the Final Terms attached thereto) upon notice being given to the Agent by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an

interest in this Global Note and subject, in the case of Definitive Notes, to such notice period as is specified in the Final Terms.

If Definitive Notes and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Global Note may only thereafter be exchanged for Definitive Notes and (if applicable) Coupons and/or Talons pursuant to the terms hereof. This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in London.

The Issuer shall procure that Definitive Notes or (as the case may be) the Permanent Global Note shall be issued and delivered and (in the case of the Permanent Global Note where the Final Terms indicates that this Global Note is intended to be a New Global Note) interests in the Permanent Global Note shall be recorded in the records of the relevant Clearing Systems in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by Euroclear or Clearstream, Luxembourg a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes represented by this Global Note (as shown by its records) a certificate of non-US beneficial ownership in the form required by it.

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. The Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, on an exchange of the whole or part only of this Global Note, details of such exchange shall be entered pro rata in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be reduced by the nominal amount of this Global Note so exchanged; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, on an exchange of part only of this Global Note details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of this Global Note so exchanged. On any exchange of this Global Note for a Permanent Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Note and the relevant space in Schedule Two thereto recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) in the form(s) set out in Parts 3, 4 and 5 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg (including any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's Creation Online system) in accordance with its usual procedures and in which the holder of a particular nominal amount of Notes is clearly identified together with the amount of such holding), as evidence as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Issuer, solely in the

bearer of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed.

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Global Note and any non-contractual obligations arising out of or in connection with it is governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by Citibank, N.A., London Branch, as Agent and, if this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Note. This Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated from time to time, the **Trust Deed**) dated 17 April 1991 and made between the Issuer and The Law Debenture Trust Corporation p.l.c. as trustee for the holders of the Notes.

The Issuer, subject as hereinafter provided and to and in accordance with the Conditions and the Trust Deed, promises to pay to the bearer hereof on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Notes on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank S.A./N.V. (**Euroclear**) and Clearstream Banking, S.A. (**Clearstream, Luxembourg** and together with Euroclear, the **relevant Clearing Systems**). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer's interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2 or Part 3 of Schedule One hereto or in Schedule Two hereto.

On any redemption of, or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof and any failure to make entries referred to above shall not affect such discharge.

If the Notes represented by this Global Note were, on issue, represented by a Temporary Global Note then on any exchange of such Temporary Global Note for this Global Note or any part hereof, the Issuer shall procure that:

- (a) if the Final Terms indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be increased by the nominal amount of the Temporary Global Note so exchanged; or
- (b) if the Final Terms indicates that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be increased by the nominal amount of the Temporary Global Note so exchanged.

This Global Note may be exchanged (at the cost and expense of the Issuer), in whole, but not in part, for Definitive Notes and (if applicable) Coupons and/or Talons in or substantially in the forms set out in Parts 3, 4 and 5 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Definitive Notes). As indicated in the Final Terms, this Global Note is exchangeable either (a) upon not less than 45 days' written notice (expiring at least 30 days after the Exchange Date (as defined in the Temporary Global Note)) being given to the Agent by Euroclear and/or Clearstream Luxembourg (acting on the instructions of persons with an interest in this Global Note) or (b) upon not less than 45 days' written notice (expiring at least 30 days after the Exchange Date) being given to the Agent by Euroclear and/or Clearstream, Luxembourg (acting on the instructions of persons with an interest in this Global Note) if the Issuer has been notified that either Euroclear or Clearstream, Luxembourg has been closed for business for a

continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system satisfactory to the Trustee is available. If the Final Terms permit trading in the clearing systems in Tradeable Amounts which are not a Specified Denomination, this Global Note will only be exchangeable for Definitive Notes and (if applicable) Coupons and/or Talons in the circumstances provided in (b) above. The Issuer will promptly give notice to the Noteholders in accordance with the Conditions if any such event as aforesaid occurs. Such exchange will be made on any day (other than a Saturday or a Sunday) on which banks are open for business in London by the bearer of this Global Note.

The aggregate nominal amount of Definitive Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note.

Until the exchange of the whole of this Global Note as aforesaid, the bearer hereof shall in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) in the form(s) set out in Parts 3, 4 and 5 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg (including any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EUCLID or Clearstream, Luxembourg's Creation Online system) in accordance with its usual procedures and in which the holder of a particular nominal amount of Notes is clearly identified together with the amount of such holding), as evidence as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this Global Note in accordance with and subject to the terms of this Global Note and the Trust Deed.

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Global Note and any non-contractual obligations arising out of or in connection with it is governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by Citibank, N.A., London Branch, as Agent and, if this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be signed on its behalf.

SCHEDULE 3

PROVISIONS FOR MEETINGS OF THE NOTEHOLDERS

1. As used in this Schedule 3, the following expressions shall have the following meanings unless the context otherwise requires:
 - (a) **voting certificate** shall mean a certificate in the English language, issued by a Paying Agent and dated, in which it is stated:
 - (i) that on the date thereof Notes (not being Notes in respect of which a block voting instruction has been issued and is outstanding in respect of the meeting specified in such voting certificate or any adjourned such meeting) were (to the satisfaction of such Paying Agent) held to its order or under its control or (in the case only of Definitive Notes) were deposited with such Paying Agent and that such Notes will not be released until the first to occur of:
 - (A) the conclusion of the meeting specified in such certificate or any adjourned such meeting or any poll taken on any resolution proposed thereat (whichever shall be the later); and
 - (B) the surrender of the certificate to the Paying Agent which issued the same; and
 - (ii) that the bearer thereof is entitled to attend and vote at such meeting or any adjourned such meeting in respect of the Notes represented by such certificate;
 - (b) **block voting instruction** shall mean a document in the English language, issued by a Paying Agent and dated, in which:
 - (i) it is certified that Notes (not being Notes in respect of which a voting certificate has been issued and is outstanding in respect of the meeting specified in such block voting instruction or any adjourned such meeting) were (to the satisfaction of such Paying Agent) held to its order or under its control) or (in the case only of Definitive Notes) were deposited with such Paying Agent and that no such Notes will be released until the first to occur of:
 - (A) the conclusion of the meeting specified in such document or any adjourned such meeting or any poll taken on any resolution proposed thereat (whichever shall be the later); and
 - (B) the surrender (not less than 48 hours before the time for which such meeting or adjourned meeting is convened or poll called) of the respective receipts to the Paying Agent which issued the same in respect of any such deposited Note which is to be released or (as the case may require) the Notes ceasing with the agreement of the Paying Agent to be held to its order or under its control coupled with notice from the Paying Agent to the Society of such surrender;
 - (ii) it is certified that each holder of such Notes, or a duly authorised agent on the holder's behalf, has instructed such Paying Agent that the vote(s) attributable to such Notes should be cast in a particular way in relation to the resolution or resolutions to be put to such meetings or any adjournment thereof and that all such instructions

are, during the period of 48 hours prior to the time for which such meeting or adjourned meeting is convened, neither revocable nor subject to amendment;

(iii) the total number and (in the case only of Definitive Notes) the serial numbers of the Notes so held or deposited are listed, distinguishing with regard to each such resolution between those in respect of which instructions have been given as aforesaid that the votes attributable thereto should be cast in favour of the resolution and those in respect of which instructions have been so given that the votes attributable thereto should be cast against the resolution; and

(iv) one or more person or persons named in such document (hereinafter called **proxies**) is or are authorised and instructed by such Paying Agent to cast the votes attributable to the Notes so listed in accordance with the instructions referred to in (iii) above as set out in such document.

(c) **24 hours** shall mean a period of 24 hours including all or part of a day upon which banks are open for business in both the place where the relevant meeting is to be held and in each of the places where the Paying Agents have their specified offices (disregarding for this purpose the day upon which such meeting is to be held) and such period shall be extended by one period or, to the extent necessary, more periods of 24 hours until there is included as aforesaid all or part of a day upon which banks are open for business in all of the places as aforesaid; and

48 hours shall mean a period of 48 hours including all or part of two days upon which banks are open for business both in the place where the relevant meeting is to be held and in each of the places where the Paying Agents have their specified offices (disregarding for this purpose the day upon which such meeting is to be held) and such period shall be extended by one period or, to the extent necessary, more periods of 24 hours until there is included as aforesaid all or part of two days upon which banks are open for business in all of the places as aforesaid.

2. Voting certificates and block voting instructions will only be issued in respect of Notes held to the order or under the control of or deposited with any Paying Agent not less than 48 hours before the time for which the meeting or the poll to which the same relate has been convened or called and shall be valid for so long as the relevant Notes are not released pursuant to paragraph 1 hereof; and during the validity thereof the holder of any such voting certificate or, as the case may be, the proxies named in any such block voting instruction shall, for all purposes in connection with any meeting of Noteholders (or, as the case may be, the holders of the Notes of the relevant Series), be deemed to be the holder of the Notes to which such voting certificate or block voting instruction relates and the Paying Agent to the order or under the control of which such Notes are held or with which such Notes have been deposited shall nevertheless be deemed for such purpose not to be the holder of those Notes.

3. The Trustee or the Society at any time may, and the Trustee (subject to its being indemnified to its satisfaction against all costs and expenses thereby occasioned) upon a request in writing of Noteholders (or, as the case may be, the holders of the Notes of the relevant Series) holding not less than one-tenth of the nominal amount of the Notes (or, as the case may be, the Notes of any Series) for the time being outstanding shall, convene a meeting of the Noteholders (or, as the case may be, the holders of the Notes of the relevant Series). Whenever the Society is about to convene any such meeting, it shall immediately give notice in writing to the Trustee and the Dealers of the day, time and place thereof and of the nature of the business to be transacted thereat. Every such meeting shall be held at such place as the Trustee may approve.

4. At least 21 days' notice (exclusive of the day on which the notice is given and the day on which the meeting is held) specifying the day, time and place of meeting shall be given in the manner provided in the Conditions. A copy of the notice shall be given to the Trustee unless the meeting shall be convened by the Trustee and to the Society unless the meeting shall be convened by the Society. Such notice shall be given in the manner provided in these presents and shall, unless in any particular case the Trustee otherwise agrees, specify the terms of the resolution to be proposed and shall include a statement to the effect that Notes may be held to the order or under the control of or deposited with any Paying Agent for the purpose of obtaining voting certificates or appointing proxies until 48 hours before the time fixed for the meeting but not thereafter.
5. A person (who may, but need not, be a Noteholder) nominated in writing by the Trustee shall be entitled to take the chair at every such meeting but if no such nomination is made or if at any meeting the person nominated shall not be present within fifteen minutes after the time appointed for the holding of such meeting, the Noteholders present shall choose one of their number to be chairman and, failing such choice, the Society may appoint a chairman (who may, but need not, be a Noteholder).
6. At any such meeting one or more persons present holding Definitive Notes or voting certificates or being proxies and holding or representing in the aggregate not less than one-twentieth of the nominal amount of the Notes or, as the case may be, of the Notes of the relevant Series for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of business. The quorum at any such meeting for passing an Extraordinary Resolution shall (subject as provided below) be one or more persons present holding Definitive Notes or voting certificates or being proxies and holding or representing in the aggregate a clear majority in the nominal amount of the Notes or, as the case may be, of the Notes of the relevant Series for the time being outstanding PROVIDED THAT at any meeting the business of which includes any of the following matters (each of which shall only be capable of being effected after having been approved by Extraordinary Resolution) namely:
 - (a) modification of the date fixed for final maturity of the Notes or, as the case may be, of the Notes of the relevant Series or reduction of the amount of principal payable on any such date;
 - (b) reduction or cancellation of the nominal amount of or the principal payable on the Notes, or the exchange, sale or conversion thereof as contemplated by paragraph 19(b) below;
 - (c) reduction of the amount payable or modification of the method of calculating the amount payable or modification of the date of payment in respect of any interest;
 - (d) alteration of the currency in which payments under the Notes and Coupons are to be made;
 - (e) alteration of the majority required to pass an Extraordinary Resolution; and
 - (f) alteration of this proviso or the proviso to paragraph 7 below;

the quorum shall be one or more persons present holding Definitive Notes or voting certificates or being proxies and holding or representing in the aggregate not less than two-thirds of the nominal amount of the Notes or, as the case may be, of the Notes of the relevant Series for the time being outstanding.

7. If within half an hour from the time appointed for any such meeting a quorum is not present, the meeting shall, if convened upon the requisition of Noteholders, be dissolved. In any other case, it

shall be adjourned for such period, not being less than 14 days nor more than 42 days, as may be appointed by the chairman. At such adjourned meeting one or more persons present in person holding Definitive Notes or, as the case may be, Notes of the relevant Series and/or voting certificates and/or being proxies (whatever the nominal amount of the Notes or, as the case may be, of the Notes of the relevant Series for the time being outstanding so held or represented) shall form a quorum and shall have the power to pass any resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had a quorum been present at such meeting; Provided that at any adjourned meeting the business of which includes any of the matters specified in the proviso to paragraph 6 above, the quorum shall be one or more persons present holding Definitive Notes or voting certificates or being proxies and being or representing in the aggregate the holders of not less than one-third in nominal amount of the Notes or, as the case may be, of the Notes of the relevant Series for the time being outstanding.

8. The chairman may with the consent of (and shall if directed by) any meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.
9. At least ten days' notice of any meeting adjourned through want of a quorum shall be given in the same manner as of an original meeting, and such notice shall state the quorum required at such adjourned meeting. Subject as aforesaid, it shall not be necessary to give any notice of an adjourned meeting.
10. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other vote or votes to which the chairman is entitled as a Noteholder and/or as a holder of a voting certificate and/or as a proxy.
11. At any meeting, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman or by one or more persons holding one or more Definitive Notes and/or voting certificates and/or being proxies and being or representing in the aggregate not less than one-fiftieth part of the nominal amount of the Notes or, as the case may be, of the Notes of the relevant Series then outstanding, a declaration by the chairman that a resolution has been carried or carried by a particular majority or lost or not carried by any particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
12. If at any meeting a poll is so demanded, it shall be taken in such manner and (subject as hereinafter provided) either at once or after such an adjournment as the chairman directs, and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.
13. Any poll demanded at any meeting on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.
14. The Trustee and the Society (through their respective representatives) and their respective financial and legal advisers shall be entitled to attend and speak at any meeting of the Noteholders or, as the case may be, of the holders of the Notes of any Series. Save as aforesaid, no person shall be entitled to attend or vote at any meeting of the Noteholders or, as the case may be, of the holders of the Notes of any Series or to join with others in requesting the convening of such a meeting without producing the Notes or Notes of the relevant Series held by such person or a voting certificate or without being a proxy. Without prejudice to any obligation to cancel purchased Notes contained in the Conditions, neither the Society nor any of the Society's Subsidiaries shall be entitled to vote in

respect of Notes held by or on behalf of it or any of its Subsidiaries but this shall not prevent any of the proxies named in any block voting instruction from being a director, managing director, officer or representative of, or otherwise connected with, the Society or any of its Subsidiaries.

15. Subject as provided in paragraph 14 above, at any meeting:
- (a) on a show of hands every person who is present in person and produces a Definitive Note or voting certificate or is a proxy shall have one vote; and
 - (b) on a poll every person who is so present shall have one vote in respect of:
 - (i) in the case of a meeting of the holders of Notes all of which are denominated in U.S. dollars, each U.S.\$1.00;

 - (v) in the case of a meeting of the holders of Notes all of which are denominated in Australian dollars, each A\$1.00;
 - (vi) in the case of a meeting of the holders of Notes all of which are denominated in New Zealand dollars, each NZ\$1.00;
 - (vii) in the case of a meeting of the holders of Notes all of which are denominated in Hong Kong dollars, each HK\$1.00;
 - (viii) in the case of a meeting of the holders of Notes all of which are denominated in Canadian dollars, each Can\$1.00;
 - (ix) in the case of a meeting of the holders of Notes all of which are denominated in Danish Krone, each DKr1.00;
 - (x) in the case of a meeting of the holders of Notes all of which are denominated in Norwegian Krone, each NKr1.00;
 - (xi) in the case of a meeting of the holders of Notes all of which are denominated in Swiss francs, each Sfr1.00;
 - (xii) in the case of a meeting of the holders of Notes all of which are denominated in a single currency other than those stated above, each minimum integral amount of such currency; and
 - (xiii) in the case of a meeting of the holders of Notes denominated in more than one currency, each U.S.\$1.00 or, in the case of a Note denominated in a currency other than U.S. dollars, the equivalent of U.S.\$1.00 in such currency at the Agent's spot buying rate for the relevant currency against U.S. dollars at or about 11am on the date of publication of the notice of the relevant meeting (or of the original meeting of which such meeting is an adjournment),

or such other amount as the Trustee shall in its absolute discretion stipulate in nominal amount of Notes so produced or represented by the voting certificate so produced or in respect of which he is a proxy. Without prejudice to the obligations of proxies named in any block voting instruction, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

Without prejudice to the obligations of the proxies named in any block voting instruction any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

16. The proxies named in any block voting instruction need not be Noteholders.
17. Each block voting instruction, together (if so required by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the relevant Paying Agent, shall be deposited at the principal office of the Society, or at such other place as the Trustee shall designate or approve, not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction propose to vote and in default the block voting instruction shall not be treated as valid unless the chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. Unless otherwise agreed by the Trustee, notarially certified copies of each block voting instruction and satisfactory proof as aforesaid (if applicable) shall be deposited with the Trustee before the commencement of the meeting or adjourned meeting, but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of, or the authority of the proxies named in, any such block voting instruction.
18. Any vote given in accordance with the terms of a block voting instruction shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or of any of the Noteholders' instructions pursuant to which it was executed, provided that no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent by or on behalf of the Society at its office (or send to the place as be approved by the Trustee) or by the chairman of the meeting, in each case by the time being 24 hours before the commencement of the meeting or adjourned meeting at which the block voting instruction is intended to be used.
19. - (i) a resolution which, in the opinion of the Trustee, affects one Series only of the Notes shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;
- (ii) a resolution which, in the opinion of the Trustee, affects more than one Series of the Notes but does not give rise to a conflict of interests between the holders of the Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all Series so affected;
- (iii) a resolution which, in the opinion of the Trustee, affects more than one Series of the Notes and gives or may give rise to a conflict of interests between the holders of the Notes of one Series or group of Series so affected shall be deemed to have been duly passed only if in lieu of being passed at a single meeting of the Noteholders of all such Series it shall be passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and
- (iv) all the preceding provisions of this Schedule 3 shall *mutatis mutandis* apply to all such meetings as aforesaid as though references therein to Notes and Noteholders were references to the Notes of the Series in question and to the holders of such Notes respectively.

In such circumstances, on any poll each person present shall have one vote for each U.S. dollar of the Notes (converted as above) which he holds.

- 25. Minutes of all resolutions and proceedings at every such meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Society or the Trustee, and any such minutes as aforesaid, if purporting to be signed by the chairman of the meeting at which such resolutions were passed or proceedings transacted or by the chairman of the next succeeding meeting of the Noteholders (or, as the case may be, the holders of the Notes of the relevant Series), shall be conclusive evidence of the matters therein contained, and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made and signed as aforesaid shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed and transacted.
