FlexBasic at a glance

Internet Banking – it's easy, convenient and safe

Our Internet Bank is open for business 24 hours a day, 365 days a year.

You can manage your account online and find out about a wide range of products, services and support we offer our members.

Banking app – manage your money on the go

With our free Banking app you can manage your money from your iPhone or Android™ smartphone.

View your statements, pay bills and move money between accounts 24/7. Download the app now from your app store once you've registered for Internet Banking. To find out more about any of these services visit nationwide.co.uk/managingyourmoney

Text alerts – keep a close eye on your balance

We can help you to manage your money more easily with text alerts. For example, you can set a high or low balance alert and receive a text alert when your balance reaches this amount. For more information on our text alerts, you can visit nationwide.co.uk/textalerts

Cash machines – more than just cash withdrawals

Cash machines are a convenient way to manage your money. You can check balances, pay bills or transfer money, change or unlock your PIN, even top up your mobile phone.

Contactless card payments – it's quick and convenient

With a contactless debit card, you can safely and securely pay for things up to the value of £30 with just a touch. You can make contactless payments at over 300,000 locations and growing; including supermarkets, restaurants and coffee shops in the UK. Just look for the contactless logo at the checkout.

Nationwide education

This might be your first current account or you may have a poor credit history that might prevent you from getting one of our other current accounts. That's why we created Your Money, to help support you when choosing, opening and managing a current account. It includes topics such as credit ratings and budgeting. You can find Your Money at yourmoney.nationwideeducation.co.uk
