(1) Total operating income represents the ‘total income’ line on the Group’s income statement as disclosed in the Group’s Annual Report and Accounts, in accordance with the European Union’s Capital Requirements Directive (CRD IV) requirements. Total operating income is aggregated for all subsidiaries and branches, and adjusted for dividends and transactions between Group entities within each country.

(2) Public subsidies of less than £0.1 million were received by the Group during the year ended 4 April 2017.

(3) Nationwide plans to close its Republic of Ireland and Isle of Man operations during the year ending 4 April 2018.

(4) The majority of profits of the Society’s Irish branch relate to operations which are, by agreement with the Irish tax authorities, only subject to tax in the United Kingdom.

(5) Nil balances represent rounding of small values in relation to a legacy company that is in the process of being liquidated.

(6) Intra-group adjustments include the elimination of dividends paid between the Group’s operations in different countries and other consolidation adjustments.

Basis of preparation

The Group’s CBCR disclosure has been prepared to comply with The Capital Requirements (Country by Country Reporting) Regulations 2013 (the Regulations), which came into effect on 1 January 2014. The requirements place certain reporting obligations on financial institutions that are within the scope of CRD IV. CBCR requires annual publication of certain statutory information on a consolidated basis, by country where an institution has a subsidiary or branch. Income and expenses relating to transactions between operations in the same jurisdiction have been eliminated.

The CBCR disclosure has been prepared solely to comply with the requirements of the Regulations and may not be relied on for any other purpose.
Independent auditors’ report to the Directors of Nationwide Building Society

We have audited the accompanying schedule of Nationwide Building Society (“the Group”) for the year ended 4 April 2017 (“the Schedule”). The Schedule has been prepared by the directors based on the requirements of the Capital Requirements (Country by Country Reporting) Regulations 2013 (“the Regulations”).

Directors’ Responsibility for the Schedule

The directors are responsible for the preparation of the Schedule in accordance with the Regulations, for the appropriateness of the basis of preparation and the interpretation of the Regulations as they affect the preparation of the Schedule, and for such internal control as the directors determine is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Schedule based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Group’s preparation of the Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the Schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the country by country information in the Schedule as at, and for the year ended 4 April 2017 is prepared, in all material respects, in accordance with the requirements of the Regulations.

Basis of Preparation and Restriction on Distribution

Without modifying our opinion, we draw attention to the basis of preparation. The Schedule is prepared to assist the directors to meet the requirements of the Regulations. As a result, the Schedule may not be suitable for another purpose.

Our report is intended solely for the benefit of the directors of the Group. We do not accept or assume any responsibility or liability to any other party save where terms are agreed between us in writing.
