## Business Instant Accounts

### What is the interest rate?

You can choose to have interest paid monthly or annually.

Interest rate from 18 September 2025

Term	Annual Interest AER/gross p.a. (variable)	Monthly Interest AER/gross p.a. (variable)
Business Instant Saver - Issue 10	1.55%	1.51%/1.50%

### How is the interest calculated and paid?

Interest is calculated daily, and paid either annually on 31 March or monthly on the first working day of each calendar month.

Interest can be paid into the account, into your Nominated Account, or any other Business Saver Account or Corporate Saver Account that you have with us. Please see Section B of the **Business Savings General Terms and Conditions**.

Please see Additional Information below for further information on Nominated Accounts. We also pay interest when you close your account and we add this to the capital value of the account.

### Can Nationwide change the interest rate?

Yes, the interest rate is variable. We can increase or decrease the interest rate for any of the reasons set out in the **Business Savings General Terms and Conditions**.

Please see section C of the **Business Savings General Terms and Conditions** for details about why we may change the interest rates and how we will tell you about any rate changes.
