

FlexPlus Travel Insurance summary of changes

Building Society

Below you'll find an outline of certain changes that are being made to the FlexPlus Travel Insurance as a result of the coronavirus (Covid-19) pandemic. These will apply to any trips **booked on or after 1 January 2021** and will form part of the travel insurance policy.

'Cancelling your trip' section of the policy

Important information about the cancelling your trip section of the travel insurance

'The following additional exclusion applies to the Cancelling Your Trip section of the Travel Insurance policy for the following cancellation reasons:

- 2. Court cases and quarantine
- 8. FCO travel advice 'All travel'
- 9. FCO travel advice 'All but essential travel'
- 10. Natural disaster

There is no cover for any claim arising directly or indirectly or in any way connected to the disease Covid-19 (coronavirus) or any mutation of it or any disease that is declared a pandemic by the World Health Organisation. This includes any steps taken by any entity including but not limited to transport operator, Government, authority or agency, in response to or as a result of Covid-19 or a pandemic. This also includes any claim for any person being quarantined or self-isolating in relation to Covid-19 or a pandemic.'

This does not apply to Cancelling Your Trip reason 1. Death, illness or injury.

What this means before your trip

You'll be covered for

- Cancelling your trip because one of the following people have been diagnosed with Covid-19 and have to cancel for medical reasons:
 - any insured person or;
 - a travelling companion or;
 - a close relative or;
 - a colleague or;
 - the person outside of the UK you're intending to stay with during your trip.

Unless

- You're cancelling your trip because either you, a travelling companion or the person you're planning to stay with during your trip has been advised to quarantine/self-isolate (either abroad or in the UK), and it's not for medical reasons. For example, if you're contacted by NHS Test and Trace but don't have symptoms of or haven't been diagnosed with Covid-19.
- You're cancelling your trip because the Foreign, Commonwealth and Development Office (FCDO, previously referred to as FCO) advise against *all or all but essential travel* to your destination due to Covid-19 or another pandemic.
- You're cancelling your trip because you're not able to use your pre-booked and pre-paid accommodation because the accommodation, or immediately surrounding area, is adversely affected by Covid-19 or another pandemic.

What this means during your trip

You'll be covered for

- **Cutting your trip short due to Covid-19 or another pandemic** for one of the 'Cutting short your trip' reasons listed in the policy terms and conditions.
- **Emergency medical costs abroad** if you need treatment for Covid-19 or another pandemic while on your trip.

Unless

- FCDO advice against *all or all but essential travel* to your destination due to Covid-19 or another pandemic was in place on the date you booked your trip and on the start date of your journey.
- The FCDO are advising against *all travel* to your destination at the time of departure or one of the following applies
 - You were suffering from the illness when you booked your trip or;
 - You travelled against medical advice or;
 - You were unfit to travel at the start of your trip.

All other cover provided by the travel insurance policy remains unaffected, including cancelling your trip as detailed in the policy when the cause isn't due to coronavirus (Covid-19) or other pandemics.

Booking a trip?

The following list details some of the things **you** should consider when booking a **trip** and travelling - this list is not exhaustive. Remember, **you** should read the full policy terms and conditions to understand what is covered and to ensure **you** have the right level of cover for **your** needs.

- **Is your travel agent ABTA or ATOL protected?**

If **you** book through a travel agent or broker, make sure they are ATOL or ABTA protected. This will ensure that **you** are covered if they go out of business, as this policy doesn't provide cover for travel agent or broker failures. However **you** may be covered if an end supplier fails, such as an airline or hotel. More details can be found in the *End Supplier Failure Cover* section on pages 39-40.

- **Could you benefit from a reciprocal health agreement on your journey?**

When **you** travel abroad **you** may be eligible to benefit from a reciprocal health agreement. More details can be found on page 6. If **you** have used a reciprocal health agreement such as a European Health Insurance Card (EHIC) during **your trip** **we** will waive the **excess** in the *Emergency Medical and Travel Costs* section.

- **Are you or your partner aged 70 or over?**

If yes, then remember to buy an Age Upgrade before **you** book a **trip**. Details on how to do this are on page 6. **You** will not be covered by the policy if **you** have not purchased this **upgrade**.

- **Do you or anyone to be covered by this policy have a medical condition that you need to cover whilst on a trip?**

Make sure that **you** contact **us** before **you** book as this insurance automatically excludes cover for **medical conditions**. Details on how to do this and what **we** mean by a **medical condition** are on page 8. An additional premium may be payable or **we** may not be able to cover **medical conditions**.

- **Is your trip for more than 31 days?**

This policy covers **you** for **trips** of up to 31 days. If **your trip** is longer **you** can purchase a Trip Extension Upgrade. This must be done before **your** departure from the **UK**. Further details on how to do this can be found on page 7.

- **Are you taking valuable items on holiday?**

Remember to keep **your valuables** on **your** person or locked securely in **your** accommodation at all times. Details of the items covered and claim limits can be found on pages 29-30. If **you** need more cover **you** can purchase an Extended Personal Belongings Upgrade, further details can be found on page 42.

How To Make A Complaint

We understand that things don't always go to plan and there may be times when **you** feel **we've** let **you** down. If this happens, **we** want **you** to tell **us**. **We'll** do **our** best to put things right as soon as possible or explain something **we** could have made clearer.

Our staff are empowered to support **you** and will aim to resolve most issues within three working days, following receipt of **your** complaint.

If **your** complaint can't be resolved within three working days, **we'll** contact **you** to let **you** know who will be dealing with it and what the next steps are.

We will keep in regular contact with **you**. **You'll** also receive the following written communication from **us** depending on how long it takes **us** to resolve **your** complaint.

This is a free and independent service. If **you** decide to contact them, **you** should do so within 6 months of **our** response letter. Referring **your** case to the Financial Ombudsman Service will not affect **your** legal rights.

You can contact them by:

Email: complaint.info@financial-ombudsman.org.uk

Phone: **UK: 0300 123 9123** or **0800 023 4567**

Their website also has a great deal of useful information: www.financial-ombudsman.org.uk

If your complaint is about Legal Costs

You can refer complaints about claims under *Legal Costs* to arbitration instead (where an independent person, known as an Arbitrator, makes a decision to settle the dispute). The Arbitrator will be a solicitor or barrister or other suitably qualified person that **you** and **we** agree on. If **you** and **we** can't agree then **we** will ask the Chartered Institute of Arbitrators to decide. The Arbitrator's decision will be final and whoever does not win will have to pay all costs and expenses.

European Online Dispute Resolution Platform

If **you**, an individual, purchased **your** policy online mainly for **your** own private use there is now an Online Dispute Resolution (ODR) platform created by the EU Commission, which can help with resolving disputes. **You** can enter any complaint, other than for trade, about **your** policy onto the ODR. This will forward **your** complaint to the correct Alternative Dispute Resolution scheme. For insurance complaints in the **UK** this is the Financial Ombudsman Service. Their contact details are above, if **you** prefer to contact them directly. For more information about ODR please visit <http://ec.europa.eu/odr>.

Important Information

This policy booklet gives full details of **your** cover. **You** should read it along with any **upgrades** and **endorsements**.

Your cover is made up of:

- This policy booklet.
- Any **upgrades**.
- Any **endorsements**.

In an emergency **you** need to speak to **our** emergency assistance service as soon as possible (see page 4 for contact details).

Providing accurate information

You must provide **us** with information that is correct and complete to the best of **your** knowledge. If **you** think there is a mistake or **you** need to make changes, **you** need to let **us** know. If **you** fail to provide correct information it could affect **your** cover.

The law that applies

Under European law, **you** and **we** may choose which law will apply to this contract. Unless both parties agree otherwise English law will apply, but this choice of law does not restrict **your** rights under mandatory provisions of the law of the country where **you** permanently live.

We have supplied this agreement and other information to **you** in English and **we** will continue to communicate with **you** in English.

Meeting your needs

We have not given **you** a personal recommendation on whether this policy is suitable for **your** needs.

Changes to this policy

Nationwide can withdraw the cover or withdraw or change the benefits and services **you** receive under this policy for the same reasons for which Nationwide is permitted to make to **your** FlexPlus current account terms. For example, sections of cover may be added or removed. If a change is made Nationwide will let **you** know and **we** will update the terms and conditions in this policy. The notice period can be found in **your** FlexPlus current account terms.

We can also make changes to the terms and conditions in this policy. If this happens Nationwide will let **you** know using the same notice periods shown in **your** FlexPlus current account terms. **We** may make changes for the following reasons:

- To respond to any changes in law, regulations, industry guidance or codes of practice or to a decision by a regulator, court or ombudsman.
- To respond to changes in **our** costs, including administrative costs and the costs involved in providing these services or benefits.
- To respond to changes in technology.
- To reflect any changes in ownership or re-organisation due to a merger or acquisition.
- To maintain **our** financial strength to ensure **we** are in a position to cover claims made by all **our** policyholders.

As this insurance policy has no fixed end date, **we** may also need to withdraw the cover or make changes for other reasons that **we** cannot anticipate.

Communicating a change

Changes **we** or Nationwide make to this policy will normally be notified to **you** by Nationwide.

If **we** need to make any change to **your** policy, and it is not to **your** disadvantage, **we** may do so immediately. For these types of changes, Nationwide will tell **you** about the change in one of the following ways:

- Displaying information in a Nationwide branch.
- Displaying information on the Nationwide website.
- Advertising in the press.
- Sending **you** a secure message or notice via the Internet Bank or Banking app (if **you** are a registered user).
- Including a message with **your** online or paper statement.

If the change is to **your** disadvantage or if **we** remove cover, Nationwide will tell **you** personally in one of the following ways:

- By writing to **you** (email, letter or text).
- By including a message with **your** online or paper statement.
- By sending **you** a secure message or notice via the Internet Bank or Banking app (if **you** are a registered user).

You will be given at least 30 days notice of the change. If **we** remove cover **you** will be given 60 days notice, unless this is due to fraud – see General conditions – Fraud, page 15.

If you have already booked a trip

Any changes that **we** or Nationwide make will only apply to **trips** that **you** book after the changes have been introduced. If **we** or Nationwide withdraw the cover entirely cover will end on the date provided regardless of whether **you** have already booked a **trip**.

What you can do if we make a change

If **you're** not happy with a change and **you** decide **you** want to cancel **your** insurance cover, **you** will need to close **your** Nationwide FlexPlus current account. If **you** tell Nationwide **you** are closing **your** FlexPlus current account for that reason, **you** can withdraw all **your** money and close or switch the account without charge, provided **you** tell Nationwide within 60 days of the date **you** are told about the change. If **you** close **your** account, any money that **you** owe (including the payment of interest) will continue to apply until **you** have repaid all of the money.

European Union

If **your trip** includes visits to any country in the European Union, Iceland, Lichtenstein, Norway or Switzerland, **we** strongly recommend that, if **you** qualify **you** obtain a European Health Insurance Card (EHIC) and take it with **you** whenever **you** travel. EHIC enables **you** to benefit from the reciprocal health agreements that are in place with these countries, and which also apply to certain other countries and territories.

If **you** use **your** EHIC to reduce the costs of medical treatment **you** receive, **we** will waive the **excess** on any claim under *Emergency Medical and Travel Costs*. EHIC is free and valid for five years; application can be made online at www.ehic.org.uk or by calling **0300 330 1350** and a separate card is required for every person travelling.

Australia

If **your trip** includes a visit to Australia **you** must enrol at a local Medicare office, but **you** can do this after **you** have had treatment for the first time. **Inpatient** and outpatient treatment is then available free of charge.

Foreign & Commonwealth Office (FCO)

We are partners in the Foreign & Commonwealth Office's "Know Before You Go" campaign to keep British travellers safe and healthy abroad. Before **you** travel **you** should check out the website at www.gov.uk/foreign-travel-advice for travel advice and up to date information about countries **you** plan to visit. This policy does not cover claims where **you** have travelled to areas after the Foreign & Commonwealth Office (FCO) has advised against "All travel". **You** must follow the most up to date FCO travel advice at all times during **your trip**.

Operation of Cover and Upgrades

This section explains how **your** insurance works and the **upgrades** that **you** can arrange to extend **your** cover.

Your Nationwide FlexPlus Account

This travel insurance is a benefit of **your** Nationwide FlexPlus current account. If **you** close **your** account **your** travel insurance will be cancelled from the same date including any **upgrades** that **you** have.

Who is covered

This policy provides cover for:

- The **account holder**.
- The **account holder's partner**.
- Any **dependent child** of the **account holder**.

You can extend the cover to include any **guests** travelling with **you** on a **trip** by buying a Guest Upgrade.

Residency

To be covered under this policy, **you** must be registered with a **UK doctor** and be a resident of the **UK**. This means **you** must spend at least 6 months of any 12 month period in the **UK**. **We** will only cover **trips** that start and end in the **UK**.

Age

This policy provides cover for the **account holder** and the **account holder's partner** until their 70th birthday. **You** can extend cover beyond this point by buying an Age Upgrade for an additional premium of £65 (inclusive of Insurance Premium Tax, where applicable and subject to medical screening). Premiums are correct at time of going to print but maybe subject to change. **You** will need to renew the Age Upgrade each year in order to be covered. Each **insured person** aged 70 or older must be medically screened each year.

Depending on the individual circumstances it may be possible to arrange a Medical Upgrade to cover any **medical conditions**.

Medical conditions

This cover is not private medical insurance. It will not cover **you** for non-emergency, planned or routine treatment or for private medical care. If **you** fall ill or are injured abroad, where possible, please contact **our** emergency assistance service before accepting any treatment (see page 4 for contact details).

This policy does not cover **medical conditions**. **You** need to read the *Medical Screening* section on page 8 and let **us** know about any **medical conditions** that an **insured person** has so **we** can confirm what cover is available. Depending on the individual circumstances, **you** may be able to extend **your** cover with a Medical Upgrade.

Trip length

This policy provides cover for **trips** of up to 31 days. If **your** return to **your home area** is delayed beyond the scheduled end date of **your trip** for reasons outside **your** control **we** will automatically extend cover until **your** new return date. If **you** are planning a longer **trip you** can extend **your** cover by buying a Trip Extension Upgrade (Winter sports **trips** cannot be extended beyond 31 days).

Geographical limits

This policy provides cover for worldwide travel.

Independent travel

The **account holder's partner** and any **dependent child** can travel without the **account holder**. A **guest** must be travelling with the **account holder** or the **account holder's partner**.

Cancellation cover

If the policy limit for cancelling **your trip**, abandoning **your trip**, or cutting short **your trip** is not enough to cover the cost of **your trip you** can extend this cover by buying a Cancellation Upgrade.

Hazardous activities

This policy provides cover for some activities as standard. **You** can extend this cover to include some **hazardous activities** by buying a Hazardous Activities Upgrade. Please see page 11 for details.

Personal belongings

This policy provides cover for **personal belongings**. If **you** want to extend the cover provided as standard **you** can buy an Extended Personal Belongings Upgrade. Please see page 42 for details.

Cruise cover

This policy provides cover for **cruise trips**. If **you** want to extend the cover provided as standard **you** can buy a Cruise Upgrade. Please see page 41 for details.

If **you** want to buy one of the **upgrades** described above call **our** customer helpline (see page 4 for contact details).

All **upgrades** must be bought before **you** start **your trip** and will only be valid for events that happen after the **upgrade** cover has started.

Emergency Assistance

Our emergency assistance service provides 24-hour emergency medical assistance for any **insured person**.

In the event of an emergency

Please contact **our** emergency assistance service by phone as quickly as possible. Let them know that **you** are a Nationwide FlexPlus current account customer and provide details of the problem. An experienced co-ordinator in the **UK** will deal with **your** enquiry and make sure that if needed:

- Hospitals are contacted and eligible fees are authorised.
- A **doctor** is consulted on the possibility of arranging **your** return to the **UK**.
- **You** get assistance when **you** arrive in the **UK**.

Medical advice

Our emergency assistance service will:

- Provide names and addresses of suitable **doctors**, hospitals, clinics and dentists. While on a **trip**, **we** may direct **you** to or arrange for **you** to move to a specific medical facility. **We** will only do this if it is safe and appropriate to do so.
- Continue monitoring the patient's condition.

Our assistance co-ordinators are, in most cases, multilingual and able to converse with **doctors** and hospitals abroad.

Medical Screening

Please read this section carefully. If **you** don't tell **us** about a **medical condition**, **you** and anyone else insured by this policy will not be covered for any claim connected to **your medical condition**.

Medical conditions

You need to tell **us** about any **medical conditions** when:

- **You** first become an **insured person** (if **you** already have a **trip** booked).
- **You** book a **trip**
- **You** add a **guest** (for cover on an existing or future **trip**) when **you** need to tell **us** about any **medical conditions** for the **guest**.

We consider an illness or injury to be a **medical condition** if an **insured person** would answer 'yes' to one or more of the questions below.

In the last 12 months have **you** suffered from, received treatment or are receiving treatment or advice for:

- A heart or cardiovascular problem (such as heart disease, stroke or angina)?
- Diabetes, high blood pressure or high cholesterol?
- Any form of cancer?
- Any breathing condition (such as asthma or COPD)?
- Any gastrointestinal condition (such as Crohn's Disease or IBS)?

In the last 12 months have **you** had or been recommended to have:

- Treatment or medication prescribed by a **doctor**, including repeat prescriptions, whether taking it or not?
You do not need to tell us about hormone replacement therapy or contraception.
- **Inpatient** treatment or been aware of the need for **inpatient** treatment?
- Investigation of a **medical condition** or awaiting a diagnosis?

If **you** answer 'yes' to any of the above questions **you** must declare all **your** diagnosed health problems **you** are either suffering from now or have received treatment or advice for in the last 12 months.

What happens when you tell us about a medical condition

- If **you** tell **us** about a **medical condition**, depending on **your** answers **we** will do one of the following:
 - Cover **your** condition for free.
 - Ask **you** to pay an extra premium to cover **your medical condition**.
 - Exclude cover for all **medical conditions** and any related conditions.

A related condition is any condition that **you** are more likely to suffer from due to **your medical condition**.

If **you** do not want to pay any extra premium **you** can choose to exclude cover for all **medical conditions** and anything related to them.

Arranging cover for your medical conditions

When **we** accept a **medical condition** a Medical Upgrade will be added to **your** cover. In most cases this will apply for 12 months, unless **your** health changes and **we** can no longer cover **your medical condition**, or until the expiry of any **upgrade** or **endorsement** that is already in place, whichever is sooner.

Changes in health

A change in health is:

- Any change to an existing **medical condition** (including a change in the number of medications **you** are prescribed).
- Any newly diagnosed **medical condition**.
- Any signs and symptoms of a new **medical condition**, whether diagnosed or not.

Where **we** have accepted cover for **your medical condition you** do not need to tell **us** about any changes to **your** health for any **trips** that are already booked. **You** must be fit to travel and must not be travelling against medical advice.

You must tell **us** about any change in health when **you** book a new **trip** and on the renewal date of any existing Medical Upgrade.

Renewal of your Medical Upgrade

Before **your upgrade** ends **we** will send **you** a renewal invitation. **You** may need to contact **us** so **we** can re-assess **your medical conditions**. It is important that **you** do so before **your** Medical Upgrade is due to end to make sure that **we** can continue to cover **your medical conditions**.

If **we** are unable to continue covering **your medical conditions** at renewal and **you** have a **trip** booked **you** can make a cancellation claim.

Our medical risk assessment system is regularly updated. This means that the cover **we** offer for **your medical conditions** and the premium may change at renewal even if **your medical conditions** or circumstances have not changed.

- Cancel **your** insurance.
- Refuse **your** claim and any future claims.
- Keep any premium **you** have paid.

- **You** must send **us** any reasonable and relevant information that **we** ask for and pay any charges involved in doing this.

Choosing who represents you

- If **we** accept **your** claim, **we** will choose a **preferred law firm** to try to settle the matter without having to go to **court**.
- If it is necessary to take **your** claim to **court**, or if there is a conflict of interests, **you** can choose a law firm to act as the **appointed representative**.
- If **you** choose an **appointed representative** who is not a **preferred law firm** they must agree to **our terms of appointment** (**you** can ask **us** for a copy). **We** will only cover their **legal costs** from the date they agree to **our terms of appointment**.
- The **appointed representative** will enter into a separate contract of appointment directly with **you**. **You** will be responsible for any of their **legal costs** that aren't authorised by **us**.

Co-operating with the appointed representative and us

- If **we** ask, **you** must tell the **appointed representative** to give **us** any documents, information or advice that they have or know about relating to the claim.
- **You** must fully co-operate with the **appointed representative** and with **us**.
- **You** must not take any action that has not been agreed by **your appointed representative** or by **us**.
- **You** must keep **us** and the **appointed representative** promptly informed of all developments relating to the claim and provide **us** and the **appointed representative** immediately with all information, evidence and documents that **you** have or know about.
- **You** must get **our** written permission before instructing a barrister or an expert witness.
- **We** can contact the **appointed representative** at any time, and they must co-operate fully with **us** at all times.

Barrister's opinion

- If there are conflicting opinions over the **reasonable prospects of success**, **we** will ask **you** to get an opinion from a barrister.
- **We** will agree the choice of barrister with **you**.
- **You** will have to pay for the opinion unless it shows that **your** claim has **reasonable prospects of success**.

Offers to settle your claim

- **You** must tell **us** if anyone makes a payment into **court** or offers to settle **your** claim.
- **We** can refuse to pay further **legal costs** if **you** do not accept a payment into **court**, or an offer to settle a claim, which **we** or **your appointed representative** considers should be accepted.

Approval to settle or end your claim

You must not stop, settle, negotiate or withdraw instructions from the **appointed representative** without **our** approval. **We** will not withhold **our** approval without good reason.

If the appointed representative refuses to continue acting for you, or if you dismiss them

If an **appointed representative** refuses to continue acting for **you** with good reason, or if **you** dismiss them without good reason, cover for **your** claim will end immediately unless **we** agree to appoint another **appointed representative**.

Economically settling your claim

- **We** can decide to settle **your** claim by paying **you** the compensation **you** are likely to be awarded by a **court** instead of starting or continuing **your** claim or legal proceedings.
- If **your** claim is not for damages, **we** may decide to settle **your** claim by paying **you** the equivalent financial value of **your** claim.

If legal costs become disproportionate

We can refuse to pay further **legal costs** if **we** or the **appointed representative** consider that those **legal costs** would be disproportionate to the value of the claim.

If your claim no longer has reasonable prospects of success

- **You** must tell **us** if **your** claim no longer has **reasonable prospects of success**.
- **We** can refuse to pay further **legal costs** if **your** claim no longer has **reasonable prospects of success**.

Assessing legal costs

We have the right to have **legal costs**:

- Certified by the appropriate professional body.
- Audited by costs draftsmen **we** choose.
- Assessed by a **court**.

Recovering legal costs

- **You** must tell **your appointed representative** to claim back all costs that **you** are entitled to. If **legal costs we** have paid are recovered, **you** must refund them to **us**.
- **We** and **you** will share any **legal costs** that are recovered where:
 1. **We** refused to pay further **legal costs** and **you** paid more **legal costs** to end **your** claim.
 2. **You** chose to pay the difference between the **legal costs we** offered to the **appointed representative** under **our terms of appointment** and the **legal costs** charged by the **appointed representative**.

Recovered **legal costs** will be split in the same ratio as the **legal costs** originally paid: so if **you** paid 60% of the original **legal costs**, **you** will receive 60% of the recovered **legal costs**.

1 - Who 'we' are

We are U K Insurance Limited ('**we**', '**us**' or '**our**'). **We** underwrite this Nationwide insurance policy.

2 - What information do we collect about you?

Information collected from you & cookies policy

Where **we** have collected information directly from **you** it will usually be obvious what this is, as **you** will have given it to **us**. This might not be the case where **we** have used cookies to collect information from **your** computer or portable electronic devices. Please see **our** cookies policy for more information.

Information collected from others

We can collect information about **you** from others. This includes information from:

- **Nationwide Building Society**, who **we** partner with to provide **your** insurance policy.
- **Joint policyholders or policy beneficiaries**. Where **you** are named on a joint policy or a beneficiary of that policy **we** may collect information about **you** from any named policyholder. **We** will ask them to confirm that they have **your** permission to give **us** this information about **you**.
- **Fraud prevention, law enforcement or government agencies and other data sources used to prevent or detect fraud or provide details to us about criminal convictions or offences**.
- **HM Treasury and other authorities in relation to regulatory issues** e.g. where someone is subject to a financial sanction they will appear on HM Treasury's asset freezing list.
- **Credit reference agencies** e.g. credit searches that are made when **we** produce a quotation for a new policy or at renewal. (Note that the results of these searches are automatically deleted after 12 months and do not affect **your** ability to obtain credit.) Please also see section 4 below.
- **External sources** such as **no claims discount databases**, the electoral role and insurance comparison websites to help **us** decide what the risk is in selling the policy **and from companies that hold information about insurance renewal dates, marital status, household residents, vehicle details, employment status and household income** to help **us** work out which information **we** should provide to **you** about **our** other products and services.

Sensitive personal information

We collect information that is sensitive, such as information about children, health or geo-location (which may be sensitive personal information because, for example, it can pinpoint **your** location at a hospital), and information related to unspent past criminal convictions or offences. **We** also collect **your** sensitive personal information for specific types of policy or applications, for example when offering **you** a travel policy or a driving application e.g. Telematics. **We** obtain this from **your** mobile devices for driving applications and the following people:

- The main policyholder will provide most of the information **we** collect about health (including confirming whether hospital treatment is being sought) and unspent criminal convictions or offences, including on behalf of others named on the insurance policy e.g. medical screening to support a travel policy;
- Fraud prevention or law enforcement agencies may provide details to **us** about criminal convictions or offences;
- Witnesses to an accident may provide medical information to **us** if there is an investigation of a claim;
- **We** may use information about a child, for example, where the child is a beneficiary under a policy or if involved in an accident.

We collect and use this information as part of **your** insurance quotation or contract with **us**, or where it is necessary for a legal obligation, or as part of the establishment or defence of a legal claim.

3 - What do we do with information we collect about you and why may we do this?

We use **your** personal information in order to meet **our** obligations in **our** contract of insurance with **you**. **We** and other companies within **our** group of companies use **your** personal information in the following ways:

A. Provide insurance services

When **you** request **us** to provide **you** with a quote for one of **our** insurance policies or **you** purchase an insurance policy from **us**, **we** use information about **you**:

- To decide what the risk might be in selling **you** the policy, to quote for, and provide **you** with, a premium for that policy and any special terms that may apply to that policy (noting that **we** may use automated decision making to make this assessment - see section 9 below);
- To administer **your** policy and monitor the payment of instalments if **you** pay **your** premium in this way;
- To contact **you** about the policy (e.g. for billing or renewal purposes); and
- To provide the agreed service if **you** make a claim (e.g. sending someone to assist **you** in a roadside breakdown situation or to provide **you** with medical assistance if **you** are injured or unwell when overseas)

We cannot provide the services unless **we** use the information about **you** in this way.

B. Do what we are required to do by law

As part of **our** duty as an insurer providing insurance services, sometimes **we** are required by law to use information about **you**:

- To help make sure **our** customers are being treated fairly (e.g. to assist **our** regulators where **we** have a legal duty to do so);
- To deal with complaints;
- To help prevent and detect crime (including, for example, the prevention or detection of fraud); and
- To comply with a legal or regulatory obligation.

We can use **your** personal information in this way because **we** are required to do so by law.

C. Prevent fraud occurring

Fraud has an impact on all customers as it increases costs for everyone. **We** use **your** personal information to check for signs that customers might be dishonest (e.g. if someone has behaved dishonestly in the past it may increase the risk they will do so in future).

We may use **your** personal information in this way because it is in **our** interests to detect fraud and in all **our** customers' interests to ensure that they are not prejudiced due to increased premiums as a result of a few customers acting dishonestly.

D. Recover debt

If **you** owe **us** money **we** will use **your** personal information to help **us** recover it.

We can use **your** personal information in this way because it is a necessary part of the contract of insurance. **We** need to ensure that premiums are paid so that the majority of **our** customers do not suffer (e.g. through increased premiums) due to the actions of a small minority of customers.

E. Where your or another person's life may be at risk

We will use **your** personal information to assist where **your** or another person's life or health is in danger and obtaining **your** permission is not possible (e.g. arranging emergency medical treatment in a remote location).

F. To administer and improve our services

To administer **our** services **we** will share information with others (including to people or organisations that may be based overseas):

- In order to enable **us** to process **your** claim or administer **your** insurance policy more cost effectively;
- To help develop **our** products, services and systems to deliver **you** a better sales and claims experience in the future; and
- To understand how **our** prospective customers make decisions about which insurance policy is the optimal policy.

We may also process **your** personal data to better understand **you** as a customer, including to determine how best to retain **your** custom, and to ask **you** to provide feedback on the service **we** provide to **you**.

We can use **your** personal information in this way because it is in **our** legitimate interests to provide the services in the most efficient way. **We** will always ensure that **we** keep the amount of **your** personal information that **we** collect and the extent of any processing to the absolute minimum to achieve this efficiency.

4 - Who do we share your personal information with and why do we do it?

We may share **your** personal information with third parties and other companies within **our** group of companies for the purposes mentioned in section 3 above. A list of **our** group companies can be found at www.u-k-insurance.co.uk/group-companies.html. Alternatively, **you** can contact the Data Protection Officer for a list of them. Please see section 10. **You** should make sure everything **you** tell **us** is correct because **your** records may be checked in the following circumstances:

- When **you** apply for insurance, financial services, or work;
- By police and other law enforcement agencies.

In particular **we** share information with:

- **Nationwide Building Society, we** will provide them with information about **your** insurance policy, premium and claims history.
- **Fraud prevention agencies that provide databases and services**, such as CIFAS, National Hunter, SIRA and ENI, to prevent or detect fraud.
 - Fraud prevention agencies will process this personal information in order to assist **our** prevention of fraud and money laundering, and to verify **your** identity and may also process **your** personal information in order to prevent fraud and money laundering by other people.
 - Fraud prevention agencies will hold **your** personal information for up to 1 year, or up to 6 years if **you're** considered to pose a fraud or money laundering risk.
 - If **we** or a fraud prevention agency determine that **you** pose a fraud or money laundering risk, **we** may refuse to provide the services and / or financing **you** have requested. A record of this risk will be retained by the fraud prevention agencies, and may result in others refusing to provide services or financing to **you**. If **you** have any questions about this, please contact the appropriate fraud prevention agency.
- **Law enforcement or government agencies we** and fraud prevention agencies may permit law enforcement or government agencies to access and use **your** personal information, if they request it.
- **Credit reference agencies** help **us** decide whether to offer **you** credit if **you** choose to pay **your** premium by instalments. **We** share this information when **you** first take a policy with **us** and at each renewal. **We** may exchange **your** personal information with credit reference agencies to reflect **your** credit application (as payment by instalments means that there will be a credit agreement between **us**). **We** will let **you** know before **we** do this. This will be visible to other credit providers. Failure by **you** or anyone who pays for **your** policy to keep up the monthly payments due under **your** credit agreement will be reflected in **your** credit score, not theirs. The identities of the credit reference agencies and the ways in which they use and share personal information are explained in more detail at www.experian.co.uk/crain/. Alternatively, **you** can call **us** and **we** will send **you** a copy.
- **Your spouse or partner** who calls **us** on **your** behalf, provided they are named on the policy. Please tell **us** who they are when **you** take out **your** policy. If **you** would like someone else to deal with **your** policy on **your** behalf on a regular basis please let **us** know. In some exceptional cases, **we** may also deal with other people who call on **your** behalf, but only with **your** permission. If at any time **you** would prefer **us** to deal only with **you**, please let **us** know.

- **Other insurance companies** to help settle any insurance claim or to verify that the information **you** have provided is correct (e.g **we** will check the amount of No Claims Discount **you** have told **us** with **your** previous insurer). At Nationwide's request **we** may also transfer information about **you**, others named on the policy, **your** policy and any optional covers to other insurers, reinsurers and administration companies in order for Nationwide to deliver its intermediary services, provide **you** continuity of cover and optimise the insurance services that **you** receive.
- **Insurance industry bodies** such as The Motor Insurance Database to meet **our** obligations under the Road Traffic Act.
- **Insurance industry databases**, such as the Claims and Underwriting Exchange where **you** make a claim so that insurers can check that **your** claims history is correct, the Insurance Fraud Register and, for commercial policies, the Employers' Liability Tracing Office.
- **Government bodies**, such as the Driver and Vehicle Licensing Agency.

5 - Will we send your personal information overseas?

We may send **your** personal information overseas to any part of the world. The protections given to **your** personal information in other parts of the world will often not be as strong as in the **UK**. Where possible, **we** will put in place agreements with the people **we** send **your** personal information to, to require them to treat **your** personal information with the same protections that **we** apply ourselves. **Our** agreements may include standard terms provided by the EU called EU Model Clauses or may require the other party to be signed up to government standards that are recognised as providing the right level of protection such as "privacy shield" in the USA. But it is possible that regardless of what is set out in the agreement this would not stop a government in any part of the world from accessing **your** personal information, as they can often have power to overrule any agreements **we** make.

In some cases **we** might need to share information to carry out the services **we** have promised to carry out, for example if **you** require urgent assistance abroad. In such an urgent situation **we** may not always have the time to put in place the type of agreement **we** would normally want to.

6 - How long may we keep your personal information for?

We are only allowed to keep **your** personal information if **we** need it for one of the reasons **we** describe in section 3 above.

As a general rule, **we** will keep it for 6 years from the end of **your** relationship with **us**, as it is likely that **we** will need the information for regulatory reasons or to defend a claim. For example, should **you** wish to bring some form of legal action relating to **your** relationship with **us**, this would generally need to be done within 6 years from the end of that relationship. However there may be exceptions where **we** need to keep **your** personal information for longer, such as where a claim has involved a minor.

We will also retain data in an anonymous form for statistical and analytical purposes, for example, to assess risk of flood damage occurring.

7 - When can you ask us to stop using your information?

If **we** rely on **your** consent to collect and process **your** personal information, **you** can ask **us** to stop using **your** personal information at any time by withdrawing that consent and **we** will stop using **your** personal information for those purposes. **We** may rely on **your** consent to tell **you** about products or services which may be of interest to **you** or to use computers to make decisions about **you** to improve **our** services or develop **our** products (see section 9).

At any time, **you** can tell **us** to stop using **your** personal information to tell **you** about products or services that may be of interest to **you** or allowing computers to make decisions about **you** in order to improve **our** services or develop **our** products (see section 9). To find out how to do this, see section 10.

8 - What happens if you don't give us some of your personal information?

Where **you** do not provide the personal information **we** need in order to provide the service **you** are asking for or to fulfil a legal requirement, **we** will not be able to provide the service that **you** are asking **us** to give **you**.

We will tell **you** about why **we** need the information when **we** ask for it.

9 - When do we use computers to make decisions about you?

We will collect information about **you** and put this into **our** computer systems. The computer systems will make certain automated decisions about **you** which will be based on comparing **you** with other people.

This will have an impact in terms of the level of premium or product that **we** offer to **you** or the products or services that **we** decide to tell **you** about.

We may also use automated decision making to conduct an identity verification check.

For example, if **you** are under 25 years of age, the computer system may determine that **you** are more likely to have a car accident. This is because the computer system has been told that more people aged under 25 have car accidents. Another example is that, if **you** are under 25, the computer system may determine that **you** are going to be interested in a travel policy which covers high risk activity, such as skiing. Therefore, **we** would proactively seek to tell **you** about such policies as **we** would consider them to be of interest to **you**.

This is important because:

- **In providing insurance services** it helps **us** decide what price **you** should pay for **your** policy and understand any risks associated with that policy;
- **In identity verification** it helps **us** to check that **you** are who **you** say **you** are and to prevent others from imitating **you**;
- **In selling you other products** it helps **us** decide which other products might be useful to **you**.

We also use computer systems to carry out modelling. Sometimes using **your** personal information and sometimes using data in anonymised form.

We conduct this modelling for a variety of reasons, for example, for risk assessment purposes to make decisions about **you**, such as **your** likelihood to claim. However, **we** may also use **your** personal information in that modelling to make decisions about how **we** improve and develop **our** products and services, or **our** pricing and underwriting, or to better understand how **our** prospective customers make decisions about which policy is the optimal policy (i.e. **we** are not making decisions directly about **you**).

10 - How to contact us about this privacy notice

Use of Your Information by Nationwide

This is a summary of how Nationwide uses **your** personal information, if **you'd** like a more detailed explanation, please see Nationwide's full privacy statement "How Nationwide uses your information", available in branch or online at nationwide.co.uk/privacy

1. We collect and use **your** information so we can offer and manage **your** accounts, confirm **your** ID, prevent fraud, provide services to **you**, collect and recover debt and run our business.
2. We share **your** information as necessary within Nationwide, with our suppliers and with any third parties **you've** asked to act on **your** behalf. Information is shared with our insurance partners when applying for a Nationwide insurance product or it is a benefit of **your** account (e.g. FlexPlus Account).
3. If the law requires or allows us to, we'll also share information as necessary with other organisations. This includes credit reference agencies, fraud prevention agencies and other government bodies, regulators and law enforcement agencies.
4. When we share **your** information with credit reference agencies they'll use this to check **your** credit rating, along with the other details **you've** given us. These checks are part of most account application processes – however, they will leave a record on **your** credit file that other lenders can see. This might affect **your** ability to get credit elsewhere for a short while.
5. When we share **your** information with fraud prevention agencies they will use the data to prevent fraud and money laundering and verify **your** identity. If we believe someone poses a fraud or money laundering risk, we may refuse to provide the product they have asked for and we may also stop providing services they already have. The fraud prevention agencies will keep a record of any fraud or money laundering risk and this could mean that other organisations may refuse to provide services, financing or employment.
6. When we transfer information to third parties and organisations, whether inside or outside the **UK**, we'll make sure we only give them information that's necessary and that **your** data will stay secure.
7. We only use **your** information if we have a legal basis to do so, for example, if **you** have given us consent or if we need to use the information to meet our obligations to **you** in our terms and conditions. We may also use **your** information if necessary to comply with the law or to carry out our legitimate business interests.
8. **You** have certain rights when it comes to **your** personal information including the right to access **your** data. Further details on these rights and who to contact are available in branch or online at nationwide.co.uk/privacy
