Triple Access ISA

This account is designed for those who want to save within a tax-free cash ISA, but who only need to make a limited number of withdrawals. 'Account Year' means the 12 month period from the date that the account was opened and each subsequent period of 12 months thereafter.

Conditions for holding your account

1. You need to be aged 16 or over.

2. There is no fixed term for this account.

Earning interest on money in your account

5. You can choose to have interest paid to you by having it added to this account, or by asking us to pay it into a different Nationwide current account or savings account (as long as it is possible to make interest payments into that account) or a current account with another building society or bank.
6. The interest rate payable on the account is variable. The interest rate is also variable based on the number of withdrawals you make during each Account Year.
7. If you make three or fewer withdrawals in an Account Year you will receive the higher interest rate for the whole of the Account Year.
8. If you make four or more withdrawals in an Account Year you will receive the lower interest rate for the period from the date of the fourth withdrawal for the remainder of the Account Year.
