

## Summary box

## Easy Access Saver

## What is the interest rate?

The interest rate depends on your account balance.

Account balance	Interest rate AER/gross a year (variable) from 1 July 2025
£1 - £9,999	1.30%
£10,000 - £49,999	1.35%
£50,000+	1.60%

## Receiving your interest

- We work out your interest daily. The date we pay interest into your account depends on whether we have written to give you a new sort code and account number. We may give you these before or after your account transfers to this product. Up until you are given the sort code and account number, we will pay interest at the end of the day before the anniversary of your account opening. And afterwards, we'll pay it on the anniversary.
- We'll also pay interest when you close your account.

## Can Nationwide change the interest rate?

Yes, the rates are variable. That means we can change them, up or down.

Section 04 of '**Our Savings Terms and Conditions**' explains when we can do this, and how we'll let you know.

You can also check our current rates in your branch, or online at [nationwide.co.uk/savingsrates](https://nationwide.co.uk/savingsrates)

## What would the estimated balance be after 12 months based on £1,000, £10,000 and £50,000 deposits?

For customers with accounts opened on or after 1 July 2025

Initial deposit	Interest rate AER/gross a year (variable) from 1 July 2025	Estimated balance after 12 months
£1,000	1.30%	£1,013.00
£10,000	1.35%	£10,135.00
£50,000	1.60%	£50,800.00

## The figures in the example above assume:

- No money is paid in or taken out
- There are 365 days in the 12-month period
- No further rate changes after the 1 July 2025.

## How do I open and manage my account?

- This product is not available for new customers to open. When you, or the child you hold the money in your account on bare trust for, reaches the age of 18 years and six months, we'll automatically transfer your account into this product.
- You can pay money into your account as often as you like, up to £5 million.

## Manage your account

- at a branch counter
- using our banking app or the internet bank (if you're registered).

We will send you a statement by post for any month you pay money into or take money out of your account. (We may not send you statements by post straight away. We'll start to send them after we've written to give you a sort code and account number for your account, either before or after your account transfers to this product.)

---

## Can I withdraw money?

Yes, you can use our banking app or internet bank to transfer money to any Nationwide savings or current account that's in your name and accepts payments. You can also transfer money to a current account you hold with another UK provider as long as it will accept 'Faster Payments' - you can do this using the Nominated Account functionality. (The Nominated Account functionality may not be available straight away. You will be able to start using this service after we've written to give you a sort code and account number for your account, either before or after your account transfers to this product.)

You can also take money out in cash or by Building Society cheque in branch.

You can find out more about our cash, cheque and Faster Payment withdrawal limits by asking in branch or online at [nationwide.co.uk/withdrawal-limits](https://nationwide.co.uk/withdrawal-limits)

---

## Additional information

### Information about the former child you are saving for ('the beneficiary')

- If you hold the money in your account on bare trust for a beneficiary, you should tell them about the account.
- Under data protection law, we must be clear about how we collect, store and process members' data. We may therefore tell the beneficiary that the account exists at any time – for example, when we are interacting with the beneficiary, or if we need to contact them for legal or regulatory reasons. This enables us to manage the beneficiary's data correctly and meet our legal and regulatory responsibilities.
- To protect your personal information, we'll limit what we tell them to that which is reasonably necessary. In most cases, this will only be that the account exists.

### Membership

- By having an Easy Access Saver, you will be a member of Nationwide. If you are saving on behalf of a beneficiary, the beneficiary will not be a member.

### Interest rate terms explained

#### AER

Stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.

#### Gross a year

The interest rate without tax deducted.

The treatment of your account for tax purposes will depend on individual circumstances and tax may be payable on any interest earned.

For more information on how interest we pay to a bare trust is treated for tax purposes, please visit HM Revenue and Customs' (HMRC) website [hmrc.gov.uk](https://hmrc.gov.uk). The tax information provided is based on our understanding of current law and HMRC practice, both of which may change.

The interest rates and information in this summary box came into effect on **1 July 2025**.

This summary box sets out the key features of the savings account. For full details, please read the account terms and conditions.

You can receive this document and others like it in Braille, large print or on audio CD. Just call **03457 30 20 11** or visit your local branch if you'd like us to arrange this for you.

If you have any hearing or speech difficulties and use a **textphone**, you can call us via BT Text Relay. Dial **18001**, followed by the phone number you want to ring.
