[Reverse of Note]

This Note is one of a duly authorized issue of a series of notes designated on the face hereof of the Issuer (herein called the "Notes"), issued under the Indenture dated as of December 20, 2017, (the **Indenture**), between Nationwide Building Society, as the Issuer, and The Bank of New York Mellon, London Branch, as Trustee and Paying Agent (herein called the "Trustee", which term includes any successor to such Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee, the Paying Agent and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered.

Certain Definitions

- (A) **30/360** means the number of days in the period from (and including) the most recent Fixed Rate Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of twelve 30 day months) divided by 360;
- (B) **Actual/360** means the actual number of days in the relevant Floating Rate Interest Period divided by 360.

"Hierarchy Order" means The Banks and Building Societies (Priorities on Insolvency) Order 2018, as amended or superseded from time to time.

"Secondary Non-Preferential Debts" means 'secondary non-preferential debts' as defined in Section 387A(3)(b) of the Insolvency Act (or, as the case may be, in the relevant section of any other Ranking Legislation).

Status and Ranking

The 2025 Notes are the direct, unconditional, unsubordinated and (subject to the provisions set forth under Section 9.6 of the Base Indenture) unsecured obligations of the Issuer and rank (subject to the provisions set forth under Section 9.6 of the Base Indenture) equally among themselves, junior to obligations required to be preferred by law (which includes certain member share accounts which are given preferential status by law) and at least equally with all other Ordinary Non-Preferential Debts of the Issuer.

Accordingly, subject to the Insolvency Act (and any other Ranking Legislation), for so long as they are not secured pursuant to the provisions set forth under Section 9.6 of the Base Indenture, the 2025 Notes form part of the class of Ordinary Non-Preferential Debts of the Issuer under the Insolvency Act (and any other Ranking Legislation).

Interest

The Notes shall bear interest from (and including) the Interest Commencement Date to but excluding the date of Maturity at the rate per annum equal to the Rate of Interest specified on the face hereof payable in arrear on the Interest Payment Dates in each year specified on the face hereof (the period from (and including) the Interest Commencement Date to (but excluding) the first Interest Payment Date (or the date of Maturity if applicable) and each successive period from (and including) an Interest Payment Date to (but excluding) the next Interest Payment Date (or the date of Maturity if applicable) each an “**Interest Period**”).

Interest shall be calculated in respect of any Interest Period by applying the Rate of Interest specified on the face herein to the aggregate outstanding principal amount of the Notes and multiplying such sum by the applicable Day Count Fraction in effect for such period and rounding the resultant figure to the nearest cent, with half or more of any cent being rounded upwards.

If any Interest Payment Date or the date of Maturity of the Notes falls on a day that is not a Business Day, the required payments of principal, premium, if any, and interest with respect to the Notes will be made on the next succeeding Business Day as if made on the date such payment was due, and no interest will accrue on such payment for the period from and after such Interest Payment Date or the date of Maturity, as the case may be, to the date of such payment on the next succeeding Business Day.

Payment of Additional Amounts

In the event of any deduction or other withholding for or on account of any present or future tax, assessment, duty or other governmental charge of any nature whatsoever imposed, levied or collected by or on behalf of the United Kingdom, or any political subdivision thereof or authority therein having power to tax, in respect of any payments in respect of any of the Notes the Issuer will (subject as follows) pay to the Holder of any Notes such additional amounts (“**Additional Amounts**”) as may be necessary in order that every net payment of the principal of (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) and interest on such Notes, will not be less than the amount provided for in the Notes as then due and payable.

However, no such Additional Amounts shall be payable on the Notes for or on account of any tax, assessment, duty or other governmental charge which is payable:

- (1) otherwise than by deduction or withholding from any payments of principal (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) or interest on the Notes;

- (2) by reason of the Holder or beneficial owner of Notes who is liable for such taxes having some connection with the United Kingdom (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in the United Kingdom) other than by the mere holding of Notes or enforcement of rights hereunder or the receipt of payments in respect hereof;
- (3) by reason of a change in law or official practice of any relevant taxing authority that becomes effective more than 30 days after the Relevant Date for payment of principal (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) or interest in respect of the Notes;
- (4) by reason of any estate, excise, inheritance, gift, sales, transfer, wealth, personal property tax or any similar assessment or governmental charge;
- (5) as a result of the failure of a Holder or beneficial owner of Notes to satisfy any statutory requirements or make a declaration of non-residence or other similar claim for exemption to the relevant tax authority;
- (6) by reason of any Note presented for payment in the United Kingdom if such payment could have been made by or through any other Paying Agent without such tax, assessment, duty or other governmental charge;
- (7) owing to a combination of clauses (1) through (6) above; or
- (8) pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 as amended (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

“**Relevant Date**” means the date on which the payment of principal (including premium or final redemption amount or early redemption amount, if any, or other amount payable in respect thereof) or interest on the Notes first becomes due and payable but, if the full amount of the monies payable on such date has not been received by the relevant Paying Agent or as it shall have directed on or prior to such date, the “**Relevant Date**” means the date on which such monies shall have been so received. No Additional Amounts will be paid as provided above with respect to any payment of principal (including premium or final redemption amount or early redemption amount, if any, or other amount payable in respect thereof) or interest on the Notes to any Holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of Notes.

Redemption and Repurchase of Notes

Redemption for Tax Reasons

If the Issuer at any time satisfies the Trustee immediately prior to the giving of the notice referred to below that on the occasion of the next payment due in respect of the Notes the Issuer will or would be required to pay any Additional Amounts as described under “Payment of Additional Amounts” above or to account to any taxing authority in the United Kingdom for any amount (other than any tax withheld or deducted from interest payable in respect of the Notes) calculated by reference to any amount payable in respect of the Notes and, in any such case, the Issuer cannot avoid the same by taking reasonable measures available to it, then the Issuer may in its sole discretion, upon not more than 30 days nor less

Prior to the publication of any notice of early redemption pursuant to the provisions set forth above, the Issuer shall deliver to the Trustee a certificate signed by any two authorized signatories of the Issuer confirming that the relevant circumstances above have occurred and are continuing. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders.

By its acquisition of the Notes, each Holder and each beneficial owner of Notes acknowledges, agrees to be bound by and consents to the exercise of any UK bail-in power (as defined below) by the relevant UK resolution authority (as defined below) that may result (without limitation) in (i) the cancellation, write-down or reduction of all, or a portion, of the principal amount of, or interest on, the Notes (including by variation of the Notes) and/or (ii) any other modification of the Notes and/or (iii) the conversion of all, or a portion, of the principal amount of, or interest on, the Notes into the Issuer’s or another person’s shares or other securities or other obligations (including by variation of the Notes) to give effect to the exercise by the relevant UK resolution authority of such UK bail-in power, and the rights of the Holders and beneficial owners of the Notes will be subject to the provisions of any UK bail-in power which are expressed to implement such a reduction, write-down, cancellation, modification or conversion. Each Holder and beneficial owner of Notes further acknowledges and agrees that the rights of the Holders and beneficial owners of Notes are subject to, and will be varied, if necessary, so as to give effect to, the exercise by the relevant UK resolution authority of such UK bail-in power. Without prejudice to the generality of the foregoing, each Holder (including each beneficial owner) acknowledges, agrees to be bound by and consents that the Issuer and the Trustee for the Notes shall, at any time and from time to time, without any requirement for the consent or approval of any Holders, be entitled to amend the terms of the Indenture and the Notes in order to ensure the effectiveness and enforceability of the provisions of this section “*Agreement with Respect to the Exercise of UK Bail-in Power*” and Article 13 of the Indenture (including, without limitation, changing the governing law of Article 13 of the Indenture from New York law to English law). Any such amendment shall be subject to the Issuer having obtained Relevant Supervisory Consent and to compliance with any applicable Regulatory Capital Requirements and/or Loss Absorption Regulations, but in each case only if and to the extent then required by the relevant Supervisory Authority or under any applicable Regulatory Capital Requirements and/or Loss Absorption Regulations. The Issuer will notify Holders of any such amendments, in accordance with “—*Notices*”, as soon as reasonably practicable, and in any event not later than 15 days following such amendments taking effect (provided that any delay or failure in giving such notice shall not nullify or invalidate such amendments).

For purposes of the Notes, a “**UK bail-in power**” is any statutory power to effect a cancellation, write-down, reduction, modification and/or conversion of a liability existing from time to time under any laws, regulations, rules or requirements relating to the resolution of credit institutions, investment firms and certain banking group companies (including relevant parent undertakings, subsidiaries and/or affiliates) incorporated in the United Kingdom in effect and applicable to the Issuer or any member of the Group, including but not limited to the UK Banking Act 2009, as the same may be amended from time to time (whether pursuant to the UK Financial Services (Banking Reform) Act 2013 or otherwise), and any laws, regulations, rules or requirements in the United Kingdom which are adopted or enacted in order to implement Directive 2014/59/EU of the European Parliament and of the Council of May 15, 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms and amending Council Directive 82/891/EEC, and Directives 2001/24/EC, 2002/47/EC, 2004/25/EC, 2005/56/EC, 2007/36/EC, 2011/35/EU, 2012/30/EU and 2013/36/EU, and Regulations (EU) No 1093/2010 and (EU) No 648/2012, of the European Parliament and of the Council, as the same may be amended from time to time (the “**BRRD**”), pursuant to which liabilities of a credit institution, investment firm, certain of its parent undertakings and/or certain of its affiliates can be cancelled, written down, reduced, modified and/or converted into shares or other securities or obligations of the issuer or any other person (and a reference to the “relevant UK resolution authority” is to any authority with the ability to exercise a UK bail-in power).

“**Group**” means the Issuer together with its subsidiaries consolidated in accordance with International Financial Reporting Standards.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that no repayment of the principal amount (including any premium or final redemption amount or early redemption amount, if any, or other amount payable in respect thereof) of the Notes or payment of interest on the Notes shall become due and payable after the exercise of any UK bail-in power by the relevant UK resolution authority unless, at the time that such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by us after the exercise of such UK bail-in power.

By its acquisition of the Notes, each Holder and beneficial owner of Notes waives any and all claims against the Trustee for, agrees not to initiate a suit against the Trustee in respect of, and agrees that the Trustee will not be liable for, any action that the Trustee takes, or abstains from taking, in either case in accordance with the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the notes.

Upon the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes, the Issuer will provide a written notice to DTC as soon as practicable regarding such exercise of the UK bail-in power for purposes of notifying Holders and beneficial owners of Notes of such occurrence. The Issuer will also deliver a copy of such notice to the Trustee for information purposes.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes will not be an Event of Default with respect to the Notes.

The Issuer’s obligations to indemnify the Trustee shall survive the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that, upon the exercise of any UK bail-in power by the relevant UK resolution authority with respect to the Notes, (a) the Trustee shall not be required to take any further directions from Holders of the Notes and

(b) the Indenture shall impose no duties upon the Trustee whatsoever with respect to the exercise of any UK bail-in power by the relevant UK resolution authority. Notwithstanding the foregoing, if, following the completion of the exercise of the UK bail-in power by the relevant UK resolution authority, any Notes remain outstanding (for example, if the exercise of the UK bail-in power results in only a partial write-down of the principal of the Notes), then the Trustee's duties under the Indenture shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Trustee shall agree pursuant to supplemental indenture or an amendment to the Indenture; provided, however, that notwithstanding the exercise of the UK bail-in power by the relevant UK authority, there shall at all times be a Trustee for the Notes in accordance with the Indenture, and the resignation and/or removal of the Trustee and the appointment of a successor trustee will continue to be governed by the Indenture, including to the extent no additional supplemental indenture or amendment is agreed upon in the event the Notes remain outstanding following the completion of the exercise of the UK bail-in power.

By its acquisition of the Notes, each Holder and beneficial owner of Notes (a) acknowledges and agrees to be bound by and consents to the exercise of any UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the Notes and (b) shall be deemed to have authorized, directed and requested DTC and any direct participant in DTC or other intermediary through which it holds Notes to take any and all necessary action, if required, to implement the exercise of any UK bail-in power with respect to the Notes as it may be imposed, without any further action or direction on the part of such Holder, beneficial owner or the Trustee.

Events of Default

The following shall constitute “**Events of Default**” with respect to the Notes:

- (1) the Issuer fails to pay any principal within three days of the due date or interest within seven days of the due date in respect of the Notes; or
- (2) the Issuer defaults in performance or observance of or compliance with any of its other obligations set out in the Notes or the Indenture which default is incapable of remedy or which, if capable of remedy, is not, in the opinion of the Trustee, remedied within 30 days (or such longer period as the Trustee may permit) after notice requiring remedy of such default shall have been given to us by the Trustee; or
- (3)
 - (a) any other present or future indebtedness in respect of moneys borrowed or raised in an amount of £40,000,000 or more (or its equivalent in any other currency) of the Issuer or any Material Subsidiary becomes due and payable prior to its stated maturity pursuant to a default; or
 - (b) any such indebtedness is not paid when due or (as the case may be) within any applicable grace period therefor; or
 - (c) the Issuer fails or any Material Subsidiary fails to pay when due or (as the case may be) within any applicable grace period therefor any amount payable by the Issuer or it under any present or future guarantee in an amount of £40,000,000 or more (or its equivalent in any other currency) (other than any guarantee given in the ordinary course of the Issuer's or its business) for any indebtedness in respect of moneys borrowed or raised; or

- (d) any mortgage, charge, pledge, lien or other encumbrance present or future securing an amount of £40,000,000 or more (or its equivalent in any other currency) and created or assumed by the Issuer or any Material Subsidiary becomes enforceable and the holder thereof takes any steps to enforce the same; or
- (4) a distress or execution or other similar legal process in respect of a claim for £20,000,000 or more is levied or enforced or sued out upon or against any part of the Issuer's property, assets or revenues or the property, assets or revenues of any Material Subsidiary and is not discharged or stayed within 30 days of having been so levied, enforced or sued out; or
- (5) the Issuer becomes, or any Material Subsidiary becomes, insolvent or unable to pay its debts as they mature; or the Issuer applies, or any Material Subsidiary applies, for or consents to or suffers the appointment of a liquidator or receiver or administrator or similar officer of ourselves or itself or the whole or any substantial part of our or its undertaking, property, assets or revenues; or the Issuer takes, or any Material Subsidiary takes, any proceeding under any law for a readjustment or deferment of its obligations or any part thereof, or the Issuer makes or enters, or any Material Subsidiary makes or enters, into a general assignment or an arrangement or composition with or for the benefit of our or its creditors, except in any case in connection with a substitution pursuant to the Consolidation, Merger and Sale or Lease of Assets provisions of the Indenture or for the purpose of a reconstruction, union, transfer, merger or amalgamation effected with the prior written consent of the Trustee, or in the case of a Material Subsidiary in connection with the transfer of all or the major part of its business, undertaking and assets; or
- (6) an order is made or an effective resolution is passed to wind up or dissolve the Issuer or any Material Subsidiary or the Issuer's authorization or registration is, or is proposed to be canceled, suspended or revoked or anything analogous or similar to any of the foregoing occurs (except in any case for the purposes of a substitution pursuant to the Consolidation, Merger and Sale or Lease of Assets provisions of the Indenture, a reconstruction, union, transfer, merger or amalgamation effected with the consent of the Trustee or in the case of a voluntary solvent winding up of a wholly-owned Material Subsidiary).

“Material Subsidiary” means a Subsidiary of the Issuer whose total assets (attributable to the Issuer) represent 10% or more of the Issuer's and its subsidiaries' consolidated total assets (all as more particularly described in the Indenture).

If an Event of Default (other than an Event of Default specified in sections (5) or (6) above) with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the outstanding Notes may declare all of the Notes to be due and payable immediately at their Early Redemption Amount together with accrued interest by a notice in writing to us. If an Event of Default specified in section (5) or (6) above with respect to the Notes occurs, then all of the Notes shall, without any act by the Trustee or the Holders, become immediately due and payable without presentment, demand, protest or other notice of kind at their early redemption amount together with accrued interest.

At any time after such an acceleration or declaration of acceleration with respect to the Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of a majority in principal amount of the outstanding Notes, by written notice to the

Issuer and the Trustee, may rescind and annul such acceleration or declaration of acceleration and its consequences if:

- (a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay:
 - (i) all overdue interest, if any, on all the Notes;
 - (ii) the principal of and premium, if any, on any Notes which have become due otherwise than by such acceleration or declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Notes;
 - (iii) to the extent that payment of such interest is lawful, interest upon any overdue interest at the rate or rates prescribed therefor in the Notes; and
 - (iv) all sums paid or advanced by the Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and
- (b) all Events of Default with respect to the Notes, other than the non-payment of the principal of and accrued interest on the Notes which have become due solely by such acceleration, have been cured or waived.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

If any Event of Default has occurred and is continuing with regard to the Notes, the Trustee may, at its discretion and without further notice, take such proceedings against the Issuer as it may think fit to enforce payment on the Notes. However, the Trustee will not be bound to take any action with respect to the Notes unless:

- (1) it shall have been so requested in writing by holders of at least 25% of the nominal amount of the Outstanding Notes; and
- (2) it shall have been indemnified to its satisfaction.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes may waive, on behalf of the Holders of all the Notes, compliance by the Issuer with section 9.4 or 9.6 of the Indenture. The Holders of a majority in aggregate principal amount of the Outstanding Notes may waive on behalf of the Holders of all the Notes, any past default under the Indenture and its consequences, except a default in the payment of principal of (or premium, if any, on) or interest, if any, on any of the Notes or with respect to a covenant or provision which under the Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Note.

The Indenture contains provisions permitting the Issuer and the Trustee (i) without the consent of the Holders to execute supplemental indentures for certain enumerated purposes, such as to cure any ambiguity or inconsistency or to make any change that does not have a materially adverse effect on the rights of any Holder, and (ii) with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes, to execute supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of Holders of Notes; provided, that, with respect to certain provisions of the Indenture, no such supplemental indenture may be entered into without the consent of the Holder of each Outstanding Note affected thereby.

In addition, the Issuer and the Trustee may modify and amend the Indenture, without the further consent of Holders, to the extent necessary to give effect to the exercise by the relevant UK resolution authority of the UK bail-in power.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of (and premium, if any, on) and interest, if any, on this Note (including any Additional Amounts payable in accordance with the terms of this Note and the Indenture) at the times, places and rates, and in the coin or currency, specified herein. However, the Indenture limits the Holder's right to enforce the Indenture and this Note.

Prior to due presentment of this Note for registration of transfer, the Issuer, the Trustee and the Paying Agent and any agent of the Issuer, the Trustee or the Paying Agent may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or any agent of the Issuer, the Trustee or the Paying Agent shall be affected by notice to the contrary.

Governing Law

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York.

Each of the Issuer and the Trustee, and each Holder and beneficial owner of a Note by its acceptance thereof, hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right it may have to trial by jury in any legal proceeding directly or indirectly arising out of or relating to the Indenture, the Notes or the transactions contemplated thereby.

Prescription

Claims for payment of principal in respect of the notes shall become void upon the expiry of ten years, and claims for payment of interest (if any) in respect of the notes shall become void upon the expiry of five years, in each case from the Relevant Date therefor, subject to the terms and conditions described in the Indenture.

By: _____

[Reverse of Note]

This Note is one of a duly authorized issue of a series of notes designated on the face hereof of the Issuer (herein called the "Notes"), issued under the Indenture dated as of December 20, 2017, (the **Indenture**), between Nationwide Building Society, as the Issuer, and The Bank of New York Mellon, London Branch, as Trustee and Paying Agent (herein called the "Trustee", which term includes any successor to such Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee, the Paying Agent and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered.

Certain Definitions

"Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in New York City or London.

"Day Count Fraction" means, in respect of the calculation of an amount for any period of time in accordance with any provision herein, the Day Count Fraction specified on the face hereof as calculated as follows:

- (C) **30/360** means the number of days in the period from (and including) the most recent Fixed Rate Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of twelve 30 day months) divided by 360;
- (D) **Actual/360** means the actual number of days in the relevant Floating Rate Interest Period divided by 360.

"Hierarchy Order" means The Banks and Building Societies (Priorities on Insolvency) Order 2018, as amended or superseded from time to time.

"Insolvency Act" means the Insolvency Act 1986, as amended or superseded from time to time (including by the Hierarchy Order).

"Ordinary Non-Preferential Debts" means 'ordinary non-preferential debts' as defined in Section 387A(3)(a) of the Insolvency Act (or, as the case may be, in the relevant section of any other Ranking Legislation).

"Ranking Legislation" means the Insolvency Act, the Hierarchy Order and, if and to the extent applicable to the Issuer, any other law or regulation which is amended by the Hierarchy Order.

"Secondary Non-Preferential Debts" means 'secondary non-preferential debts' as defined in Section 387A(3)(b) of the Insolvency Act (or, as the case may be, in the relevant section of any other Ranking Legislation).

Status and Ranking

The 2025 Notes are the direct, unconditional, unsubordinated and (subject to the provisions set forth under Section 9.6 of the Base Indenture) unsecured obligations of the Issuer and rank (subject to the provisions set forth under Section 9.6 of the Base Indenture) equally among themselves, junior to obligations required to be preferred by law (which includes certain member share accounts which are given preferential status by law) and at least equally with all other Ordinary Non-Preferential Debts of the Issuer.

Accordingly, subject to the Insolvency Act (and any other Ranking Legislation), for so long as they are not secured pursuant to the provisions set forth under Section 9.6 of the Base Indenture, the 2025 Notes form part of the class of Ordinary Non-Preferential Debts of the Issuer under the Insolvency Act (and any other Ranking Legislation).

Interest

The Notes shall bear interest from (and including) the Interest Commencement Date to but excluding the date of Maturity at the rate per annum equal to the Rate of Interest specified on the face hereof payable in arrear on the Interest Payment Dates in each year specified on the face hereof (the period from (and including) the Interest Commencement Date to (but excluding) the first Interest Payment Date (or the date of Maturity if applicable) and each successive period from (and including) an Interest Payment Date to (but excluding) the next Interest Payment Date (or the date of Maturity if applicable) each an “**Interest Period**”).

Interest shall be calculated in respect of any Interest Period by applying the Rate of Interest specified on the face herein to the aggregate outstanding principal amount of the Notes and multiplying such sum by the applicable Day Count Fraction in effect for such period and rounding the resultant figure to the nearest cent, with half or more of any cent being rounded upwards.

If any Interest Payment Date or the date of Maturity of the Notes falls on a day that is not a Business Day, the required payments of principal, premium, if any, and interest with respect to the Notes will be made on the next succeeding Business Day as if made on the date such payment was due, and no interest will accrue on such payment for the period from and after such Interest Payment Date or the date of Maturity, as the case may be, to the date of such payment on the next succeeding Business Day.

Payment of Additional Amounts

In the event of any deduction or other withholding for or on account of any present or future tax, assessment, duty or other governmental charge of any nature whatsoever imposed, levied or collected by or on behalf of the United Kingdom, or any political subdivision thereof or authority therein having power to tax, in respect of any payments in respect of any of the Notes the Issuer will (subject as follows) pay to the Holder of any Notes such additional amounts (“**Additional Amounts**”) as may be necessary in order that every net payment of the principal of (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) and interest on such Notes, will not be less than the amount provided for in the Notes as then due and payable.

However, no such Additional Amounts shall be payable on the Notes for or on account of any tax, assessment, duty or other governmental charge which is payable:

- (9) otherwise than by deduction or withholding from any payments of principal (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) or interest on the Notes;

- (10) by reason of the Holder or beneficial owner of Notes who is liable for such taxes having some connection with the United Kingdom (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in the United Kingdom) other than by the mere holding of Notes or enforcement of rights hereunder or the receipt of payments in respect hereof;
- (11) by reason of a change in law or official practice of any relevant taxing authority that becomes effective more than 30 days after the Relevant Date for payment of principal (including premium or final redemption amount or Early Redemption Amount, if any, or other amount payable in respect thereof) or interest in respect of the Notes;
- (12) by reason of any estate, excise, inheritance, gift, sales, transfer, wealth, personal property tax or any similar assessment or governmental charge;
- (13) as a result of the failure of a Holder or beneficial owner of Notes to satisfy any statutory requirements or make a declaration of non-residence or other similar claim for exemption to the relevant tax authority;
- (14) by reason of any Note presented for payment in the United Kingdom if such payment could have been made by or through any other Paying Agent without such tax, assessment, duty or other governmental charge;
- (15) owing to a combination of clauses (1) through (6) above; or
- (16) pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 as amended (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

“**Relevant Date**” means the date on which the payment of principal (including premium or final redemption amount or early redemption amount, if any, or other amount payable in respect thereof) or interest on the Notes first becomes due and payable but, if the full amount of the monies payable on such date has not been received by the relevant Paying Agent or as it shall have directed on or prior to such date, the “**Relevant Date**” means the date on which such monies shall have been so received. No Additional Amounts will be paid as provided above with respect to any payment of principal (including premium or final redemption amount or early redemption amount, if any, or other amount payable in respect thereof) or interest on the Notes to any Holder who is a fiduciary or partnership or other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the Holder of Notes.

Redemption and Repurchase of Notes

Redemption for Tax Reasons

If the Issuer at any time satisfies the Trustee immediately prior to the giving of the notice referred to below that on the occasion of the next payment due in respect of the Notes the Issuer will or would be required to pay any Additional Amounts as described under “Payment of Additional Amounts” above or to account to any taxing authority in the United Kingdom for any amount (other than any tax withheld or deducted from interest payable in respect of the Notes) calculated by reference to any amount payable in respect of the Notes and, in any such case, the Issuer cannot avoid the same by taking reasonable measures available to it, then the Issuer may in its sole discretion, upon not more than 30 days nor less

than 15 days notice made in accordance with the applicable provisions of the Indenture, redeem at any time all (but not some only) of the Notes at their Early Redemption Amount as provided below together, if applicable, with interest accrued to (but excluding) the date fixed for redemption.

Prior to the publication of any notice of early redemption pursuant to the provisions set forth above, the Issuer shall deliver to the Trustee a certificate signed by any two authorized signatories of the Issuer confirming that the relevant circumstances above have occurred and are continuing. The Trustee shall be entitled, without liability to any person, to accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the relevant conditions precedent, in which event it shall be conclusive and binding on the Trustee and the Holders.

Early Redemption Amount

For the purposes of redemption for tax reasons and for the purposes of redemption upon the occurrence of any Event of Default applicable to the Notes, the “**Early Redemption Amount**” for the Notes will be 100% of their principal amount.

Repurchase

The Issuer may at any time purchase Notes at any price or prices in the open market or otherwise. Notes so purchased may be held or resold or, at the Issuer’s discretion, notes may be surrendered to the Trustee for cancellation.

Agreement with Respect to the Exercise of UK Bail-in Power

By its acquisition of the Notes, each Holder and each beneficial owner of Notes acknowledges, agrees to be bound by and consents to the exercise of any UK bail-in power (as defined below) by the relevant UK resolution authority (as defined below) that may result (without limitation) in (i) the cancellation, write-down or reduction of all, or a portion, of the principal amount of, or interest on, the Notes (including by variation of the Notes) and/or (ii) any other modification of the Notes and/or (iii) the conversion of all, or a portion, of the principal amount of, or interest on, the Notes into the Issuer’s or another person’s shares or other securities or other obligations (including by variation of the Notes) to give effect to the exercise by the relevant UK resolution authority of such UK bail-in power, and the rights of the Holders and beneficial owners of the Notes will be subject to the provisions of any UK bail-in power which are expressed to implement such a reduction, write-down, cancellation, modification or conversion. Each Holder and beneficial owner of Notes further acknowledges and agrees that the rights of the Holders and beneficial owners of Notes are subject to, and will be varied, if necessary, so as to give effect to, the exercise by the relevant UK resolution authority of such UK bail-in power. Without prejudice to the generality of the foregoing, each Holder (including each beneficial owner) acknowledges, agrees to be bound by and consents that the Issuer and the Trustee for the Notes shall, at any time and from time to time, without any requirement for the consent or approval of any Holders, be entitled to amend the terms of the Indenture and the Notes in order to ensure the effectiveness and enforceability of the provisions of this section “*Agreement with Respect to the Exercise of UK Bail-in Power*” and Article 13 of the Indenture (including, without limitation, changing the governing law of Article 13 of the Indenture from New York law to English law). Any such amendment shall be subject to the Issuer having obtained Relevant Supervisory Consent and to compliance with any applicable Regulatory Capital Requirements and/or Loss Absorption Regulations, but in each case only if and to the extent then required by the relevant Supervisory Authority or under any applicable Regulatory Capital Requirements and/or Loss Absorption Regulations. The Issuer will notify Holders of any such amendments, in accordance with “—*Notices*”, as soon as reasonably practicable, and in any event not later than 15 days following such amendments taking effect (provided that any delay or failure in giving such notice shall not nullify or invalidate such amendments).

For purposes of the Notes, a “**UK bail-in power**” is any statutory power to effect a cancellation, write-down, reduction, modification and/or conversion of a liability existing from time to time under any laws, regulations, rules or requirements relating to the resolution of credit institutions, investment firms and certain banking group companies (including relevant parent undertakings, subsidiaries and/or affiliates) incorporated in the United Kingdom in effect and applicable to the Issuer or any member of the Group, including but not limited to the UK Banking Act 2009, as the same may be amended from time to time (whether pursuant to the UK Financial Services (Banking Reform) Act 2013 or otherwise), and any laws, regulations, rules or requirements in the United Kingdom which are adopted or enacted in order to implement Directive 2014/59/EU of the European Parliament and of the Council of May 15, 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms and amending Council Directive 82/891/EEC, and Directives 2001/24/EC, 2002/47/EC, 2004/25/EC, 2005/56/EC, 2007/36/EC, 2011/35/EU, 2012/30/EU and 2013/36/EU, and Regulations (EU) No 1093/2010 and (EU) No 648/2012, of the European Parliament and of the Council, as the same may be amended from time to time (the “**BRRD**”), pursuant to which liabilities of a credit institution, investment firm, certain of its parent undertakings and/or certain of its affiliates can be cancelled, written down, reduced, modified and/or converted into shares or other securities or obligations of the issuer or any other person (and a reference to the “relevant UK resolution authority” is to any authority with the ability to exercise a UK bail-in power).

“**Group**” means the Issuer together with its subsidiaries consolidated in accordance with International Financial Reporting Standards.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that no repayment of the principal amount (including any premium or final redemption amount or early redemption amount, if any, or other amount payable in respect thereof) of the Notes or payment of interest on the Notes shall become due and payable after the exercise of any UK bail-in power by the relevant UK resolution authority unless, at the time that such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by us after the exercise of such UK bail-in power.

By its acquisition of the Notes, each Holder and beneficial owner of Notes waives any and all claims against the Trustee for, agrees not to initiate a suit against the Trustee in respect of, and agrees that the Trustee will not be liable for, any action that the Trustee takes, or abstains from taking, in either case in accordance with the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the notes.

Upon the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes, the Issuer will provide a written notice to DTC as soon as practicable regarding such exercise of the UK bail-in power for purposes of notifying Holders and beneficial owners of Notes of such occurrence. The Issuer will also deliver a copy of such notice to the Trustee for information purposes.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes will not be an Event of Default with respect to the Notes.

The Issuer’s obligations to indemnify the Trustee shall survive the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes.

By its acquisition of the Notes, each Holder and beneficial owner of Notes acknowledges and agrees that, upon the exercise of any UK bail-in power by the relevant UK resolution authority with respect to the Notes, (a) the Trustee shall not be required to take any further directions from Holders of the Notes and

(b) the Indenture shall impose no duties upon the Trustee whatsoever with respect to the exercise of any UK bail-in power by the relevant UK resolution authority. Notwithstanding the foregoing, if, following the completion of the exercise of the UK bail-in power by the relevant UK resolution authority, any Notes remain outstanding (for example, if the exercise of the UK bail-in power results in only a partial write-down of the principal of the Notes), then the Trustee's duties under the Indenture shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Trustee shall agree pursuant to supplemental indenture or an amendment to the Indenture; provided, however, that notwithstanding the exercise of the UK bail-in power by the relevant UK authority, there shall at all times be a Trustee for the Notes in accordance with the Indenture, and the resignation and/or removal of the Trustee and the appointment of a successor trustee will continue to be governed by the Indenture, including to the extent no additional supplemental indenture or amendment is agreed upon in the event the Notes remain outstanding following the completion of the exercise of the UK bail-in power.

By its acquisition of the Notes, each Holder and beneficial owner of Notes (a) acknowledges and agrees to be bound by and consents to the exercise of any UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the Notes and (b) shall be deemed to have authorized, directed and requested DTC and any direct participant in DTC or other intermediary through which it holds Notes to take any and all necessary action, if required, to implement the exercise of any UK bail-in power with respect to the Notes as it may be imposed, without any further action or direction on the part of such Holder, beneficial owner or the Trustee.

Events of Default

The following shall constitute “**Events of Default**” with respect to the Notes:

- (3) the Issuer fails to pay any principal within three days of the due date or interest within seven days of the due date in respect of the Notes; or
- (4) the Issuer defaults in performance or observance of or compliance with any of its other obligations set out in the Notes or the Indenture which default is incapable of remedy or which, if capable of remedy, is not, in the opinion of the Trustee, remedied within 30 days (or such longer period as the Trustee may permit) after notice requiring remedy of such default shall have been given to us by the Trustee; or
- (5)
 - (a) any other present or future indebtedness in respect of moneys borrowed or raised in an amount of £40,000,000 or more (or its equivalent in any other currency) of the Issuer or any Material Subsidiary becomes due and payable prior to its stated maturity pursuant to a default; or
 - (b) any such indebtedness is not paid when due or (as the case may be) within any applicable grace period therefor; or
 - (c) the Issuer fails or any Material Subsidiary fails to pay when due or (as the case may be) within any applicable grace period therefor any amount payable by the Issuer or it under any present or future guarantee in an amount of £40,000,000 or more (or its equivalent in any other currency) (other than any guarantee given in the ordinary course of the Issuer's or its business) for any indebtedness in respect of moneys borrowed or raised; or

- (d) any mortgage, charge, pledge, lien or other encumbrance present or future securing an amount of £40,000,000 or more (or its equivalent in any other currency) and created or assumed by the Issuer or any Material Subsidiary becomes enforceable and the holder thereof takes any steps to enforce the same; or
- (6) a distress or execution or other similar legal process in respect of a claim for £20,000,000 or more is levied or enforced or sued out upon or against any part of the Issuer's property, assets or revenues or the property, assets or revenues of any Material Subsidiary and is not discharged or stayed within 30 days of having been so levied, enforced or sued out; or
- (7) the Issuer becomes, or any Material Subsidiary becomes, insolvent or unable to pay its debts as they mature; or the Issuer applies, or any Material Subsidiary applies, for or consents to or suffers the appointment of a liquidator or receiver or administrator or similar officer of ourselves or itself or the whole or any substantial part of our or its undertaking, property, assets or revenues; or the Issuer takes, or any Material Subsidiary takes, any proceeding under any law for a readjustment or deferment of its obligations or any part thereof, or the Issuer makes or enters, or any Material Subsidiary makes or enters, into a general assignment or an arrangement or composition with or for the benefit of our or its creditors, except in any case in connection with a substitution pursuant to the Consolidation, Merger and Sale or Lease of Assets provisions of the Indenture or for the purpose of a reconstruction, union, transfer, merger or amalgamation effected with the prior written consent of the Trustee, or in the case of a Material Subsidiary in connection with the transfer of all or the major part of its business, undertaking and assets; or
- (8) an order is made or an effective resolution is passed to wind up or dissolve the Issuer or any Material Subsidiary or the Issuer's authorization or registration is, or is proposed to be canceled, suspended or revoked or anything analogous or similar to any of the foregoing occurs (except in any case for the purposes of a substitution pursuant to the Consolidation, Merger and Sale or Lease of Assets provisions of the Indenture, a reconstruction, union, transfer, merger or amalgamation effected with the consent of the Trustee or in the case of a voluntary solvent winding up of a wholly-owned Material Subsidiary).

“Material Subsidiary” means a Subsidiary of the Issuer whose total assets (attributable to the Issuer) represent 10% or more of the Issuer's and its subsidiaries' consolidated total assets (all as more particularly described in the Indenture).

If an Event of Default (other than an Event of Default specified in sections (5) or (6) above) with respect to the Notes occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the outstanding Notes may declare all of the Notes to be due and payable immediately at their Early Redemption Amount together with accrued interest by a notice in writing to us. If an Event of Default specified in section (5) or (6) above with respect to the Notes occurs, then all of the Notes shall, without any act by the Trustee or the Holders, become immediately due and payable without presentment, demand, protest or other notice of kind at their early redemption amount together with accrued interest.

At any time after such an acceleration or declaration of acceleration with respect to the Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee, the Holders of a majority in principal amount of the outstanding Notes, by written notice to the

Issuer and the Trustee, may rescind and annul such acceleration or declaration of acceleration and its consequences if:

- (a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay:
 - (i) all overdue interest, if any, on all the Notes;
 - (ii) the principal of and premium, if any, on any Notes which have become due otherwise than by such acceleration or declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Notes;
 - (iii) to the extent that payment of such interest is lawful, interest upon any overdue interest at the rate or rates prescribed therefor in the Notes; and
 - (iv) all sums paid or advanced by the Trustee under the Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and
- (b) all Events of Default with respect to the Notes, other than the non-payment of the principal of and accrued interest on the Notes which have become due solely by such acceleration, have been cured or waived.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

If any Event of Default has occurred and is continuing with regard to the Notes, the Trustee may, at its discretion and without further notice, take such proceedings against the Issuer as it may think fit to enforce payment on the Notes. However, the Trustee will not be bound to take any action with respect to the Notes unless:

- (1) it shall have been so requested in writing by holders of at least 25% of the nominal amount of the Outstanding Notes; and
- (2) it shall have been indemnified to its satisfaction.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Notes may waive, on behalf of the Holders of all the Notes, compliance by the Issuer with section 9.4 or 9.6 of the Indenture. The Holders of a majority in aggregate principal amount of the Outstanding Notes may waive on behalf of the Holders of all the Notes, any past default under the Indenture and its consequences, except a default in the payment of principal of (or premium, if any, on) or interest, if any, on any of the Notes or with respect to a covenant or provision which under the Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Note.

The Indenture contains provisions permitting the Issuer and the Trustee (i) without the consent of the Holders to execute supplemental indentures for certain enumerated purposes, such as to cure any ambiguity or inconsistency or to make any change that does not have a materially adverse effect on the rights of any Holder, and (ii) with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes, to execute supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of Holders of Notes; provided, that, with respect to certain provisions of the Indenture, no such supplemental indenture may be entered into without the consent of the Holder of each Outstanding Note affected thereby.

In addition, the Issuer and the Trustee may modify and amend the Indenture, without the further consent of Holders, to the extent necessary to give effect to the exercise by the relevant UK resolution authority of the UK bail-in power.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of (and premium, if any, on) and interest, if any, on this Note (including any Additional Amounts payable in accordance with the terms of this Note and the Indenture) at the times, places and rates, and in the coin or currency, specified herein. However, the Indenture limits the Holder's right to enforce the Indenture and this Note.

Prior to due presentment of this Note for registration of transfer, the Issuer, the Trustee and the Paying Agent and any agent of the Issuer, the Trustee or the Paying Agent may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or any agent of the Issuer, the Trustee or the Paying Agent shall be affected by notice to the contrary.

Governing Law

The Indenture and the Notes shall be governed by and construed in accordance with the laws of the State of New York.

Each of the Issuer and the Trustee, and each Holder and beneficial owner of a Note by its acceptance thereof, hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right it may have to trial by jury in any legal proceeding directly or indirectly arising out of or relating to the Indenture, the Notes or the transactions contemplated thereby.

Prescription

Claims for payment of principal in respect of the notes shall become void upon the expiry of ten years, and claims for payment of interest (if any) in respect of the notes shall become void upon the expiry of five years, in each case from the Relevant Date therefor, subject to the terms and conditions described in the Indenture.
