Investor Report Glossary

Data reported as "to date" throughout this report refers to the period since 31/05/2011.

Arrears	Nationwide identifies a loan as being in arrears where an amount equal to or greater than a full month's contractual payment is past its due date. Arrears includes fees and insurance
Arrears	premiums that are included in the arrears balance on which interest is charged. Months in Arrears is a simple multiplier of Arrears balance /normal instalment. If the Months in Arrears is less
	than one, zero is reported. Nationwide recognise that arrears are typically caused by temporary changes in customer circumstances, and therefore offer a range of forbearance and
	account management options to customers. Options include temporary conversion to interest only, term extension and arrears capitalisation. All account management/forbearance options
	are low in materiality. Properties in possession are repurchased from the Covered Bond programme.
Arrears - weighted average	Accounts not in arrears are excluded from the weighted average table on page 3.
Arrears - capitalisation	Nationwide recognise that arrears are typically caused by temporary changes in customer circumstances, and therefore offer a range of forbearance and account management options to
	customers. Options include temporary conversion to interest only, term extension and arrears capitalisation.
Constant Payment Rates	The total CPR reported on a monthly/3 month average and annualised basis being the aggregated value of Natural and Technical CPR.

	guarantee to bondholders in the event that Nationwide Building Society is unable to meet its obligations to them.
Product groups	Product groups are reported at an individual loan level (please refer to the definition of ' Mortgage Account' above).
Repayment Terms	Repayment terms are reported at an individual loan level (please refer to the definition of ' Mortgage Account' above).
Repurchases	Repurchases include all loans in possession. Repurchases to date includes all loans repurchased from and including 31 May 2011.

Substitutions	Prior to 31 December 2012 substitutions included further advances granted in the reporting period on mortgage accounts that were already within the Pool.
True Balance	Aggregated Outstanding Balances reported refer to the total outstanding balance ("True Balance") under each mortgage loan. True Balance is the aggregate of: (a) the original principal
	amount advanced and any further amount advanced, (b) the amount of any re-draw made under any flexible loan, (c) any interest, fees or charges which has been capitalised and (d) any

#### **Covered Bond Label**

**DISCLAIMER:** This document has been prepared by Nationwide Building Society in its capacity as Cash Manager.

The Covered Bond Label is a quality Label which responds to a market-wide request for improved standards and increased transparency in the European covered bond market.

The Label:

- •Establishes a clear perimeter for the asset class and highlights the core standards and quality of covered bonds;
- Increases transparency;
- •Improves access to information for investors, regulators and other market participants;
- •Has the additional objective of improving liquidity in covered bonds;
- •Positions the covered bond asset class with respect to the upcoming regulatory challenges (CRD IV, Solvency II, redesign of ECB reportules, etc.).

The Label is based on the Covered Bond Label Convention, which defines the core characteristics required for a covered bond programme to qualify for the Label. This definition of the required characteristics is complemented by a transparency tool developed at national level based on the "Guidelines for National Transparency Templates".
