Arrears	Nationwide identifies a loan as being in arrears where an amount equal to or greater than a full month's contractual payment is past its due date. Arrears includes fees and insurance premiums that are included in the arrears balance on which interest is charged. Months in Arrears is a simple multiplier of Arrears balance /normal instalment. If the Months in Arrears is less than one, zero is reported. Nationwide recognise that arrears are typically caused by temporary changes in customer circumstances, and therefore offer a range of forbearance and account management options to customers. Options include temporary conversion to interest only, term extension and arrears capitalisation. All account management/forbearance options are low in materiality. Properties in possession are repurchased from the Covered Bond programme.
Arrears - weighted average	Accounts not in arrears are excluded from the weighted average table on page 3.
