Also, insurance includes directors' and officers' liability insurance;

  - (b) each subparagraph and each activity referred to in any subparagraph is to be interpreted separately and (without qualifying the fact that the Society's principal purpose is making loans which are secured on *residential property* and are funded substantially by its *members*) none of the subparagraphs or

# Rules

*Words and figures in italics are explained in the interpretation section at the end of the Rules*

## General

### 1. Constitution

These Rules, together with the *Memorandum*, set out the constitution of Nationwide Building Society. The interpretation section forms part of the Rules.

### 2. Name and Address

The Society's name is Nationwide Building Society. Its principal or head office is Nationwide House, Pipers Way, Swindon SN38 1NW or such other address as the *Board* may decide.

### 3. Commitment

These Rules and the *Memorandum* are binding on the Society and its *members*. They may only be changed by a *special resolution*.

### 4. Source and use of funds

The Society raises funds by accepting *share investments*, borrowing and taking deposits. The Society uses these funds to make *mortgage loans* to *borrowing members* and for other purposes allowed in the *Memorandum*.

### 5. Share investments

- (a) *Share investments* may be of such types (including *preferred share investments* and *deferred share investments*) and on such terms and conditions as the Society decides. The *preferred share investments* and *deferred share investments* in issue at any time will not exceed in total more than 25% of the principal amount of all kinds of *share investments* in issue at the end of the last *financial year*.
- (b) *Share investments* are governed by the terms and conditions applicable to them. Unless the terms and conditions provide otherwise, the Society will inform *members* of any change to them by giving notice under Rule 37. The following provisions apply despite any provision to the contrary in the terms and conditions applicable to any *share investment*:

- (i) The Society may repay any *share investment* (other than *deferred share investments*) at any time either by giving notice equivalent to any notice period or unexpired fixed term period applicable to it or without giving notice but with interest in respect of any such period.
- (ii) The Society may withhold or limit repayment of any *share investment* when obliged to do so by law or by order of a competent court or other authority, or (other than in respect of *deferred share investments*) for a maximum period of six *months* when this is prudent or in the interests of *members* generally.
- (iii) The Society may withhold all or part of any *share investment* (other than *deferred share investments* or any *share investment* which is clearly designated as an account which a *member* holds for another *person*) and use it to pay or reduce any debt owed to the Society which is due or overdue for payment.
- (iv) The Society may close the account and retain any *share investment* if it cannot trace the *member* concerned after reasonable enquiry where:
  - (1) the value of the *share investment* is less than £100 and there has been no transaction on the account for at least two years;
  - (2) the value of the *share investment* is £100 or more and there has been no transaction on the account for at least five years;

but this does not affect the *member's* right to claim the value of the *share investment* together with interest that would have accrued after cancellation.
- (v) A *member* may transfer his *share investment* with the Society's consent to an individual using such form as the Society may require for this purpose. The Society's consent will not be required in the case of a *deferred share investment*.
- (vi) The Society will not pay interest on fractions of £1.

## 6. Mortgage loans

*Mortgage loans* may be of such types and amounts and on such terms and conditions as the Society decides. Unless those terms and conditions provide otherwise:

- (a) a *borrowing member* may repay the whole or any part of his *mortgage loan* at any time;

- (b) the Society may capitalise any interest or other payment which is overdue on 31 December in any year and at any time on giving 14 days notice;
- (c) the Society may charge for administration in accordance with any general tariff of charges it sets; this tariff may be changed from time to time to reflect any change in the cost of administration and the Society will give notice of these changes;
- (d) any property comprising the security shall be insured for such sum and against such risks as the Society may reasonably decide.

  - (i) takes possession of, or exercises a power of sale in relation to, the whole or any part of the land on which the loan is secured; or

- (d) On the death of a joint *member* the surviving joint *member* will automatically continue as a *member*.

## 9. Young Persons

- (b) to join in requesting the Society to call a Special General Meeting or to put a *resolution* to an Annual General Meeting;
- (c) to hold any office in the Society; or
- (d) to join in nominating any candidate for election as a Director.

## 10. Incapacity or Infirmary

If after reasonable enquiry it appears to the Society that a *member* is incapable of managing his financial affairs through age, infirmity or mental disorder and that no-one has been appointed with lawful authority to look after his financial affairs the Society may allow withdrawal of all or part of his *share investment* (subject to its terms and conditions) by any one who appears to have custody or care of the *member* or the management of his financial affairs. The receipt of that *person* shall be binding on the *member*.

## 11. Trusts

The Society need not recognise any trust or charge or other claim of any one else over a *share investment* or other property unless obliged to do so by law or by order of a competent court or other authority.

# Meetings and Postal Ballots

## 12. General Meetings

The Society will hold general meetings of *members* as required by law or these Rules and otherwise whenever the Society decides.   - (ii) deposit a sum of £50\* for each *member* requesting the meeting.
- (c) The request must be in writing and received at the Society's head office. It may consist of one or several documents in similar form, each signed by one or more *qualified two year members*. Where the request consists of several documents, the date of the request will be the date of receipt of the document signed by the *member* who brings the number of *qualified two year members* up to 500. This date must not be more than three *months* after the date on which the first document was received.

\* These amounts have been updated in light of the amendments to the Building Societies Act 1986 pursuant to the Building Societies Act 1986 (Substitution of Specified Amounts and Modification of the Funding Limit Calculation) Order 2007 (SI 2007/860)

- (d) The Society will not call a Special General Meeting:

  - (ii) to be held during the period of four *months* beginning one *month* after the end of the Society's *financial year*.
- (e) The deposit shall be refunded except where a *quorum* is not present within half an hour of the time set for the meeting or a *resolution* is passed at the meeting that some or all of the money should be used to help meet the cost of the meeting.
- (f) Any meeting which the Society is required to call will be called by due notice under these Rules within 28 days, and held within 63 days, of receipt by the Society of the request. The period of four *months* beginning one *month* after the end of the *financial year* will be disregarded when applying the time limits of 28 and 63 days.
- (g) The Society will, if requested by the *members* requesting the meeting, send to each *member* entitled to notice of the meeting a copy of a statement of not more than 500 words on the subject of the matters to be dealt with at the meeting. This does not apply where the *legislation* states that there is no obligation to send the statement.

## 15. Resolutions

- (a) The Society will put a *resolution* other than an *investing members' resolution* or a *borrowing members' resolution* to an Annual General Meeting if requested by 500 *qualified two year members* provided that it is not in substantially the same terms as any *resolution* which has been defeated during the period starting with the third Annual General Meeting before the Society receives the request to put the *resolution*.
- (b) The request must be in writing and received at the Society's head office not later than the last day of the *financial year*. It may consist of one or several documents in similar form, each signed by one or more *qualified two year members*. Where the request consists of several documents, the date of the request will be the date of the receipt of the document signed by the *member* who brings the number of *qualified two year members* up to 500. This date must not be more than three *months* after the date on which the first document was received.

- (c) The Society will include notice of the *resolution* in the notice of the Annual General Meeting and will, if requested by the *members* requesting the *resolution*, send to each *member* entitled to notice of the meeting a copy of a statement of not more than 500 words on the subject of the *resolution*.
- (d) The Society will not put a *resolution* or send a statement on the subject of a *resolution* where the *legislation* states that there is no obligation to do so.

## 16. Quorum at General Meetings

- (a) A *quorum* at a general meeting is 50 *qualified voting members* (subject to Rule 16 (c)) present in person or by representative in the case of a corporate *member*.
- (b) The business of the meeting shall not start without a *quorum*. The subsequent absence of a *quorum* shall not prevent the meeting continuing nor invalidate any business conducted at the meeting.
- (c) If within one hour of the appointed time a *quorum* is not present a meeting called at the request of *members* shall be dissolved and any other meeting shall be adjourned to such time and place as the Directors present or a majority of them decide. At such an adjourned meeting the *qualified voting members* present shall be a *quorum*.

## 17. Adjournment of Meeting

Any properly constituted meeting may be adjourned to such date, time and place as the meeting may decide. An adjourned meeting shall be regarded as a continuation of the original meeting and no notice of it need be given. No business shall be conducted at it which could not have been conducted at the original meeting.

## 18. Chairman of General Meeting

The Chairman of the *Board* or if absent any Deputy Chairman of the *Board* or if all absent any Director appointed for the purpose by the Directors present shall take the chair at a general meeting. If no Director has taken the chair within 30 minutes of the time fixed for the meeting a chairman of the meeting shall be elected by and from the *qualified voting members* present.

## 19. Representatives of Corporate Members

A *member* which is a corporate body may appoint someone (who need not be a *member*) to act as its representative at a general meeting. The appointment must be in writing, signed by someone duly authorised on its behalf and received at the Society's head office or such other place as is described in the notice of meeting not less than five days (or any shorter period described in the notice of meeting) before the date and time of the meeting or any adjournment of the meeting. The appointed representative shall be entitled to exercise the same rights on behalf of the corporate body as that body would be able to exercise if it were an individual *member* attending the meeting in person.

## 20. Postal Ballots

- (a) The Society may submit any vote on the election of Directors and any *resolution* (other than an *investing members' resolution* or a *borrowing members' resolution*) to a *postal ballot* including a *resolution* which *qualified two year members* have requested be put to an Annual General Meeting.
- (b) A *resolution* passed at a general meeting (other than an *investing members' resolution* or a *borrowing members' resolution*) shall not take effect if within one *month* of the passing of the *resolution* the *Board* decides that the carrying into effect of the *resolution* would be harmful to the Society's interests and decides to submit the *resolution* to a *postal ballot*. The *postal ballot* shall be held and the result declared within *six months* of the general meeting and the result shall be conclusive.

## 21. Notice of Meetings and Postal Ballots

- (a) Any notice of meeting shall:
  - (i) state the place, date and time of the meeting and the nature of the business of the meeting;
  - (ii) describe an Annual General Meeting as such;
  - (iii) be sent to each *eligible member* by post at his registered address unless the Society has reason to believe that it is unlikely to be received by him at that address;
  - (iv) be accompanied by a proxy form;
  - (v) be accompanied in the case of an election of Directors by any election address of not more than 500 words or other details concerning the candidates required by the *legislation*;

- (vi) be sent so as to reach *eligible members* at least 21 days before the last date for receipt of proxies; and
  - (vii) be advertised under Rule 37.
- (b) Any notice of *postal ballot* shall:
- (i) state the purpose of the ballot, the closing date and time of the ballot;
  - (ii) be sent to each *eligible member* by post at his registered address unless the Society has reason to believe that it is unlikely to be received by him at that address;
  - (iii) be accompanied by a *voting paper* which in the case of an election of Directors shall state the number of Directors to be elected and contain a list of the eligible candidates (distinguishing between retiring Directors and other candidates);
  - (iv) be accompanied in the case of an election of Directors by any election address of not more than 500 words or other details concerning the candidates required by the *legislation*;
  - (v) be sent so as to reach *eligible members* not less than 21 days before the closing date of the *postal ballot*; and
  - (vi) be advertised under Rule 37.
- (c) If the Society accidentally omits to send or if an *eligible member* does not receive any notice of meeting or *postal ballot* or a *voting paper*, proxy form or any other document to be sent to him in connection with any meeting or *postal ballot* this shall not invalidate the meeting or any *resolutions* passed or the result of the *postal ballot* as the case may be.
- (d) Any notice or other document which may be sent to a *member* by post under Rule 21(a) or (b) above or otherwise under these Rules or the *legislation* may instead be made available to a *member* by *electronic communication*, subject to complying with the *legislation*, in such manner as may be authorised by the *Board* from time to time.

## 22. Validity of Meetings and Postal Ballots

A *resolution* or other proceedings at any general meeting or on a poll or *postal ballot* shall not be invalidated by reason of the subsequent discovery that any *person* voting was not entitled to do so but in such a case the Chairman may at his discretion, having regard to all the circumstances, in particular the number of unauthorised votes, declare the *resolution* or other proceedings void.

# Voting

## 23. Voting Entitlement

A *qualified voting member* is entitled to one vote irrespective of the number and value of his *share investments* and *mortgage loans*. In the case of an *investing members' resolution* or a *borrowing members' resolution*, only *qualified voting members* who are entitled to vote as *investing members* or *borrowing members*, as appropriate, will be entitled to vote.

## 24. Voting Procedure

- (a) Any *resolution* shall be passed as an *ordinary resolution* unless the *legislation* or these Rules require it to be passed as a *special resolution*, an *investing members' resolution* or a *borrowing members' resolution*.
- (b) At any general meeting any *resolution* put to a vote may be decided on a show of hands of *qualified voting members* present in person or by proxy. This does not apply to a *special resolution*, an *investing members' resolution*, a *borrowing members' resolution* or an *ordinary resolution* to elect Directors or to approve the acquisition or establishment of a business, which shall be decided on a poll. On or before the declaration of the result of a show of hands (except on a *resolution* for the election of a chairman) a poll may be demanded by the Chairman or by at least 10 *qualified voting members* present in person or by proxy. Any demand for a poll on an *ordinary resolution* (other than one to elect Directors or to approve the acquisition or establishment of a business) may be subsequently withdrawn. The poll shall be taken at such time and in such manner as the Chairman directs and the result of the poll shall be assumed to be the *resolution* of the meeting at which the poll was demanded. The meeting may conduct other business pending the taking of the poll and the counting of the result.
- (c) A declaration by the Chairman that a *resolution* has been duly carried or defeated shall be conclusive and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact.
- (d) The Chairman shall have a second or casting vote in the case of an equal number of votes for and against a *resolution* whether on a show of hands or on a poll.

- (e) The Society may decide (subject to any requirements of the *legislation*) the form of the *voting paper* and the procedure for the conduct of a poll or *postal ballot* and for the counting of votes under independent supervision. A vote in a *postal ballot* must be received by the Society at the Society's head office or such other place described in the notice of *postal ballot* by the date and time fixed in the notice for the close of the ballot.
- (f) The *Board* may from time to time prescribe:
  - (i) the procedure for the conduct of an *electronic ballot* including, but not limited to, the methods for establishing the authenticity and integrity of the completed *voting paper*;
  - (ii) the electronic address at which a vote cast by *electronic voting* must be received by the Society; and
  - (iii) the method of determining the time at which any vote cast by *electronic voting* is to be treated as received by the Society.

## 25. Proxies

- (a) A *qualified voting member* may appoint someone else (who need not be a *member*) as his proxy to attend, speak and vote on his behalf at a general meeting. A representative of a *qualified voting member* such as an attorney may not appoint a proxy.
- (b) The appointment of a proxy must:
  - (i) be in such form(s) as the Society may require or allow and contain the declarations required by the *legislation* and be signed by the *member*;
  - (ii) be received at the Society's head office or such other place as is described in the notice of meeting (which may include, without limitation, any electronic address as the Society may specify for the purpose) not less than five days (or any shorter period described in the notice of meeting) before the date and time of the meeting or any adjournment of the meeting; and
  - (iii) comply with such terms and conditions as the *Board* may from time to time prescribe.

- (c) A *member* may revoke his appointment of a proxy at any time and the appointment will be automatically terminated on the *member's* death or legal incapacity or if he ceases to be a *member*. Revocation or termination shall not invalidate any vote cast by his proxy unless written notice has been received by the Society at the Society's head office or at such electronic address as the Society may specify for the purpose not less than five days (or any shorter period specified in the notice of meeting) before the time fixed for the start of the meeting or adjourned meeting.
- (d) The *Board* may from time to time prescribe:
  - (i) the method of determining the time at which any appointment of proxy or revocation sent by means of *electronic communication* is to be treated as received by the Society; and
  - (ii) the procedure for the conduct of an electronic appointment of proxy including, but not limited to, the methods for establishing the authenticity and integrity of the completed electronic appointment of proxy.
- (e) If two or more valid proxy appointments are received (whether at the Society's head office address or such other address as is described in the notice of meeting) in respect of the same *member* for use at the same meeting, the one which is last received or treated as last received in accordance with the method of determining the time of receipt (regardless of the date on which it is signed) shall be treated as replacing and revoking the others. If two or more valid but differing proxy appointments are received in respect of the same *member* for use at the same meeting and the Society is unable to determine which was last received, none of them shall be treated as valid in respect of that meeting.

# The Board

## 26. Powers and Duties of the Board

- (a) The Society's business and the conduct of its affairs shall be the responsibility and under the direction, control and management of the *Board*. The *Board* may exercise all the powers which need not be exercised (under the *legislation* or these Rules) in general meeting or by another *person*. The general power of the *Board* under this Rule shall not be limited or restricted by any specific power or authority given to it by the *legislation* or any other Rule. The *Board* may delegate any of its powers, discretions and authorities in relation to its business to any committee, officer, employee, adviser or agent (including the power to delegate further).
- (b) The *Board* shall appoint and may terminate the appointment of the Chief Executive and the Secretary of the Society.
- (c) The *Board* may determine and from time to time publish the policy of the Society in relation to the *periodic investment returns* on any *deferred share (core capital) investments* and shall have regard to the ongoing profitability and long term viability of the Society, the need for the Society to ensure that it has adequate capital resources and such other factors as the *Board* considers appropriate. *Periodic investment returns* may be paid at the discretion of the *Board* either out of profits made by the Society in the relevant financial year or, subject to applicable law and regulation, out of reserves of the Society available for distribution.

## 27. Size of Board

The *Board* may decide its own number but this shall not be less than eight. The *Board* may continue to act notwithstanding any vacancies on the *Board* but must appoint a Director to fill any vacancy where the number falls below eight.

## 28. Board Meetings

- (a) The *Board* may from time to time elect a Chairman and one or more Deputy Chairmen from amongst its number and shall elect or re-elect such officers each year at its first meeting following the Annual General Meeting.
- (b) A *Board* meeting may be called by the Chairman, any Deputy Chairman, the Chief Executive, any two Directors or the Secretary of the Society.

- (d) A *Board* meeting may consist of a conference between Directors some or all of whom are in different places provided that each Director may participate in the business of the meeting whether directly, by telephone, or by any other electronic means which enables him:
  - (i) to hear each of the other participating Directors addressing the meeting; and
  - (ii) if he so wishes, to address all of the other participating Directors simultaneously.

A *quorum* shall be deemed to be present if at least the number of Directors required to form a *quorum* under Rule 28 (c) may participate in the business of the meeting in the manner described in this paragraph. A *Board* meeting held in this way is deemed to take place at the place where the largest group of participating Directors is assembled or, if no such group is readily identifiable, at the place from where the Chairman participates.

- (e) The *Board* shall decide matters by a majority of votes and in the case of an equality of votes the Chairman shall have a second or casting vote.

## **29. Appointment, Election and Retirement of Directors**

- (a) The *Board* may at any time appoint as a Director an individual who appears to the *Board* to be fit and proper to be a Director to fill a vacancy on the *Board* other than one arising from the retirement from office of a Director at an Annual General Meeting.

- (b) A Director appointed by the *Board* shall retire from office at the Annual General Meeting following his appointment and shall be eligible for election at that meeting without nomination or, if the Director was appointed during the period starting with the beginning of the *financial year* and ending with the Annual General Meeting, at the Annual General Meeting in the *financial year* following his appointment.
- (c) At each Annual General Meeting any Director who was not elected at either of the last two Annual General Meetings shall retire from office and shall be eligible for election at that meeting without nomination.
- (d) A Director who is either 70 years of age or over at the date of his election, or who reaches 70 years of age after the date of his election or appointment, shall retire from office at the next Annual General Meeting.
- (e) An individual who will be 70 years of age or over at the date on which his election as a Director would take effect shall not be eligible for election as a Director unless:
  - (i) he has been approved by resolution of the *Board* as eligible for election; and
  - (ii) his age and the reasons for the *Board's* approval of his eligibility have been notified to every *qualified voting member* at that election (however a failure by the Society to notify every *qualified voting member* shall not invalidate the election).
- (f) Any individual who becomes a Director as a result of a transfer to the Society of the business of another building society may be treated for the purposes of this Rule as if appointed or last elected as a Director on the date of appointment or election to the board of the other society.
- (g) An election of Directors shall be held whether or not the number of eligible candidates is more than the number of vacancies on the *Board*. The Directors may be elected by a *resolution* voted on by a poll at the Annual General Meeting or by *postal ballot* in which event the result shall be declared at the Annual General Meeting.
- (h) In the exercise of its duties under Rule 26, the *Board* may require any individual who is being considered for appointment or election as a Director under this Rule 29, or who is nominated for election as a Director under Rule 30, to supply to the *Board* in writing:

- (i) evidence of their qualifications, financial and managerial experience, creditworthiness, competence and character; and
- (ii) any duly completed form or questionnaire, in whatever form the *Board* considers necessary to meet legal and regulatory requirements.

### **30. Nomination for Election of Directors**

  - (i) be in writing, signed by the nominated candidate and by each of the *qualified two year members* nominating him;
  - (ii) state the full names and addresses (including post codes) of each of those *qualified two year members*; and
  - (iii) be received by the Society at its head office addressed to the Secretary accompanied by a deposit of £500\* by the end of the *financial year* preceding the election. Any nomination received after that date will be carried forward (unless the candidate requires otherwise) as a nomination for the next election of directors.
- (c) Any individual nominated for election as a Director may withdraw his name only by delivering a written notice of his withdrawal addressed to the Secretary to be received by the Society at its head office not later than 21 days after the end of the *financial year* during which his nomination was received at the head office of the Society. In the event of a withdrawal before the end of the *financial year* preceding the election, the deposit shall be returned to the candidate. In the event of a withdrawal after that time, the return of the deposit to the candidate shall be at the Society's discretion.
- (d) After the election the deposit shall be returned within 14 days to any successful candidate or one who received votes equivalent in total to either 5% or more of the total votes cast in the election or 20% or more of the total votes cast for the candidate who is elected with the smallest total number of votes. In any other circumstances the deposit shall be forfeited.
- (e) An individual nominated for election as a Director who will be 70 years of age or over at the date on which his election as a Director would take effect shall not be eligible for election unless the requirements of Rule 29(e) are satisfied.

\* These amounts have been updated in light of the amendments to the Building Societies Act 1986 pursuant to the Building Societies Act 1986 (Substitution of Specified Amounts and Modification of the Funding Limit Calculation) Order 2007 (SI 2007/860)

## 33. Directors' Interests

- (a) A Director shall declare any interest in accordance with the *legislation* and any other material interest and (except in relation to matters to be decided under Rule 32) shall not vote on any matter to be decided by the *Board* in which he has such an interest. Nor shall he be counted in the *quorum* present at any meeting at which such matter is considered.
- (b) If any question arises at a *Board* meeting as to the materiality of a Director's interest or as to the entitlement of a Director to vote, and the Director does not agree to abstain from voting, the question shall be resolved by the Chairman of the meeting (or if the Chairman is the Director in question then by another Director present chosen by the meeting, with the Chairman abstaining, for this purpose) whose ruling shall be final and conclusive.
- (c) A Director may hold any office of profit with the Society (other than the office of auditor or valuer) simultaneously with his office of Director and may be appointed by the *Board* to an office of profit with any body corporate in which the Society is, or will be, interested. A Director appointed to an office of profit with any such body corporate shall promptly disclose to the *Board* any benefit he derives from that office.

- (d) A Director, notwithstanding his interest, may be counted in the *quorum* present at any meeting at which he or any other Director is appointed to hold any office of profit with the Society or with any body corporate in which the Society is, or will be, interested or at which the terms of any such appointment are arranged. He may vote on any such appointment or arrangement other than his own appointment or the arrangement of the terms of that appointment.

- (xii) if a *resolution* to that effect is passed at a general meeting or on a *postal ballot*;
  - (xiii) if the *Board* passes a resolution to that effect either: (1) after a regulatory authority has made it a condition of the Society's continued authorisation that the Director should cease to hold office or has imposed a requirement or made a recommendation that he should cease to hold office; or (2) following a failure by the Director to obtain or maintain any personal authorisation required from a regulatory authority relevant to the office of director; or
