Update to the Start to Save Terms and Conditions

The original Terms and Conditions for Start to Save feature four prize draws: 21 July 2020; 21 October 2020; 22 January 2021, and 23 April 2021 – each giving members a chance to win £100. **But on 13 January, the Start to Save Terms and Conditions will change to reflect the fact we're adding two more prize draws.**

A little more about the extra prize draws

The new draws will happen on 21 July 2021 and 21 October 2021. These additional draws will automatically be part of the Terms and Conditions for new and existing Start to Save accounts. Members will just need to keep on saving between £50 and £100 each month to qualify for the extra draws.
