Accordingly, subject to the Insolvency Act (and any other Ranking Legislation), claims in respect of principal, interest and any other amount (including, without limitation, any damages awarded for breach

of the Issuer's obligations) in respect of the FRN 2029 Notes will, in the event of the winding up or dissolution of the Issuer (subject as otherwise provided in an Excluded Dissolution), rank as provided for Secondary Non-Preferential Debts in the Insolvency Act (and any other Ranking Legislation), and therefore:

- (a) junior in right of payment to all Senior Claims;
- (b) *pari passu* with all other Senior Non-Preferred Claims; and
- (c) in priority to all Subordinated Claims.

"Regulatory Capital Requirements" means, at any time, any requirement contained in the law, regulations, requirements, guidelines and policies then in effect (whether or not having the force of law) relating to capital adequacy and prudential supervision and applicable to the Issuer, including (without limitation to the generality of the foregoing), those applicable laws, regulations, requirements, guidelines and policies relating to capital adequacy and prudential supervision then in effect of the United Kingdom or the relevant Supervisory Authority and/or any other relevant authority.

"Secondary Non-Preferential Debts" means 'secondary non-preferential debts' as defined in Section 378A(3)(b) of the Insolvency Act (or, as the case may be, in the relevant section of any Ranking Legislation).

“Senior Claims” means the aggregate amount of all claims admitted in the winding up or dissolution of the Issuer which are:

- (a) claims of investing members of the Issuer as regards the principal and interest due on share investments other than deferred share investments; and
- (b) claims (including, as applicable, those of depositors) in respect of Ordinary Non-Preferential Debts of the Issuer and all other obligations of the Issuer which are preferred by law to Secondary Non-Preferential Debts.

“Senior Non-Preferred Claims” means the aggregate amount of all claims admitted in the winding up or dissolution of the Issuer which are claims of creditors in respect of Secondary Non-Preferential Debts of the Issuer.

“share investment” has the meaning ascribed thereto in the Memorandum and Rules of the Issuer.

“Subordinated Claims” means the aggregate amount of all claims admitted in the winding up or dissolution of the Issuer which are claims in respect of Tertiary Non-Preferential Debts of the Issuer (or which otherwise rank or are expressed by their terms to rank junior to Senior Non-Preferred Claims), including (without limitation) claims in respect of obligations of the Issuer which constitute, or would but for any applicable limitation on the amount of such capital constitute, Tier 2 Capital, Additional Tier 1 Capital or Common Equity Tier 1 Capital (including the Issuer's core capital deferred shares) and claims in respect of the Issuer's permanent interest bearing shares.

“Supervisory Authority” means, from time to time, the Prudential Regulation Authority, the Bank of England and/or such other authority having for the time being primary supervisory authority and/or responsibility with respect to prudential or resolution matters concerning the Issuer and/or its group, as may be relevant in the context.

“Tier 1 Capital”, “Common Equity Tier 1 Capital”, “Additional Tier 1 Capital” and “Tier 2 Capital” have the respective meanings given thereto (or to a successor or equivalent term) in the Regulatory Capital Requirements.

References to a “winding up or dissolution” in respect of the Issuer (which term includes, where the context admits, a successor Person (within the meaning of Section 7.2 of the Base Indenture, a “Successor Person”) which has been substituted in place of the Issuer) shall include (as applicable): (i) an order being made, or an effective resolution being passed, for the winding up or dissolution of the Issuer; (ii) following the appointment of an administrator in respect of the Issuer, the administrator gives notice that it intends to declare and distribute a dividend; or (iii) the liquidation of the Issuer, or any procedure similar to that described in paragraph (i) or (ii) of this definition occurring in respect of Issuer (including, if applicable, any building society or bank insolvency procedure, or a building society or bank administration procedure involving a distribution to creditors, pursuant to the Banking Act 2009) which has the effect of a winding up or dissolution.

Section 2.4. Payment of Additional Amounts (Section 9.8 of the Base Indenture)

The FRN 2029 Notes are, and shall be treated for all purposes as, Senior Non-Preferred Notes falling within Section 9.8(ii) (and not Section 9.8(i)) of the Base Indenture. Accordingly, in the event of any deduction or other withholding for or on account of any present or future tax, assessment, duty or other governmental charge of any nature whatsoever imposed, levied or collected by or on behalf of the United Kingdom, or any political subdivision thereof or authority therein having power to tax, in respect of any payments in respect of any FRN 2029 Note, the Issuer will (subject as provided in Section 9.8 of the Base Indenture) pay to the Holder of any FRN 2029 Note such additional amounts as may be necessary in order that every net payment of interest on such FRN 2029 Note will not be less than the amount provided for in such FRN 2029 Note as then due and payable. However, the Issuer will not pay any such additional amounts in respect of any principal of (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) any FRN 2029 Note.

Section 2.5. Settlement of the FRN 2029 Notes.

“(a) If default is made for a period of seven days or more in the payment of any principal due on the FRN 2029 Notes or any of them or for a period of 14 days or more in the payment of any interest due on the FRN 2029 Notes or any of them, the Trustee at its discretion may, and if so requested in writing by the Holders of at least one-quarter of the nominal amount of FRN 2029 Notes then outstanding shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), institute proceedings for the winding up of the Issuer in England (but not elsewhere) to enforce the obligations of the Issuer in respect of the FRN 2029 Notes and this Indenture in so far as it relates to the FRN 2029 Notes, but may take no other action in respect of such default (except as provided in paragraph (b) below).

(b) In the event of a winding up or dissolution of the Issuer (subject as otherwise provided in an Excluded Dissolution), whether or not instituted by the Trustee pursuant to paragraph (a) above, the Trustee at its discretion may, and if so requested in writing by the Holders of at least one-quarter of the nominal amount of FRN 2029 Notes then outstanding shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), give notice to the Issuer (or the relevant official presiding over such winding up or dissolution) that the FRN 2029 Notes are, and they shall accordingly immediately become, due and repayable at their Early Redemption Amount together with accrued interest as provided in this Indenture, and shall claim and/or prove in such winding up or dissolution in respect of the FRN 2029 Notes (such claim ranking as provided in Section 2.3 of the Seventeenth Supplemental Indenture dated as of July 14, 2025 and relating to the FRN 2029 Notes).

(c) Without prejudice to paragraphs (a) and (b) above, the Trustee may at its discretion and without notice institute such steps, actions or proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the FRN 2029 Notes or this Indenture as it relates to the FRN 2029 Notes (other than any payment obligation of the Issuer under or arising from the FRN 2029 Notes or this Indenture as it relates to the FRN 2029 Notes, including, without limitation, payment of any principal or interest in respect of the FRN 2029 Notes, including any damages awarded for breach of any obligations) provided that in no event shall the Issuer, by virtue of the institution of any such steps, actions or proceedings, be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it pursuant to this Indenture, nor will the Trustee accept the same, otherwise than during or after a winding up or dissolution of the Issuer.

(d) No Holder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, (i) fails to do so, or (ii) is unable for any reason to do so, in each case for a reasonable period, and such failure or inability is continuing, in which case any such Holder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No such Holder shall be entitled to institute proceedings for the winding up of the Issuer, or to prove in any winding up or dissolution of the Issuer, except that if the Trustee, having become bound to proceed against the Issuer as aforesaid, fails to do so or is unable for any reason to do so, or being able to prove in any winding up or dissolution

of the Issuer, fails to do so, in each case for a reasonable period, and such failure or inability is continuing, then any such Holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise) itself institute proceedings for the winding up in England (but not elsewhere) of the Issuer and/or prove in any winding up or dissolution of the Issuer to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do in respect of such FRN 2029 Notes held by such Holder.

(e) No remedy against the Issuer, other than the institution of proceedings for the winding up in England of the Issuer and/or the proving or claiming in any winding up or dissolution of the Issuer, shall be available to the Trustee or the Holders of FRN 2029 Notes for the recovery of amounts owing in respect of such FRN 2029 Notes or under this Indenture in so far as it relates to the FRN 2029 Notes.

(f) The Trustee may at its discretion institute such proceedings as are contemplated by this Section 5.3 against the Issuer to enforce the obligations of the Issuer under this Indenture in so far as it relates to the FRN 2029 Notes, but it shall not be bound to institute any such proceedings unless (a) it shall have been so requested in writing by Holders holding at least one-quarter in nominal amount of the FRN 2029 Notes then outstanding and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.”

(k) Section 9.6 (*Negative Pledge*) shall be replaced with “[reserved]”;

(l) Section 10.9 (*Redemption for Tax Reasons*) shall be replaced with the following:

“If the Issuer at any time satisfies the Trustee immediately prior to the giving of the notice required by Section 10.2 of this Indenture that a Tax Event has occurred in respect of the FRN 2029 Notes and that the Issuer cannot avoid the same by taking reasonable measures available to it, then the Issuer may in its sole discretion (but subject to compliance with Section 10.14 of this Indenture), having given notice of not more than 30 days nor less than 15 days prior to the date of redemption to the Trustee and, in accordance with Section 1.5 of this Indenture, the Holders of the FRN 2029 Notes (which notice shall be irrevocable and shall specify the date set for redemption), redeem on any Interest Payment Date, all (but not some only) of the FRN 2029 Notes at their Early Redemption Amount together, if applicable, with interest accrued to (but excluding) the date fixed for redemption. Upon the expiry of such notice the Issuer shall be bound to redeem the FRN 2029 Notes accordingly.

Prior to the publication of any notice of early redemption pursuant to the provisions set forth above, the Issuer shall deliver to the Trustee a certificate signed by any two authorized signatories of the Issuer confirming that the relevant requirement or circumstance giving rise to the right to redeem have been satisfied. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders of the FRN 2029 Notes.

A “Tax Event” will be deemed to have occurred in respect of the FRN 2029 Notes if, as a result of a Tax Law Change:

(i) in making any payments on the FRN 2029 Notes, the Issuer has paid or will or would on the next payment date be required to pay additional amounts as described Section 9.8 of this Indenture; or

(ii) any payment in respect of the FRN 2029 Notes would be a “distribution” or would otherwise not be deductible (in whole, or to a material extent) for United Kingdom tax purposes (or the deduction would be materially deferred); or

(iii) the Issuer is not, or will not be, able to have losses or deductions set against any profits or gains, or profits or gains offset by any losses or deductions, of companies with which it is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the Issue Date of the latest tranche of the FRN 2029 Notes or any similar system or systems having like effect as may from time to time exist); or

(iv) the FRN 2029 Notes are or will be prevented from being treated as loan relationships for United Kingdom tax purposes; or

(v) a future conversion into equity or write-down of the principal amount of the FRN 2029 Notes would result in a United Kingdom tax liability, or the receipt of income or profit which would be subject to United Kingdom tax.

As used herein, “Tax Law Change” means any change in, or amendment to, the laws or regulations of the United Kingdom (including any treaty to which it is a party) or any political subdivision or any authority thereof or therein having power to tax, or any change in the official interpretation thereof by the relevant tax authority or in the application of such laws or regulations by a decision of any court or tribunal that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or any pronouncement of a tax authority in the United Kingdom, which change or amendment becomes effective or, in the case of a change in law, if such change is enacted by a UK Act of Parliament or by Statutory Instrument, on or after the Issue Date of the latest tranche of the FRN 2029 Notes.”

(m) Section 10.11 (Loss Absorption Disqualification Event Redemption of Senior Non-Preferred Notes) shall be replaced with:

“Subject to compliance with Section 10.14 of this Indenture, the Issuer may, in its sole discretion, if a Loss Absorption Disqualification Event has occurred with respect to the FRN 2029 Notes, redeem on any Interest Payment Date, all (but not some only) of the FRN 2029 Notes at their Early Redemption Amount together, if applicable, with interest accrued to (but excluding) the date fixed for redemption.

Prior to the publication of any notice of early redemption pursuant to this Section 10.11, the Issuer shall deliver to the Trustee a certificate signed by any two authorized officers of the Issuer confirming that a Loss Absorption Disqualification Event has occurred. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders of the FRN 2029 Notes.”

(n) Section 10.14 (Preconditions to Redemption, Purchase, Substitution or Variation of Senior Non-Preferred Notes) shall be replaced with:

“Any redemption or purchase prior to the Maturity Date, or any substitution or variation, of any FRN 2029 Notes in accordance with any applicable Section under Article X (*Redemption and Purchase of Notes*) of this Indenture is subject to:

- (a) the Issuer having obtained Relevant Supervisory Consent therefor; and
- (b) compliance with any other pre-conditions to, or requirements applicable to, such redemption, purchase, substitution or variation as may be required by the relevant

Supervisory Authority or the Loss Absorption Regulations at such time, including, in the case of a redemption or purchase and to the extent then so required, the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that:

- A. it has (or, before or at the same time as the relevant redemption or purchase, will have) replaced such FRN 2029 Notes with own funds or eligible liabilities instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or
- B. the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed its minimum requirements for own funds and eligible liabilities by a margin that the relevant Supervisory Authority considers necessary at such time; or
- C. the partial or full replacement of such FRN 2029 Notes with own funds instruments is necessary to ensure compliance with the own funds requirements laid down in the prevailing Regulatory Capital Requirements for continuing authorization.

(o) Section 10.16 (Substitution and Variation in respect of Senior Non-Preferred Notes) shall be replaced with:

“Upon the occurrence of a Tax Event or a Loss Absorption Disqualification Event in respect of the FRN 2029 Notes, the Issuer (in its sole discretion but subject to Section 10.14 of this Indenture), having given notice of not more than 30 days nor less than 15 days prior to the date of substitution or variation (as the case may be) to the Trustee and, in accordance with Section 1.5 of this Indenture, the Holders of the FRN 2029 Notes (which notice shall be irrevocable and shall specify the date fixed for substitution or variation, as applicable) may at any time, without any requirement for the consent or approval of the Holders of the FRN 2029 Notes, either substitute all (but not some only) of the FRN 2029 Notes for, or vary the terms of the FRN 2029 Notes, so that they remain or, as appropriate, become, Compliant Notes. Upon the expiry of the notice referred to above, the Issuer shall either substitute or, as the case may be, vary the terms of the FRN 2029 Notes.

In connection with any substitution or variation in accordance with this Section 10.16, the Issuer shall comply with the rules of any stock exchange on which the FRN 2029 Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with this Section 10.16 is subject to the following conditions:

- (A) the Issuer complying with Section 10.14 of this Indenture;
- (B) such substitution or variation not resulting in any event or circumstance which at or around that time gives the Issuer a redemption right in respect of the resulting Compliant Notes; and
- (C) prior to the publication of any notice of substitution or variation, the Issuer having delivered to the Trustee a certificate signed by two authorized signatories of the Issuer stating that the relevant Tax Event or Loss Absorption Disqualification Event, as applicable, giving rise to the right to substitute or vary the FRN 2029 Notes has occurred as at the date of the certificate and that the conditions set out (A) and (B) immediately above have been satisfied, and the Trustee shall be

entitled to accept such certificate as sufficient evidence thereof, and such certificate shall be conclusive and binding on the Trustee and all Holders of the FRN 2029 Notes.

The Trustee shall, subject to the Issuer's compliance with the foregoing conditions and the provision of the certificate signed by two authorized signatories of the Issuer as referred to in the definition of 'Compliant Notes' and at the expense and cost of the Issuer, use reasonable efforts to assist the Issuer in any substitution or variation of the FRN 2029 Notes in accordance with this provision, except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Compliant Notes would impose, in the Trustee's sole determination, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its sole satisfaction.

In connection with any such substitution or variation, the Trustee may rely without liability to any Holders on a report, confirmation, certificate or any advice on any accountants, financial advisers, financial institutions or any other experts, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation, certificate or advice and such report, confirmation, certificate or advice shall be binding on the Issuer, the Trustee and the Holders.

“Compliant Notes” means securities that comply with the following (which compliance has been certified to the Trustee in a certificate signed by two authorized signatories of the Issuer and delivered to the Trustee prior to the relevant substitution or variation):

(a) such securities are issued by the Issuer or any wholly-owned direct or indirect subsidiary of the Issuer with a guarantee of such obligations by the Issuer;

(b) such securities rank (or, if guaranteed by the Issuer, benefit from a guarantee that ranks) as part of the class of Secondary Non-Preferential Debts;

(c) (subject to (b) above) such securities have terms not materially less favorable to Holders of the FRN 2029 Notes than the terms of the FRN 2029 Notes (as reasonably determined by the Issuer in consultation with an independent adviser of recognized standing);

(d) (without prejudice to (c) above) such securities (1) contain terms such that they comply with the then applicable Loss Absorption Regulations in order to be eligible to qualify in full towards the Issuer's minimum requirements (on an individual (including individual consolidated) or consolidated basis) for own funds and eligible liabilities and/or loss absorbing capacity instruments; (2) bear the same rate of interest from time to time applying to the FRN 2029 Notes and preserve the same interest payment dates; (3) do not contain terms providing for deferral of payments of interest and/or principal; (4) preserve the obligations (including the obligations arising from the exercise of any right) of the Issuer as to redemption of the FRN 2029 Notes, including (without limitation) as to timing of, and amounts payable upon, such redemption; (5) do not contain terms providing for loss absorption through principal write-down or conversion to common equity tier 1 instruments (but without prejudice to any acknowledgement of statutory resolution powers similar to Article XIII (*UK Bail-in Power*) of this Indenture); and (6) preserve any existing rights to any accrued and unpaid interest and any other amounts payable under the FRN 2029 Notes which has accrued to Holders and not been paid;

(e) such securities are listed on the same stock exchange or market as the relevant senior non-preferred notes or the London Stock Exchange or any EEA regulated market or any

market in an Organization for Economic Co-operation and Development (“OECD”) member state selected by the Issuer; and

(f) where the FRN 2029 Notes had a published rating solicited by the Issuer from one or more Rating Agencies immediately prior to their substitution or variation, such securities benefit from (or will, as announced, or otherwise confirmed in writing, by each such relevant Rating Agency, benefit from) an equal or higher published rating from each such Rating Agency as that which applied to the FRN 2029 Notes (unless any downgrade is solely attributable to the ranking of the securities under (b) above).”

(p) Section 12.1(h) shall be replaced with:

“Subject to applicable law, no Holder of any FRN 2029 Note may exercise, claim or plead any right of set-off (including, without limitation, compensation or retention), counterclaim or netting in respect of any amount owed to it by the Issuer arising under or in connection with the FRN 2029 Notes and each Holder shall, by virtue of being the holder of any such FRN 2029 Note (or the holder of any interest therein), be deemed to have waived all such rights of set-off (including, without limitation, compensation or retention), counterclaim or netting. Notwithstanding the provision of the foregoing sentence, if any of the said rights and claims of any Holder of any FRN 2029 Note against the Issuer is discharged by set-off (including, without limitation, compensation or retention), counterclaim or netting, such Holder of such FRN 2029 Note will immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of winding up or dissolution of the Issuer, the liquidator, trustee or other insolvency official of the Issuer, and accordingly such discharge will be deemed not to have taken place.”

(q) The Indenture shall be amended to eliminate all references to the use of facsimile transmission as a permitted means of communication.

This Supplemental Indenture shall become effective upon its execution and delivery.

Subject to Section 4.2 hereof, the Base Indenture is in all respects ratified and confirmed and all the terms, provisions and conditions thereof shall be and remain in full force and effect. This Supplemental Indenture shall be deemed an integral part of the Base Indenture in the manner and to the extent herein and therein provided.

Section 4.2. Priority.

This Supplemental Indenture shall be deemed part of the Base Indenture in the manner and to the extent herein and therein provided. Section 4.3. Governing Law.

This Supplemental Indenture and the FRN 2029 Notes shall be governed by, and construed in accordance with, the laws of the State of New York, except that the provisions set forth in Section 2.3 of

this Supplemental Indenture and Section 12.1 of the Base Indenture, and the corresponding ranking provisions of the FRN 2029 Notes pursuant to Section 3.1 of the Base Indenture and in the terms of the FRN 2029 Notes, will be governed by and construed in accordance with the laws of England, with the intention that such provisions be given full effect in any insolvency proceedings relating to the Issuer in England.

Section 4.4. Counterparts.

This Supplemental Indenture may be executed in any number of counterparts, each of which shall be an original; but such counterparts shall together constitute one and the same instrument. The exchange of copies of this Supplemental Indenture and of signature pages that are executed by manual signatures that are scanned, photocopied or faxed or by other electronic signing created on an electronic platform (such as DocuSign) or by digital signing (such as Adobe Acrobat Sign), in each case that is approved by the Trustee, shall constitute effective execution and delivery of this Supplemental Indenture for all purposes. Signatures of the parties hereto that are executed by manual signatures that are scanned, photocopied or faxed or by other electronic signing created on an electronic platform (such as DocuSign) or by digital signing (such as Adobe Acrobat Sign), in each case that is approved by the Trustee, shall be deemed to be their original signatures for all purposes of this Supplemental Indenture as to the parties hereto and may be used in lieu of the original.

Anything in the Base Indenture, this Supplemental Indenture or the FRN 2029 Notes to the contrary notwithstanding, for the purposes of the transactions contemplated by the Base Indenture, this Supplemental Indenture, the FRN 2029 Notes and any document to be signed in connection with the Base Indenture, this Supplemental Indenture or the FRN 2029 Notes (including the Trustee's Certificate of Authentication on the FRN 2029 Notes, amendments, waivers, consents and other modifications, Officer's Certificates, Company Requests and Opinions of Counsel and other issuance, authentication and delivery documents) or the transactions contemplated hereby may be signed by manual signatures that are scanned, photocopied or faxed or other electronic signatures created on an electronic platform (such as DocuSign) or by digital signature (such as Adobe Acrobat Sign), in each case that is approved by the Trustee, and contract formations on electronic platforms approved by the Trustee, and the keeping of records in electronic form, are hereby authorized, and each shall be of the same legal effect, validity or enforceability as a manually executed signature in ink or the use of a paper-based recordkeeping system, as the case may be.

Section 4.5. Severability.

If any provision of this Supplemental Indenture shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

Section 4.6. Recitals.

The recitals in this Supplemental Indenture are made by the Issuer and not by the Trustee and the Trustee assumes no responsibility for their correctness. The Trustee shall not be responsible for the validity or sufficiency of this Supplemental Indenture.

Section 4.7. Tax Matters.

In order to comply with applicable tax laws (inclusive of rules, regulations and interpretations promulgated by competent authorities) related to the Indenture in effect from time to time (the "Applicable Law") that a foreign financial institution, issuer, trustee, paying agent or other party is or has agreed to be subject to, the Issuer agrees (i) to provide to the Trustee sufficient information about the parties and/or

transactions (including any modification to the terms of such transactions) so the Trustee can determine whether it has tax related obligations under Applicable Law, (ii) that the Trustee shall be entitled to make any withholding or deduction from payments to the extent necessary to comply with Applicable Law for which the Trustee shall not have any liability, and (iii) to hold harmless the Trustee for any losses it may suffer due to the actions it takes to comply with Applicable Law. The terms of this section shall survive the termination of the Indenture.

Section 4.8. Contractual recognition of UK Bail-in Powers.

Notwithstanding and to the exclusion of any other term in this Supplemental Indenture or the Base Indenture or any other agreements, arrangements, or understanding between the Issuer and any other party to this Supplemental Indenture (each such other party, a “Relevant Counterparty”), each Relevant Counterparty acknowledges and accepts that a UK Bail-in Liability arising under this Supplemental Indenture or the Base Indenture may be subject to the exercise of UK Bail-in Powers by the Relevant UK Resolution Authority and acknowledges, accepts, and agrees to be bound by:

The Rate of Interest on the Notes will be reset quarterly (each such period, a “**Floating Rate Interest Reset Period**”) on the Floating Rate Interest Reset Dates specified on the face hereof. If any Floating Rate Interest Reset Date would otherwise be a day that is not a Business Day, such Floating Rate Interest Reset Date will be postponed to the next succeeding Business Day except that in the case such Business Day falls in the next succeeding calendar month, such Floating Rate Interest Reset Date will be the immediately preceding Business Day.

The Rate of Interest applicable to each Interest Period will be the rate determined by the Calculation Agent as of the applicable Floating Rate Interest Determination Date, which shall be two US Government Securities Business Days before the relevant Interest Payment Date (or other date on which payment of interest falls due).

(ii) if the rate specified in paragraph (i) above does not so appear, and a SOFR Index Cessation Event has not occurred, then the Calculation Agent shall use the Secured Overnight Financing Rate published on the Federal Reserve’s website for the first preceding US Government Securities Business Day on which the Secured Overnight Financing Rate was published on the Federal Reserve’s website;

(iii) if a SOFR Index Cessation Date has occurred, the Calculation Agent shall calculate SOFR as if references to SOFR were references to the rate that was recommended as (and notified by the Issuer to the Calculation Agent being the replacement for the Secured Overnight Financing Rate by the Federal Reserve Board and/or the Federal Reserve Bank of New York or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York for the purpose of recommending a replacement for the Secured Overnight Financing Rate (which rate may be produced by a Federal Reserve Bank or other designated administrator, and which rate may include any adjustments or spreads). If no such rate has been recommended within one US Government Securities Business Day of the SOFR Index Cessation Date, then the Calculation Agent shall use OBFR published on the Federal Reserve's website for any Interest Payment Date after the SOFR Index Cessation Date; and

(iv) if the Calculation Agent is required to use OBFR in paragraph (iii) above and an OBFR Index Cessation Date has occurred, then for any Interest Payment Date after such OBFR Index Cessation Date, the Calculation Agent shall use the short-term interest rate target set by the Federal Open Market Committee and published on the Federal Reserve's website, or if the Federal Open Market Committee does not target a single rate, the mid-point of the short-term interest rate target range set by the Federal Open Market Committee and published on the Federal Reserve's website (calculated as the arithmetic average of the upper bound of the target range and the lower bound of the target range).

(iii) a public statement by a regulator or other official sector entity prohibiting the use of the Secured Overnight Financing Rate that applies to, but need not be limited to, fixed income securities and derivatives, to the extent that such public statement has been acknowledged in writing by ISDA as a "SOFR index cessation event" under the 2006 ISDA Definitions as published by ISDA.

Determination of Rate of Interest and calculation of Interest Amount; Percentages

The Calculation Agent will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Calculation Agent will calculate the amount of interest (each an “**Interest Amount**”) for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes and multiplying such sum by the Day Count Fraction. The resultant figure will be rounded to the nearest cent (with one half cent being rounded up).

All percentages resulting from any calculation on the Notes will be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five or more one millionths of a percentage point rounded upwards (e.g., 9.876545% (or 0.09876545) would be rounded to 9.87655% (or 0.0987655)).

If the Notes become due and payable during the Interest Period in accordance with “*Events of Default*” below, the final Rate of Interest shall be calculated for the Interest Accrual Period to (but excluding) the date on which the Notes become so due and payable, and such rate of interest shall continue to apply to the Notes for so long as interest continues to accrue thereon as provided in the Indenture.

Notification of Rate of Interest and Interest Amounts

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and the Trustee and to any listing authority, stock exchange and/or quotation system to which the Notes have then been admitted to listing, trading and/or quotation and to be published as soon as possible after their determination but in no event later than the second Business Day thereafter. Each Rate of Interest, Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the relevant Interest Period. Any such amendment or alternative arrangements will promptly be notified to each listing authority, stock exchange and/or quotation system to which the Notes have then been admitted to listing, trading and/or quotation and to the Holders in accordance with the Indenture.

If the Issuer determines on or prior to the relevant Floating Rate Interest Determination Date that a Benchmark Transition Event has occurred with respect to SOFR, then the following provisions shall apply.

(a) If the Issuer determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date applicable to the Notes, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates.

(b) In connection with the implementation of a Benchmark Replacement with respect to the Notes, the Issuer will have the right to make Benchmark Replacement Conforming Changes with respect to the Notes from time to time.

(d) In connection with any such variation in accordance with the provisions in this subsection, the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(e) The Issuer shall notify the Trustee, the Calculation Agent, the Paying Agents and, in accordance with the subsection "*Notices, etc.*" below the Holders, promptly of any Benchmark Replacement and Benchmark Replacement Adjustment as well the specific terms of any Benchmark Replacement Conforming Changes, determined pursuant to the provisions of this subsection "*Benchmark Discontinuation*". Such notice shall be irrevocable and shall specify the effective date of the Benchmark Replacement Conforming Changes, if any.

(f) No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories:

(1) confirming (i) that a Benchmark Transition Event has occurred, (ii) the Benchmark Replacement, (iii) the applicable Benchmark Replacement Adjustment and (iv) the specific terms of the Benchmark Replacement Conforming Changes (if any), in each case as determined in accordance with the provisions of this sub section; and

(2) certifying that the Benchmark Replacement Conforming Changes are necessary to ensure the proper operation of such Benchmark Replacement and the applicable Benchmark Replacement Adjustment.

(g) The Trustee shall be entitled to rely on such certificate (without inquiry or liability to any person) as sufficient evidence thereof. The Benchmark Replacement and the applicable Benchmark Replacement Adjustment and Benchmark Replacement Conforming Changes (if any) specified in such certificate will (in the absence of manifest error in the determination of the Benchmark Replacement and the applicable Benchmark Replacement Adjustment and the Benchmark Replacement Conforming Changes (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Holders.

"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

(1) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment;

(2) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment;

(3) the sum of: (a) the alternate rate of interest that has been selected by the Issuer as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for any SOFR notes, as applicable, at such time and (b) the Benchmark Replacement Adjustment.

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

(1) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected, endorsed or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;

(2) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment;

(3) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for any SOFR notes at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes with respect to any SOFR notes (including changes to the definition of “interest period”, timing and frequency of determining rates and making payments of interest, changes to the definition of “Corresponding Tenor” solely when such tenor is longer than the interest period and other administrative matters) that the Issuer decides may be appropriate to reflect the adoption of such Benchmark Replacement with respect to any SOFR notes in a manner substantially consistent with market practice (or, if the Issuer decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer determines is reasonably necessary).

“Benchmark Replacement Date” means:

(1) in the case of paragraph (1) or (2) of the definition of “Benchmark Transition Event” below, the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the relevant Benchmark permanently or indefinitely ceases to provide such Benchmark, or

(2) in the case of paragraph (3) of the definition of “Benchmark Transition Event” below, the date of the public statement or publication of information;

provided, however, that on or after the 60th day preceding the date on which such Benchmark Replacement Date would otherwise occur (if applicable), the Issuer may give written notice to Holders of any SOFR notes in which the Issuer designates an earlier date (but not earlier than the 30th day following such notice) and represents that such earlier date will facilitate an orderly transition of any SOFR notes to the Benchmark Replacement, in which case such earlier date shall be the Benchmark Replacement Date.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of the Benchmark announcing that the administrator has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark;

(2) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark, the central bank for the currency of the Benchmark, an insolvency official with jurisdiction over the administrator for the Benchmark, a resolution

authority with jurisdiction over the administrator for the Benchmark or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark; or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“ISDA Fallback Adjustment” means the spread adjustment, (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor.

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

“Reference Time” with respect to any determination of the Benchmark means (1) if the Benchmark is SOFR, 2:00 p.m. (London time) on the day that is two London Banking Days preceding the date of such determination and (2) if the Benchmark is not SOFR, the time determined by the Issuer in accordance with the Benchmark Replacement Conforming Changes.

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the applicable Benchmark Replacement Adjustment.

For the avoidance of doubt, the Issuer may propose that a Benchmark Replacement replace the then-current Benchmark and any Benchmark Replacement Conforming Changes on more than one occasion provided that the conditions set out in this subsection are satisfied.

Notices, etc.

The Issuer shall notify the Trustee, the Calculation Agent, the Paying Agents and, in accordance with this sub-section “-Notices, etc.”, the Holders, promptly of any Successor Rate, Alternative Rate,

Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this section. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories:

(A) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of the section above “—*Benchmark Discontinuation*”;

(B) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread; and

(C) certifying that (i) the Issuer has duly consulted with an Independent Adviser with respect to each of the matters above or, if that is not the case, (ii) explaining, in reasonable detail, why the Issuer has not done so.

(D) The Trustee shall be entitled to rely on such certificate (without inquiry or liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee’s ability to rely on such certificate as aforesaid) be binding on us, the Trustee, the Calculation Agent, the Paying Agents and the Holders.

Eligible liabilities

Notwithstanding any other provision of this section “—*Benchmark discontinuation*”, no Benchmark Replacement or Benchmark Replacement Adjustment will be adopted, nor will any Benchmark Replacement Conforming Changes be effected, if and to the extent that, in our determination, the same could reasonably be expected either (i) to prejudice the qualification of the Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of any Loss Absorption Regulations or (ii) to result in the relevant Supervisory Authority treating any Interest Payment Date as the effective maturity date of the Notes, rather than the Maturity Date.

Payment of Additional Amounts

In the event of any deduction or other withholding for or on account of any present or future tax, assessment, duty or other governmental charge of any nature whatsoever imposed, levied or collected by or on behalf of the United Kingdom, or any political subdivision thereof or authority therein having power to tax, in respect of any payments in respect of any Note, the Issuer will (subject as follows) pay to the Holder of that Note such additional amounts (“**Additional Amounts**”) as may be necessary in order that every net payment of the interest on that Note will not be less than the amount provided for in the Notes as then due and payable. However, the Issuer will not pay any such Additional Amounts in respect of any principal of (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) any Note.

Furthermore, and without prejudice to the foregoing, no such Additional Amounts shall be payable on any Note for or on account of any tax, assessment, duty or other governmental charge which is payable:

(1) otherwise than by deduction or withholding from any payments of interest on such Note;

(2) by reason of the Holder or beneficial owner of such Note who is liable for such taxes having some connection with the United Kingdom (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in the United Kingdom) other than by the mere holding of such Note or enforcement of rights under such Note or the receipt of payments in respect of such Note;

(3) by reason of a change in law or official practice of any relevant taxing authority that becomes effective more than 30 days after the Relevant Date for payment of interest in respect of such Note;

(4) by reason of any estate, excise, inheritance, gift, sales, transfer, wealth, personal property tax or any similar assessment or governmental charge;

(5) as a result of the failure of a Holder or beneficial owner of such Note to satisfy any statutory requirements or make a declaration of non-residence or other similar claim for exemption to the relevant tax authority;

(6) owing to a combination of clauses (1) through (5) above; or

(7) pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 as amended (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

“**Relevant Date**” means the date on which the payment of principal (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) or interest on the Notes first becomes due and payable but, if the full amount of the monies payable on such date has not been received by the relevant Paying Agent or as it shall have directed on or prior to such date, the “**Relevant Date**” means the date on which such monies shall have been so received.

No Additional Amounts will be paid as provided above with respect to any payment of interest on the Notes to any Holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of Notes.

Redemption, Repurchase, Substitution and Variation of Notes

Final Redemption

Unless previously redeemed, purchased and cancelled or substituted and cancelled as provided below, each Note will be redeemed at 100% of its nominal amount in U.S. dollars on the Maturity Date.

Redemption following a Tax Event

If the Issuer at any time satisfies the Trustee immediately prior to the giving of the notice required by Section 10.2 of the Base Indenture that a Tax Event has occurred in respect of the Notes and that the Issuer cannot avoid the same by taking reasonable measures available to it, then the Issuer may in its sole discretion (but subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” below), having given notice of not more than 30 days nor less than 15 days prior to the date of redemption to the Trustee and, in accordance with Section 1.5 of the Base Indenture, the Holders of the Notes (which notice shall be irrevocable and shall specify the date set for redemption), redeem on any Interest Payment Date all (but not some only) of the Notes at their Early Redemption Amount as provided below together, if applicable, with interest accrued to (but excluding) the date fixed for redemption. Upon the expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

Prior to the publication of any notice of early redemption pursuant to the paragraph above, the Issuer shall deliver to the Trustee a certificate signed by any two authorized signatories of the Issuer confirming that the relevant requirement or circumstance giving rise to the right to redeem have been satisfied. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders of the Notes.

A “**Tax Event**” will be deemed to have occurred in respect of the Notes if, as a result of a Tax Law Change:

- (i) in making any payments on the Notes, the Issuer has paid or will or would on the next payment date be required to pay additional amounts as described Section 9.8 of the Base Indenture; or
- (ii) any payment in respect of the Notes would be a “distribution” or would otherwise not be deductible (in whole, or to a material extent) for United Kingdom tax purposes (or the deduction would be materially deferred); or
- (iii) the Issuer is not, or will not be, able to have losses or deductions set against any profits or gains, or profits or gains offset by any losses or deductions, of companies with which it is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the date of issue of the latest tranche of the Notes or any similar system or systems having like effect as may from time to time exist); or
- (iv) the Notes are or will be prevented from being treated as loan relationships for United Kingdom tax purposes; or
- (v) a future conversion into equity or write-down of the principal amount of the Notes would result in a United Kingdom tax liability, or the receipt of income or profit which would be subject to United Kingdom tax.

As used herein, “**Tax Law Change**” means any change in, or amendment to, the laws or regulations of the United Kingdom (including any treaty to which it is a party) or any political subdivision or any authority thereof or therein having power to tax, or any change in the official interpretation thereof by the relevant tax authority or in the application of such laws or regulations by a decision of any court or tribunal that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or any pronouncement of a tax authority in the United

Kingdom, which change or amendment becomes effective or, in the case of a change in law, if such change is enacted by a UK Act of Parliament or by Statutory Instrument, on or after the Issue Date of the latest tranche of the Notes.

Redemption at the Issuer's Option

The Notes will be redeemable at the option of the Issuer (but subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” below) in whole but not in part on the Interest Payment Date falling on or nearest to July 14, 2028 at 100% of their principal amount plus accrued and unpaid interest to (but excluding) the date of redemption subject to notice being given not more than 30 days, nor less than 15 days, prior to the date of redemption in accordance with the applicable provisions of the Indenture.

Loss Absorption Disqualification Event Redemption of the Notes

Subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*”, the Issuer may, in its sole discretion, if a Loss Absorption Disqualification Event has occurred in respect of the Notes, upon not more than 30 days nor less than 15 days' notice prior to the date of redemption given in accordance with the applicable provisions of the Indenture, redeem on any Interest Payment Date all (but not some only) of the Notes at their Early Redemption Amount as provided below together, if applicable, with interest accrued to (but excluding) the date fixed for redemption.

Prior to the publication of any notice of early redemption pursuant to the paragraph above, the Issuer shall deliver to the Trustee a certificate signed by any two authorized signatories of the Issuer confirming that a Loss Absorption Disqualification Event has occurred. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders. Upon the expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

Early Redemption Amounts

For the purposes of redemption following a Tax Event or following a Loss Absorption Disqualification Event and for the purposes of redemption in the circumstances specified in “*Events of Default – (b) Winding up or dissolution*” below, the “**Early Redemption Amount**” for the Notes will be 100% of their principal amount.

Repurchase

The Issuer may (subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” below and prevailing Loss Absorption Regulations) at any time purchase or otherwise acquire Notes at any price or prices in the open market or otherwise. Notes so purchased may be held or resold or, at the Issuer's discretion, notes may be surrendered to the Trustee for cancellation.

Preconditions to Redemption, Purchase, Substitution or Variation of the Notes

Any redemption or purchase of any Notes prior to the Maturity Date, or any substitution or variation of the Notes in accordance with any applicable subsection of this section “*Redemption, Repurchase, Substitution and Variation of the Notes*” is subject to:

- (a) the Issuer having obtained Relevant Supervisory Consent therefor; and
- (b) compliance with any other pre-conditions to, or requirements applicable to, such redemption, purchase, substitution or variation as may be required by the relevant Supervisory Authority or the Loss Absorption Regulations at such time, including, in the case of a redemption or purchase and to the extent then so required, the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that:
 - (A) it has (or, before or at the same time as the relevant redemption or purchase, will have) replaced the relevant Notes with own funds or eligible liabilities instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or
 - (B) the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed its minimum requirements for own funds and eligible liabilities by a margin that the relevant Supervisory Authority considers necessary at such time; or
 - (C) the partial or full replacement of the relevant Notes with own funds instruments is necessary to ensure compliance with the own funds requirements laid down in the prevailing Regulatory Capital Requirements for continuing authorization.

Substitution and Variation in Respect of the Notes

Upon the occurrence of a Tax Event or Loss Absorption Disqualification Event in respect of the Notes, the Issuer in its sole discretion (but subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” above) may at any time, upon not more than 30 days nor less than 15 days’ notice to the Trustee and to the Holders of the Notes given in accordance with the applicable provisions of the Indenture, but without any requirement for the consent or approval of the Holders of the Notes, either substitute all (but not some only) of the Notes for, or vary the terms of the Notes so that they remain or, as appropriate, become Compliant Notes. Upon the expiry of the notice referred to above, the Issuer shall either substitute or, as the case may be, vary the terms of the Notes.

In connection with any substitution or variation in accordance with this provision, the Issuer shall comply with the rules of any stock exchange on which the relevant Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with this provision is subject to the following conditions:

- (A) the Issuer complying with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” above;
- (B) such substitution or variation not resulting in any event or circumstance which at or around that time gives the Issuer a redemption right in respect of the resulting Compliant Notes; and
- (C) prior to the publication of any notice of substitution or variation, the Issuer having delivered to the Trustee a certificate signed by two authorized signatories of the Issuer stating that

the relevant Tax Event or Loss Absorption Disqualification Event, as applicable, giving rise to the right to substitute or vary the Notes has occurred as at the date of the certificate and that the conditions set out (A) and (B) immediately above have been satisfied and the Trustee shall be entitled to accept such certificate as sufficient evidence thereof, and such certificate shall be conclusive and binding on the Trustee and all Holders and beneficial owners of Notes.

The Trustee shall, subject to the Issuer's compliance with the foregoing conditions and the provision of the certificate signed by two authorized signatories of the Issuer as referred to in the definition of 'Compliant Notes' and at the expense and cost of the Issuer, use reasonable efforts to assist the Issuer in any substitution or variation of the Notes in accordance with this provision, except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Compliant Notes would impose, in the Trustee's sole determination, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its sole satisfaction.

Agreement with Respect to the Exercise of UK Bail-in Power

Notwithstanding, and to the exclusion of, any other term of any Notes or any other agreements, arrangements or understandings between the Issuer and any Holders and beneficial owners of Notes (or the Trustee on behalf of any Holder or beneficial owner of Notes), by its acquisition of any Note (or any interest therein), each Holder and each beneficial owner of Notes acknowledges and accepts that the Amounts Due arising under the Notes may be subject to the exercise of the UK Bail-in Power by the Resolution Authority, and acknowledges, accepts, consents, and agrees to be bound by:

- (a) the effect of the exercise of the UK Bail-in Power by the Resolution Authority, that may include and result in (without limitation) any of the following, or some combination thereof:
 - (i) the reduction of all, or a portion, of the Amounts Due;
 - (ii) the conversion of all, or a portion, of the Amounts Due on the Notes into shares, deferred shares (including core capital deferred shares), other securities or other obligations of the Issuer or another person (and the issue to or conferral on the Holder or beneficial owner of Notes of such shares, deferred shares (including core capital deferred shares), securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes;
 - (iii) the cancellation of the Notes; and/or
 - (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, and/or the date on which the interest becomes payable, including by suspending payment for a temporary period; and
- (b) the variation of the terms of the Notes and the Indenture, if necessary, to give effect to the exercise of the UK Bail-in Power by the Resolution Authority.

No repayment or payment of Amounts Due on the Notes, will become due and payable or be paid after the exercise of any UK Bail-in Power by the Resolution Authority if and to the extent such amounts have been reduced, converted, cancelled, suspended (for so long as such suspension or moratorium is outstanding), amended or altered as a result of such exercise.

Neither a reduction or cancellation, in part or in full, of the Amounts Due or the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Issuer, nor the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes, will be an Event of Default or otherwise constitute a breach of or default under the terms of the Notes or the Indenture nor a default or event of default for any other purpose.

Upon the exercise of the UK Bail-in Power by the Resolution Authority with respect to any Notes, the Issuer shall promptly give notice to the Holders and to the Trustee and the Paying Agents. Any delay or failure by the Issuer in delivering any notice referred to in this section “—*Agreement with Respect to the Exercise of UK Bail-in Power*” shall not affect the validity or enforceability of the UK Bail-in Power.

For the purposes of this section “—*Agreement with Respect to the Exercise of UK Bail-in Power*”:

(a) “**Amounts Due**” means the principal amount of, any premium on, and any accrued but unpaid interest on, the Notes. References to such amounts will include (but will not be limited to) amounts that have become due and payable, but which have not been paid, prior to the exercise of the UK Bail-in Power by the Resolution Authority;

(b) “**Resolution Authority**” means the Bank of England or any successor or replacement thereto and/or such other authority in the United Kingdom with the ability to exercise the UK Bail-in Power; and

(c) “**UK Bail-in Power**” means any write-down, conversion, transfer, modification, moratorium and/or suspension power (including, without limitation, any write-down or conversion powers which may be exercised by the Resolution Authority independently of resolution proceedings) existing from time to time under, and exercised in compliance with, any laws, regulations, rules, instruments, standards, guidelines or requirements relating to the recovery and resolution of banks, building societies, financial holding companies, mixed financial holding companies, credit institutions and/or investment firms (and/or certain group companies of any of the foregoing) (“**relevant entities**”) incorporated in the United Kingdom in effect and applicable in the United Kingdom to the Issuer or other members of its group, including but not limited to any such laws, regulations, rules, instruments, standards, guidelines or requirements that are implemented, adopted or enacted within the context of Part I of the Banking Act 2009 and/or the Loss Absorption Regulations, in each case as amended from time to time, and pursuant to which, *inter alia*, any obligation of a relevant entity (or an affiliate thereof) can be reduced, cancelled, modified, or converted into shares, other securities, or other obligations of the relevant entity or any other person (or suspended for a temporary period) and any right in a contract governing obligations of a relevant entity may be deemed to have been exercised.

By its acquisition of the Notes, each Holder and beneficial owner of Notes waives any and all claims against the Trustee for, agrees not to initiate a suit against the Trustee in respect of, and agrees that the Trustee will not be liable for, any action that the Trustee takes, or abstains from taking, in either case in accordance with the exercise of the UK Bail-in Power by the relevant Resolution Authority with respect to the Notes.

Upon the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes, the Issuer will provide a written notice to DTC as soon as practicable regarding such exercise of the UK Bail-in Power for purposes of notifying Holders and beneficial owners of Notes of such occurrence. The Issuer will also deliver a copy of such notice to the Trustee for information purposes.

The Issuer's obligations to indemnify the Trustee shall survive the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that, upon the exercise of any UK Bail-in Power by the relevant Resolution Authority with respect to the Notes, (a) the Trustee shall not be required to take any further directions from Holders of the Notes and (b) the Indenture shall impose no duties upon the Trustee whatsoever with respect to the exercise of any UK Bail-in Power by the relevant Resolution Authority. Notwithstanding the foregoing, if, following the completion of the exercise of the UK Bail-in Power by the Resolution Authority, any Notes remain outstanding (for example, if the exercise of the UK Bail-in Power results in only a partial write-down of the principal of the Notes), then the Trustee's duties under the Indenture shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Trustee shall agree pursuant to another supplemental indenture or an amendment to the Indenture; provided, however, that notwithstanding the exercise of the UK Bail-in Power by the Resolution Authority, there shall at all times be a Trustee for the Notes in accordance with the Indenture, and the resignation and/or removal of the Trustee and the appointment of a successor trustee will continue to be governed by the Indenture, including to the extent no additional supplemental indenture or amendment is agreed upon in the event the Notes remain outstanding following the completion of the exercise of the UK Bail-in Power.

By its acquisition of the Notes, each Holder and beneficial owner of Notes (a) acknowledges and agrees to be bound by and consents to the exercise of any UK Bail-in Power as it may be imposed without any prior notice by the Resolution Authority of its decision to exercise such power with respect to the Notes and (b) shall be deemed to have authorized, directed and requested DTC and any direct participant in DTC or other intermediary through which it holds Notes to take any and all necessary action, if required, to implement the exercise of any UK Bail-in Power with respect to the Notes as it may be imposed, without any further action or direction on the part of such Holder, beneficial owner or the Trustee.

References in this section to the "Notes" or "Holders" shall be deemed to include beneficial interests in any Note and the Holder of such beneficial interests, respectively.

Events of Default

(a) *Non-payment when due:* If default is made for a period of seven days or more in the payment of any principal due on the Notes or any of them or for a period of 14 days or more in the payment of any interest due on the Notes or any of them, the Trustee at its discretion may, and if so requested in writing by the Holders of at least one-quarter of the nominal amount of the Notes then Outstanding shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), institute proceedings for the winding up of the Issuer in England (but not elsewhere) to enforce the obligations of the Issuer in respect of the Notes and the Indenture in so far as it relates to the Notes, but may take no other action in respect of such default (except as provided in paragraph (b) below).

(b) *Winding up or dissolution:* In the event of a winding up or dissolution of the Issuer (subject as otherwise provided in an Excluded Dissolution), whether or not instituted by the Trustee pursuant to paragraph (a) above, the Trustee at its discretion may, and if so requested in writing by the Holders of at least one-quarter of the nominal amount of the Notes then Outstanding shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), give notice to the Issuer (or the relevant official presiding over such winding up or dissolution) that the Notes are, and they shall accordingly immediately become, due and repayable at their Early Redemption Amount together with accrued interest as provided in the Indenture, and shall claim and/or prove

in such winding up or dissolution in respect of the Notes (such claim ranking as provided in Section 2.3 of the Seventeenth Supplemental Indenture).

(c) *Enforcement:* Without prejudice to paragraphs (a) and (b) above, the Trustee may at its discretion and without notice institute such steps, actions or proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Indenture or the Notes (other than any payment obligation of the Issuer under or arising from the Notes or the Indenture, including, without limitation, payment of any principal or interest in respect of the Notes, including any damages awarded for breach of any obligations) provided that in no event shall the Issuer, by virtue of the institution of any such steps, actions or proceedings, be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it pursuant to the Indenture, nor will the Trustee accept the same, otherwise than during or after a winding up or dissolution of the Issuer.

(d) *Rights of Holders:* No Holder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, (i) fails to do so, or (ii) is unable for any reason to do so, in each case for a reasonable period, and such failure or inability is continuing, in which case any such Holder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No such Holder shall be entitled to institute proceedings for the winding up of the Issuer, or to prove in any winding up or dissolution of the Issuer, except that if the Trustee, having become bound to proceed against the Issuer as aforesaid, fails to do so or is unable for any reason to do so, or being able to prove in any winding up or dissolution of the Issuer, fails to do so, in each case for a reasonable period, and such failure or inability is continuing, then any such Holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise) itself institute proceedings for the winding up in England (but not elsewhere) of the Issuer and/or prove in any winding up or dissolution of the Issuer to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do in respect of the Notes held by such Holder.

(e) *Extent of remedy:* No remedy against the Issuer, other than the institution of proceedings for the winding up in England of the Issuer and/or the proving or claiming in any winding up or dissolution of the Issuer, shall be available to the Trustee or the Holders for the recovery of amounts owing in respect of the Notes or under the Indenture in so far as it relates to the Notes.

(f) *Rights of the Trustee:* The Trustee may at its discretion institute such proceedings as are contemplated by this subsection against the Issuer to enforce the obligations of the Issuer under the Indenture in so far as it relates to the Notes, but it shall not be bound to institute any such proceedings unless (a) it shall have been so requested in writing by Holders holding at least one-quarter in nominal amount of the Notes then Outstanding and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

Waivers

The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes may waive, on behalf of the Holders of all the Notes, compliance by the Issuer with section 9.4 of the Indenture. The Holders of a majority in aggregate principal amount of the Outstanding Notes may waive on behalf of the Holders of all the Notes, any past default under the Indenture and its consequences, except a default in the payment of principal of (or premium, if any, on) or interest, if any, on any of the Notes or with respect to a covenant or provision which under the Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Note.

The Indenture contains provisions permitting the Issuer and the Trustee (i) without the consent of the Holders to execute supplemental indentures for certain enumerated purposes, such as to cure any ambiguity or inconsistency or to make any change that does not have a materially adverse effect on the rights of any Holder, and (ii) with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes, to execute supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of Holders of Notes; provided, that, with respect to certain provisions of the Indenture, no such supplemental indenture may be entered into without the consent of the Holder of each Outstanding Note affected thereby.

In addition, the Issuer and the Trustee may modify and amend the Indenture, without the further consent of Holders, to the extent necessary to give effect to the exercise by the relevant UK resolution authority of the UK bail-in power.

Without prejudice to any express term of the Notes or the Indenture as it applies to the Notes (including, without limitation, the terms applicable to the status and ranking of the Notes, the terms applicable to enforcement in respect of the Notes, terms applicable to the making of payments in respect of the Notes, and the terms applicable to the exercise of any UK Bail-in Power in respect of the Issuer or the Notes), no reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair by implication the obligation of the Issuer to pay the principal of and interest on this Note (including any Additional Amounts payable in accordance with the terms of this Note and the Indenture) at the times, places and rates, and in the currency, specified herein. However, the Indenture limits the Holder's right to enforce the Indenture and this Note. This paragraph is without prejudice to any exercise of the UK Bail-in Power in respect of the Issuer and/or the Notes, and to the agreement of the Holders of the Notes to be bound thereby.

Prior to due presentment of this Note for registration of transfer, the Issuer, the Trustee and the Paying Agent and any agent of the Issuer, the Trustee or the Paying Agent may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or any agent of the Issuer, the Trustee or the Paying Agent shall be affected by notice to the contrary.

Governing Law

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York, except that (other than in respect of the Trustee's own rights, duties and immunities) Section 12.1 of the Indenture, and the corresponding provisions relating to the ranking of the Notes in Section 3.1 of the Indenture and Section 2.3 of the Seventeenth Supplemental Indenture and in the terms of the Notes, shall be governed by and construed in accordance with the laws of England, with the intention that such provisions be given full effect in any insolvency proceeding relating to the Issuer in England.

Each of the Issuer and the Trustee, and each Holder and beneficial owner of a Note by its acceptance thereof, hereby irrevocably waives, to the fullest extent permitted by appliance law, any and all rights it may have to trial by jury in any legal proceeding directly or indirectly arising out of or relating to the Indenture, the Notes or the transactions contemplated thereby.

Prescription

Claims for payment of principal in respect of the Notes shall become void upon the expiry of ten years, and claims for payment of interest (if any) in respect of the Notes shall become void upon the expiry

of five years, in each case from the Relevant Date therefor, subject to the terms and conditions described in the Indenture.

Benchmark Discontinuation

If the Issuer determines on or prior to the relevant Floating Rate Interest Determination Date that a Benchmark Transition Event has occurred with respect to SOFR, then the following provisions shall apply.

(a) If the Issuer determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date applicable to the Notes, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates.

(b) In connection with the implementation of a Benchmark Replacement with respect to the Notes, the Issuer will have the right to make Benchmark Replacement Conforming Changes with respect to the Notes from time to time.

(c) At the Issuer's request, but subject to receipt by the Trustee of a certificate signed by two of the Issuer's authorized signatories pursuant to the provisions below, the Trustee shall (at the Issuer's expense), without any requirement for the consent or approval of the Holders, be obliged to concur with the Issuer in effecting any Benchmark Replacement Conforming Changes (including, *inter alia*, by the execution of a supplemental indenture to or amending the Indenture) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee doing so would (i) expose the Trustee, the Calculation Agent or the Paying Agent, as applicable, to any liability against which the relevant entity has not been indemnified or secured or pre-funded to its satisfaction or (ii) impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend rights and/or the protective provisions afforded to the Trustee in these terms and conditions or the Indenture (including, for the avoidance of doubt, any supplemental indenture) in any way.

(d) In connection with any such variation in accordance with the provisions in this subsection, the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(e) The Issuer shall notify the Trustee, the Calculation Agent, the Paying Agents and, in accordance with the subsection "*Notices, etc.*" below the Holders, promptly of any Benchmark Replacement and Benchmark Replacement Adjustment as well the specific terms of any Benchmark Replacement Conforming Changes, determined pursuant to the provisions of this subsection "*Benchmark Discontinuation*". Such notice shall be irrevocable and shall specify the effective date of the Benchmark Replacement Conforming Changes, if any.

(f) No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories:

(1) confirming (i) that a Benchmark Transition Event has occurred, (ii) the Benchmark Replacement, (iii) the applicable Benchmark Replacement Adjustment and (iv) the specific terms of the Benchmark Replacement Conforming Changes (if any), in each case as determined in accordance with the provisions of this sub section; and

(2) certifying that the Benchmark Replacement Conforming Changes are necessary to ensure the proper operation of such Benchmark Replacement and the applicable Benchmark Replacement Adjustment.

(g) The Trustee shall be entitled to rely on such certificate (without inquiry or liability to any person) as sufficient evidence thereof. The Benchmark Replacement and the applicable Benchmark Replacement Adjustment and Benchmark Replacement Conforming Changes (if any) specified in such certificate will (in the absence of manifest error in the determination of the Benchmark Replacement and the applicable Benchmark Replacement Adjustment and the Benchmark Replacement Conforming Changes (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Holders.

Definitions

"Benchmark" means, initially, SOFR; provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement.

"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

(1) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment;

(2) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment;

(3) the sum of: (a) the alternate rate of interest that has been selected by the Issuer as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for any SOFR notes, as applicable, at such time and (b) the Benchmark Replacement Adjustment.

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

(1) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected, endorsed or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;

(2) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment;

(3) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for any SOFR notes at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes with respect to any SOFR notes (including changes to the definition of “interest period”, timing and frequency of determining rates and making payments of interest, changes to the definition of “Corresponding Tenor” solely when such tenor is longer than the interest period and other administrative matters) that the Issuer decides may be appropriate to reflect the adoption of such Benchmark Replacement with respect to any SOFR notes in a manner substantially consistent with market practice (or, if the Issuer decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer determines is reasonably necessary).

“Benchmark Replacement Date” means:

(1) in the case of paragraph (1) or (2) of the definition of “Benchmark Transition Event” below, the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the relevant Benchmark permanently or indefinitely ceases to provide such Benchmark, or

(2) in the case of paragraph (3) of the definition of “Benchmark Transition Event” below, the date of the public statement or publication of information;

provided, however, that on or after the 60th day preceding the date on which such Benchmark Replacement Date would otherwise occur (if applicable), the Issuer may give written notice to Holders of any SOFR notes in which the Issuer designates an earlier date (but not earlier than the 30th day following such notice) and represents that such earlier date will facilitate an orderly transition of any SOFR notes to the Benchmark Replacement, in which case such earlier date shall be the Benchmark Replacement Date.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of the Benchmark announcing that the administrator has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark;

(2) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark, the central bank for the currency of the Benchmark, an insolvency official with jurisdiction over the administrator for the Benchmark, a resolution

authority with jurisdiction over the administrator for the Benchmark or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark; or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“Corresponding Tenor” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Benchmark.

“Federal Reserve Bank of New York’s website” means the website of the Federal Reserve Bank of New York at <http://www.newyorkfed.org>, or any successor source (for the avoidance of doubt, this website (and/or any successor source) and the contents thereof do not form part of this base prospectus).

“ISDA Definitions” means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. or any successor thereto, as amended or supplemented from time to time, or any successor definitional booklet for interest rate derivatives published from time to time.

“ISDA Fallback Adjustment” means the spread adjustment, (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor.

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

“Reference Time” with respect to any determination of the Benchmark means (1) if the Benchmark is SOFR, 2:00 p.m. (London time) on the day that is two London Banking Days preceding the date of such determination and (2) if the Benchmark is not SOFR, the time determined by the Issuer in accordance with the Benchmark Replacement Conforming Changes.

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the applicable Benchmark Replacement Adjustment.

For the avoidance of doubt, the Issuer may propose that a Benchmark Replacement replace the then-current Benchmark and any Benchmark Replacement Conforming Changes on more than one occasion provided that the conditions set out in this subsection are satisfied.

Notices, etc.

The Issuer shall notify the Trustee, the Calculation Agent, the Paying Agents and, in accordance with this sub-section “-Notices, etc.”, the Holders, promptly of any Successor Rate, Alternative Rate,

Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this section. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Issuer shall deliver to the Trustee a certificate signed by two authorized signatories:

(A) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of the section above “—*Benchmark Discontinuation*”;

(B) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread; and

(C) certifying that (i) the Issuer has duly consulted with an Independent Adviser with respect to each of the matters above or, if that is not the case, (ii) explaining, in reasonable detail, why the Issuer has not done so.

(D) The Trustee shall be entitled to rely on such certificate (without inquiry or liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee’s ability to rely on such certificate as aforesaid) be binding on us, the Trustee, the Calculation Agent, the Paying Agents and the Holders.

Eligible liabilities

Notwithstanding any other provision of this section “—*Benchmark discontinuation*”, no Benchmark Replacement or Benchmark Replacement Adjustment will be adopted, nor will any Benchmark Replacement Conforming Changes be effected, if and to the extent that, in our determination, the same could reasonably be expected either (i) to prejudice the qualification of the Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of any Loss Absorption Regulations or (ii) to result in the relevant Supervisory Authority treating any Interest Payment Date as the effective maturity date of the Notes, rather than the Maturity Date.

Payment of Additional Amounts

In the event of any deduction or other withholding for or on account of any present or future tax, assessment, duty or other governmental charge of any nature whatsoever imposed, levied or collected by or on behalf of the United Kingdom, or any political subdivision thereof or authority therein having power to tax, in respect of any payments in respect of any Note, the Issuer will (subject as follows) pay to the Holder of that Note such additional amounts (“**Additional Amounts**”) as may be necessary in order that every net payment of the interest on that Note will not be less than the amount provided for in the Notes as then due and payable. However, the Issuer will not pay any such Additional Amounts in respect of any principal of (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) any Note.

Furthermore, and without prejudice to the foregoing, no such Additional Amounts shall be payable on any Note for or on account of any tax, assessment, duty or other governmental charge which is payable:

(1) otherwise than by deduction or withholding from any payments of interest on such Note;

(2) by reason of the Holder or beneficial owner of such Note who is liable for such taxes having some connection with the United Kingdom (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in the United Kingdom) other than by the mere holding of such Note or enforcement of rights under such Note or the receipt of payments in respect of such Note;

(3) by reason of a change in law or official practice of any relevant taxing authority that becomes effective more than 30 days after the Relevant Date for payment of interest in respect of such Note;

(4) by reason of any estate, excise, inheritance, gift, sales, transfer, wealth, personal property tax or any similar assessment or governmental charge;

(5) as a result of the failure of a Holder or beneficial owner of such Note to satisfy any statutory requirements or make a declaration of non-residence or other similar claim for exemption to the relevant tax authority;

(6) owing to a combination of clauses (1) through (5) above; or

(7) pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 as amended (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

“**Relevant Date**” means the date on which the payment of principal (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) or interest on the Notes first becomes due and payable but, if the full amount of the monies payable on such date has not been received by the relevant Paying Agent or as it shall have directed on or prior to such date, the “**Relevant Date**” means the date on which such monies shall have been so received.

No Additional Amounts will be paid as provided above with respect to any payment of interest on the Notes to any Holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of Notes.

Redemption, Repurchase, Substitution and Variation of Notes

Final Redemption

Unless previously redeemed, purchased and cancelled or substituted and cancelled as provided below, each Note will be redeemed at 100% of its nominal amount in U.S. dollars on the Maturity Date.

Redemption following a Tax Event

If the Issuer at any time satisfies the Trustee immediately prior to the giving of the notice required by Section 10.2 of the Base Indenture that a Tax Event has occurred in respect of the Notes and that the Issuer cannot avoid the same by taking reasonable measures available to it, then the Issuer may in its sole discretion (but subject to compliance with the provisions described above under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” below), having given notice of not more than 30 days nor less than 15 days prior to the date of redemption to the Holders and the Trustee and, in accordance with Section 1.5 of the Base Indenture, the Holders of the Notes (which notice shall be irrevocable and shall specify the date set for redemption), redeem on any Interest Payment Date all (but not some only) of the Notes at their Early Redemption Amount as provided below together, if applicable, with interest accrued to (but excluding) the date fixed for redemption. Upon the expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

Prior to the publication of any notice of early redemption pursuant to the paragraph above, the Issuer shall deliver to the Trustee a certificate signed by any two authorized signatories of the Issuer confirming that the relevant requirement or circumstance giving rise to the right to redeem have been satisfied. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders of the Notes.

A “**Tax Event**” will be deemed to have occurred in respect of the Notes if, as a result of a Tax Law Change:

- (i) in making any payments on the Notes, the Issuer has paid or will or would on the next payment date be required to pay additional amounts as described Section 9.8 of the Base Indenture; or
- (ii) any payment in respect of the Notes would be a “distribution” or would otherwise not be deductible (in whole, or to a material extent) for United Kingdom tax purposes (or the deduction would be materially deferred); or
- (iii) the Issuer is not, or will not be, able to have losses or deductions set against any profits or gains, or profits or gains offset by any losses or deductions, of companies with which it is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the date of issue of the latest tranche of the Notes or any similar system or systems having like effect as may from time to time exist); or
- (iv) the Notes are or will be prevented from being treated as loan relationships for United Kingdom tax purposes; or
- (v) a future conversion into equity or write-down of the principal amount of the Notes would result in a United Kingdom tax liability, or the receipt of income or profit which would be subject to United Kingdom tax.

As used herein, “**Tax Law Change**” means any change in, or amendment to, the laws or regulations of the United Kingdom (including any treaty to which it is a party) or any political subdivision or any authority thereof or therein having power to tax, or any change in the official interpretation thereof by the relevant tax authority or in the application of such laws or regulations by a decision of any court or tribunal that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or any pronouncement of a tax authority in the United

Kingdom, which change or amendment becomes effective or, in the case of a change in law, if such change is enacted by a UK Act of Parliament or by Statutory Instrument, on or after the Issue Date of the latest tranche of the Notes.

Redemption at the Issuer's Option

The Notes will be redeemable at the option of the Issuer (but subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” below) in whole but not in part on the Interest Payment Date falling on or nearest to July 14, 2028 at 100% of their principal amount plus accrued and unpaid interest to (but excluding) the date of redemption subject to notice being given not more than 30 days, nor less than 15 days, prior to the date of redemption in accordance with the applicable provisions of the Indenture.

Loss Absorption Disqualification Event Redemption of the Notes

Subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*”, the Issuer may, in its sole discretion, if a Loss Absorption Disqualification Event has occurred in respect of the Notes, upon not more than 30 days nor less than 15 days' notice prior to the date of redemption given in accordance with the applicable provisions of the Indenture, redeem on any Interest Payment Date during the Interest Period all (but not some only) of the Notes at their Early Redemption Amount as provided below together, if applicable, with interest accrued to (but excluding) the date fixed for redemption.

Prior to the publication of any notice of early redemption pursuant to the paragraph above, the Issuer shall deliver to the Trustee a certificate signed by any two authorized signatories of the Issuer confirming that a Loss Absorption Disqualification Event has occurred. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders. Upon the expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

Early Redemption Amounts

For the purposes of redemption following a Tax Event or following a Loss Absorption Disqualification Event and for the purposes of redemption in the circumstances specified in “*Events of Default – (b) Winding up or dissolution*” below, the “**Early Redemption Amount**” for the Notes will be 100% of their principal amount.

Repurchase

The Issuer may (subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” below and prevailing Loss Absorption Regulations) at any time purchase or otherwise acquire Notes at any price or prices in the open market or otherwise. Notes so purchased may be held or resold or, at the Issuer's discretion, notes may be surrendered to the Trustee for cancellation.

Preconditions to Redemption, Purchase, Substitution or Variation of the Notes

Any redemption or purchase of any Notes prior to the Maturity Date, or any substitution or variation of the Notes in accordance with any applicable subsection of this section “*Redemption, Repurchase, Substitution and Variation of the Notes*” is subject to:

- (a) the Issuer having obtained Relevant Supervisory Consent therefor; and
- (b) compliance with any other pre-conditions to, or requirements applicable to, such redemption, purchase, substitution or variation as may be required by the relevant Supervisory Authority or the Loss Absorption Regulations at such time, including, in the case of a redemption or purchase and to the extent then so required, the Issuer having demonstrated to the satisfaction of the relevant Supervisory Authority that:
 - (A) it has (or, before or at the same time as the relevant redemption or purchase, will have) replaced the relevant Notes with own funds or eligible liabilities instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or
 - (B) the own funds and eligible liabilities of the Issuer would, following such redemption or purchase, exceed its minimum requirements for own funds and eligible liabilities by a margin that the relevant Supervisory Authority considers necessary at such time; or
 - (C) the partial or full replacement of the relevant Notes with own funds instruments is necessary to ensure compliance with the own funds requirements laid down in the prevailing Regulatory Capital Requirements for continuing authorization.

Substitution and Variation in Respect of the Notes

Upon the occurrence of a Tax Event or Loss Absorption Disqualification Event in respect of the Notes, the Issuer in its sole discretion (but subject to compliance with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” above) may at any time, upon not more than 30 days nor less than 15 days’ notice to the Trustee and to the Holders of the Notes given in accordance with the applicable provisions of the Indenture, but without any requirement for the consent or approval of the Holders of the Notes, either substitute all (but not some only) of the Notes for, or vary the terms of the Notes so that they remain or, as appropriate, become Compliant Notes. Upon the expiry of the notice referred to above, the Issuer shall either substitute or, as the case may be, vary the terms of the Notes.

In connection with any substitution or variation in accordance with this provision, the Issuer shall comply with the rules of any stock exchange on which the relevant Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with this provision is subject to the following conditions:

- (A) the Issuer complying with the provisions described under “—*Preconditions to Redemption, Purchase, Substitution or Variation of the Notes*” above;
- (B) such substitution or variation not resulting in any event or circumstance which at or around that time gives the Issuer a redemption right in respect of the resulting Compliant Notes; and
- (C) prior to the publication of any notice of substitution or variation, the Issuer having delivered to the Trustee a certificate signed by two authorized signatories of the Issuer stating that

the relevant Tax Event or Loss Absorption Disqualification Event, as applicable, giving rise to the right to substitute or vary the Notes has occurred as at the date of the certificate and that the conditions set out (A) and (B) immediately above have been satisfied and the Trustee shall be entitled to accept such certificate as sufficient evidence thereof, and such certificate shall be conclusive and binding on the Trustee and all Holders and beneficial owners of Notes.

The Trustee shall, subject to the Issuer's compliance with the foregoing conditions and the provision of the certificate signed by two authorized signatories of the Issuer as referred to in the definition of 'Compliant Notes' and at the expense and cost of the Issuer, use reasonable efforts to assist the Issuer in any substitution or variation of the Notes in accordance with this provision, except that the Trustee shall not be obliged to assist in any such substitution or variation if either such substitution or variation itself or the terms of the proposed Compliant Notes would impose, in the Trustee's sole determination, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its sole satisfaction.

Agreement with Respect to the Exercise of UK Bail-in Power

Notwithstanding, and to the exclusion of, any other term of any Notes or any other agreements, arrangements or understandings between the Issuer and any Holders and beneficial owners of Notes (or the Trustee on behalf of any Holder or beneficial owner of Notes), by its acquisition of any Note (or any interest therein), each Holder and each beneficial owner of Notes acknowledges and accepts that the Amounts Due arising under the Notes may be subject to the exercise of the UK Bail-in Power by the Resolution Authority, and acknowledges, accepts, consents, and agrees to be bound by:

- (a) the effect of the exercise of the UK Bail-in Power by the Resolution Authority, that may include and result in (without limitation) any of the following, or some combination thereof:
 - (i) the reduction of all, or a portion, of the Amounts Due;
 - (ii) the conversion of all, or a portion, of the Amounts Due on the Notes into shares, deferred shares (including core capital deferred shares), other securities or other obligations of the Issuer or another person (and the issue to or conferral on the Holder or beneficial owner of Notes of such shares, deferred shares (including core capital deferred shares), securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes;
 - (iii) the cancellation of the Notes; and/or
 - (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, and/or the date on which the interest becomes payable, including by suspending payment for a temporary period; and
- (b) the variation of the terms of the Notes and the Indenture, if necessary, to give effect to the exercise of the UK Bail-in Power by the Resolution Authority.

No repayment or payment of Amounts Due on the Notes, will become due and payable or be paid after the exercise of any UK Bail-in Power by the Resolution Authority if and to the extent such amounts have been reduced, converted, cancelled, suspended (for so long as such suspension or moratorium is outstanding), amended or altered as a result of such exercise.

Neither a reduction or cancellation, in part or in full, of the Amounts Due or the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Issuer, nor the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes, will be an Event of Default or otherwise constitute a breach of or default under the terms of the Notes or the Indenture nor a default or event of default for any other purpose.

Upon the exercise of the UK Bail-in Power by the Resolution Authority with respect to any Notes, the Issuer shall promptly give notice to the Holders and to the Trustee and the Paying Agents. Any delay or failure by the Issuer in delivering any notice referred to in this section “—*Agreement with Respect to the Exercise of UK Bail-in Power*” shall not affect the validity or enforceability of the UK Bail-in Power.

For the purposes of this section “—*Agreement with Respect to the Exercise of UK Bail-in Power*”:

(a) “**Amounts Due**” means the principal amount of, any premium on, and any accrued but unpaid interest on, the Notes. References to such amounts will include (but will not be limited to) amounts that have become due and payable, but which have not been paid, prior to the exercise of the UK Bail-in Power by the Resolution Authority;

(b) “**Resolution Authority**” means the Bank of England or any successor or replacement thereto and/or such other authority in the United Kingdom with the ability to exercise the UK Bail-in Power; and

(c) “**UK Bail-in Power**” means any write-down, conversion, transfer, modification, moratorium and/or suspension power (including, without limitation, any write-down or conversion powers which may be exercised by the Resolution Authority independently of resolution proceedings) existing from time to time under, and exercised in compliance with, any laws, regulations, rules, instruments, standards, guidelines or requirements relating to the recovery and resolution of banks, building societies, financial holding companies, mixed financial holding companies, credit institutions and/or investment firms (and/or certain group companies of any of the foregoing) (“**relevant entities**”) incorporated in the United Kingdom in effect and applicable in the United Kingdom to the Issuer or other members of its group, including but not limited to any such laws, regulations, rules, instruments, standards, guidelines or requirements that are implemented, adopted or enacted within the context of Part I of the Banking Act 2009 and/or the Loss Absorption Regulations, in each case as amended from time to time, and pursuant to which, *inter alia*, any obligation of a relevant entity (or an affiliate thereof) can be reduced, cancelled, modified, or converted into shares, other securities, or other obligations of the relevant entity or any other person (or suspended for a temporary period) and any right in a contract governing obligations of a relevant entity may be deemed to have been exercised.

By its acquisition of the Notes, each Holder and beneficial owner of Notes waives any and all claims against the Trustee for, agrees not to initiate a suit against the Trustee in respect of, and agrees that the Trustee will not be liable for, any action that the Trustee takes, or abstains from taking, in either case in accordance with the exercise of the UK Bail-in Power by the relevant Resolution Authority with respect to the Notes.

Upon the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes, the Issuer will provide a written notice to DTC as soon as practicable regarding such exercise of the UK Bail-in Power for purposes of notifying Holders and beneficial owners of Notes of such occurrence. The Issuer will also deliver a copy of such notice to the Trustee for information purposes.

The Issuer's obligations to indemnify the Trustee shall survive the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that, upon the exercise of any UK Bail-in Power by the relevant Resolution Authority with respect to the Notes, (a) the Trustee shall not be required to take any further directions from Holders of the Notes and (b) the Indenture shall impose no duties upon the Trustee whatsoever with respect to the exercise of any UK Bail-in Power by the relevant Resolution Authority. Notwithstanding the foregoing, if, following the completion of the exercise of the UK Bail-in Power by the Resolution Authority, any Notes remain outstanding (for example, if the exercise of the UK Bail-in Power results in only a partial write-down of the principal of the Notes), then the Trustee's duties under the Indenture shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Trustee shall agree pursuant to another supplemental indenture or an amendment to the Indenture; provided, however, that notwithstanding the exercise of the UK Bail-in Power by the Resolution Authority, there shall at all times be a Trustee for the Notes in accordance with the Indenture, and the resignation and/or removal of the Trustee and the appointment of a successor trustee will continue to be governed by the Indenture, including to the extent no additional supplemental indenture or amendment is agreed upon in the event the Notes remain outstanding following the completion of the exercise of the UK Bail-in Power.

By its acquisition of the Notes, each Holder and beneficial owner of Notes (a) acknowledges and agrees to be bound by and consents to the exercise of any UK Bail-in Power as it may be imposed without any prior notice by the Resolution Authority of its decision to exercise such power with respect to the Notes and (b) shall be deemed to have authorized, directed and requested DTC and any direct participant in DTC or other intermediary through which it holds Notes to take any and all necessary action, if required, to implement the exercise of any UK Bail-in Power with respect to the Notes as it may be imposed, without any further action or direction on the part of such Holder, beneficial owner or the Trustee.

References in this section to the "Notes" or "Holders" shall be deemed to include beneficial interests in any Note and the Holder of such beneficial interests, respectively.

Events of Default

(a) *Non-payment when due:* If default is made for a period of seven days or more in the payment of any principal due on the Notes or any of them or for a period of 14 days or more in the payment of any interest due on the Notes or any of them, the Trustee at its discretion may, and if so requested in writing by the Holders of at least one-quarter of the nominal amount of the Notes then Outstanding shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), institute proceedings for the winding up of the Issuer in England (but not elsewhere) to enforce the obligations of the Issuer in respect of the Notes and the Indenture in so far as it relates to the Notes, but may take no other action in respect of such default (except as provided in paragraph (b) below).

(b) *Winding up or dissolution:* In the event of a winding up or dissolution of the Issuer (subject as otherwise provided in an Excluded Dissolution), whether or not instituted by the Trustee pursuant to paragraph (a) above, the Trustee at its discretion may, and if so requested in writing by the Holders of at least one-quarter of the nominal amount of the Notes then Outstanding shall (subject to being indemnified and/or secured and/or prefunded to its satisfaction), give notice to the Issuer (or the relevant official presiding over such winding up or dissolution) that the Notes are, and they shall accordingly immediately become, due and repayable at their Early Redemption Amount together with accrued interest as provided in the Indenture, and shall claim and/or prove

in such winding up or dissolution in respect of the Notes (such claim ranking as provided in Section 2.3 of the Seventeenth Supplemental Indenture).

(c) *Enforcement:* Without prejudice to paragraphs (a) and (b) above, the Trustee may at its discretion and without notice institute such steps, actions or proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Indenture or the Notes (other than any payment obligation of the Issuer under or arising from the Notes or the Indenture, including, without limitation, payment of any principal or interest in respect of the Notes, including any damages awarded for breach of any obligations) provided that in no event shall the Issuer, by virtue of the institution of any such steps, actions or proceedings, be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it pursuant to the Indenture, nor will the Trustee accept the same, otherwise than during or after a winding up or dissolution of the Issuer.

(d) *Rights of Holders:* No Holder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, (i) fails to do so, or (ii) is unable for any reason to do so, in each case for a reasonable period, and such failure or inability is continuing, in which case any such Holder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No such Holder shall be entitled to institute proceedings for the winding up of the Issuer, or to prove in any winding up or dissolution of the Issuer, except that if the Trustee, having become bound to proceed against the Issuer as aforesaid, fails to do so or is unable for any reason to do so, or being able to prove in any winding up or dissolution of the Issuer, fails to do so, in each case for a reasonable period, and such failure or inability is continuing, then any such Holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise) itself institute proceedings for the winding up in England (but not elsewhere) of the Issuer and/or prove in any winding up or dissolution of the Issuer to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do in respect of the Notes held by such Holder.

(e) *Extent of remedy:* No remedy against the Issuer, other than the institution of proceedings for the winding up in England of the Issuer and/or the proving or claiming in any winding up or dissolution of the Issuer, shall be available to the Trustee or the Holders for the recovery of amounts owing in respect of the Notes or under the Indenture in so far as it relates to the Notes.

(f) *Rights of the Trustee:* The Trustee may at its discretion institute such proceedings as are contemplated by this subsection against the Issuer to enforce the obligations of the Issuer under the Indenture in so far as it relates to the Notes, but it shall not be bound to institute any such proceedings unless (a) it shall have been so requested in writing by Holders holding at least one-quarter in nominal amount of the Notes then Outstanding and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

Waivers

The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes may waive, on behalf of the Holders of all the Notes, compliance by the Issuer with section 9.4 of the Indenture. The Holders of a majority in aggregate principal amount of the Outstanding Notes may waive on behalf of the Holders of all the Notes, any past default under the Indenture and its consequences, except a default in the payment of principal of (or premium, if any, on) or interest, if any, on any of the Notes or with respect to a covenant or provision which under the Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Note.

The Indenture contains provisions permitting the Issuer and the Trustee (i) without the consent of the Holders to execute supplemental indentures for certain enumerated purposes, such as to cure any ambiguity or inconsistency or to make any change that does not have a materially adverse effect on the rights of any Holder, and (ii) with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes, to execute supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of Holders of Notes; provided, that, with respect to certain provisions of the Indenture, no such supplemental indenture may be entered into without the consent of the Holder of each Outstanding Note affected thereby.

In addition, the Issuer and the Trustee may modify and amend the Indenture, without the further consent of Holders, to the extent necessary to give effect to the exercise by the relevant UK resolution authority of the UK bail-in power.

Without prejudice to any express term of the Notes or the Indenture as it applies to the Notes (including, without limitation, the terms applicable to the status and ranking of the Notes, the terms applicable to enforcement in respect of the Notes, terms applicable to the making of payments in respect of the Notes, and the terms applicable to the exercise of any UK Bail-in Power in respect of the Issuer or the Notes), no reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair by implication the obligation of the Issuer to pay the principal of and interest on this Note (including any Additional Amounts payable in accordance with the terms of this Note and the Indenture) at the times, places and rates, and in the currency, specified herein. However, the Indenture limits the Holder's right to enforce the Indenture and this Note. This paragraph is without prejudice to any exercise of the UK Bail-in Power in respect of the Issuer and/or the Notes, and to the agreement of the Holders of the Notes to be bound thereby.

Prior to due presentment of this Note for registration of transfer, the Issuer, the Trustee and the Paying Agent and any agent of the Issuer, the Trustee or the Paying Agent may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or any agent of the Issuer, the Trustee or the Paying Agent shall be affected by notice to the contrary.

Governing Law

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York, except that (other than in respect of the Trustee's own rights, duties and immunities) Section 12.1 of the Indenture, and the corresponding provisions relating to the ranking of the Notes in Section 3.1 of the Indenture and Section 2.3 of the Seventeenth Supplemental Indenture and in the terms of the Notes, shall be governed by and construed in accordance with the laws of England, with the intention that such provisions be given full effect in any insolvency proceeding relating to the Issuer in England.

Each of the Issuer and the Trustee, and each Holder and beneficial owner of a Note by its acceptance thereof, hereby irrevocably waives, to the fullest extent permitted by appliance law, any and all rights it may have to trial by jury in any legal proceeding directly or indirectly arising out of or relating to the Indenture, the Notes or the transactions contemplated thereby.

Prescription

Claims for payment of principal in respect of the Notes shall become void upon the expiry of ten years, and claims for payment of interest (if any) in respect of the Notes shall become void upon the expiry

of five years, in each case from the Relevant Date therefor, subject to the terms and conditions described in the Indenture.
