We may vary our offers or withdraw products from sale at any time without telling you first.

Interest and tax-free saving: We pay interest without taking off tax. However, you may have to pay tax on any interest if it's more than your Personal Savings Allowance or you go over the tax-free annual allowance if you're saving into an ISA. You can see the current allowances at nationwide.co.uk/tax-freesaving

An account year is the 12-month period from the date (or anniversary) of account opening.

AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.

Gross a year is the interest rate without tax deducted.

Tax-free is the contractual rate of interest payable where interest is exempt from income tax. The tax information provided is based on our understanding of current law and HM Revenue & Customs practice, both of which may change.
